CPATT IPA-OPERATIONS DAILY SITREP

53

08 August 2007

Baghdad (MND-B) [redacted] (b)(3), (b)(6)

Baghdad [redacted] (b)(3), (b)(6)

(BC0003) Airport Police Local Police Station: (TRA Level NA) The Team monitored the morning Guard Mount to observe the inspection and briefing. The Team inspected both Detention Facilities to insure professionalism. The Team met Colonel [redacted] (IP Chief of Police BIAP) to discuss the Training Program and Station operations. The Team conducted 2 Training classes today covering Vehicle Search Procedures. The class was presented by the STO (Lieutenant [redacted]). The French Village Sub-Station class was presented by NCO [redacted]. The Team monitored the class and observed the instructor. The Team monitored IPs performance and provided mentoring. (b)(7)c (b)(6), (b)(7)c

(BC0011) Al Dorah Local Police Station: (TRA Level 4) The Team met Colonel [redacted] who advised his replacement has not been named. The Team conducted Training for IPs covering Vehicle/Person Search Techniques, Weapons Safety and Room Entry Procedures. (b)(6), (b)(7)c

(BC0012) Al Dorah Patrol Police Station (West): (TRA Level 3) The Team conducted Training for 13 IPs covering AK47 Rifle Firing Positions. The Team conducted 1 Joint Patrol with 6 IPs and Station Commander (Colonel [redacted]). Information revealed a fuel tank at the Station was destroyed by fire during the night. (b)(6), (b)(7)c

(BC0017) Al Hurrya Local Police Station: (TRA Level 3) The Team conducted Training for 14 IPs covering Weapons Familiarization (M4 and AK-47). Special emphasis was placed on Officer Safety, Muzzle Discipline and Break-down Procedures for Maintenance. The Team processed 29 IPs into the HIIDE System. The Team conducted 1 Joint Patrol with 12 IPs.

(BC0039) Al Mamum Local Police Station: (TRA Level 2) The Team met the Station Commander who reported 125 AWOLs have been terminated and arrest warrants are being initiated for them. He advised the Station now has a personnel shortage. The Team conducted Training covering Force Protection and Vehicle/Person Search Procedures. The Team inspected the Detention Facility. The Team inspected the Arms Room and the attendant reported an ammunition shortage.

(BC0061) Al Seilkh (Railway) Local Police Station: (TRA Level UNK) The Team met the Station Commander and Director General [redacted] to discuss operations. The Commander stated that IP at the Railway Station are not being paid a food allowance. The Team met the STO (Athab) and arranged for a class covering the Glock Pistol to be conducted soon. (b)(6), (b)(7)c

(BC0063) Al Saliyah District Police HQ: (TRA Level 2) The Team monitored Training conducted by the STO covering Weapons Handling. The Team stressed Officer Safety and Muzzle Discipline during the class.

(BC0073) Al Yarmouk Patrol Police Station (West): (TRA Level 2) The Team mentored the Command Staff concerning security plans for the 7th Imam Celebration March. The Team learned of plans to build other Station adjacent to this Station. The Team conducted 1 Joint Patrol with 8 IPs and no incidents were experienced.

(BC0085) Baghdad Provincial Patrol Police HQ: (TRA Level NA) The Team met Colonel [redacted] and conducted a follow-up on logistics requests from several Stations in the AOR. The Team met Colonel [redacted] and arranged a Training class for CID personnel. The Team met Communications Department personnel and discussed installation of a Crime Trend Analysis System. The Team met a Military counterpart and discussed the system which is reportedly already in place.

(BC0088) Baghdad Provincial Traffic Police HQ: (TRA Level 3) The Team inspected the Stations' Force Protection and located several discrepancies. The Team will discuss the matter with the Station Commander during the next visit. The Team inspected the Armory and observed improvements to provide additional security for the area. The Team requested for Headquarters personnel to complete the appropriate requisition request for additional ammunition. The Team requested a copy of the written request for follow-up and record.

