August 25, 2006

Baghdad (MND-B) [redacted] (b)(3), (b)(6)

Baghdad [redacted] (b)(3), (b)(6)

(BC0011) Al Dorah Local Police Station: The Team observed an increase in IP checkpoints through out the area. IPs reported a possible IED near the Al Rasheed Bank. The Team responded with the IPs who cordoned the area. IPs called their EOD team and the IED was disarmed.

(BC0026) Al Karamah Local Police Station: The armory is in need of cleaning supplies for the weapons. The night vision equipment given to them a few months ago has not been used as the IPs do not know how to use it. The Team will arrange a training session on use of the equipment. The station only had one working patrol vehicle.

(BC0089) Belat al Shuhadaa Local Police Station: PTT reported the body of an IP was found on August 22 in the area of the Al Saon Mosque. No further details were reported.

(BC0094) Hy Al Amil Patrol Police Station: Sixty one IPs scheduled for duty, 40 were present, 21 absent.

(BC0105) Criminal Investiation Directorate Unit 2: There are 147 prisoners being housed at the station. There is no fuel for the generators or vehicles. They are draining fuel from one vehicle and adding it to other so court appearances can be made. MOI had cut their monthly allotment of 8500 liters to 5000 liters. But they are receiving nothing now. A problem has developed with the jail is not accepting prisoners without their ID card.

(BC0111) New Baghdad District Police HQ: The Team checked on the detainees to find the jail greatly improved in cleanliness from last visit. Air conditioner is blowing warm air. The jailer said the problem with the a/c developed when they had to keep shutting the generator on and off.

(BC0120) Rusafa Directorate Police HQ (East): Many commanders are citing a lack of cooperation and coordination between the IP patrols and the IA troops and patrols, especially during the weekend pilgrimage.

(NO FFID#) Baghdad River Police Training Center: Authorization was received from 4th ID to resume boat operations on the Tigris River. The Team will only operate the boats within certain boundaries.

Babil

(b)(3), (b)(6)

(BB0041) Iskandariyah Local Police Station: IPLO missions may decrease, if not stop, due to a conflict between the Army and the interpreters. No further details were provided in the report.

Tikrit (MND-CW)

(b)(3), (b)(6)

Diyala

(b)(3), (b)(6)

PTT-P CI/MCU Advisor met with BG [redacted] Chief of the Major Crimes Unit (MCU) for Diyala Province. BG [redacted] has started reviewing cases prepared by MCU to determine if there was sufficient evidence to warrant prosecution. He discovered a number of the cases contained insufficient documentation and, as a result, arranged for the release of sixteen detainees. The BG will continue to review MCU cases to insure that necessary procedures were followed and justice was served.

The MCU Chief reviewed their allotted equipment and found that although his unit has eleven assigned vehicles, none of them are available for his officers use. Four of the vehicles are being used by another IP component headed by COL [redacted] and the other seven have been assigned to the bodyguards of [redacted], the Head of the Provincial Council for Diyala. The PTT-P Team encouraged the BG to arrange a meeting with this individual to discuss the situation and attempt to recover some of these vehicles.

BG [redacted] has asked for assistance in the procurement of any available equipment for the newly reorganized MCU. A request for such equipment has been forwardedthrough proper channels for coordination but no response has been received.

PTT-P Administration Advisor met with GEN [redacted] of the Training Department, he advised the he had not yet purchased the computers that he was authorized by the team. He said the three ACER computers would be present on Sunday the 27th of August along with a receipt of purchase.

Salah Al Din

(b)(3), (b)(6)

(TA0080) Salah Al Din Provincial HQ: PTTP met with MG [redacted] on this date. We discussed the training that had been done by the IP at IA Island. He advised that there were no major issues that occurred at the training. MG [redacted] advised that he understands that the IP that have not received the firearms part of the training at the TIPS academy must return to attend this part of the training. MG [redacted] said that the staff at the academy is working to schedule the IP to return for this part of the training. MG [redacted] advised the only issue that they are having is getting enough ammunition to enable everyone to shoot. PTT advised MG [redacted] that if the academy gets accredited then we will be able to get the ammunition from GF. PTT advised MG [redacted] that by having everyone return to the academy to shoot is what is needed to get accredited.

