MEMO FOR MG Guy C. Swan III, Investigating Officer

SUBJECT: AR 15-6 Investigation re: SGT Christopher Todd Griffin

1. I, SFC (b)(6) spoke with (b)(6), father of the late SGT Griffin, and (b)(6), grandmother of the late SGT Griffin on 27 October 2009 per the request of MG Swan's memorandum. Neither (b)(6) had any information pertaining to or assisting with the 15-6 investigation. The only concerns that did have was that SGT Griffin was only provided with one hot meal a day and that there was a lack of troops at COP Keating.

2. POC is the undersigned at (b)(2)High or (b)(6) @us.army.mil.