(BC0093) Hy Al Amil Local Police Station: (TRA Level 3) The Team met the Station Investigator and conducted Training covering Incident Report Writing. The Team inspected the Detention Facility and found it very hot.

(BC0094) Hy Al Amil Patrol Police Station (West): (TRA Level 3) The Team received information concerning improper use of weapons by IP. The Commander of the Patrol Station was advised but stated he never received the complaint from the Investigator. The incident is referred to in a narrative covering Station BC0093.

(BC0105) Major Crimes Unit (East): (TRA Level 3) The Team supervised detainees being removed from the Detention Facility for fresh air and exercise. The Team monitored a class presented by the STO covering Kidnapping Prevention Procedures

(BC0107) Medical City Local Police Station: (TRA Level 2) The Team met the Station Commander and discussed operations. The Team conducted Training for IPs covering Reaction to SAF Ambush.

(BC0120) Rusafa Police Directorate HQ: (TRA Level UNK) The Team met the Station Commander and discussed operations. The Team assisted the Commander with completion of the Leadership Questionnaire form. The Team delivered 240 liters of diesel fuel for generator operations and 200 liters of gasoline for ERF vehicles. The Team conducted a Station Defense Drill to access Force Protection in the event of an attack. Force Protection was found adequate with personnel observed assuming defensive positions.

(BC0122) Sheikh Saad Local Police Station: (TRA Level 3) The Team met the Station Commander who requested Training to be conducted. The Team conducted 2 Joint Patrols. The Station Commander advised 80 liters of vehicle fuel was received this date and the amount is insufficient for conducting patrol operations. The Team inspected the Detention. The Stations generator remains out of service and a written request for repair has been submitted. The Team met the Station Commander and STO to discuss operations. The Team provided mentoring concerning proper procedures for maintaining records. Special emphasis was placed on written requisitions for equipment and updating of personnel Training records.

(BC0401) Baghdad Taji IHP Station: (TRA Level 2) The Team met the Station Commander (Lieutenant Colonel [redacted]) and explained Training opportunities being offered at the BIAP. The Team received a report indicating IPs and members of the Iraqi Army were involved in setting IEDs and EFPs intended for Coalition Forces at checkpoints.

(BC0628) Rusafa Directorate Checkpoint Police HQ: (TRA Level UNK) The Team met the STO and Legal Officer to discuss and complete the IP Assessment Form. IP are being rotated to Headquarters for additional Training classes.

Babylon (MND-CS/S) [redacted]

Al Qadisiyah [redacted]

FOB Echo: Colonel [redacted], Chief of Al-Diwaniyah Training HQ sent 11 IP's to Camp Echo for a Combat Life Support class (CLS) and 19 IP's for SWAT Training. IPAs assisted their military counter parts in training. The Mongolian Contingent sent over nine of their men to participate in the training.

Babil [redacted]

FOB Kalsu: The PTT conducted training on FOB Kalsu for 192 Iraqi Police that will make up the North Babil ERU (emergency response unit). The IP's received training on Glock functions and fired the AK 47 on the range.

(NP9904) Iraqi Camp Charlie National Police Compound: (TRA Level 3) The REO PTT conducted Emergency Response Unit (ERU) training in the areas of Basic First Aid, Rifle Carries and Assault Techniques. Babil Judicial Judge [redacted] spoke on Iraqi Law and Judicial Process (Rule of Law). Organization of the ERU has improved. The PTT spoke with the electrical contractors and they stated they should have the electricity working within the next two weeks. The compound still needs water.

Wasit [redacted]

(BW9034) Wasit Check Point Headquarters: (TRA Level 2) The PTT Team from Fob Delta visited Check Point Headquarters and met with LTC [redacted] The team spoke with [redacted] about checkpoint construction and the checking of vehicles leaving Al Kut.. They had received 34 new Glock 9mm handguns that were distributed to Checkpoint IP's with MOI cards. The team conducted a short training course on collecting, collating and disseminating data from reports to be used in a weekly and monthly report.