CPATT IPLO DAILY SITREP

(TA0084) Samarra District Police HQ: PTT met with CPT [redacted] (b)(6), (b)(7)c Major Crimes Unit Chief, he stated that he recently took command of the MCU from MAJ [redacted] (b)(6), (b)(7)c by order of LTC [redacted] (b)(6), (b)(7)c

CPT [redacted] (b)(6), (b)(7)c stated that they released the two Thar Thar IP yesterday, the two Thar Thar IP were accused of trying to steal fuel at the Al Qalah gas station several days ago. They were identified as IP [redacted] (b)(6), (b)(7)c and IP [redacted] (b)(6), (b)(7)c. CPT [redacted] (b)(6), (b)(7)c stated that they released them under orders from LTC [redacted] (b)(6), (b)(7)c. CPT [redacted] (b)(6), (b)(7)c stated that LTC [redacted] (b)(6), (b)(7)c believed they had been punished enough and the next time they are caught trying to steal fuel, they will be fired and prosecuted.

PTT met with LTC [redacted] (b)(6), (b)(7)c, Chief of Police. LTC [redacted] (b)(6), (b)(7)c stated that he spoke with all the officers this morning and he made many personnel changes in an attempt to prevent any further problems from the officers within the HQ. LTC [redacted] (b)(6), (b)(7)c stated that the officers were greatly frustrating him but he believes that by transferring them around, he can break through the corruption.

LTC [redacted] (b)(6), (b)(7)c outlined the following changes: MAJ [redacted] (b)(6), (b)(7)c is in now in charge of the personnel office (he is formerly of the Al Hirasat). MAJ [redacted] (b)(6), (b)(7)c is now in charge of Al Hirasat (he is formerly of the operations room). 1LT [redacted] (b)(6), (b)(7)c is now in charge of the Legal section (he is formerly of the personnel section). MAJ [redacted] (b)(6), (b)(7)c is now in charge of the movement office (he is the former chief of the MCU). CPT [redacted] (b)(6), (b)(7)c is now working in the training section with 1LT [redacted] (b)(6), (b)(7)c. 1LT [redacted] (b)(6), (b)(7)c is now in charge of the crime scene unit. LTC [redacted] (b)(6), (b)(7)c is now in charge of the operations room. CPT [redacted] (b)(6), (b)(7)c is now in charge of the MCU. LTC [redacted] (b)(6), (b)(7)c is now in charge of the Samarra Station. All the other personnel will remain at their current assignments. LTC [redacted] (b)(6), (b)(7)c stated that he is still waiting to transfer many of the IP out of the Al Imam Station as well as the officer stationed there, LTC [redacted] (b)(6), (b)(7)c.

PTT went to the QRF and met with LTC [redacted] (b)(6), (b)(7)c assistant police chief. [redacted] (b)(6), (b)(7)c was overseeing the QRF in absence of CPT [redacted] (b)(6), (b)(7)c who is on vacation. [redacted] (b)(6), (b)(7)c addressed the recent rumor involving no QRF personnel being allowed at the headquarters building. [redacted] (b)(6), (b)(7)c stated that this rumor is just a rumor and all that LTC [redacted] (b)(6), (b)(7)c is saying is that he wants his IP at their duty stations at all times for quick deployment in case of an emergency. [redacted] (b)(6), (b)(7)c stated that if QRF personnel have legitimate business at the headquarters building they will be allowed to conduct such business. [redacted] (b)(6), (b)(7)c continued stating that CPT [redacted] (b)(6), (b)(7)c also addressed this issue with him this morning and now hopes this matter is now behind us.

