CPATT IPA-OPERATIONS DAILY SITREP

25 August 2007

Baghdad (MND-B)

Baghdad

(b)(3), (b)(6)

(BC0003) Airport Police Local Police Station: (TRA Level NA) The Team monitored the morning Guard Mount to observe the inspection and briefing process. The BIAP security profile is increased on these days and more personnel are required to man the additional posts. The Team met to discuss future Training assignments and scheduling for classes. The Team monitors IPs daily activities at the Terminal and provides mentoring when necessary. Special emphasis is placed on IPs practicing good officer safety skills while on duty.

(BC0006) Al Adhamiya Local Police Station: (TRA Level 2) The Team conducted Training for IP covering Map Reading. IP processed 2 dead bodies located in the AOR. The Team visited the Station on 23 August 2007 and conducted Training for IPs covering Weapons Safety.

(BC0018) Al Jazaaer Local Police Station: (TRA Level 1) The Team conducted Training for IPs covering Handling UXB Procedures. The Team inspected IP personal appearance and continued processing information into the HIIDE System.

(BC0026) Al Karamah Local Police Station: (TRA Level 2) The Team conducted Training for IPs covering UXB Handling Procedures. The Team continued processing IP information into the HIIDE System.

(BC0042) Al Meshahadah Local Police Station: (TRA Level NA) The Team monitored Training conducted by the Station Commander covering Officer Safety. The Station Commander did a good job presenting the class and related to personal experiences while addressing Officer Safety issues. The Team conducted a Joint Patrol with IP on Route Tampa. IP set-up 1 Hasty Checkpoint and were observed using good officer safety skills during the operation. The Team continues mentoring the Station Commander reference submitting written requests addressing fuel, equipment and vehicle repair issues. The Team emphasized requests must be forwarded to MOI through the Chain of Command. The Team conducted an inventory of the Arms Room.

(BC0046) Al Quanat Local Police Station: (TRA Level 2) The Team met the Station Commander and discussed Detention Facility overcrowding. The Team continued gathering personnel information for processing ID Badges.

(BC0051) Al Rasheed Local Police Station: (TRA Level 3) The Team conducted Training for IP covering Officer Safety and Protective Equipment. The Station Commander surveyed Force Protection and results dictated requests for several improvements. Detainee conditions and length of time incarcerated remain being issues for resolution. Station infrastructure requires upgrading.

(BC0052) Al Rashidia Local Police Station: (TRA Level 3) The Team conducted a joint patrol. The Patrol traveled through several communities near the Station and IP were observed following good Patrol Procedures during operations. The Station currently has 5 vehicles operational and MOI is not supplying adequate fuel for operations. CF continues to supply additional fuel necessary for Patrol operations. The Team inspected the Detention Facility and found discrepancies. CF continues providing security while new checkpoints

are constructed in the AOR. The Team noted deficiencies with Force Protection duties and rooftop security issues will be addressed in the future. Station personnel require proper ID Badges for identification purposes during contact with CF and other official business.

(BC0097) Latifiya Local Police Station: (TRA Level 4) The Team conducted a joint patrol. The Team inspected the Arms Room.

(BC0101) Mahmoudya District Police HQ: (TRA Level 3) The Team met Brigadier General [redacted] and discussed operations which included detention information, current patrol problems and recent attacks.

(b)(3), (b)(7)c

(BC0117) Risalah Local Police Station: (TRA Level 3) The Team conducted a reconnaissance and assessment mission to Camp India.

(BC0121) Saba Al Boor Local Police Station: (TRA Level 2) The Team conducted a Station visit 23 August 2007 conducted Training for IPs covering Weapons Maintenance. MOI is not providing fuel and CF continues providing fuel for daily Station operations. CF is currently replacing deficient wiring at the Station. The Team inspected Force Protection and the Detention Facility.

(BC0122) Sheikh Saad Local Police Station: (TRA Level 3) The Team met the Station Commander and discussed Force Protection for the new Station under construction. He is requesting more manpower. The Team conducted a joint patrol with IP and STO occupying. The Team conducted a joint foot patrol at the construction site for the new Station. Information indicated the Station Commander had not approved the blueprint for the new Station. CF continues to provide the bulk of the fuel for daily operations. The Team observed detention operations. The Team has placed priority on establishing adequate radio communications at the Station. Requisitions for radios and other associated equipment have been completed and will be submitted through the Chain of Command. The Team continues to mentor and challenge Command Staff personnel to set and meet goals and objectives at the Station. The Team will attempt to alter the Station layout so as to provide optimum workspace for conducting police operations.