(No FFID#) EOD Headquarters: (No TRA Level) The Team visited EOD Headquarters and met with Captain [redacted] [redacted] was reluctant to speak with the PTT team and asked the PTT Team to not visit him there again. [redacted] said it was dangerous for him in this area and he does not wish to be seen speaking to the Coalition Forces.

Dhi Qar / Al Muthanna (PIC) [redacted]

PIC members attended a SSR meeting. PIC members met with MTT members. PIC members have requested an update on the progress of the Badge rosters from [redacted] PJCC. PIC members worked on Table Top exercises. PIC members met with the OBCT Four Reconnaissance Team to assist with the overall SSR briefing.

Tikrit (MND-CW) [redacted]

Diyala

(TD0024) Diyala Provincial Police HQ: (TRA Level 3) PTT-P visited IPS HQ today and spoke with GEN [redacted] who provided PTTP with a supplemental report that PTT-P had requested.

COL [redacted], Chief of Logistics, discussed with the PTT-P a more efficient way of tracking IPS HQ monthly allocation of AK-47 and PKC munitions to the District Stations.

(NO FFID#) Tahrir Local Police Station: (Non-Active Station) PTT-D traveled to the Tahrir LPS and met with MAJ [redacted]. MAJ [redacted] advised that he was in need of Jersey barriers and razor wire to cordon off Tahrir. MAJ [redacted] also advised the station has not been issued the helmets, weapons and other items that it needs to function. PTT-D advised MAJ [redacted] that he needed to use the IP chain for supply needs.

Scorpion Academy: PTT-D trained 34 IP in subject searching and apprehension of a suspect. The IP setup a checkpoint and worked scenarios of vehicle stops and checks. IP worked on handcuffing techniques and searching of persons / vehicles for weapons.

(TD0053) Muqdadiyah Local Police Station: (TRA Level 3) PTT-D traveled from FOB Normandy to Muqdadiyah LPS and made contact with GEN [redacted] who provided 28 IP for training. Training was conducted with the IP on room clearing procedures and search techniques. GEN [redacted] advised he had a list of 40 IP he wanted to attend the next Scorpion Academy.

Salah Al Din

(TA0005) Ad Dwar DHQ: (TRA Level 3) PTT met with the Ad Dwar District HQ command staff at Patrol Base Woodstock. PTT met with LT [redacted] of the Major Crimes unit who needs ammunition for both the AK-47 and PKC and AK-47s.

Other needs are a digital camera and computer for crime scene investigations. Two more large Chevy vehicles were also requested.

(TA0037) Al Owja LPS: (TRA Level 2) PTT spoke with MAJ [redacted] the Station Chief, he stated a victim of a recent kidnapping had been located (deceased) in a local cemetery.

The Chief stated his station is not receiving any fuel for his patrol vehicles from DHQ or PHQ.
PTT conducted Checkpoint Vehicle Search training to 16 IP.

(TA0042) Al Salam Station LPS: (TRA Level 4) PTT went to the AL Salam Station and spoke with COL [redacted] about training and supply issues.

(TA0056) Balad District HQ: (TRA Level 4) PTT traveled to the Balad HQ and conducted a walkthrough of the station to access the stations equipment, arms and evidence control facilities. PTT also viewed the jail and spoke with several inmates. Conditions and treatment of those incarcerated were found to be acceptable.

(TA0050) As Saniyah Police Station: (TRA Level 3) Classes were given to 6 recruit IP. The classes given were weapons safety, assembly and disassembly of the PKC machine gun and the AK 47. Classes were also given on officer survival, vehicle searches and patrol procedures, with an IP acting officer serving as instructor in the patrol procedure class.

