CPATT IPA-OPERATIONS DAILY SITREP

23 August 2007

Baghdad (MND-B) [redacted]

Baghdad [redacted]

(BC0003) Airport Police Local Police Station: (TRA Level NA) Team members met to discuss operations and Training issues for upcoming classes. No Training is conducted on Wednesdays, Fridays and Saturdays at the BIAP per request of Colonel [redacted].

(BC0011) Al Dorah Local Police Station: (TRA Level 4) The Station Commander, Colonel [redacted] discussed fuel issues and other problems that the station is facing. The PTT discussed several solutions to these problems.

(BC0037) Al Kahdra Local Police Station: (TRA Level 3) The Team met Captain [redacted] (Administration Officer and Acting STO) to discuss operations. The Team suggested he make arrangements for Supervisors to submit a daily duty roster of all personnel present for duty. It was also the Personnel Board in the Colonels' office be updated weekly for easy reference. Information indicates 40 IPs need Academy Training. Captain [redacted] advised MOI issued dismissal letters to Headquarters for AWOL personnel assigned to the Station. Additional details revealed Headquarters has failed to initiate any further action to implement the dismissals.

(BC0042) Al Meshahadah Local Police Station: (TRA Level NA) The Team observed Training presented by the STO covering Police Personal Safety. The Team inspected the Arms Room and found weapons missing. All other weapons had been removed from crates and were hung on the wall for easy access. The Team met the Station Commander and reviewed activities for the past 24 hours.

(BC0046) Al Quanat Local Police Station: (TRA Level 2) The Team met the Station Commander and discussed operations. He was reluctant to answer questions from the Team concerning jailers sleeping in the same room occupied by a female detainee. The Team discussed the possibility of CF removing the JSS from the location as the Colonel has experienced difficulty in performing productively with the joint effort. The Team continued gathering information and photographs for the ID Badge process.

(BC0051) Al Rasheed Local Police Station: (TRA Level 3) The Station has a shortage of officers to provide Leadership for IPs. Detainees, jail conditions and length of time incarcerated remain being issues at the Station. Station infrastructure has deteriorated and needs correction. The Team identified students for attending the Advanced Training class.

(BC0052) Al Rashidia Local Police Station: (TRA Level 3) The Team focused on Joint Patrol operations during the visit. The Team conducted 2 joint patrols with IP and visited 1 checkpoint in the AOR. IP came under sniper attack at the Checkpoint and reacted using safety procedures. The Team met Colonel [redacted] and discussed a written requisition submitted for radios.

(BC0061) Al Seilkh (Railway) Local Police Station: (TRA Level UNK) The Team facilitated a meeting with the Military MP Unit and Lieutenant Colonel [redacted]. Security concerns and relationships between FPS and the Station were discussed. Lieutenant Colonel [redacted] advised rapport is improving, however; complained the majority of FPS personnel lacked any formal Training. Information indicates most FPS personnel have no Military or Police experience and are provided little OJT.

Email: [redacted]

(BC0064) Al Taji Local Police Station: (TRA Level 3) The Team conducted a 72-hour Mission at the JSS and LPS. Efforts were focused on developing the STO and Station Training Plan. The Team conducted Training for IPs covering Weapons Handling and Maintenance.

(BC0079) Bab al Muadam Patrol Station: (TRA Level 2) A General visited the Station to evaluate infrastructure problems needing correction. The Team conducted Training for IPs covering Use of Force and Force Continuum. The Team continued gathering IP information for the ID Badge process.

(BC0082) Baghdad National Crime Lab: (TRA Level UNK) The Team met the Crime Lab Deputy Director and discussed operations. Information revealed Crime Lab personnel require Training for Police equipment at their disposal. The General advised a class would be scheduled at MCU Headquarters covering services available at the Crime Lab.

(BC0086) Baghdad Main Provincial Police HQ: (TRA Level NA) The Team met the OIC of the Computer Department and discussed equipment accountability procedures. The Team determined additional mentoring is required for the Colonel regarding the use of hand-receipts and records keeping for equipment being issued. The Team met Colonel [redacted] and made arrangements for him to obtain an IZ Badge. Colonel [redacted] voiced concern the 1500 rifles issued to Karkh Directorate may be issued to tribal leaders. The Team addressed the issue with the PTT assigned to Karkh Directorate. Military sources indicate MOI requested a portion of the weapons be issued to tribal leaders in areas lacking Police Station coverage.

