CPATT IPLO DAILY SITREP

N22

August 5, 2006

Baghdad (MND-B) [redacted] (b)(3), (b)(6)

Baghdad

(BC0025) Al Karada Patrol Police Station (East): PTT did a follow-up concerning the patrol vehicle which was allegedly damaged by a VBIED but the damage to the vehicle suggested it had been involved in a collision (DSR 4 August). The motor pool officer told the Team the IP involved admitted the damage was the result of a collision with an Iraqi HMMV. The Team mentored the IP on the subject of truthfulness and ethics. The Team will monitor what disciplinary action is taken by the station.

(BC0046) Al Quanat Local Police Station: PTT learned the station has six new IPs. There is still quite a number of IPs in jail and they make up the majority of the jail population. Out of fifty detainees, thirty-three of them are IPs. A joint patrol was done. Generator fuel problems persist as a captain told the Team he had to use his own money for fuel.

(BC0089) Belat Al Shuhadaa Local Police Station: PTT mentored five IPs on QRF tactics, the importance of teamwork and coordination, the purpose and benefit of public relations, and the responsibility the police have to the public. A two hour joint patrol was done.

(BC0092) Baghdad IHP HQ: The Team worked on finishing the after-action report concerning the 1 August AIF attack on the HQ. It was reported to the Team by the HQ public affairs officer that an MP unit out of Taji took six IHP vehicles assigned to the Taji IHP station and turned them over to a local police station. The vehicles were taken from the repair facility at Camp Taji where they had been moved to have work done. The Team has turned this information over to the appropriate MP unit.

(BC0102) Mahmoudya Local Police Station: Five IPs were trained by the Team on community policing. The Team was stopped by a female in the parking lot who advised them she had been threatened by two IPs who are already in jail for the same thing. She was also told by their family members if she did not drop the complaint she would be killed. The Team spoke with the investigator involved with this matter and he said he would look into it. The female also advised the Team she had stopped in the previous day to report the threats and the investigator put one of her shoes in her mouth. The investigator denied doing that when asked. The Team mentored the investigator on police conduct and ethics.

An Najaf [redacted] (b)(3), (b)(6)

(RN0026) Waffa Local Police Station: The Team trained three station trainers on knife defense and disarming tactics. The training knifes were left with the trainers for their use in training other station personnel.

Babil [redacted] (b)(3), (b)(6)

(BB0042) Eskan Local Police Station: PTT was asked for replacement uniforms, with a major being advised of the proper channels for the request. The Team is looking at having the building repaired inside and out, and did a walk-through inspection listing what needs to be done. PTT will be putting emphasis on getting all the IPs into training at FOB Kalsu, which will make for a more uniform police force and help the IPs work as a cohesive unit. The Team announced the first training dates for making this happen. The station

commander was mentored on the importance of integrity and ethics as they pertain to law enforcement. The Team does not see the force totally lacking these qualities but they do not always practice them as they fear retaliation from the Mahdi militia.