(TA0079) Check PT HQ: (TRA Level 3) PTT conducted a station visit and spoke with COL [redacted] (b)(6), (b)(7)c. He advised us that, he had received an order from GEN [redacted] (b)(6), (b)(7)c to start arresting individuals that have 55 gallon fuel drums in the back of their trucks whether they have fuel in them or not. This order came down on 18 Jul 2007, since then COL [redacted] (b)(6), (b)(7)c stated that his IP had confiscated approx. 25 vehicles, averaging 10-11 drums per vehicle and arrested 25 drivers. On this day PTT observed 18 Bongo trucks with 10-12 drums per truck which had been seized in the last twenty four hours and there were 18 males being detained until COL [redacted] (b)(6), (b)(7)c gets orders from GEN [redacted] (b)(6), (b)(7)c. This will total approx. 43 trucks, 43 drivers and 25 thousand gallons of fuel in the last 20 days.

(TA0084) Samarra District HQ: (TRA Level 3) PTT spoke with LT [redacted] (b)(6), (b)(7)c (Head of the Armory at the Samarra PD). He stated that NP GEN [redacted] (b)(6), (b)(7)c advised him that he must move the armory to a different location. LT [redacted] (b)(6), (b)(7)c requested that PTT assist in this matter. IPA met with GEN [redacted] (b)(6), (b)(7)c and discussed this situation further. PTT will arrange a meeting at the JCC to attempt to correct this problem, along with many other issues.

PTT met with COL [redacted] (b)(6), (b)(7)c and LTC [redacted] (b)(6), (b)(7)c who informed us that they have found a location for the new Armory to be located and transfer of the Armory will begin soon.

(TA0087) Thar Thar Station: (TRA Level 3) IP are in the process of putting in five check points around the Al-Qala.

(TA0500) Tikrit Tips Academy: (TRA Level 2) PTT met with MAJ [redacted] (b)(6), (b)(7)c at the Tikrit Training Center. PTT learned that Basic class #4 started recently and contains 190 IP cadets. Basic class #3 still has 151 students.

PTT met with MAJ [redacted] (b)(6), (b)(7)c at the PHQ. MAJ [redacted] (b)(6), (b)(7)c provided information as to the approved training sent down by the MOI. PTT also learned that there are more stations prepared to host Basic classes than the original number given.

(TA0103) Yethrib LPS: (TRA Level 4) PTT arrived and talked with Chief [redacted] (b)(6), (b)(7)c and COL [redacted] (b)(6), (b)(7)c, Chief [redacted] (b)(6), (b)(7)c who requested more IP for the station and fuel. PTT requested copies of the request forms sent to Tikrit for personnel and fuel.

PTT arrived at checkpoint Tango38. They are requesting more barriers and concrete towers due to recent sniper fire.

Camp Bernstein (Tuz): IP instructors and PTT instructed basic dismounted foot patrol and cover and concealment to 25 IP students. Instructors gave a power point presentation and then conducted hands on practical exercise.

MCC: PTT met with COL [redacted] (b)(6), (b)(7)c of the 3rd ERU and discussed training for his MCC guard force.

S.W.A.T: Logistical support is improving from Provincial HQ. CF Staff observed SWAT training and and discussed its value with IPAs. Medical training was provided today.

Mosul (MND-N) [redacted] (b)(3), (b)(6)

Ninewah [redacted] (b)(3), (b)(6)

(NO FFID) 5th Emergency Response Battalion: PTT traveled to the 5th Emergency Response Battalion (ERB) and conducted a station visit. PTT conducted weapons training which included live fire exercises.

(No FFID Number) Najda: (TRA Level None) PTT visited Najda LPS to attend the graduation of IP from the interim training program. PTT talked with the ranking officer in charge. PTT told the Officer-in-Charge of the warning shots PTT had heard. PTT advised him to brief all IP not to fire warning shots into the air.

(MN0009) Al Hadba DHQ: (TRA Level 2) On this date the PTT traveled to Al Hadba DHQ and met with the Watch Commander. COL [redacted] advised the family of an IP reported they had received a phone call from unknown individuals informing them that the body of the IP could be found at the cemetery near Badoush. The IP had been off duty when he was abducted and subsequently shot in the head and left at the cemetery in Badoush.

