CPATT IPA-OPERATIONS DAILY SITREP

2007

Baghdad (MND-B) [redacted]

Baghdad [redacted]

(BC0003) Airport Police Local Police Station: (TRA Level NA) The Team monitored the Guard Mount to observe the inspection and briefing process. The Team met Colonel [redacted] and discussed operations. Information revealed the BIAP Commissioner has been re-assigned and all detainees will be jailed at the French Village Detention Facility until a replacement is named. Training was conducted for 15 IPs at the BIAP Station covering Contact and Cover Procedures. Training was conducted for 4 IPs at the French Village Sub-Station covering Contact and Cover Procedures. The Station FTO attended the training for assigned duties. Team members monitored IPs performance at the Terminal and provided mentoring when necessary. Special emphasis is placed on IPs practicing good officer survival and weapons retention techniques during the course of duty.

(BC0007) Al Adhamiya Patrol Police Station (East): (TRA Level 2) The Team met the Station Commander and discussed proper requisition procedures for office supplies. The Team collected personnel information for processing the new Badge applications.

(BC0026) Al Karamah Local Police Station: (TRA Level 2) The Team conducted Training for IPs covering Defensive Tactics. Special emphasis was placed on Dynamic Takedowns and Suspect Control Techniques.

(BC0033) Al Karkh Patrol Police Station (West): (TRA Level 2) The Team met the STO and reviewed Station Training Plans. The STO desires AK-47 Range Training for IPs to improve their shooting skills. The Team continues efforts promoting the overall MOI Training Plan for personnel.

(BC0039) Al Mamum Local Police Station: (TRA Level 2) The Team continues observing Force Protection deficiencies at the Station. The Team met IPs and emphasized the importance of thorough vehicle searches being conducted for every vehicle entering the Compound. The Team inspected the Detention Facility and noticed improvement in prisoners' conditions. More citizens are visiting the Station to report JAM activities in adjacent neighborhoods. Further information indicates they are reporting detailed information to include suspect names and locations.

(BC0042) Al Meshahadah Local Police Station: (TRA Level NA) The Team worked on developing a Station Training Schedule with the STO. IPs were manning Force Protection and all others had been assigned to VIP escort duties at Baghdad. Problems with inoperable vehicles and fuel were noted. CF is in process of securing bids for building upgrades. Construction work remains in progress outside the building.

(BC0051) Al Rasheed Local Police Station: (TRA Level 3) The Team arrived at the Station and observed Force Protection manning inadequate. Further observations indicate that the station lacks leadership and discipline structure.

(BC0079) Bab al Muadam Patrol Station: (TRA Level 2) The Team continued collecting personnel information for new ID Badges. The Team conducted Training for IPs covering Use of Force and Force Continuum. Special emphasis was placed on completion of accurate documentation for Use of Force incidents. Intelligence information provided a list of known IP JAM members working at the Station.

(BC0081) Bab al Sheikh Local Police Station: (TRA Level 2) The Team continues supplying fuel for Station operations. The Team delivered 2 coverings for checkpoints. IP located dead bodies with notes attached stating "Anyone messes with the JAM will die".

(BC0089) Belat al Shuhadaa Local Police Station: (TRA Level 3) The Team provided escort for a fuel truck from COP Comanche to the Station. Information indicated insurgents damaged the local Power Switching Station after blowing-up the entrance gate. The Team conducted a Joint Patrol to the Power Station to survey damages and provide security. A sniper shot an IP during the operation and sustained minor injury due to the bullet striking his ballistic vest.

(BC0101) Mahmoudya District Police HQ: (TRA Level 3) The Team met Brigadier General [redacted] and discussed issues involving detainees, internal disciplinary procedures and civilian affairs. The Team continued work on processing information for ID Badges. The Team conducted a Joint Foot Patrol with IP. The Team provided Training for IPs covering Community Relations and Intelligence Collection Procedures. Administration and Record Keeping procedures are being reviewed for improvements.