(BC0094) Hy Al Amil Patrol Police Station (West): (TRA Level 3) The Team discussed Joint Checkpoint Manning and valid ID Badges. The Team met the Station Commander and discussed future Training at JSS Black Lion.

(BC0102) Mahmoudya Local Police Station: (TRA Level 3) The Team is addressing issues involving conditions for detainees including lengthy periods of incarceration. Other issues requiring attention are Staffing, Leadership and Fuel. The Team continued the process of identifying qualified personnel for Command Staff positions.

(BC0103) Major Crimes Unit HQ: (TRA Level 2) The Team met the Deputy Director of the Crime Lab and discussed operations. Information revealed Crime Lab personnel require Training on the Lab equipment at their disposal. The General stated a class would be scheduled at MCU Headquarters for personnel covering services provided by the Crime Lab.

(BC0120) Rusafa Police Directorate HQ: (TRA Level 1) The Teams' Combat Medic provided Training for 128 new IP recruits covering Basic Combat Lifesaving Techniques. The Team delivered 200 liters of fuel for generator operations. The Team processed 26 applicants for temporary Rusafa ID Badges.

(BC0121) Saba Al Boor Local Police Station: (TRA Level 2) The Team conducted Training for 45 IPs covering Weapons Maintenance and Person Search Techniques. The Station is not receiving fuel from MOI.

Babylon (MND-CS/S) [redacted]

Babil [redacted]

2

8/23/2007

(BB0043) Babil Iskandariyah IHP Station: (TRA Level 2) PTT met with the on-shift Station Commander and discussed vehicle maintenance and solutions for the repairs. The PTT and the Check Point supervisor discussed the logistics of operating and maintaining the checkpoints. Other than equipment shortages previously noted, the check points appear to be functioning adequately. The IPs assigned to the checkpoint were conducting a patrol and discovered what they believed was an IED. They placed a guard at the location of the suspected IED, left it in place and reported this to their Station Commander, following SOP that has been directed by the PTT. The check point IPs halted an approaching convoy and EOD cleared the suspected IED, which proved to be a UXO round.

FOB Kalsu: The PTT conducted orientation on FOB Kalsu for 199 Iraqi Police Officers that will make up the North Babil ERU. The IP's were trained in individual movement techniques.

(NP9904) Iraqi Camp Charlie National Police Compound: (TRA Level 3) REO PTT met with Civil Affairs and PRT reconstruction engineers regarding the proposed reconstruction of the temporary Regional Crime Lab on Regional Embassy compound. The meeting was to go over the proposal in advance of reconstruction to discuss expectations and needs.

Wasit (b)(3), (b)(6)

FOB DELTA: The IPA component of PTT continued with Crucible Training. The training for the day consisted of classes on firing while moving to cover, drills instructed by senior IP staff.

Dhi Qar / Al Muthanna (PIC) (b)(3), (b)(6)

PIC members met with Major (b)(6), (b)(7)c and MTT members who passed on intelligence information to team members and discussed daily operations to the team.

PIC members met with representatives of the 82nd Air Born to discuss background information and possible resources that may be of help for their interaction with the Dhi Qar IHP.

Tikrit (MND-CW) (b)(3), (b)(6)

Diyala (b)(3), (b)(6)

(TD0016) Mufrek Local Police Station: (TRA Non Active Station) PTT-D conducted a station visit to the new Mufrek station to assess the station. Several deficiencies were noted as well as several logistic problems that will continue to be addressed.

(TD0024) Diyala Provincial Police HQ: (TRA Level 3) PTT-P visited the Major Crimes Unit at the provincial headquarters. The MCU inspected and assessed the detention facility.

PTT-P met with COL (b)(6), (b)(7)c head of the Training Department for the Diyala Province. COL (b)(6), (b)(7)c provided attendance numbers of IP from the province for various training courses.

(TD0604) Ba'qubah Center District Police HQ: (TRA Level 3) PTT-D conducted a station visit to the District Headquarters. PTT observed new IP being inspected as part of their continued training.

PTT met with the GEN to discuss needed uniforms, ammunition and weapons. The GEN also advised some problems with the local Station Chiefs not having storage facilities for weapons and ammunition.