PTT met with CPT [redacted] (b)(6), (b)(7)c, Internal Affairs Investigator, he said that he has found a connection between the two escapees and the Provincial Police. CPT [redacted] (b)(6), (b)(7)c stated that several days before the two IP in detention escaped they received a phone call from COL [redacted] (b)(6), (b)(7)c from the Tikrit Academy. COL [redacted] (b)(6), (b)(7)c instructed the Major Crimes Unit to release the two IP in detention because they work for the Tikrit Academy. CPT [redacted] (b)(6), (b)(7)c has learned that COL [redacted] (b)(6), (b)(7)c statements were false. Those two IP in detention did not work for the Tikrit Academy. They both worked as IP in Balad and were wanted by the CF. CPT [redacted] (b)(6), (b)(7)c stated that even GEN [redacted] (b)(6), (b)(7)c called down to the HQ and inquired as to their status, why they were detained. This all happened several days prior to their escape. Their whereabouts still have not been ascertained.

CPATT IPLO DAILY SITREP

At Tamim [redacted] (b)(3), (b)(6)

(TT0005) Kirkuk Provincial HQS: COL [redacted] (b)(6), (b)(7)c produced a signed document of charges against COL [redacted] (b)(6), (b)(7)c the chief of Aydallah Police Station (TT0910) so that prosecution of corruption may proceed.

Mosul (MND-N) [redacted] (b)(3), (b)(6)

Ninewah [redacted] (b)(3), (b)(6)

(MN0056) Ninewah PHQ: Issuance of twenty vehicles for Tall Afar and continued issuance of the 28,000 sets of uniforms was delayed, due to various force protection issues.

On 24 Aug 06, PTT went to Ninewah PHQ for a station assessment. Officers and IP were conducting an after action review and discussed what was right and wrong about the response to the assault that occurred yesterday.

PTT members also conducted after action reviews to determine how PHQ could best be served during an attack. Gen [redacted] (b)(6), (b)(7)c and Col [redacted] (b)(6), (b)(7)c also assessed the perimeter of PHQ and discussed possible areas of approach and attack by AIF members.

IP weapon awareness is a problem and there were a number of accidental discharges, some of which resulted in injury. PTT addressed this problem with the training staff, and continue to make on the spot corrections as needed.

Operations personnel were communicating and discussing force protection issues. The persons assigned to operations conducted an after action review to see how to better respond to an attack.

The jail inspection showed a total count of 273 prisoners. Seventeen new prisoners were put into the jail, 56 were released, and none were transferred. There were fourteen juveniles prisoners being detained. The MCU was not detaining any prisoners and there were no IP being detained.

Team members met with both the finance and personnel departments to discuss the attack that occurred yesterday. Team members wanted to make sure that each department has a operational plan in case of another attack. Lt. Col. [redacted] (b)(6), (b)(7)c of the personnel department and General [redacted] (b)(6), (b)(7)c of the finance department both told team members what there plans were and how they reacted to yesterday attack.

(MN0001) AWASIJAH: The Team delivered twenty beds with mattresses and released them to the Logistics Officer via property receipt.

It was noted Qayarrah Police District Headquarters had issued a complete uniform (shirt and trousers) to each IP and IP Officer at the Awasijan LPS this morning.

CPATT IPLO DAILY SITREP

(b)(6), (b)(7)c

(MN0027) AL NOOR: Major [redacted] advised the Team that there is still a fuel shortage for his vehicles and that the issue had been addressed with the District Headquarters. He continued that the District Headquarters has taken no positive action to correct the deficit.

The station received complete sets of uniforms (trousers and shirts) for issuance to the Officers and IP. They were sent to the station by the Qayarrah Police District Headquarters.

(MN0013) HAJ ALI: The Team learned that Qayarrah Police District Headquarters had sent enough complete sets of uniforms (shirts and trousers) to the station this date to clothe all the officers and IP.

