MEMORANDUM FOR RECORD

SUBJECT: Classification and Release Determinations, JAGMAN Report of Investigation (RoI) Regarding the Disappearance and Deaths of HT2 Justin J. McNeley and CS2 Jerod P. Newlove

1. Pursuant to Executive Order (EO) 13526, I have been designated an original classification authority for documents originating within and/or classified by HQ, USCENTCOM and subordinate elements.
2. I have reviewed the subject RoI. It is 76 pages long and signed by the Investigating Officer, Vice Admiral Robert S. Harward. During my review, I determined that some of the original classification markings within this RoI are no longer required in order to prevent damage to the national security. The passage of time and other changes in circumstances associated with Operation Enduring Freedom allow for portions of this RoI to be re-marked as UNCLASSIFIED information. I hereby approve all of the classification markings, as presently amended, that appear throughout the RoI.
3. This memo is made only with respect to VADM Harward's RoI. It does not apply to the separate references and enclosures listed at the beginning of the RoI.
4. The Office of the Staff Judge Advocate is the primary point of contact regarding this RoI and this memo. Its (b)(6), can be reached at