Salah Al Din [redacted] (b)(3), (b)(6)

(TA0013) Al Alam District HQ: (TRA Level 2) PTT-D traveled to the Al Alam District Headquarters and met with CPT [redacted] (b)(6), (b)(7)c who is in charge of the Investigation Division. He explained that the station only investigates small crimes such as fraud and theft while the High Crimes Unit handles major crimes. PTT-D had him get three case files and explain each of the investigative steps taken in each case, from the time the crime was first reported to the time it was turned over to the court for prosecution. PTT-D found that the cases were well documented from the victim's complaint, the identification and collection of evidence, the chain of custody of the evidence, the tracking of the case and the presentation of the case to the court. The only suggestion that PTT-D made was the inclusion of the case number on any documents added to the case file. At this time only the file jacket has the case number on it.

(TA0037) Al Owja LPS: (TRA Level 2) PTT met with both the Station Commander and the training officer, LT [redacted] (b)(6), (b)(7)c. The IPA checked the stations training records and found they neither kept a training log, nor copies of required training from TDHQ. Lt [redacted] (b)(6), (b)(7)c was mentored to create an in-service training roster, and to keep rosters and training memos in a folder.

For in-service training they conducted thirty minutes of PT then trained on weapons. PTT informed the LT that the station will begin to perform its own training and the officers will be tasked with training the IP. First aid was chosen by the PTT. PTT included some ideas to improvise treatment with equipment carried by the IP.

(TA0080) Salah Al Din Provincial HQ: (TRA Level 1) PTT-P met with COL [redacted] (b)(6), (b)(7)c of ERU 3 who commands force protection for the HQ. He presented information on force protection plans he had drawn up requesting some assistance on supplies and asked for input on the plans. The COL provided a tour of new facilities being constructed for his division and said they should be completed in about two months.

PTT-P met with COL [redacted] (b)(6), (b)(7)c of the Complaint and Media Division. The COL stated no more funding has been granted for the IP newspaper. He has put in a request to MOI for funding and has been denied. He now has twelve men working in this division.

(TA0084) Samarra District HQ: (TRA Level 3) PTT met with COL [redacted] (b)(6), (b)(7)c and reviewed the progress of the new armory.

(TA 0100)Tikrit 911: (TRA Level 3) PTTS conducted training on FOB Danger for 8 IP from the Tikrit 911 Emergency Patrol. The training topic was interviews and interrogations and LT [redacted] (b)(6), (b)(7)c with PTTS providing scenarios throughout the class taught the class.

PTT-MCC: PTT met with the MCC guard force. PTT held a class on courtroom movement. The PTT went through many scenarios with all of the guards and officers.

(TA0048) Amerili DPS: (TRA Level 4) PTT spoke with CPT [redacted] (b)(6), (b)(7)c about the arrival of weapons and to arrange their transfer.

PTT presented instruction on the topics of traffic control points and searches of persons. During the practical exercise PTT was able to demonstrate different forms of resistance during arrest. This is when the need for different types of searches and approaches came to light for the students.

(TA0034) Al Musafi ESU: (Level3) PTT spoke to the Chief who provided intelligence on the capture of a suspect responsible for setting IEDs and VBIEDs in Bayji. The Chief also informed PTT concerning recent received threats against the station.

(TA0050) As Saniyah: (TRA Level 3) PTT observed as an IP instructor had a class of 8 IP demonstrate handcuffing and searching after apprehension. The IP were required to demonstrate what they learned two times during the training session.

PTT conducted a class for the ESU on how to properly use a battering ram for entry; room searches were also included in the scenarios.

(TA0073) Kalat Rayash: (TRA Level 3) PTT spoke with the Chief, the XO and the Training Officer about training needs and observed as the Training Officer gave a class on station security.

(TA0103) Yethrib LPS: (TRA Level 4) PTT talked with Chief [redacted] (b)(6), (b)(7)c concerning checkpoints and holding IP responsible for returning issued weapons. PTT offered some suggestions on how to accomplish this.

Chief [redacted] (b)(6), (b)(7)c also provided current intelligence concerning the kidnapping of IP officer's son.

(TA0136) Al Hardenia Police Station: (TRA Level 4) PTT met with Hardenia IP Station Chief and discussed community relations and future training ventures with the PTT. PTT members also began conducting IP identification activities to include fingerprints, retinal scans and photographs.

(TA0606) Balad Patrol Police Station: (TRA Level 4) PTT visited Balad station to processed IP into the HIIDE system. PTT talked with LT [redacted] (b)(6), (b)(7)c concerning force protection improvements.