LTC [redacted] explained some discrepancies being that some IP who are paid out of the payroll listing of Al Hadba DHQ, actually work at other substations. Sometimes this is because of transfers of personnel or computer errors in the listing coming from Ninewah Provincial Headquarters. He said this practice has been going on for a year and the numbers in the discrepancies vary based on the payroll list that comes from NPHQ. LTC [redacted] could not explain why the transfers of personnel aren't reflected in the payroll lists.

PTT was advised that the numbers being provided the PTT team with regard to the number of IP personnel assigned to Al Hadba DHQ are false and that there are no more than 130 IP working at Al Hadba DHQ.

(MN0056) Ninewah Provincial Headquarters: (TRA Level 2) PTT spoke with MG [redacted], PDOP, and discussed the change in the payment order for the IP. IP are now paid their full 210,000 Iraqi Dinar food entitlement as directed by MOI. PTT then attended a press conference with MG [redacted] wherein he discussed bribery and corruption by government officials and members of the police forces. PTT then attended a meeting between MG [redacted], the CF Brigade Commander and two of the Investigative Judges. The topic of discussion was the congestion in the judicial process.

The PTT met with BG [redacted], NPHQ TOC OIC, and discussed the significant events occurring in Ninewah Province during the past 24 hours. VBIED and casualty reports were discussed. The PTT met with COL [redacted] Internal Affairs Commander, and discussed issues regarding corrupt IP continuing to work within his jurisdiction.

The PTT met with MAJ [redacted], Detention Center Commander, and discussed detention issues. PTT spoke with BG [redacted], Logistics Officer, and received the current weapons/ammunition count for NPHQ. PTT met with BG [redacted] Training Officer, and discussed absences of IP and holding station commanders accountable. Classes continued with the Patrol Tactics course at NPHQ Training. PSTO course was also instructed. The Crime Scene for Investigators class continued today at the Spears Training Facility

(MN0076) Tall Afar DHQ: (TRA Level 2) PTT traveled to Najda LPS and observed improved force protection measures. PTT also observed the IP training progressing as scheduled.

PTT then traveled to the small village and conducted community policing.

PTT then traveled to Bughah LPS to speak with MAJ [redacted]. PTT Noticed MAJ [redacted] has made great improvements to the force protection around Avgani LPS.

(MN0099) Major Crimes Unit/Major Terrorist Unit: (TRA Level 3) PTT met with LTC [redacted] and inspected the juveniles in the detention facility. Medical care was provided for Juvenile detainees. PTT inspected the MTU arms room and evidence room.

(MN0142) Al Qadisiyah: (TRA Level 2) PTT went the Qadisiyah Station and met with the station commander. PTT conducted an inspection of the station's arm's room. PTT discussed methods of evidence collection and storage with LTC [redacted] (b)(6), (b)(7)c

(MN0201) Ninewah SWAT: PTT convoyed to Ninewah Provincial Headquarters (NPHQ) and met with MG [redacted] (b)(6), (b)(7)c to discuss SWAT manpower. MG [redacted] (b)(6), (b)(7)c signed an order giving SWAT 35 more operators.

(MN0224) Tal Uwaynat: (TRA Level 2) PTT traveled to Tal Uwaynat LPS and discussed a new train station and force protection for that station.

(MN0928) Abi Tamaam DHQ: (TRA Level 2) PTT traveled to Abi Tamaam and met with district station commander COL ABD. PTT set up firearms dry firing and weapons maintenance classes.

At Tamim [redacted] (b)(3), (b)(6)

(No FFID) ERU: (TRA Level 3) PTT met with COL [redacted] (b)(6), (b)(7)c. PTT discussed the need for the STO. PTT inspected the arms room. PTT also conducted HIDE system photography of the station IP.

