**Wasit** (b)(3), (b)(6)

**(BW0054) Wasit Provincial Police HQ:** (TRA Level 1) The PTT team went to Provincial Headquarters and met with Generals (b)(6), (b)(7)c and (b)(6), (b)(7)c General (b)(6), (b)(7)c mentioned that the Provisional Council voted to replace him. He stated his men had conducted an operation in town in an attempt to pick up some individuals they had warrants for. They were unable to locate the individuals they were looking for.

The team mentioned to the Generals, that Coalition forces had taken an Iraqi named (b)(6), (b)(7)c into custody. He was suspected of leading recent mortar attacks on FOB Delta and the placement of IEDs. The team asked General (b)(6), (b)(7)c if he had any police reports about this individual that could be used to make a stronger case against (b)(6), (b)(7)c The General did not know of any Police reports relating to this individual.

General (b)(6), (b)(7)c asked when the PRT team will be ready to start conducting projects in Wasit. It was explained that the team had just arrived and as soon as security details could be arranged the PRT team would be coming out and meeting with public officials and planning projects. The General advised he needed more police stations as the population of Al Kut has greatly increased over the last 30 years. The PTT team suggested (b)(6), (b)(7)c go to the areas where he wants to build police stations and identify suitable property that could be bought to build a station or find an existing building that could be renovated into a police station. The team explained this would save some of the time it would take to get a station up and running.

General (b)(6), (b)(7)c also explained the top priorities for IP's are: vehicles; ammunition; and fuel. He does not have enough vehicles to muster adequate patrols of the city. The General is short of ammunition and does not have enough for his men on the streets and for the 500 IP students in the eight week IP basic course for qualification. He advised he purchases second-hand parts to repair the vehicles he does have assigned to him. The General also expressed the need for a Prison in Wasit. The current jail is filled beyond capacity.

**FOB CALDWELL:**

**(TD0018) Balad Ruz District Police HQ:** (TRA Level 2) PTT-D traveled to Bald Ruz LPS and gathered 10 IP for a joint patrol mission. IP searched numerous residences and instructed IP on proper entry techniques. A mounted patrol was also conducted with Balad Ruz LPS personnel.

**Scorpion Academy:** PTT trained 34 IP in recognition and procedures involving IEDs. The IP were instructed on safe searching of vehicles, roads and homes for IEDs.

**Salah Al Din** [redacted] (b)(3), (b)(6)

**(TA0034) Al Musafi ESU:** (TRA Level 3) Upon arrival to the station there were only 7 IP on duty. There was a patrol that had gone to Tikrit with LT [redacted] (b)(6), (b)(7)c that had 16 IP attached to his patrol. We took the remaining IP on a foot patrol through market area and city streets. The IP responded well to the public and appeared to be safety oriented.

**(TA0038) Qadassia LPS/ 911:** (TRA Level 3) PTT conducted classes at FOB Danger. There were 4 IP from Qadassia and four IP from the Emergency Patrol Company present for training and their Training Officer 1st LT [redacted] (b)(6), (b)(7)c

The Training Officer was provided material to conduct a class for ambush attacks and counterattacks involving the shoot, move, communication maneuvers and clearing the building under attack. The team assisted him in teaching the class. After classes the Officers participated in scenario applications

**(TA0050) As Saniyah:** (TRA Level 3) PTT contacted the on duty watch commander, MAJ [redacted] (b)(6), (b)(7)c. We found that there were 44 IP on duty with 10 of those IP at the check point. We also found six Iraqi Nationals in custody for a variety of charges and those subjects were taken into custody by the IP.
It was determined that the IP would be taking control of Check Point 105 and conducting all the searches and the IA would be providing additional security for them and CF would be assist only as needed.

A training class was conducted on the operation of the D-Cell. Training was conducted for the ESU officers, which included dynamic entries and stealth entries, that training was attended by six IP. While checking the D-Cell area, I found that the D-Cell door was left open and there was no guard present and there were four detainee's still in custody.

Two more classes were conducted on D-Cell and ESU training.

**(TA0056) Balad District HQ:** (TRA Level 4) PTT traveled to the Balad HQ to begin a District station assessment and an initial "meet and greet" of the command staff. PTT discussed ongoing investigations with GEN [redacted] (b)(6), (b)(7)c GEN [redacted] (b)(6), (b)(7)c requested help in obtaining funds for vehicles. GEN [redacted] (b)(6), (b)(7)c was notified that a request for several vehicles had been placed.

