N 68

CPATT IPLO DAILY SITREP

September 23, 2006

Baghdad (MND-B) [redacted] (b)(3), (b)(6)

Baghdad [redacted] (b)(3), (b)(6)

(BC0003) Airport Police Local Police Station: Total personnel assigned to the current shift included 10 officers and 46 IPs. No AWOL/KIA/WIA. Station training was conducted with 3 female IPs on Theft Control and Personal Search Procedures. All 8 station vehicles remain operational.

(BC0005) Al Adhamiya District Police HQ: Total personnel assigned to the current shift included 3 officers and 22 IPs. General [redacted] learned that an IP was ambushed as he drove to work in his vehicle (19Sep06). A vehicle pulled alongside his car in the Kamp section of Adhamiya and shot him. Lt [redacted] was seriously burned in an IED attack (17Sep06). He is in a burn center at Medical City. Military intelligence interviewed ERU commander regarding insurgency and illegal activities. A survey developed by members of CPATT were handed out to 6 members of ERU for completion. Survey is part of the Baghdad Police College attempt to assess the feelings and loyalties of the local IPs. (b)(3), (b)(6), (b)(7)c

(BC0007) Al Adhamiya Patrol Police Station: Two PTTs conducted joint patrol with station IPs . One PPT gathered 9 IPs in 2 IP vehicles for patrols in the market area. IPs were observed talking with the locals, building a rapport with citizens in the community. Patrol checked on IPs at CP 7, then continued patrol checking on curfew violators. The second PTT left the station with 3 vehicles, and 9 IPs.

(BC0009) Al Alawiyah Local Police Station: Total personnel assigned to the current shift included 21 officers and 180 IPs with 8 AWOL. No KIA/WIA. Station has 15 vehicles assigned to them, 10 are operational, 5 are disabled, 5 are beyond repair. There are 47 inmates housed in the detention facility. The training was interrupted when a sniper's bullet struck a soldier manning a security position. The bullet struck the turret and ricocheted into the side of the soldier.

(BC0039) Al Mamum Local Police Station: Total personnel assigned to the current shift included 4 officers and 47 IPs, with 6 AWOL. No KIA/WIA. Station commander is in the process of filing formals complaints against the 12 IPs from Basrah who systematically quit showing up for work. The Basrah IPs failed to turn in their Glock pistols and ID badges. Arrest warrants are being sought with the Judicial Judge to recover the property. Station commander said he traced the pay problems to a local national female who works at MOI in some sort of payroll capacity. Station training was done with 8 IPs and consisted of proper long gun weapons retention and officer survival. Station training officer assisted in today's training. Joint patrols were conducted with 10 IPs and 2 patrol vehicles. IPs were tasked with locating a dead body. When the body was found (executed), and IPs went to investigate, the patrol immediately came under heavy automatic weapons fire from a vehicle. IPs returned fire and the Team attempted to intercept the attacking vehicle. Suspect vehicle fled the scene. No injuries to any personnel.

(BC0042) Meshahadah Local Police Station: Total personnel assigned to the current shift included 3 officers and 20 IPs. No AWOL/KIA/WIA. There are 12 IPs that have not been paid. Military command (LT [redacted]) traveled to MOI to try to correct this issue. Two joint patrols were conducted with 4 IPs in each patrol. IPs worked on their community policing skills. The station is assigned 15 vehicles, 14 are operational, 1 is disabled and currently being repaired at Camp Taji. CF is still source for all fuel. No MOI fuel arrived. Station IPs are still being assisted with force protection by members of the Stryker Brigade. (b)(3), (b)(6), (b)(7)c

Compiled by [redacted] (b)(3), (b)(6), (b)(2) **6/16/2008**

CPATT IPLO DAILY SITREP

(BC0043) Al Muthana Local Police Station: Total personnel assigned to the current shift included 8 officers and 80 IPs. No AWOL/KIA/WIA. Station is undermanned according to CPATT standards. Station training consisted of a refresher course on the use of cover and concealment and tactical movements with 6 IPS. Joint patrol was conducted; IPs did not make any stops or contact with any citizens. Station has 14 vehicles assigned to them; 8 are fully operational, 6 are disabled, and 2 are beyond repair.