(b)(6), (b)(7)c

(BC0102) Mahmoudya Local Police Station: (TRA Level 3) The Team worked on improvements for detainees at the Station. Detention Facility conditions are minimal and information reveals many prisoners have remained in jailed for an extended period of time. Team observations reveal leadership and staffing are lacking at the Station. Administration and Record keeping procedures are being reviewed for improvement.

(BC0120) Rusafa Police Directorate HQ: (TRA Level UNK) The Team delivered 220 liters of diesel fuel for generator operations and processed 16 personnel for the new temporary ID Badge process. The Team conducted Training for 128 new IP recruits covering Police Work Procedures. The Logistics Department OIC reported receipt of 750 AK47s. The Team met the Rusafa Maintenance Department Supervisor and discussed use of a crane for re-positioning concrete barriers at the Station.

(BC0625) Mahmoudiyah Patrol Police Station: (TRA Level 3) The Team visited several Checkpoints in the AOR to observe operations. The Team provided Training for IP, at checkpoints, covering Checkpoint Manning Procedures. Special emphasis was placed on Officer Safety at Checkpoints.

(BC0628) Rusafa Directorate Checkpoint Police HQ: (TRA Level UNK) The PTT Team met the Station Commander and discussed security issues for the Training area. The Team continued processing IP information into the HIIDE System.

Babylon (MND-CS/S)

Babil

(b)(3), (b)(6)

(No FFID #) Tunis Local Police Station: (TRA Level 2) The station has received 10 new IP since the last visit. Discussions pertaining to the "neighborhood watch" also took place and the PTT made suggestions on how to recruit additional citizens to participate and the possibility of providing security for such meetings.

(BB0043) Babil Iskandariyah IHP Station: (TRA Level 2) The PTT met with the on-shift Station Commander. The station has received 10 new IP since the last visit. Civilian Contractors accompanied the PTT to evaluate the construction projects at the station. The

contractors are arranging to have skilled laborers sent from Baghdad to help complete this mission

FOB Kalsu: Kalsu PTT conducted orientation training on FOB Kalsu for Iraqi Police Officers that will make up the North Babil ERU. IP were briefed on rules, regulations, code of conduct and assigned living areas and given an overview of the course.

(NP9904) Iraqi Camp Charlie National Police Compound: (TRA Level 3) REO PTT entered IP information into BATS. The Team delivered the promised weekly allocation of fuel and water provided by the US military.

Wasit (b)(3), (b)(6)

(BW0047) Al-Kut Training Academy: (TRA Level 2) IPA and Wasit province Training IP conducted training at the Crucible Training Center at FOB Delta. PTT members and IP Training Team provided instruction in Defensive Tactics, Community Policing, Ethics, Checkpoint setup and Crime Scene Management.

Dhi Qar / Al Muthanna (PIC) (b)(3), (b)(6)

PIC members met with Major (b)(6), (b)(7)c, MITT and OBG Targeting board and discussed intelligence information to team members and discussed daily operations to the team.

PIC members continue to meet with DTC on the 2 training events that are coming up. Logistic and future training documentation was also reviewed.

Tikrit (MND-CW) (b)(3), (b)(6)

Diyala (b)(3), (b)(6)

(TD0032) Kanan Local Police Station: (TRA Level 2) PTT-D attended a joint security meeting with the IP, IA, CF and the Mayor. The topics discussed were joint operations, logistic support for these operations and movement of manning to various locations to maximize police coverage in areas needed. After the meeting the PTT-D went on a joint patrol with the IP and IA. Deficiencies were noted and corrected.

(TD0103) Diyala ERF 1 Facility: (TRA Level 3) PTT-D inspected checkpoints assigned to this area. The checkpoints were assessed for force protection, manning and supply issues.

(TD0104) Neshda Local Police Station (QRF): (TRA Level 3) PTT-D traveled to QRF and spoke with COL (b)(6), (b)(7)c, Station Chief, he discussed personnel and logistical issues, specifically referencing the new IP hired. The IP are presently training at the QRF station, the COL stated that he has requested uniforms, equipment and weapons. The Team suggested that COL (b)(6), (b)(7)c have his Logistics Officer contact IPS HQ and inquire as to the status of these requests.