**(TA0084) Samarra District HQ:** (TRA Level 3) PTT assisted IP in putting in a check point outside of Al Huwaish. The IP along with CF placed C-Wire, and barriers for the check point. PTT did a class on vehicle stops, and searches for the check point.

**(TA0099) Tikrit District HQ:** (TRA Level 2) PTT spoke with TDHQ Chief, GEN [redacted] (b)(6), (b)(7)c and spoke about the validation process with his district station. GEN [redacted] (b)(6), (b)(7)c expressed

confidence in his ability to conduct operations for the District Head Quarters, however he felt that the satellite stations needed more time to reach TRA Level 1.

PTT also discussed the need for District HQ to have more input for local investigations that are not handled by High Crimes. Two additional IP are recommended to be assigned within the organizational structure at TDHQ that could coordinate between the satellite to better facilitate case management processes and keep TDHQ better informed with local criminal casework.

GEN [redacted] was receptive to the idea of PTT holding Law Enforcement-Investigative specific training with the training officer's from each satellite station along with the newly designated Investigative Coordination Unit at TDHQ.

**(TA 0140) Salah Al Din ERU 2:** (TRA Level 2) PTT first spoke with the OIC, LTC [redacted] He stated the unit had recently been on missions in Bayji and Samarra escorting the provincial governor. He also stated the station was no longer conducting in-service training, but had 37 men in the academy.

**(TA 0141) Salah Al Din ERU 3:** (TRA Level 2) PTT visited ERU 3 and spoke to the Deputy Chief LTC [redacted] Recent operations included missions to escort the Provincial Governor in Samarra and Bayji. The chief was wounded in Samarra by SAF. The chief's driver was killed. Their vehicle was attacked by IED and SAF.

**Camp Bernstein (Tuz):** On this date training began for Class #6. The trainers conducted training in the area of Basic Iraqi Law. The class had 20 new hire IP from the Amerli Station. Sulayman Bak IP Chief, COL [redacted] was directed numerous times over the past two weeks to provide at least 5 IP for the new class and today none were sent. COL [redacted] has been resistant to Training and mentoring of PTT since he assumed his duties as Chief.

**FOB Wilson (Ad Dwar):** (TRA Level 3) PTT met with LT [redacted] of district logistics was asked to obtain information for the stations inventories. He stated that he would be able to get the information. He stated that about three weeks ago he received two PKCs with 1600 rounds of ammunition. He also has received approximately 100 uniforms consisting of shirts, pants and shoes. He also received two generators light systems that have already been reissued to the Check Point HQ. Fifty vests of the 150 that were expected have been obtained from the Provincial HQs.

**S.W.A.T:** Training consisted of intro to First Aid and ended with practical exercises for CLS.

During training a PRT group visited the compound. They were there to evaluate the buildings for housing expatriates working with Provincial Government on the electoral process.

A meeting with MAJ [redacted] was held and we discussed outstanding pay, ammunition, weapons and guard force issues. As a result of the meeting a letter was drafted to GEN [redacted] requesting that he strongly enforce his orders to his subordinate unit commanders.

**Mosul (MND-N)** [redacted]

**Ninewah** [redacted]

**(NO FFID) 5th Emergency Response Battalion:** PTT traveled to the 5th Emergency Response Battalion (ERB) and conducted a station visit. Only six IP from the scheduled 20 were present, others were either on patrols or have not returned from vacation. PTT spoke with LT [redacted] to ensure that all scheduled IP would be present for. PTT worked on logistic issues that involved training the 5th ERB.

**(MN0022) Al Rabaein DHQ:** (TRA Level 4) PTT met with LTC [redacted] who advised the IP and the Iraqi Army (IA) are going to conduct a joint operation. LTC [redacted] advised PTT that he has eighteen IP trucks and 75 IP assigned to the operation with the IA. LTC [redacted] advised the Iraqi Army conducted a search of a residence. During the search of the residence they found seven AK-47 rifles, one Sniper rifle, three PKC, three RPK and three RPG along with ten RPG rounds. One suspect was detained by the IA. The suspect was transported to AL Rabeain District Headquarters. LTC [redacted] advised PTT the IP are conducting mounted patrols, foot patrols and 24 hour TCP.