(TA-UKN) Balad Mosque Station: (TRA Level 4) PTT met with IP and continued the identification process of those on duty. The IP were mentored on force protection and noted deficiencies in this area. IP advised that ammunition and supplies for this station are purchased on the open market and not provided through Balad District Headquarters.

Mosul (MND-N) [redacted] (b)(3), (b)(6)

Ninewah [redacted] (b)(3), (b)(6)

(NO FFID) 5th Emergency Response Battalion: (TRA Unknown) PTT traveled to the 5th Emergency Response Battalion and continued training on room clearing techniques using four and five man teams. Team movements were demonstrated and practiced for building approach and building entries.

(MN0056) Ninewah Provincial Headquarters: (TRA Level 2) PTT spoke with MG [redacted] (b)(6), (b)(7)c, PDOP and observed an interview of a suspect during an NPHQ investigation of AIF activity involving a senior level officer at the headquarters. PTT noted that it was professionally conducted with no overt or covert use of torture or veiled threats.

The PTT met with BG [redacted] (b)(6), (b)(7)c, NPHQ TOC OIC, and discussed the significant events occurring in Ninewah Province during the past 24 hours. PTT was informed about IEDs, small arms fire, IP and civilian deaths and VBIEDs.

The PTT met with MAJ [redacted], Detention Center Commander, and discussed inmate population levels and daily detention operations.

PTT spoke with BG [redacted], Logistics Officer, and received the daily ammunition/equipment count.

IP from the 5th ERB continued to participate in weapons and tactical training today. Teams were on the range with AK-47 and Glock pistol training, while other teams were provided with tactical training.

In Class 24 there are 163 students, from the Mosul area. Class 25 has begun at MPSA with 236 students from Tall Afar and 53 from Mosul. At FOB Endurance (Q-West), fifteen students are attending the PSTO course. These students are from all over Ninewah, including two from Tall Afar.

(MN0099) Major Crimes Unit/Major Terrorist Unit: (Level 3) PTT was provided intelligence on the arrest of an Iraqi officer who is suspected of providing sensitive information to a known terrorist group.

PTT advised MG [redacted] and COL [redacted] to secure all personal property of the suspect, so that potential evidence does not disappear before a thorough and proper investigation can be performed, if authorized by the Judge. PTT will follow up and advise COL [redacted] as this investigation continues.

(MN0928) Abi Tamaam DHQ: (TRA level 2) PTT met with district station commander COL [redacted] After meeting with COL [redacted] PTT conducted weapons maintenance and range safety training. PTT will be conducting a live fire range course during future visits.

At Tamim [redacted]

(NO FFID) Daquq JCC: (TRA Level 1) PTT spoke with MAJ [redacted] about future electrical and plumbing construction projects.

(TT0005) Kirkuk Provincial HQ: PTT met with the IPT concerning the upcoming training schedule for the Academy. PTT also discussed distribution of materials and the certifications.

(TT0007) Daquq Patrol Police Station: (TRA Level 2) PTT met with the new commander COL [redacted], and discussed the new construction at the station. PTT met with LT [redacted] regarding his investigations. PTT provided copies of photos taken at the scene of the crime. PTT learned that there was a joint operation last night and 23 suspects were detained and 4 wanted terrorist suspects were detained.

(TT0023) Azadi Patrol Police Station: (TRA Level 2) PTT met with COL [redacted] and discussed current events in this area. PTT discussed training issues with Col [redacted] and informed him of up coming classes for STO.

(TT0026) Rahemawa Patrol Police Station: (TRA Level 2) PTT met COL [redacted] and discussed this stations lack of progression in becoming a validated station. PTT discussed solutions to this problem and mentored COL [redacted] about being proactive in coming up with solutions. PTT also discussed training in regards to his STO and FTO program. PTT informed Col [redacted] of the up coming training courses at the Academy including the computer course, which is open to all IP. PTT then discovered that the detainees were out of water.

(TT0031) Shwan LPS: (TRA Level #2) PTT met with BG [redacted] LT [redacted] conducted Roll Call and checked for proper equipment. Some immediate training took place and corrections were made. Roll Call Training then moved to TCP Operation. Roll Call Training continued with FTO and PTT assisting in handcuffing and baton training. PTT met with Investigator CPT [redacted] and went over the camera procedure for responding to crime scenes.

