Request Message:

I am requesting information or records on:

a) Any reports, memorandum and communications relating to Saddam Hussein's intentions to invade Kuwait in the period July 1st 1990 - August 2nd 1990

b) Any reports, memorandum and communications relating to the actual invasion

c) Any reports, memorandum and communications on the holding of Western hostages in the period August 2nd - December 10th 1990

d) Any reports, memorandum and communications relating to any special forces operations in Iraq and Kuwait in August - December 1990.

I would like to apply for a fee waiver due to the fact that this information will form part of a major BBC drama-documentary, and therefore will be widely disseminated. It will also be shown within the US on the Discovery Channel. Via the documentary, it will contribute significantly to public understanding of the operations or activities of the US Government. Due to the BBC being a public service broadcaster, they will not receive any commercial benefit from this information.

Due to the time difference, I would be grateful if you could send any questions about handling my request to my email address (b)(6) @gmail.com. Alternatively you could call me on my mobile.

Kindest regards

Rebecca Magill