(BC0628) Rusafa Directorate Checkpoint Police HQ: (TRA Level UNK) The Team continued processing IP information into the HIIDE System.

Babylon (MND-CS/S)

Babil

[redacted] (b)(3), (b)(6)

(No FFID #) Tunis Local Police Station: (TRA Level 2) The PTT met with the Station Commander and discussed Joint operations with [redacted] IP, [redacted] SWAT and [redacted] IP for the upcoming Al Sha'abanyiah holiday. A sweep for IED is being made along the roadways in the area to ensure that the way is safe for the holiday travelers.

(b)(3), (b)(7)c (b)(3), (b)(7)c (b)(3), (b)(7)c

(BB0043) Babil Iskandariyah IHP Station: (TRA Level 2) The PTT met with the Station Commander and discussed the need for extra patrols for the upcoming Al Sha'abanyiah holiday. Coalition forces provided a mechanic to access the disabled vehicles assigned to the station and will make a recommendation for repairs

Dhi Qar / Al Muthanna (PIC)

[redacted] (b)(3), (b)(6)

PIC met with Major Kerr, MiTT members and OBG who passed on intelligence information to team members and discussed daily and future operations to the team.

CPATT IPA-OPERATIONS DAILY SITREP

Tikrit (MND-CW) [redacted] (b)(3), (b)(6)

Diyala

(TD0020) Buhriz Local Police Station: (TRA Level 3) PTT-D went to Buhriz IP station to conduct force protection training with COL [redacted] (b)(6), (b)(7)c PTT-D conducted logistical training with him specifically related to manning and force protection.

(TD0032) Kanan Local Police Station: (TRA Level 2) PTT-D spoke with CPT [redacted] (b)(6), (b)(7)c, who provided intelligence of the recent raid in the city by the insurgents the previous day. Intelligence was gathered and forwarded.

Tahrir Local Police Station: (TRA Non Active Station) PTT-D went to Tahrir IP station to conduct force protection training with new officer staff of this station.

Khatoon Local Police Station: (TRA Non Active Station) PTT-D Team traveled to Khatoon LPS and visited with Station Commander, COL [redacted] (b)(6), (b)(7)c who discussed current logistic issues that were met and some continued deficiencies. COL [redacted] (b)(6), (b)(7)c also discussed needed force protection that was observed on previous visit. PTT-D conducted basic first aid training with 27 IP. IP were trained how to treat gunshot wounds, stop severe bleeding and to immobilize broken bones. The 27 IP were also trained on weapon familiarization using the AK-47.

(TD0018) Balad Ruz District Police HQ: (TRA Level 2) PTT-D traveled to Balad Ruz QRF today to conduct a joint patrol. Twenty IP were gathered and briefed before the patrol. Training was conducted on weapon safety and how to properly search a detainee. Dismounted patrol was conducted in a village near the marketplace.

Salah Al Din [redacted] (b)(8), (b)(6)

(TA0038) Qadassia LPS/911: (TRA Level 3) PTT went on a night mission to the Qadassia Police Station to evaluate IP posture when on "high alert" and to visit and evaluate their checkpoints. PTT met with the Chief, LTC [redacted] (b)(6), (b)(7)c who advised they needed to improve the force protection at the station and asked if the team could help by providing at least 20 Hesco barriers and 20 C-wire strands. The team advised they would attempt to locate and deliver these items but they would have to fill the Hescos on their own.

We were escorted to both checkpoints within Qadassia, questioning the purpose of establishing checkpoints at those locations. The IP advised those roads were main routes to enter or exit Tikrit. The team observed and mentored their methods of conducting a checkpoint and enforcing the curfew. A main concern was lack of flashlights for a nighttime checkpoint, reflective vests, reflective cones or metal plates inside their vests for their protection. The team asked the IP to request all these items from their station through the proper channels and wanted them fully equipped at our approximate visit.

(TA0079) Check PT HQ: (TRA Level 2) PTT conducted a visit to Check Point HQ and spoke with LTC [redacted] (b)(6), (b)(7)c PTT mentored the LTC on report writing procedures. PTT also coordinated a schedule with him to begin documenting and identifying the IP on the military B.A.T. system.

(TA0084) Samarra District HQ: (TRA Level 3) PTT went to the Jail at Col [redacted] (b)(6), (b)(7)c to assess air conditioning units. PTT along with IP were able to get some Freon since it could not be bought on the local market. PTT was able to charge the units and cool the Jail. One of the problems is overcrowding.

Compiled by [redacted] (b)(3), (b)(6)
Email: [redacted] (b)(6)

(TA0050) As Saniyah: (TRA Level 3) PTT assessed the detention facility. PTT also conducted training in the area of force protection, hand cuffing procedures and detention cell procedures.