(TT0032) Taza Karimatu Patrol Police Station: (TRA Level 2) PTT convoyed To Taza station and met with Capt [redacted]. PTT learned that they had conducted a joint raid on village in Taza area and arrested 4 suspects who were wanted by coalition forces for terrorist's acts and they were detained at Taza. They had assisted Daquq station on a raid on three villages and assisted in detaining 23 other terrorist's suspects at Daquq.

Irbil [redacted]

(MI0275) Irbil Provincial JCC: (TRA Level 3) PTT met with the PJCC staff and discussed the dissemination of information in a timely manner to the intended parties. Discussions also focused on the Internet and phone service to the PJCC.

(NO FFID) Koya Oil Police General Directorate: (TRA Level 3) PTT visited Koya Oil Police Directorate and met with the LTC. [redacted] PTT discussed the possibility of future training and explained to LTC [redacted] the concept of T3 Training that PTT was beginning next week at Koya District Traffic Police HQ. PTT discussed the possibility of conducting the same training with the Oil Police some time in the near future.

(NO FFID) Koya District Traffic Police HQ: (TRA Level 3) PTT visited Koya District Traffic Police HQ and met with Major Sherdil. PTT discussed future training and the logistic support needed. PTT discussed a recent traffic investigation course that Major [redacted] stated had been given in Sulaymaniyah. PTT discussed hopes for future training for his officers, investigators, and IP for traffic collision investigation and noted that the training would be different for officers and investigators than for regular police as their responsibilities are different. Major [redacted] informed PTT that he was in the process of working out a program with the schools to help educate students about traffic laws and traffic police. Major [redacted] showed PTT a traffic book with images, stories, and songs for children to sing about traffic police and traffic safety.

(MI0606) Crime Lab Station: (TRA Level 2) PTT visited the crime lab to formalize a list of equipment the lab is currently lacking, or existing supplies are expired. The funds are being used for the purchase of crime lab equipment and supplies. PTT previously requested MG [redacted] obtain estimates from local contractors to outfit the mobile lab unit with cabinetry and workspace.

Sulaymaniyah [redacted]

(TS0000) Assaish HQ: (TRA Level UNK) Discussions were held on the different techniques on how to Interview/Interrogate interested parties of a crime.

Emphasis on being as thoroughly prepared as possible before the questioning began was stressed, encouraging the students to become very familiar with all reports, photographs, evidence log(s), witness/victim statements, and anything else that would be deemed germane to the case so as to be able to effectively counter deception or re-direct a witness or victim toward the truth as told through the evidence. The definition and differences between the Victim, Witness, Complainant, and Suspect was taught and demonstrated through many examples given.

(TS0008) Sulaymaniyah PHQ: (TRA level 2) Investigative PTT continued the fifth week of the advanced accident investigations course, which is being taught at the Sulaymaniyah Police Training Academy. Today's course of instruction covered crash analysis, with the students taught the basis of measuring damage from impacts in order to derive speed estimates. The students learned the fundamentals of this concept and the means to apply the data collected, as well as its limitations.

(TS0005)Sulaymaniyah Emergency Police: (TRA level 3) PTT met with GEN [redacted] (b)(3), (b)(6) (b)(6), (b)(7)c to discuss the upcoming SWAT class. PTT also met with [redacted] and also discussed the SWAT class and reserved the structures for training.

(TS0056) Mawat LPS: (TRA Level 4) The Community Policing PTT traveled to Basnay LPS and conducted day four of a one-week community policing training program. In today's session, the eight IP and the PTT met at the training center with twelve prominent members of the local community.

(TS0024) Chamchamal DHQ: (TRA level 3) PTT Investigation arrived at Chamchamal DHQ to continue the ongoing classes at that location. Two different classes are underway and the subject material is the same for both classes. Topics of discussion for today were "Fingerprinting" and "Hair Lecture".

Dahuk [redacted] (b)(3), (b)(6)

(No FFID) Dahuk Provincial JCC: (TRA Level 3) PTT talked with COL [redacted] (b)(6), (b)(7)c about the appointment to visit Civil Defense on Sunday. PTT and the COL will be talking to the commander of Civil Defense about starting an emergency plan for all of Dahuk.

MG [redacted] (b)(6), (b)(7)c discussed his weapons and ammunition needs.