The Team inspected the arms room and the administration records of the IP. PTT was also provided BIO information of the IP.

Guardian Academy: Today at BATC PTT-D conducted three lanes of scenarios for 27 IP. The IP were tasked with three scenarios. The first scenario was a dismounted patrol with contact by sniper fire then into a building clearing operation. The second scenario was a

mounted patrol into a hasty checkpoint. The third scenario was a fixed checkpoint operation under attack.

Salah Al Din

(TA0034) Al Musafi ESU: (TRA Level3) PTT met with LTC [redacted] and MAJ [redacted]. The topics covered were training standards, staffing, and logistics. PTT was notified of new force protection being constructed.

(TA0042) Al Salam LPS: (TRA Level 4) PTT went to Al Salam Station and met with MAJ [redacted] who conducted and inspection of IP equipment. Sandbags had been filled and force protection was updated. The IP conducted drills in the event of a station attack.

(TA0048) Amerili DPS: (TRA Level 4) Training began for a new class of IP at Camp Bernstein. The instructors conducted training in the area of Basic Iraqi Law.

(TA0050) As Saniyah: (TRA Level 3) PTT went to the Saniyah Police Station and met with the IP that was in charge of Logistics. PTT was asked for assistance on how to start a filing system to ensure that all equipment could be accounted for.

A complete review of First Aid Training was conducted by an IP in a "Train the Trainer" class. All IP present had to perform certain skills that they had just learned.

(TA0084) Samarra District HQ: (TRA Level 3) PTT went to HQ and assisted MAJ [redacted] with some computer problems he was having. PTT is helping to get a system in place for tracking IP and the stations. PTT went to the new armory and observed several construction projects in operation. PTT is working on retrieving weapons that may have been illegally confiscated from IP.

(TA0099) Tikrit District HQ: (TRA Level 2) PTT-D traveled to TDHQ and spoke to the District HQ Supply and Training Officer's. Information concerning PSMR operations was collected and training scheduled for the next month. IP were inspected for arms, ammo, and job knowledge.

(TA 0100)TIKRIT 911: (TRA Level 3) The team met with Lt [redacted] on FOB Danger who would be instructing the 911 Emergency Police Station in Tikrit.

The lesson pertained to Interviews and Interrogation of suspects and witnesses. The Training Officer was provided the material needed while the team observed, mentored, and provided assistance as needed.

(TA0606) Balad Patrol Police Station: (TRA Level 4) PTT went to Muhatta Patrol Station and met with the Station Commander, MAJ [redacted]. The Chief advised PTT that he has sent numerous requests for supplies and fuel, so far he has received no response from MOI. PTT observed the training for about two hours today.

(TA none) Tikrit Transitory Jail: (TRA Level 3) PTT traveled to the transitory jail and spoke to GEN [redacted] about number of detainees and current visitation policies and procedures. PTT made some suggestions on improvements.

PTT-MCC: Today PTT met with the MCC guard force and discussed the security plan for the MCC.

S.W.A.T: PTT trained in firearms for both pistol and AK-47. PTT is working with the IP on shooting from the kneeling unsupported and controlled pairs. Governor [redacted] and MG [redacted] visited training today with an entourage of VIPs and the media.

PTT and IP began the planning phase for the operational and administrative command and support staff for the unit. PTT and IP were able to determine numbers and ranks of individuals needed. Maj. [redacted] was questioned about projected equipment and furniture needs.

(TA-UKN) Balad Mosque Station: (TRA Level 4) PTT met with CPT [redacted]. CPT [redacted] asked for training classes on station security and the searching of individuals. PTT continued with the identification process of the assigned IP at this station along with the evaluation of force protection. The PTT met with an Iraqi Army officer who had the responsibility of establishing force protection.