LTC [redacted] advised the station has not had power for three days due to insufficient fuel issued for the generator. LTC [redacted] advised during the search of the residence by the IA, the IA confiscated PKC ammunition. LTC [redacted] stated that the station is using the PKC ammunition to offset their PKC ammunition shortage.

PTT mentored in the area of Crime Scene Preservation and the chain of custody. The IP are photographing crime scenes, photographing suspects with the evidence recovered from that suspect and placing the serial number on the picture of the suspect and listing the same in the police reports. The investigative case files are very detailed and in chronological order which include; police reports, witness statements, suspect statements, and reports regarding evidence and in some cases the evidence is attached to the case file.

**(MN0056) Ninewah Provincial Headquarters:** (TRA Level 2) PTT spoke with MG [redacted] and discussed the overcrowding issue at the NPHQ jail. PTT suggested he direct the commander of the jail to move more of the detainees awaiting an appearance with Investigative Judges or Criminal Courts Judges to the Transient Jail. MG [redacted] agreed to the transfer of ten IP from 4th ERB to the Blickenstaff Training Facility to assist PTT with the training of 5th ERB personnel. MG [redacted] advised that the letter submitted to MOI asking for additional BKC ammunition had been rejected and that he would be unable to acquire the needed ammunition from that source.

The PTT met with BG [redacted]. BG [redacted] advised that insurgents attacked a TV/Radio station in the Al Karama district using four 60MM mortars, but no damage or injuries were reported. One prisoner was killed and two wounded at Badoush Prison when guards attempted to remove and segregate death penalty inmates from the general population. An uprising occurred and the CF was called in to assist. The injuries and death was reportedly caused by the inmates. Significant damage was done to prison property. BG [redacted] concluded by saying that several other incidents involving SAF and IED attacks on IP and CF patrols resulted in major damage to one IP vehicle. BG [redacted] did advise that several civilians were killed in various parts of the city by suspected insurgents.
BG [redacted] also briefed the PTT on two cordon and search operations currently underway involving elements from several LPS and the IA.

The PTT met with LT [redacted] in the NPHQ detention center, and was introduced to the new commander of the detention center, MAJ [redacted]. The detention center now falls under the oversight of COL [redacted] at MTU. MAJ [redacted] immediately brought the overcrowding issue to the attention of the PTT and offered the suggestion of moving some inmates from NPHQ jail to the Trans Jail. He made several compelling reasons that this would be in the best interest of NPHQ, primarily dealing with manpower and security. The PTT advised MAJ [redacted] that

this had been suggested numerous times in the past, but was told that overcrowding was just as serious at the Trans Jail. The PTT learned that medical personnel were scheduled to be at the jail today to examine inmates; and made several attempts to meet with them regarding inmate medical issues, but they had not arrived by the time the PTT left NPHQ. MAJ [redacted] advised the jail count today is 424 adult male detainees with twenty-one IP. PTT met with LT [redacted] of the Personnel Department and obtained a list of all the investigators for Ninewah Province.

PTT met with BG [redacted] Training Officer and members of his command staff. The discussion centered on MPSA and the progress of the training. PTT also spoke with Major [redacted] of the 5thERB. Major [redacted] will have members of his unit ready to receive training. MG [redacted], PDOP has agreed to release 5th ERB from duties during the day.

BG [redacted] advised that he had received a rejection letter from Assistant Logistics/Ordnance officer at MOI for the requested BKC. BG [redacted] also related that he had no AK47 magazines in his warehouse and requested CF assistance in acquiring 1,000 of the magazines.

**(MN0099) Major Crimes Unit/Major Terrorist Unit:** (TRA Level 3) PTT was advised by COL [redacted] that LT [redacted], a suspect in the theft of several Glock semi-automatic pistols from NPHQ back in March of 2007, is reportedly now working in MTU. LT [redacted] was order to be detained again by the criminal courts. He stated that LT [redacted] had been shown preferential treatment during the initial March investigation, and he believes LT [redacted] is being shown special treatment by being allowed to work and move freely at NPHQ. COL [redacted] advised the case against LT [redacted] has now been transferred to a review board.

**At Tamim**

**(TT0018) Highway Patrol Tamin:** (TRA Level 2) PTT talked to LTC [redacted] about the Kirkuk security plan that took place last night. A well for the station was discussed. The chief was advised that the project for updating the electrical wiring in the station had been approved by battalion.