(TT0009) Domies Patrol Police Station: (TRA Level 1) More PTT visits are needed. Absentee employees range from IP to station OICs that add to discipline issues. IP are active on cases and arrests.

(TT0026) Rahemawa Patrol Police Station: (TRA Level 3) PTT met LTC [redacted] (b)(6), (b)(7)c and LTC [redacted] (b)(6), (b)(7)c and discussed investigations and areas of improvement. PTT found the D-cell to be in good condition. PTT examined the newly installed force protection and found it to be adequate.

(TT0032) Taza Karhmatu Patrol Police Station: (TRA Level 2) PTT convoyed To Taza station and met with Chief [redacted] (b)(6), (b)(7)c and discussed training. PTT met with the shift commander Major [redacted] (b)(6), (b)(7)c and discussed manning and patrol. PTT met with the armorer and trained the armor and IP on proper maintenance of the rifles. PTT met with the investigative section of three IP and discussed cases and procedures used by the investigators. PTT also discussed manning and need equipment for the investigators. Detention facility was inspected.

(TT0099) Kirkuk Major Crimes Unit: (TRA Level 3) PTT met with COL [redacted] (b)(6), (b)(7)c and discussed moving into the new building.

PTT met with LT [redacted] (b)(6), (b)(7)c who asked about a new training program that was announced to the stations from headquarters.

PTT met with CPT [redacted] (b)(6), (b)(7)c to discuss cases he is working.

(TT0910) Aydallah Patrol Police Station: (TRA Level 1) PTT discussed the training room with COL [redacted] (b)(6), (b)(7)c. PTT met with LT [redacted] (b)(6), (b)(7)c, the training officer, about IP individual training files.

PTT spent time checking various TCP in the Adallah and Meghdad area and completing the "CATI" TCP Checklist on each check-point.

Irbil [redacted] (b)(3), (b)(6)

MI0035 Irbil Provincial JCC: (TRA Level 3) The PTT met with staff at the PJCC and discussed the implementation of the new system through Ideal Innovations. The PTT also discussed the PJCC's capabilities to dispatch calls to various agencies. The PTT looked at the current radio system installed at the PJCC and found that it was not operational.

(MI0007) Baharka Patrol Police Station: (TRA Level 3) PTT traveled to Baharka PPS located in the new Ankawa Police District and met with station commander LT [redacted] PTT discussed several operational topics of the station. (b)(6), (b)(7)c

(MI0035) Irbil Traffic Police HQ: (TRA Level 3) PTT met with Directorate of Engineering. PTT advised the director of needed construction to improve the operation of the traffic lights.

(TS 0052) Koya District Police HQ: (TRA Level 3) PTT visited Koya District Police HQ and met with Col [redacted] who discussed logistic and vehicle maintenance issues. (b)(6), (b)(7)c

PTT discussed a Glock Armory Course with Col. [redacted] (b)(6), (b)(7)c

Col. [redacted] discussed a communications center in Koya with PTT. (b)(6), (b)(7)c

Sulaymaniyah [redacted] (b)(3), (b)(6)

(TS0005) Sulaymaniyah Emergency Police: (TRA Level 3) PTT conducted 1st Responders class.

(TS0008) Sulaymaniyah PHQ: (TRA Level 2) PTT visited BG [redacted] and discussed training and some funding issues for that training. BG [redacted] was not receptive to the idea. (b)(6), (b)(7)c

PTT visited with General [redacted] of the Asaish. GEN [redacted] arranged 20 Lt's and Commissioners in attendance training. He further committed to providing the necessary supplies/equipment to include copies of PTTs lesson plans to the students throughout the course. (b)(6), (b)(7)c

Four IPA's received instruction on an AK-47 Armorer class. PTT have been asked for this type of assistance from the PDOP.

(TS0008)Sulaymaniyah PHQ: (TRA Level 2) Investigative PTT continued the advanced accident investigations course. The course includes both IP and Traffic Police Investigators. Students were tasked with completing several classroom practical exercises. The students were all able to accurately apply today's lesson during the exercises.