Mosul (MND-N) [redacted]

Ninewah [redacted]

(NO FFID) 5th Emergency Response Battalion: (TRA Level UNK) PTT traveled to the 5th Emergency Response Battalion and conducted a station visit. PTT worked on logistical issues that involved ERB training cadre along with assignments and responsibilities.

(MN0016) Al Kisik: (TRA Level 3) PTT traveled from FOB Sykes to Al Kisik LPS and spoke with COL [redacted] about logistic issues, training, leadership styles and communication problems between he and his officers.

(MN0022) Al Rabaein DHQ: (TRA Level 4) PTT met with COL [redacted], who advised the IP were conducting joint operations with the IA. CF conducted QRF operations at the station in support of the IP and IA. PTT discussed force protection improvements and fuel allotments. PTT mentored in the area of Community Policing since the IP are conducting foot patrols in the neighborhoods and in the business districts. COL [redacted] advised he is getting positive feedback from the citizens and he is also receiving more tips on insurgent activity. COL [redacted] further advised IP are taking on more of a proactive role in the community.

(MN0056) Ninewah Provincial Headquarters: (TRA Level 2) PTT spoke with MG [redacted], PDOP and discussed the current Staff Inspection of the various departments and units within NPHQ. PTT also discussed the lack of a consistent supply of potable drinking water at MPSA.

The PTT met with BG [redacted], NPHQ TOC OIC, and discussed the significant events occurring in Ninewah Province. PTT also discussed curfews, VBIED and IED activity, insurgent and SAF activity, cordon and search operations, VBIED and IED material recovered from the operations and current manning of checkpoints.

The PTT met with MAJ [redacted], Detention Center Commander. MAJ [redacted] provided the current inmate population and will be reviewing any medical problems with the detainees.

PTT spoke with BG [redacted] Logistics Officer, who provided the daily ammunition/weapons count. PTT also discussed uniform items. PTT met with BG [redacted], NPHQ Training Officer, who advised of a water shortage.

IP from the 5th ERB continued to receive instruction today. Different teams were on the firing range with AK-47 training, while other teams were trained with a Glock 19 semi-automatic pistol.

(MN0099) Major Crimes Unit/Major Terrorist Unit: (TRA Level 3) PTT met with COL [redacted], Commander of MTU, and discussed the criminal cases PTT previously reviewed with the IJ. PTT also requested copies of the prior requests sent to Tall Afar DHQ by MTU and the IJ. PTT will pass these copies to the Tall Afar DHQ PTT so they can also begin working on getting these requests answered.

PTT suggested COL [redacted] have weekly meetings with his investigators to review their cases. PTT advised this would then allow him the opportunity to identify any problems and correct them before they were presented to the IJ for review.
PTT met with BG [redacted] Operations Chief NPHQ in reference to detainee and criminal case issues.

(MN0201) Ninewah SWAT: (TRA Unknown) PTT was contacted by CF about an IP SWAT mission and was briefed on mission details. PTT, SWAT and CF completed the operation with desired results.

(MN0928) Abi Tamaam PTT-D: (TRA Level) PTT met with the station commander COL [redacted] and discussed particular detainees suspected of insurgent activity.

Al Tamim [redacted]

(NO FFID#) ERU: (TRA Level 3) PTT inspected arms room and inventoried sniper rifles. PTT met with COL [redacted] and MAJ [redacted], and discussed the STO situation.

(TT0004) Aruba Patrol Police Station: (TRA Level 1) PTT met at the Aruba Police Station and conducted a joint patrol.

(TT0005) Kirkuk Provincial HQ: PTT met with IA Gen [redacted] and discussed joint operations that have been occurring between IA and IP. Operations have been successful.

PTT also met with COL [redacted], the Administration Officer who advised that he has not received new ID cards.

PTT teams are currently compiling stock lesson plans to be used at station level. They will be used IPA will conduct training. The lesson plans are being compiled and distributed among the PTT so that all stations will receive equal training. It is the intention to provide practical training beyond basic skills. Prepared lessons will include community based policing, ethics, use of force and human rights.