**(TT0021) Laylan Patrol Police Station:** (TRA Level 2) PTT convoyed to Laylan LPS and met with COL [redacted] and discussed the construction of an over watch tower/bunker on the second floor of the station and lighting for the station exterior. PTT inventoried all communication equipment and trained the IP assigned in communications section on accountability for the equipment assigned.

PTT also observed the roll call and training given by Senior IP [redacted] who has been assigned by COL [redacted] as an assistant trainer. The training given was on the operation and use of the AK47 rifle. PTT worked with IP [redacted] on improving the firearms training given by him. PTT gave training on firearms safety, care & maintenance, proper use of both the AK and Glock pistol.

PTT reviewed the Training schedule from HQ for the week. It contained 46 topics to train on during the week. PTT then discussed intelligence with MAJ [redacted]

**(TT0024) Qarah Anir Patrol Police Station:** (TRA Level 2) PTT arrived at Qara Hinjeer to process IP through the BATS system. PTT collected the information needed to complete the monthly PSMR. PTT talked to the station Armorer about following up on shift commanders on care and maintenance of weapons. PTT also suggested that he hold classes on proper

maintenance of the weapons. PTT obtained twelve IP that will be trained in building entries and S.W.A.T tactics.

**(TT0031) Shwan Local Police Station:** (TRA Level 2) Team traveled to Schwann IP Station this date and met with BG [redacted]. He had one concern to express about the TCP on the main highway intersection at the Kirkuk-Mosul Highway and Schwann Road. The TCP is manned by IP from Schwann and Altun Kupri. BG [redacted] was advised by BG [redacted] that the TCP was no longer Schwann IP Station responsibility and he was to remove his men from it. BG [redacted] was also told by Governor [redacted] that the TCP was Schwann's responsibility and they were to man the TCP. BG [redacted] has a concern that this is something that involves politics, not performance and the largest concern is that this is the main road, and at times the only passable road into Schwann.

The Team then conducted a full Weapons Room and IP documentation and accountability check of all weapons issued and stored. The documentation and storage of the weapons needs to be improved. The Team advised that a full all hand check and inventory will be conducted. The station has no facility or room dedicated to weapons. The Team and BG [redacted] have agreed to utilize a room that is presently used for general storage that is full of useless articles. BG [redacted] has agreed to clean the room out and utilize it for weapons. The Team will address the storage issue, the accountability issue and tracking of weapons on the next visit.

The Team then used the HIIDE 4 System and entered fourteen IP into the system.

**(TT0099) Kirkuk Major Crimes Unit:** (TRA Level 3) PTT met with LTC [redacted] and discussed the training in Baghdad which he stated was very beneficial. After which, PTT learned that the meeting between MG [redacted] and COL [redacted] did not take place as planned due to COL [redacted] being in Sulaymaniyah.

PTT was informed again today that another investigator is attempting to transfer out of the Major Crimes Unit, apparently due to the lack of leadership from COL [redacted] PTT feels it would be in the best interest of the Unit to have COL [redacted] replaced because of his poor leadership.

**Irbil** [redacted]

**(M10613) Ankawa Local Police Station:** (TRA Level 3) PTT met with officers and related many of the difficulties that the combination of road construction and traffic density has posed for them as to how it makes it harder to implement security measures for the station and mayor's offices. It appeared to PTT that some interim measures could be made regarding more effective barriers that would alleviate this situation.

**(MI0036) Vehicle Maintenance:** (TRA Level 3) PTT contacted the Irbil Vehicle Maintenance Station to obtain information regarding the proposal for a new facility provided by CPATT. PTT discussed the issue with Captain [redacted] but he was unfamiliar with the proposal. PTT is actively gathering this information to complete the necessary forms for the proposal. PTT scheduled a meeting for the following day to obtain the information needed from the station commander.

**(MI0035) Irbil Provincial JCC:** (TRA Level 3) PTT finished with several additions to the Response Plan being developed jointly with the PJCC. The additions included the call list of personnel to be notified in the event of various incidents. PTT hopes that the number of Ministers in the Province does get reduced in the very near future. The PJCC advised PTT

that if these particular offices aren't called, none of the personnel who work under their direction currently will act. PTT has advised the PJCC that as soon as some changes are made from the top, that we will need to adjust the call list on the Response Plan.

