(TT0099) Kirkuk Major Crimes Unit: (TRA Level 3) PTT discussed the mandatory training at the Kirkuk Police Academy for IP that are currently working and have not attended a police academy. Several key issues were discussed to include the lack of custody of evidence, evidence storage room and responding to calls for service. Vehicle and fuel issues were also discussed.

Spoke with LTC [redacted] in reference to the Daham investigation. PTT was advised that Daham has had new charges added to the many pending investigations. PTT openly discussed with COL [redacted] the many issues that were recently addressed with MG [redacted]. The main topics of discussion were on MCU and the investigations from that unit.

(TT0910) Aydallah Patrol Police Station: (TRA Level 1) PTT met with COL [redacted] and MG [redacted] and discussed the change of checkpoint shifts. PTT met with COL [redacted] where he voiced his frustration about Headquarters not addressing his patrol vehicle shortage. PTT gathered personal identification information from 22 IP and placed this information into the HIIDE System.

Irbil [redacted]

(NO FFID) Koya Oil Police General Directorate: (TRA Level 3) PTT visited Koya Oil Police Directorate and met with LTC [redacted]. LTC [redacted] reminded PTT about the lack of weapons and ammunition for the Koya Oil Police. PTT delivered six rain gear suits for the Oil Police that work out in the elements. PTT held a short course on weapon safety and maintenance of the Glock 19. PTT demonstrated disassembly of the Glock 19 and proper cleaning technique.

(NO FFID) Irbil College of Police: (TRA, N/A) PTT traveled to Irbil College of Police and met Major General [redacted] to discuss the formulation of T3T Program for Training the Investigators of the Province, Directorates, Districts and Station Level. Courses would include instructions on Evidence and the Policies and Procedures relating to the recognition, protection, preservation, collection, documentation and analysis of evidence and crime scenes along with standards for chain of custody and responsibilities of the responding units.

(MI0001) Provincial Police HQ: (TRA Level 2) PTT accompanied INL personnel to the Irbil Provincial HQ and met with PDOP, MG [redacted]. INL personnel questioned the PDOP about Crime Lab supplies in Dahuk and whether or not PTT has provided good service to the Provincial Police. (b)(6), (b)(7)c

(MI0035) Irbil Provincial JCC: (TRA Level 3) PTT met with PJCC staff and discussed the communication network. The staff advised PTT that the communications staff in the Irbil Communications Center and the one located in the Directorate of Police did not ever share information with the PJCC. The PJCC command staff also reiterated that since they have no budget, it is becoming increasingly harder to operate the office with even the basic supplies. The staff is forced to buy supplies with their own money and submit an expense request to be reimbursed.

(MI0606) Crime Lab Station: (TRA Level 2) PTT transported DOS-INL personnel to the Irbil Crime Lab and met with the station commander, MG [redacted]. INL personnel discussed the positive relationship between PTT and the Crime Lab Officers and how this relationship has fostered the advancement of the Crime Lab Station. (b)(6), (b)(7)c

Sulaymaniyah [redacted] (b)(3), (b)(6)

(TS0000) Assiah HQ: (TRA Level UNK) Today's discussion was on Protecting the Crime Scene, stressing the importance of cordoning off the Crime Scene perimeter(s) upon arrival. Several actual examples were cited to help conceptualize the above points.

(TS0005) Sulaymaniyah Emergency Police: (TRA Level 3) PTT conducted its first day of First Responders. Today's class lesson, concentrated on students to gather as much information concerning the initial call. Students also participated in class room exercises, which demonstrated their ability to gather more information. Students also participated in discussions concerning proper methods in dealing with an unruly crowd once on scene and utilizing all of there human senses to help process information as they come in.

(TS0008)Sulaymaniyah PHQ: (TRA Level 2) PTT continued with the advanced accident investigations course. The students were tasked with conducting an on-scene investigation of a mock accident scene at the academy. The students then returned to the classroom where they were tasked with completing calculations based on their on-scene measurements.

(TS0019) Basnay Police station: (TRA Level 4) The PTT traveled to Basnay LPS and conducted community policing training program. IP present were advised on the different types of programs that can be utilized to train, mentor, and assist children in the community.

(TS0024) Chamchamal DHQ: (TRA Level 3) The PTT gave class on investigations. The period of instruction covered how to gather and identify evidence, the importance of taking photos. Ideas were also discussed on what other options you have dealing with the crime scene and the public.

Dahuk **Unassigned**

(NO FFID) Dahuk JCC: (N/A) PTT met with BG [redacted] and COL [redacted] and explained that the budget process was still being worked on. PTT also discussed that prior information of Turkish threat was sent to CF. (b)(6), (b)(7)c (b)(6), (b)(7)c

(MD0999) Dahuk Provincial Police Headquarters: (TRA Level 2) PTT met with General [redacted] discussed intel that was received by the JCC regarding a VBIED which was found and seized near the Ninewah Province.

(MD0632) Qadish Local Police Headquarters: (TRA Level 3) PTT met with the station commander to continue the defensive tactics classes as part of the force protection plan for the Amedi District. PTT along with The IP trainer SGT [redacted] began today's class which covered handcuffing and pressure points. Students were provided classroom instruction and then required to complete practical exercises. Once students were proficient in the practical exercise they were taught the next topic was covered in the same manner.

(MD0643) Batil Local Police Station: (TRA Level 3) PTT assisted and monitored LT [redacted] as the new instructor teaching his first class on community policing. The principles and objectives of community policing were reviewed and discussed by the class. Various situations were presented to the students and they were asked for possible solutions that involved interaction with members of the local population in order to resolve each problem.

Ramadi (MND-W) [redacted]

Al Anbar [redacted]

(RA0002) IP Headquarters PHQ: (TRA level 3) Training with the Criminal Detention Section continued with the policies and procedures of running a detention facility. The process of working to build up the detention center's force protection was started today and will continue for several days. P-PTT members met with an IP Officer from the Investigative Section to begin work with to develop this section and make it operational.