(MN0010) AL HADAR: PTT went to PHQ where PTT meet with the IP commander in charge of logistics. PTT asked him about getting a list of what has been picked up by the Al-Hadar District. PTT was advised by our military liaison there are several stations that have not picked up their supplies. When a list is completed, it will be sent to all commands. PTT was told that all the IP uniforms have been sent out to the Districts.

(MN0045) Al Khazraq LPS: The commander advised they had received cloths for his officers, but they were all large sizes and the wrong color (light blue instead of true blue). He also asked about his metal doors for the jail and armory area, they had them made but they will cost 200 dollars.

(MN0215) Mosul Al Gededa LPS: The station received ammunition, uniforms, and office supplies, but could not tell PTT of the quantities they received.

(MN0959) Mosul General Hospital LPS: The Arms Room manager claims all the IP have three full magazines of 9mm rounds, but spot checks found each IP checked to be short on ammunition. No updated records and the requested count were never completed. The Arms Room manager told PTT there was no shortage and that he checked. PTT brought this issue to the Lt. Col. and was informed it will be addressed and corrected by our next visit. PTT discussed ways to keep track and keep IP accountable, but stressed the importance of the Arms Room manager doing his job and keeping track.

(MN0962) AL SALAAM: The station recently received 39 new hand held radios, three PKC's, 40 Ak-47's, 50 sets of handcuffs, two tires, one color printer, 24 pr. pants, 12 pr boots, 60pr socks. The station has 100 protective vests that will not hold the protective plates.
They are in need of 141 Glocks and many pairs of boots for new IP who have been assigned to the station but have never been issued boots, or pants or any uniform items. Additional IP vehicles are also needed for proactive law enforcement. Proper requisitions have been submitted to his chain of command.

(NO FFID#) AL QADISIYAH: The antenna and cable that were supplied yesterday had been attached to a flag pole and had been programmed and was up and being used as a base station. A base antenna is still on order.

CPATT IPLO DAILY SITREP

Irbil

(b)(3), (b)(6)

(MI0935) Irbil Mirra, Logistic, Police Station: The PTT met with Colonel [redacted] (b)(6), (b)(7)c, second in command, of the Irbil Provincial Police Logistics. The Colonel spoke on basic needs of the Irbil / Soran province and stated they are in need of PKM ammunition as quickly as possible. To note, the P3 team (over a year ago) issued the Irbil province 200 PKM's with no ammunition. During this time there has been only 28,000 rounds issued out. The Colonel is requesting help form CPATT to supplement the 28,000 with whatever it can provide. Colonel stated "right now we would be happy to receive 5000, 10000 or more".

Sulaymaniyah

(b)(3), (b)(6)

(No FFID#) Crimes and Evidence Directorate Sulaymaniyah: The Investigation PTT talked with Major [redacted] (b)(6), (b)(7)c, concerning the needed camera and materials to conduct the ongoing classes of crimes scene investigation.

The Major explained the first set of paperwork for the camera and investigation supplies was being hidden by a general at the IP headquarters. It appeared this general didn't think the supplies were necessary and kept the paperwork at his office.

Major [redacted] (b)(6), (b)(7)c will be giving the PTT a call as soon as the second set of paperwork for the supplies has gone through channels and is approved by the IP administration.

Dahuk

(b)(3), (b)(6)

(MD0002 DOHUK PHQ): PTT trainers completed the last day of this week's five day firearms instructor school. The six students performed well and all passed the oral exam upon completion.

The PDOP was disappointed that the 20 SUVs promised to his province were not retrieved today, due to some security concerns. PTT will work with the military in getting the vehicles delivered as soon as possible.

Ramadi (MND-W)

(b)(3), (b)(6)

Al Anbar

(b)(3), (b)(6)

(RA0097) Kubaisa Local Police Station: PTT issued the remainder of available uniform items on hand to complete the stations inventory for the police officers. Previously issued AK's were retrieved from IPs who recently resigned or were fired for being AWOL. AK's and pistols were issued to new IPs.