(TS0024) Chamchamal DHQ: (TRA Level 3) The Investigations PTT from camp Tow traveled to Chamchamal District Library. A class orientation was given so the students.

(TS0027) Sharbazher DHQ: (TRA Level 3) The Community Policing PTT traveled to Chwarta DHQ and conducted community policing training program.

Dahuk **Unassigned**

(MD0633) Sarsing District Police Headquarters: (TRA Level 3) PTT met with SGT [redacted] who instructed IP on takedowns and a refresher on previous sessions. (b)(6), (b)(7)c

(MD0644) Khanke Local Police Station: (TRA Level 3) PTT assisted in community policing class at Khanke LPS taught by 1st LT [redacted]. The class made a walking tour of the local marketplace.

(MD0099) Dahuk Provincial Headquarters: (TRA Level 2) PTT instructed the final class with security staff.

PTT then met with CPT [redacted] in logistics to discuss the recent purchase equipment for the newly constructed police stations. More ammunition is required.

Ramadi (MND-W) [redacted]

Al Anbar [redacted]

(RA0009) PSF-3 (Tway): (TRA level 4) The Police Transition Team continued making badges for the station's Iraqi Police. Training was conducted today with focus on the training officers writing a complete and accurate report.

(RA0020) East Station: (TRA level 3)

01 August 2007 Iraqi Police were conducting daily cleaning details. A class was presented on logistics and maintenance. The class showed the officers the importance of a good logistics and maintenance policy.

02 August 2007 The Police Transition Team (PTT) mentored the command staff on scheduled daily patrols. The patrols were conducted in conjunction with the Iraqi Army. The PTT conducted training on Tactical Building Approaches and Building / Room Clearing. The PTT assisted with payroll operations and refueling.

03 August 2007 The Police Transition Team (PTT) provided a Democratic Policing class and a Staff Leadership class. PTT members presented a class on the Escalation of Force. Iraqi Police conducted joint patrols with the Iraqi Army.

(RA0029) Jazeera: (TRA level 3) The Police Transition Team inspected the detention facility. No signs of abuse or neglect were found. The PTT assisted with payroll operations.

(RA0048) West Ramadi District Headquarters: (TRA level 3) A station visit was conducted. The Police Transition Team attended the weekly IP Chief's meeting and Intelligence briefing.

(RA0060) Saqlawiyah Station: (TRA level 3) Delayed reporting from an extended visit.

05 August 2007 A station visit was conducted. The Police Transition Team (PTT) met with the Station Chief to discuss the staff and station development, role of the PTT and their relationship with Iraqi Police (IP). PTT discussed station goals and the training matrix. Major areas of concern during this meeting were obtaining supplies and fuel, vehicle repairs and personnel accountability. PTT provided training on Rules of Law.

IP carried out an operation north of Saqlawiyah without assistance from the PTT.

The Logistics Officer is working with PTT to obtain fuel for their police vehicles.

06 August 2007 Saqlawiyah Iraqi Police (IP) were notified of an incident occurred in Al Zagreet and responded. A man was killed and the suspect had fled on foot toward a wooded area. IP entered the wooded area and apprehended the suspect.

IP were informed of a man suspected of aiding insurgents by providing them with transportation of machine guns inside vehicle and the suspect would drive them a designated location. IP apprehended the suspect and transported him to the Saqlawiyah detention facility for further investigation. The vehicle was also taken to Saqliwiyah Station.

PTT provided training on Public Affairs and Community Engagement Plan.

(RA0070) Civil Camp Police Station (Habbaniyah): (TRA level 3 The Police Transition Team (PTT) inspected the detention facility and checked the welfare of detainees. PTT investigated a lack of food complaint from a detainee.

(RA0071) Coolie Camp Police Station (Habbaniyah): (TRA level 3) The Police Transition Team (PTT) spoke with the Station Chief and spoke concerning logistic issues and the detention facility.