PTT spoke with acting Logistics Chief CPT [redacted] and advised him that ammunition was ready to be picked up at MOI, and that uniforms will be purchased on the open market. Registration for the up coming computer class was conducted and the forms will be delivered to the academy.

(TT0021) Laylan Patrol Police Station: (TRA Level 2) PTT met with COL [redacted] to discuss funding for construction upgrades of the station. PTT provided LT [redacted] with a registration form for the computer training class at the academy and advised him to confirm the course as soon as possible. The communications officer confirmed that all radios are being tracked and each has been labeled.

(TT0022) Meghdad Patrol Police Station: (TRA Level 2) PTT did inspections of the checkpoints. All of Meghdads checkpoints were unmanned. PTT met with LT COL [redacted] and advised him of the situation with the checkpoints.

(TT0031) Shwan Local Police Station: (TRA Level 2) PTT met with BG [redacted] who gave an overview of the status of the investigation of the IP shot and killed and a second IP shot an injured. PTT looked over a criminal case that involved the shooting of two IP. An improper search of the suspects was addressed and the importance of conducting a complete search of a person. The second item addressed was the improper handcuffing and transportation of a suspect. PTT also trained on the importance of putting in some system to respond with the necessary equipment for investigating crime scenes. PTT advised the Chief that the STO and the FTO need to concentrate on this type of training.

(TT0032) Taza Karhmatu Patrol Police Station: (TRA Level 2) PTT met with COL [redacted] and the new Busheer substation commander. PTT advised that new funding is available and the chiefs provided bids for each station. All expenditures were approved and work will start immediately. PTT inspected the remodeled community room and the new training/operations room. The team also toured and made recommendations for a proposed logistics storage room. PTT discussed computer training.

(TT0275) Kirkuk Provincial JCC: (TRA Level UNK) Met with BG [redacted] and discussed results of various raid missions. One of the larger raids resulted in 58 arrested. Meeting with COL [redacted] PTT discussed the progress of the martyr pay for IP. The jail is over its capacity of 250 with a total of 405 inmates. Fifteen of which are female.

(TT0613) Multaka Police Station: (TRA Level 3) PTT met with the stations commanding officer COL [redacted]. COL [redacted] advised PTT the patrols would be strengthened on a highway that three IED have detonated on coalition forces. COL [redacted] advised he is planning a raid on the villages he believes the insurgents reside in that are planting the IEDs in his area of operation. COL [redacted] advised that his STO is not being advised of any of the training classes at the Academy.

Irbil

(NO FFID#) Ainkawa DHQ: (TRA Level UNK) PTT traveled to Ainkawa Police Station, and met with MOJ Investigators [redacted]. PTT requested the Investigators continue to preview the draft of the Criminal Investigation Training Plan. MOJ Investigators further explained the Minster of Justice Investigation system, and how the cases are presented to the Judiciary for findings. The Investigators are making request to allow PTT observe Criminal Investigation courses being presented at the College of Law.

(MI0035) Irbil Provincial JCC: (TRA Level 3) PTT met with the PJCC staff and discussed the implementation of the new IPDMS from Ideal Innovations. PTT also advised them that if they would make sure and keep their radio systems and computer systems maintained that this would have been a much more expedient process of information sharing. PTT also used a specific incident to promote the implementation of the new system in that if it were installed already, PJCC would be able to enter all the information and keep it for future reference. IPDMS could help them tremendously in the investigation of incidents and, tracking patterns or potential terrorist suspects by cataloguing the information for future reference.

(MI0613) Ainkawa LPS: (TRA Level 3) PTT met with CPT [redacted] and discussed instruction of his men to disassemble, clean, and reassembled the Glock 19 pistol. PTT will schedule a block of instruction on weapons maintenance when time and scheduling allows.