(RA0110) Rawah District Police HQ: The PTT team conducted a station visit to the Government Building today. The PTT team successfully recruited new IP candidates for the next IP academy. The team will continue to screen for new IP candidates. The team is also worked on plans for a IP screening in Anah.

CPATT IPLO DAILY SITREP

(RA0013) Fallujah District Police HQ: The station is connected to the city power grid. The station continues to have a regular fuel delivery from the U.S. Marines. Fuel consumption has steadily decreased due to increased use of the city power.

(RA0048) Ramadi District Police HQ:
The generator has been repaired. We found the problem was the IP had taken the fuel lines off to the injectors to try and get more fuel. We replaced the lines and told them to leave the generator alone. Once we refueled the tank it started it, it ran fine. The batteries to the Humvee have been recharged and placed back into the vehicle.

(RA0025) Al-Huryia Station: Engineers are currently working on the placement of T walls. At approximately 0830hrs 2 mortar rounds impacted 50m outside the West wall. The first striking the college causing minor damage, and the second striking the ground to the rear of the building. No injuries were reported to the workers outside the perimeter wall.

An IP patrol was sent out to aide in a joint operation with US forces in the Tameem area. Upon returning, the patrol reported being in an exchange of small arms fire without injury.

At approx. 1300hrs, the tower on top of Al Huryia station took small arms fire from the multi-story apartments 400m to the Southeast of the station. The rounds did not make contact with the tower. No shooter was observed, and no fire was returned from the IP. It was reported seven rounds did impact a residence adjacent to the station.

(RA0002) Al Anbar Provincial Police HQ: Today's turnout of IP's was the lowest since we have started to take the roll each day. There were no IP's today. Col. [redacted], the Provincial Interim Chief, did arrive with other IP's from the District station but there were no Provincial IP's.
The P-PTT has been told by several individual IP officer's that they have no intention to return to the Blue Diamond facility. This reduction in IP attendance has only recently become a problem. The number of IP's coming to work after moving to Blue Diamond increased from working out of the Government Center HQ building. Now the number has dropped again.

CPATT IPLO DAILY SITREP

Dhi Qar

(b)(3), (b)(6)

IPLO's had a meeting with Major [redacted] with the Australian military. He stated that it is very likely that they will be taking over the Italians responsibilities within the Dhi Qar Province. Provincial handover from the Italians to the Australians has been scheduled near the end of September.

Major [redacted] was informed by team members that CPATT is possibly transferring the Dhi Qar PTT to another region. The Major stated that he did not understand the logic of sending personnel to another region in Iraq.

Major [redacted] believes that CPATT is crucial to the mission. The major indicated he wants the Dhi Qar PTT to work with the Australian military in the Dhi Qar Province. Major [redacted] advised that he will be contacting CPATT upper management in regards to securing a PTT in the province.

Dhi Qar PTT met with Captain [redacted] of the MSU. He advised the PTT he is arranging a meeting for CPATT and 10 IPS station commanders for QRF funding. A date has been set for the future meeting. Captain [redacted] stated the IP's have the necessary bids and paperwork for the QRF projects.

Nothing significant reported

Shaiba Logistical Base

(b)(3), (b)(6)

Shaiba PTT met with British Military officials in regards to housing for CPATT PTT members. The British Military can not provide housing for CPATT; however the British military expressed a sincere interest in CPATT assisting them with the six remaining IPS stations that are under their control.

Shaiba PTT is attempting to secure more housing units in the Danish Camp for the future PTT members that will assist in covering the British IPS stations. This housing issue will be resolved by the Danish Military's willingness to grant such a request.

With regard for the "support fee" that the Danish Military indicated for each individual PTT member, the Shaiba PTT was unable to secure a monetary amount from them. The Danish Military stated that the total for the "support fees" will be submitted to the Division Headquarters.