(RA0072) Rutbah District Police HQ: (TRA level 3) The Police Transition Team updated the biographical data sheets on the station's officers. A block of instruction on building entry and home searches was given.

(RA0083) Hadithah District HQ: (TRA level 3) The Police Transition Team (PTT) is conducing training for 70 PSF members. The training today focused on Crime Scene Searches, Community Policing, and Use of force. PTT suspects that training officers are threatened with firing if found assisting PTT with training.

(RA0086) Anah District Police HQ: (TRA level 3) The Police Transition met with the Station Chief to discuss arrest and investigative procedures and criminal investigation training.

(RA0095) Baghdadi DHQ: (TRA level 2) The Police Transition Team (PTT) inspected the detention facility. The duration of the day was used to issue badges to Iraqi Police (IP) assigned to the station. The PTT mentored an investigator on a current case.

(RA0097) Kubaisa Local Police Station: (TRA level 3) The Police Transition Team met with the Station Chief and his Executive Officer. The PTT coordinated future training. PTT also advised Station Chief on the paperwork needed to help an injured IP medically retire.

(RA0110) Rawah District Police HQ: (TRA level 3) The Police Transition Team (PTT) met with the District Chief and mentored the chief on delegating authority to his officers.

(RA0901) West Ramadi: (TRA level 3) The Police Transition Team (PTT) inspected the detention facility and its occupants. The PTT met with the Chief and discussed training.

(RA0905) Warrar: (TRA level 3) The Police Transition Team (PTT) participated in a foot patrol to check on the progress of the sewer system project and the clean-up project in the local streets and alleys. The PTT conducted training with 5 IP Investigators on the principles of evidence collection, proper handling techniques and the basics of crime scene processing.

(RA0920) Tway: (TRA level 3) The Police Transition team issued badges for the station's Iraqi Police. A training session was conducted on crime scene investigations. Administrative issues and the upcoming training being scheduled were discussed with the Station Chief.

(RA0925) Al Salaam: (TRA level 3) The Police Transition Team (PTT) inspected the detention facility and all detainees. 4 detainees were located in the building. They were all locked in upstairs rooms without guards posted at the doors. There were 2 brothers locked in a room together. One of them had received a laceration to the back of his head, which had been properly cared for. The laceration was a result of him resisting arrest. PTT was not provided a key to the second detention room. A decision was made by the PTT OIC to force open the door to the second room. PTT located 2 detainees; 1 adult and 1 juvenile. The adult was being detained because the IP believed that he was a known insurgent. The second detainee is a 10 year old male. It was explained that the boy is the brother of an insurgent who is allegedly on the "most wanted list". The boy had not been given food or water until the PTT provided it to him. The PTT found a satellite image of the Ramadi area and a piece of paper with writing believed to be the locations of known insurgents in the detention cell. The juvenile was released from custody and driven home. When the PTT requested to see the detainee packets for the prisoners being held they were told that the packets were with the Interrogations Officer and not at the station.

Ramadi Training Center: PTT conducted an after action review for the Evidence Collection / SSE Course. The team discussed the outcome of the class and addressed whether any changes needed to be made.

Cotton Bailer Training Center (Camp Hit): IP Officers and 50 students were escorted to Camp HIT to attend the Cotton Bailer Training Center. One group of students were taken to the firearms range for weapons familiarization and basic handcuffing skills. The second group received classroom instruction on rule of law, basic interviewing methods and democratic policing concepts.

PSF-4 (Fallujah): The Police Transition Team (PTT) provided 7 hours of training to 50 Provencal Security Forces recruits on the Use of Force, Escalation of Force, Situation Awareness, Basic Personnel Search Techniques, Democratic Policing, Community Policing, National Disciplinary Code, Police Ethics, Human Rights, Prohibition Against Torture, Apprehension, Classroom Etiquette, Citizen Arrest, Vehicle Searches and AK-7 Marksmanship. The training consisted of lecture and practical application scenarios.