CPATT IPA-OPERATIONS DAILY SITREP

(TS0091) Taq Taq LPS: (TRA Level 3) PTT visited Taq Taq Local Police Station and met with COL [redacted]. PTT discussed the vehicle issues at the station. PTT discussed the police patrol boat. PTT discussed the training the CPT had received with COL [redacted] and discussed future training for the district. PTT met with the mayor of Taq Taq and explained the training the CPT had received from PTT.

(b)(6), (b)(7)c

Sulaymaniyah [redacted]

(b)(3), (b)(6), (b)(6), (b)(7)c

(TS0000) ASAISH HQ: (TRA Level UNK) Today's training was on the processing of a Dead Body, and processing a Crime Scene when a Motor Vehicle is involved. Emphasis was put on not disturbing the body and the Medical Examiner's Office. Several crime scene techniques were taught.

The second half of instruction was on how to process the Motor Vehicle as part of the Crime Scene. A systematic "Plan" was taught stressing the importance of using such a plan each time to minimize confusion and maximize preservation and collection of evidence.

The class then went outside and by use of an actual vehicle, "processed" and diagramed the "Crime Scene" by use of the Baseline method, which they had learned how to do in a prior class.

(TS0005) Sulaymaniyah Emergency Police: (TRA Level 3) PTT met with LT [redacted] of the Emergency Police Services and discussed the upcoming 1st Responders Course.

(b)(6), (b)(7)c

PTT traveled to Police HQ to discuss planning for the upcoming SWAT class.

(TS0008)Sulaymaniyah PHQ: (TRA Level 2) Investigative PTT began the fifth week of the advanced accident investigations course. The course is schedule for a period of six weeks, and includes both IP and Traffic Police Investigators.

The team covered the concept of perception and reaction time, in understanding the dynamics of traffic accidents, and its significance.

(TS0024) Chamchamal DHQ: (TRA Level 3) The PTT traveled to Chamchamal District Library and gave a class on investigations. This period of instruction was on blood splatter, DNA and how to obtain blood evidence. Also a class was given on shell cartridge found at a crime scene, how identify make, model, and caliber.

(TS0056) Mawat LPS: (TRA Level 4) The PTT traveled to Mawat LPS and conducted day one of a one week community policing training program.

Dahuk [redacted]

(b)(6), (b)(7)c

(NO FFID#) Dahuk Provincial JCC: (TRA Level 3) Today PTT met with COL [redacted] of the JCC and discussed supplies that a local school in the community needed. The COL also provided PTT with the yearly schedule of training for the Dahuk Civil Defense. This schedule will be used to set up more training that is needed to prepare an emergency action plan for the region.

(NO FFID#) ERB: (TRA Level 3) PTT mentored the training of twenty-one new IP recruits in basic AK-47 familiarization today.

(MD0099) Dahuk Major Crimes Unit: (TRA Level 3) PTT met with MAJ [redacted] the Lead Investigator, today. The meeting was to introduce the new Provincial Team Chief to the MCU staff. After introductions, a tour of the facility was given.

(MD0643) Batil Local Police Station: (TRA Level 3) PTT met LT [redacted] at Batil LPS to help him teaching Community Policing to the IP at the station.

Ramadi (MND-W)

Al Anbar

(RA0002) IP Headquarters PHQ: (TRA level 3) A new Iraqi Brigadier General (BG) arrived with a letter from the Ministry of Interior to open a new Intelligence and Information Section. This is a new program started by MOI; one office is opening in each of Iraq's provinces.

Work was done with the finance section on the August pay rosters and on problematic hiring orders from the various districts. Work was done with the Administrative Section on the preparation of a master list of all Iraqi Police in Al Anbar.

The P-PTT met with the training section to prepare lesson plans for the remainder of the week for IP assigned to the Investigative and Internal Affairs Sections. Some members of the P-PTT and their counterparts flew to Baghdad to talk with MOI and Ministry of Finance officials on a variety of topics including hiring orders, hiring authority, and budget issues. Five Judges and their staffs arrived today to tour the completed courthouse and to begin preparation for the holding criminal trials. The IP assigned to the criminal detention section will handle the force protection for that building. Several conflicts involving the policies surrounding the courthouse were resolved.

