This issue will be discussed at next AMOD, along with accountability policy for ANA personnel who go AWOL while undergoing training abroad.

- **Personnel-** GSG1 MG Naser and staff actively continue personnel staffing efforts. 70 replacement officers from the Holding Kdk will deploy over the coming days to 207 and 205th Corps. Another 70 officers from Holding Kdk were transferred to 8th CDO Kdk starting 30 Jan. All 6/1/111 officers were assigned and orders cut. Leadership candidates for 2/215 GSU were identified and submitted to CoGS for approval. 1/111 CDR and XO were approved by Minister and orders cut.

- **New ANA SF Unit -** GSG3 LTG Karimi has not yet received a letter from the MOD authorizing the new ANA SF unit, but will speak with the MOD to resolve. G3 staff will determine the new SF unit breakdown and issue a directive to the Corps to execute once G3 has MoD approval to form the new unit. G3 expects Corps may resist the plan to reassign experienced soldiers.