PTT did an evaluation on the checkpoint procedures and found that the IP were conducting vehicle and person searches in an acceptable manner and need very little instruction to correct any problems they were having.

(TA0064) Bayji DHQ (Level 3)

Friday August 17, 2007: PTT assessed IP attendance in the classes offered at the station.

Saturday August 18, 2007: PTT spoke with COL [redacted] who provided IP attendance at the training classes and provided staffing levels.

Sunday August 19, 2007: PTT gathered staffing levels and IP attendance for training classes.

Monday August 20, 2007: PTT met with COL [redacted] and MAJ [redacted] and mentored IP formation, taking attendance and puting out work duties and training for day. MAJ [redacted] taught Use of Force. IP attendance levels were also provided.

Tuesday August 21, 2007: MAJ [redacted] taught a class on accountability, vehicle takedowns, suspect control and handcuffing. IP attendance levels were also provided.

Wednesday August 22, 2007: MAJ [redacted] gave a class on pre-patrol procedures and risk management. IP attendance levels were also provided. Information was provided concerning a VBIED that detonated about two blocks away.

Thursday August 23, 2007: MAJ [redacted] gave a class on pre-patrol procedures and risk management. Further incidents of attacks in the form of SAF and mortar attacks continued.

Friday August 24, 2007: Instruction on cover and concealment was given.

(TA0042) Al Salam LPS: (TRA Level 4) PTT visited the [redacted] Station and met with Chief [redacted] PTT discussed force protection.

(TA0055) Balad Checkpoint HQ: (TRA Level 4) PTT went to the Balad Checkpoint Headquarters visiting checkpoints 5 and 6. PTT continued with identification of assigned Iraqi Police at both locations utilizing the HIIDE system. The PTT obtained input from the IP on duty in reference to force protection issues.

(TA0056) Balad DHQ: (TRA Level 4) PTTD traveled to the Balad District HQ and spoke with IP LT [redacted], the supply officer, in reference to the organization of supplies, equipment and evidence. PTTD continued to conduct an inventory of the stations supplies on hand. PTTD also found that the IP are storing evidence and supplies in the same secure room. PTTD is assisting the IP in devising a system to log, track and maintain a chain of custody for all evidence seized by the IP or turned in by civilians. Procedures for destruction and disposition of evidence are also going to be researched, addressed, and implemented. PTTD also enrolled another 10 IP into the HIIDE system.

(TA0071) Hatamiya: (TRA Level 4) The PTT arrived and talked with COL [redacted] (b)(3), (b)(6). PTT performed an initial assessment of the station. PTT discussed logistics needs, communication needs and personnel needs.

(TA0136) Al Hardenia Police Station: (TRA Level 4) PTT met with MAJ [redacted] (b)(6), (b)(7)c who provided staffing levels of the station and discussed current training for his IP. PTT members also continued IP identification activities to include fingerprints, retinal scans and photographs.

(TA0604) AD Dujayl District HQ: (TRA Level 3) PTT went to the station and met with COL [redacted] (b)(6), (b)(7)c PTT inspected the detention facility and detainees. Several were taken out and their information was put into the HIIDE system. The PTT then inspected the checkpoints.

Mosul (MND-N)

Ninewah

(b)(3), (b)(6)

(MN0076) Tall Afar DHQ: (TRA Level 2) PTT escorted BG [redacted] (b)(6), (b)(7)c to Qahanoniya village, Al Gazira village and Sinjar DHQ. PTT inspected the reconstruction efforts, which was joined by the local villagers.

PTT then traveled to Al Gazira village. PTT observed several truckloads of supplies being delivered to the village. There were also several UN tents setup in the city to provide shelter for those who lost their houses.

PTT then traveled to Sinjar DHQ to meet with COL [redacted] (b)(6), (b)(7)c Upon arrival PTT discovered COL [redacted] (b)(6), (b)(7)c was out with the Mayor of Sinjar delivering funds and supplies to families in Al Gazira village.

(MN0134) Abu Maria: (TRA Level 3) PTT conducted a meet and greet with the IP personnel assigned to the station. The PTT spoke with LTC [redacted] (b)(6), (b)(7)c about the activities of the station up to this point and about the future plans of the station.

(MN0140) Checkpoint Company: (TRA Level 2) PTT arrived at the station to conduct an assessment. PTT met with OIC, Bashir Ali Faris, who provided information manpower assessments, station checkpoints, ammunition levels, personnel needs and training needs. PTT departed the station and continued on patrol in Tal Afar.