**(NO FFID) Koya Oil Police General Directorate:** (TRA Level 3) PTT visited Koya Oil Police Directorate and met with LTC [redacted] (b)(6), (b)(7)c. LTC [redacted] (b)(6), (b)(7)c told PTT that weapons and personnel continue to be a problem and explained that the police does mostly PSD for workers at the well locations. PTT scheduled a visit for later this week at the Oil Police Refinery Station. LTC [redacted] (b)(6), (b)(7)c described the challenges oil police IP face such as local people that are against drilling for oil unless they are employed by the company. LTC [redacted] (b)(6), (b)(7)c stated that a large part of their job is to keep the peace so work can continue without incident. LTC [redacted] (b)(6), (b)(7)c called Koya's Assayish HQ and set up a meeting for PTT for the same date.

**(NO FFID) Koya Assayish HQ:** (TRA Level 3) PTT visited Koya Assayish HQ and spoke with Brigadier [redacted] (b)(6), (b)(7)c. Brigadier [redacted] (b)(6), (b)(7)c explained to PTT that unification of Assayish is in planning stages. This will have all Assayish answering to the authority of the Council of Ministers. Brigadier [redacted] (b)(6), (b)(7)c stated that Sulaymaniyah, Dahuk, Irbil, and Koya would all fall under the same authority rather than the MOI. BG [redacted] (b)(6), (b)(7)c informed PTT that they had not been visited by PTT in the past, but that PTT in Sulaymaniyah had trained some of their investigators in training conducted in Sulaymaniyah. Brigadier [redacted] (b)(6), (b)(7)c explained to PTT that the IP under his command attend police academy in Sulaymaniyah, but only carry weapons if they purchase their own. Brigadier discussed the challenges of shutting down illegal weapon sales when IP have to purchase weapons from them to become Assayish IP. Brigadier [redacted] (b)(6), (b)(7)c explained that the three major roles of Assayish are to fight terrorism, spies, and drugs. Taq Taq Assayish, whom PTT has previously met, are also under the command of Brigadier [redacted] (b)(6), (b)(7)c

**Sulaymaniyah** [redacted] (b)(6), (b)(7)c

**(RA0002) IP Headquarters PHQ:** (TRA level 3) Provincial Police Transition Team (P-PTT) instructed the detention center staff. The instruction included a walk through of the facility with key points and positions being pointed out to Iraqi Police (IP). Instructional classes on organizational structure within the unit and delegation of authority were also taught.

The IP generator is outdated and fuel is needed for the generator. The P-PTT Deputy Chief met with the head of the Al Anbar Provincial Police Internal Affairs and 15 senior members of that section. Those present were assigned to stations from across the province. Their concern was the conflict from some of their ongoing investigations of senior IP officials and the Coalition Forces (CF) support of those officials. Most also expressed concern of the CF unwillingness to hold some detainees longer than 6 hours, even when the Internal Affairs IP feel that proper documentation of involvement in the insurgency exists.

**(RA0010) Tameem:** (TRA level 3) The Police Transition Team (PTT) inspected all of the detainees and the detention facility. The detainees' cells were cluttered and dirty. The PTT and Iraqi Police (IP) assigned to detention operations provided an opportunity for the detainees to clean their cells. No signs of abuse or mistreatment were observed. The PTT was scheduled to continue training at the range; however, it was cancelled due to IP fuel issues. The IP were unable to get fuel at West Ramadi Station. The PTT escorted them to Camp Ramadi for refueling.

**(RA0029) Jazeera:** (TRA level 3) The Police Transition Team (PTT) inspected the detention facility. No evidence of abuse was found and the facility had recently been cleaned. The PTT assisted with pay operations.

**(RA0030) South Station:** (TRA level 3) The Police Transition Team (PTT) is assigned to securing the future site of the police station. The new site is still under construction with force protection facilities and power installation under way. The Iraqi presence at this location is

limited to work and moving details. While the PTT is securing the new site the land owner is running the station.

**(RA0052) IHP-6:** (TRA level 2) Representatives from IHP- 6 and the Police Transition Team (PTT) went to a nearby village and obtained lumber for a number of construction projects currently under way at IHP-6. Future recruiting for IHP-6 will no longer involve Coalition Forces and will be the sole responsibility of the IHP-6 Command Staff. PTT members showed the new Procurement Officer and his aides the basic functions for obtaining certain police resources using a budget.

**(RA0080) Al Qaim (Husaybah) District HQ:** (TRA level 2) Police Transition Team (PTT) members conducted a meeting with the District Chief while other PTT members issued sand bags and Halal Rations. The detention facility was inspected: Three detainees were being held.