(MD0082) Dahuk Provincial HQ: (TRA Level 2) PTT spoke with CPT [redacted] (b)(6), (b)(7)c and MG [redacted] (b)(6), (b)(7)c. CPT [redacted] (b)(6), (b)(7)c explained that Logistical Support from MOI continues to be slow. He mentioned that uniforms, office equipment (computers, and printer/scanners), generators, as well as weapons, and radios, are areas of concern for him and the province.

PTT met with MG [redacted] (b)(6), (b)(7)c and discussed training, stations under his control and SWAT operations.

(MD0642) Semel Local Police Station: (TRA Level 3) PTT mentored and advised on a "Community Policing" class today, taught by LT [redacted] (b)(6), (b)(7)c The class began with a review of yesterdays' discussion on the value of community policing in forming a close relationship with the people of the local villages.

The class then traveled to the village of Kivila, where they met with the village chief and elders.

The Semel LPS staffs temporary checkpoints, conducts patrols, guard's government buildings, and answers calls when required. Their main logistical needs are for additional fuel for their vehicles and for an emergency generator.

Ramadi (MND-W) [redacted] (b)(3), (b)(6)

(RA0002) IP Headquarters PHQ: (TRA level 3) Four Iraqi Police Officers and 20 IP assigned to the Investigative Unit and Internal Affairs were given classes on conducting an investigation. Issues surrounding employees involved in the Internal Affairs and Intelligence Sections that were sent to PHQ by MOI came to light and need to be addressed at higher levels in Baghdad. This will be addressed through the military chain as well as through the IPA chain of command.

(RA0007) Al Qaim Local Police Station: (TRA level 4) Delayed reporting from an extended visit.

19 August 2007 The Police Transition Team conducted an inspection of the vehicles at the station. The PTT met with the Station Chief to discuss issues within the station.

20 August 2007 The Police Transition Team met with the Station Chief. The group coordinated training for the station.

21 August 2007 The Police Transition Team met with the Station Chief. The group discussed the roll of Coalition Forces in the area, patrol structures and police dispatching. The PTT addressed Iraqi Police speeding in vehicles, not wearing body armor, and carrying weapons off duty in plain sight. The Chief agreed to take corrective action on these matters.

(RA0009) PSF-3 (Tway): (TRA level 4) The Police Transition Team toured the sub-stations of PSF-3 and made contact with the leadership at each. Personnel and detentions packets were reviewed. Reports of corruption regarding certain PSF senior officers were reported to the PTT. The corruption centered on selling of items seized at crime scenes for personal profit. PTT members forwarded the information through the military chain of command for further investigation.

(RA0010) Tameem: (TRA level 3) Police Transition Team assisted with payroll operations. All equipment issued to individual Iraqi Police was inspected as a condition of the pay process. PTT conducted a routine detainee facility and detainee inspection.

(RA0013) Fallujah District Police HQ: (TRA level 2) Police Transition Team provided 6 hours of training to 178 Iraq Police on the Use of Force, Escalation of Force, Situation Awareness, Basic Personnel Search Techniques, Democratic Policing, Community Policing, National Disciplinary Code, Police Ethics, Human Rights, Citizens Arrest, Classroom Etiquette, Prohibition Against Torture, Apprehension and Pistol Marksmanship. The IP were required to employ all of the above training in practical scenarios.

(RA0032) Karmah Station: (TRA level 3) The Police Transition Team assisted with pay distrobution at the station for the Iraqi Police and Provincial Security Force from Karmah and Shahabi.

(RA0048) West Ramadi Station: (TRA level 3) The Police Transition Team instructed 3 Iraqi Police on human rights. The station also received ammunition for all issued weapons.

(RA0052) IHP-6: (TRA level 2) The Police Transition Team traveled to Habbaniyah and then to the area of COP Golden to inspect locations for new IHP stations. The PTT escorted senior Iraqi Police and Coalition Forces officers for the inspections.

(RA0070) Civil Camp Police Station (Habbaniyah): (TRA level 3) The Police Transition Team met with the Station Chief to discuss fuel concerns. The PTT advised the Station

Chief the failure of MOI to approve a fuel budget resulted in some police stations not receiving fuel. The PTT checked the welfare of a detainee and reviewed his detention packet.

(RA0071) Coolie Camp Police Station (Habbaniyah): (TRA level 3) The Police Transition Team met with the Station Chief to discuss fuel concerns. The PTT advised the Station Chief the failure of MOI to approve a fuel budget resulted in some police stations not receiving fuel. There were no detainees in the detention facility.