(MN0914) Tall Afar LPS: (TRA Level 2) PTT visited Tall Afar Traffic Circle LPS to check on operations, inventory the armory and conduct a joint patrol. PTT spoke with LT [redacted] (b)(6), (b)(7)c and LT [redacted] (b)(6), (b)(7)c. OIC advised of the current patrol schedule and staffing levels.

Ramadi (MND-W)

Al Anbar

(b)(3), (b)(6)

(RA0002) IP Headquarters PHQ: (TRA level 3) Preparations and adjustments continued on both the 2008 provincial budget and the August pay rosters. The Provincial Police Transition Team also took advantage of the Iraqi day off to help prepare the Government Center for an increase in personnel.

(RA0010) Tameem: (TRA level 3) Delayed reporting from an extended visit.

23 August The Police Transition Team assisted with payroll operations. The process included an inspection of all equipment assigned to individual Iraqi Police as they received their pay. PTT then conducted a detainee cell and detainee inspection.

(RA0013) Fallujah District Police HQ: (TRA level 2) Delayed reporting from an extended visit.

21 August 2007 The Police Transition Team conducted training at Jubayl Sub-Station for 15 Iraqi Police and 1 IP officer. The training covered use of force, situational awareness, and pedestrian stops.

22 August 2007 Police Transition Team provided training at the Jubayl Sub- Station for 6 Fallujah District Iraqi Police on the use of force, community policing and police ethics.

23 August 2007 Police Transition Team and Iraqi Police Training Officers provided training to 16 Fallujah IP at the Jubayl Sub-Station on the roles of judiciary and apprehension.

24 August 2007 Police Transition Team and Iraqi Police Training Officers provided training at the Jubayl Sub-Station to 10 IP on communication skills and apprehension.

(RA0025) Al-Huryia: (TRA level 3) The Police Transition Team met with the Station Chief to discuss issues pertaining to detainees and vehicles. Station Chief was advised on how to order parts needed to repair his vehicles. PTT also assisted with pay operations.

(RA0029) Jazeera: (TRA level 3) PTT provided training on Detention, Interrogation, and Intelligence Officers on the new digital camera. Each officer practiced taking pictures and loading them into the computer. A detainee check was completed.

(RA0032) Karmah Station: (TRA level 3) The Police Transition Team assisted with pay operations for the Iraqi Police and Provincial Security Forces.

(RA0034) Nasser: (TRA level 4) Nassar Station is in the process of moving to a new location. A force protection evaluation was completed and the issues are being addressed.

(RA0072) Rutbah District Police HQ: (TRA level 3) The Police Transition Team inspected the detention facility and checked the welfare of detainees. The PTT is coordinating for Iraqi Police to attend an upcoming academy.

(RA0089) Barwanah Local Police Station: (TRA level 3) The Police Transition Team provided training for 50 Provincial Security Forces members.

(RA0091) Al Ubaydi LPS: (TRA Level 2) The Police Transition Team participated in a joint mounted and dismounted patrol with the Ubaydi Station Iraqi Police and Coalition Forces.

(RA0095) Baghdadi DHQ: (TRA level 2) A station visit was conducted. The Police Transition Team assisted with pay operations, inventory of equipment, and issued badges.

(RA0110) Rawah District Police HQ: (TRA level 3) The Police Transition Team received additional equipment for issuance to the Iraqi Police. The IP were mentored on personal hygiene and the proper wearing of the police uniform.

(RA0134) Khaladiyah Police Station (Habbaniyah): (TRA level 2) The Police Transition Team delivered school supplies to children of the Iraqi Police. The PTT inspected the detention facility and checked the welfare of detainees.

(RA0252) Fallujah JCC: (TRA level 4) The Police Transition Team continued working to finalizing the Fallujah District's organizational structure and PowerPoint presentation. Input is received from various sources. An Iraqi Police Major provided a complete list of police stations within the Fallujah District. This information was consolidated into the plan with necessary changes being made. PTT will be presenting the plan to military counterparts in the near future.

Ramadi Training Center: The Police Transition Team went to the Ramadi Training Center. Day 5 of the Detective Course was presented. The training consisted of investigative methods.

Al Asad Advanced Training Center: International Police Advisers concluded the Administration and Leadership Course with a graduation ceremony at Camp Ripper. The Logistics Course was also discussed with military counterparts.

Iraqi Police Professional Leadership Development Course (IPPLDC): The Cadre at the Iraq Professional Leadership Development gave the Iraq Police Officers a written examination. They were then given a class on terrorist development and operations. This class explained how a terrorist group is formed, how the organization works, and techniques for investigating terrorist groups.