(RA0025) Al-Huryia: (TRA level 3) The Police Transition Team assessed the welfare of detainees. Several detainees treated by PTT medic. PTT is taking steps to have the detention center area sprayed for insects.

(RA0034) Nasser: (TRA level 4) The Police Transition Team delivered supplies to improve force protection.

(RA0070) Civil Camp Police Station (Habbaniyah): (TRA level 3) The Police Transition Team processed 116 Iraqis that have been working without pay and police badges. These individuals were photographed, fingerprinted, and their names recorded in a PTT computer database. The PTT also conducted a detainee check.

(RA0083) Hadithah District HQ: (TRA level 3) The Police Transition Team provided training to 47 Iraqi Police on station security. The PTT issued badges to Iraqi Police returning from the academy.

(RA0086) Anah District Police HQ: (TRA level 3) Delayed reporting due to limited communications.

18 August 2007 The Police Transition Team met with the Station Chief to discuss issuance of Glocks and standard operation procedures for the station. The PTT provided examples of procedures for the Chief to develop his.

19 August 2007 The Police Transition Team met with the Station Chief to discuss upcoming training.

(RA0095) Baghdadi DHQ: (TRA level 2) The Police Transition Team assisted with pay operations. PTT conducted mentoring on how to dispose of unexploded ordinance.

(RA0107) Old Al Ubaydi LPS: (TRA Level 3) Delayed reporting from an extended visit.

15 August 2007 The PTT monitored Iraqi Police foot and mounted patrol schedules. The PTT is working with the Station Chief on scheduling and formations.

(RA0134) Khaladiyah Police Station (Habbaniyah): (TRA level 2) A health and welfare check was made of the detention area and of the detainees. Force protection was assessed. The Police Transition Team provided training for 23 Iraqi Police from this station at Camp Habbaniyah.

(RA0910) Zangora: (TRA level 4) The Police Transition Team assisted with payroll operations and issued badges. Training and other administrative issues were discussed with the Station Chief.

(RA0920) Tway: (TRA level 3) The Police Transition Team met with pay officers from both Tway and Zangora. The pay officers were escorted to the JCC to collect the pay for their respective stations. The PTT proceeded to Zangora Station and assisted with payroll operations and issued badges.

(RA0927) Al Faraj: (TRA level 3) Delayed reporting from an extended visit.

16 August 2007 The Police Transition Team met with the Station Chief, Assistant Chief, and members of the command staff to implement a system of storage and control of all investigative files, internal files, property, and evidence. Training was also conducted with the Training Officer on how to maintain and validate training attendance rosters, training records, and the proper way of filing these records.

(RA0933) Albu Aetha: (TRA level 4) Delayed reporting from an extended visit.

13 August 2007 The Police Transition Team met with the Station Chief, Administrative Officer and Chief Investigator to provide training on maintaining investigative records. Training was also conducted using the Arabic/English PowerPoint presentation on Human Rights.

15 August 2007 The Training Officer conducted training using the Arabic/English PowerPoint presentation on the National Police Code. After the class, the Police Transition Team met with the Training Officer to provided feedback on the training. The PTT stressed the importance of training attendance rosters, scheduling, and training records.

Ramadi Training Center: The Police Transition Team conducted Iraqi Police student registration and orientation for the Detective Course.

Al Asad Advanced Training Center: International Police Advisers worked with interpreters to complete translations of the PowerPoint presentations. IPA assisted with transportation and accountability of Iraqi Police arriving for the Administration and Leadership Course set to begin tomorrow.

Iraqi Police Professional Leadership Development Course (IPPLDC): The Cadre at the Iraq Professional Leadership Development Course worked on an extended class schedule for the upcoming months and other administrative paperwork. The Cadre did maintenance

on the school buildings in preparation of the upcoming Criminal Intelligence Investigations Class.