(RA0072) Rutbah District Police HQ: (TRA level 3) The Police Transition Team inspected the detention facility and checked the welfare of 18 detainees. The PTT prepared equipment and uniforms for the 63 newly hired Iraqi Police (IP).

(RA0080) Al Qaim (Husaybah) District HQ: (TRA level 2) The Police Transition Team inspected the detention facility and checked the welfare of 5 detainees. The PTT attended the weekly Chief's meeting. The group discussed the current practice of some stations taking a portion of Iraqi Police pay for food, beds, and other items while living at the station. The District Chief stated he will form a committee to look into the matter. He advised the practice of taking IP pay would be stopped. The group also discussed fuel issues, IP failing to report for duty, and the need to maintain training records.

(RA0083) Hadithah District HQ: (TRA level 3) Delayed reporting due to limited communications.

21 August 2007 The Police Transition Team convoyed to Bondihar Police Station. The PTT assisted with force protection improvements.

22 August 2007 The Police Transition Team continued work on the Bondihar Station. Force protection upgrades were completed.

Iraqi Police located a weapons cache consisting of RPGs, a PKC automatic rifle, small arms rounds, ski masks and explosive materials. PTT is assisting the IP as they conduct the investigation. Explosive Ordinance Disposal responded to collect the items.

(RA0089) Barwanah Local Police Station: (TRA level 3) The Police Transition Team provided training to 50 members of the Provincial Security Forces.

(RA0095) Baghdadi DHQ: (TRA level 2) The Police Transition Team supervised pay operations and an inventory of all issued equipment.

(RA0096) Dulab Local Police Station: (TRA level 4) Delayed reporting from an extended visit.

20 August 2007 The Police Transition Team convoyed to Al Asad to deliver members for scheduled training. The PTT convoyed to Zukaka to pay a contractor for work on the PSF compound. The PTT provided training on use of force to 9 Iraqi Police and 1 officer. The PTT participated in a foot patrol through the market with IP.

21 August 2007 Police Transition Team conducted 2-foot patrols with Iraqi Police in the Dulab area. PTT advised the IP that they should begin to conduct some patrols in the area on their own.

22 August 2007 The Police Transition Team met with the Station Chief to discuss patrol schedules. Iraqi Police will start doing more patrols and spending less time at time station.

(RA0097) Kubaisa Local Police Station: (TRA level 3) The Police Transition Team met with the Station Chief to discuss fuel issues and Iraqi Police work schedules. The Chief has implemented some positive changes to the IP shifts.

(RA0098) Muhammadi Local Police Station: (TRA level 3) The Police Transition Team conducted a station visit at IP3, a substation for Muhammadi. The PTT met with the Station Chief to discuss fuel issues and patrol schedules. Five detainees were being held.

(RA0110) Rawah District Police HQ: (TRA level 3) A station visit was conducted. The Police Transition Team met with the District Chief to discuss Iraqi Police training.

(RA0133) Habbaniyah District HQ: (TRA level 4) The Police Transition Team met with Iraqi Police assigned to detention operations to review their current procedures. The PTT inspected log books, records, and investigative files. PTT members mentored the Investigative Section on elements associated with a criminal investigation.

(RA0917) Al Wallah: (TRA level 3) The Police Transition Team met at the range to provide firearms training for Iraqi Police. Faulty ammunition had been issued to the IP. For this reason several malfunctions occurred on the range training terminated. The IP returned to their station where the weapons were to be inspected by Coalition Forces.

Ramadi Training Center: The Police Transition Team presented day 3 of the Detective Course was presented. The training consisted of investigative methods.

Al Asad Advanced Training Center: International Police Advisers continued teaching the Administration and Leadership Course to 30 Iraqi Police at the Al Asad Advance Training Center. An evening meeting was also attended at the Logistics Officer's office to continue work on PowerPoint presentations for the Logistics Course.

Iraqi Police Professional Leadership Development Course (IPPLDC): The Cadre at the Iraq Professional Leadership Development Course conducted physical training and teaching the Iraq Police students different unarmed defense techniques. The Cadre provided classes on Interrogation and Interview Techniques, Crime Scene Management, Global Threat, Organized Crime, and Terrorism in a Contemporary Society.

PSF-4 (Fallujah): Police Transition Team provided 8 hours of training to 44 Provincial Security Force recruits on vehicle check points and entry control points. The training consisted of lecture and practical application scenarios.