(BC0047) Al Quds Local Police Station: Two joint patrols were conducted with 2 IP patrols and 8 IPs. The Team patrolled Adhamiya district. IPs stopped one vehicle for curfew.

(BC0048) Al Rafadan Local Police Station: Total personnel assigned to the current shift included 51 officers and 197 IPs. No AWOL/KIA/WIA reported. Station has 6 vehicles assigned to them; 4 are operational, 2 are disabled and being repaired by CF. Team met with station commander regarding station needs. He said 6 vehicles and fuel allotments are not enough for the personnel and staff assigned to him.

(BC0049) Al Rashad Local Police Station: The squad medic was conducting checkups of 54 inmates housed in the detention cell. The detainee who had the gangrene was provided more antibiotics and given instructions for physical therapy. The wound has healed greatly from when it was first diagnosed. The station visit was terminated when EFP exploded 400 meter away from station on an Infantry unit. Three soldiers were injured.

(BC0052) Al Rashidia Local Police Station: Total personnel assigned to the current shift included 12 officers and 20 IPs, with 3 AWOL. No KIA; (1) WIA from an ambush. Station training was conducted on Traffic Control Points with 2 officers and 7 IPs. Instruction was on the proper procedure for planning, setting up and conducting a TCP. Vehicles searches, firearms safety, and basic marksmanship were also demonstrated. Joint patrol was completed with a TCP being operated for 3 hrs. Station has 11 operational vehicles, 4 are in need of repair. 3 vehicles require mechanical parts above the capacity of the station; 1 vehicle was damaged in an ambush and needs tires and window. LTC [redacted] has recently been appointed the Station Commander. LTC [redacted] advised that an escort patrol for the District Commander, Colonel [redacted] with several Rashidia IPs were attacked with small arms fire in Baghdad. One IP was wounded and one IP vehicles had to be towed. Two detainees were kidnapped from the Al Salaam LPS. The detainees were from Rashidia. Two bodies were later found, believed to be them, but still needed to be posiitvely identified. Investigation is continuing.

(BC0059) Al Sha'ab Local Police Station: PTT conducted joint patrol with Al Sha'ab IPs. The patrol utilized 12 IPs with 3 IP vehicles. Mission was to link up with the 4-14 Infantry and support them in their mission while they conducted clearing operations. The Team role was that of a presence patrol in their sector of operation.

(BC0062) Al Suleikh Local Police Station: Total personnel assigned to the current shift included 5 officers and 58 IPs. One AWOL; one KIA; no WIA. An IP was killed (19Sep06) when four unknown suspects shot him while he was driving his brother-in-law's car. His brother-in-law is a Sunni Imam; the IP was Shia. IA General stopped to see station commander to clear up a matter which involved his driver being wrongfully identified as a suspect in a crime. Two IPs have been recommended for promotion to commissioner. IPs say they still have trouble getting through checkpoints because they cannot produce ID's saying they are police officers.

CPATT IPLO DAILY SITREP

(BC0068) Al Thahtheeb Local Police Station: Total personnel assigned to the current shift included 1 officer and 38 IPs. No AWOL/KIA/WIA. Station has 5 vehicles assigned to them; one is devoted to the Colonel. 4 are operational, 1 is in need of repairs. There are 21 prisoners housed in the detention facilities. No issues were expressed by them. Jailer did ask for more disinfectant and flashlights in order to handle incidents in the cell during power outages. Colonel [redacted] was on scene and reported no significant district or station events. (b)(6), (b)(6)c

(BC0073) Al Yarmouk Patrol Police Station: PTT reports 45 IPs assigned to current shift. No AWOL/KIA/WIA since last visit. Station has 51 vehicles assigned to them, 28 are operational, 23 need repairs, 3 are beyond repair. (PTT was hit with 2 IEDs on this visit. No physical injuries. Vehicle required towing.)

(BC0092) Baghdad IHP HQ: MOI does not provide this Station with fuel nor are there any designed funds for the purchase of fuel for the generator or vehicles. The Station is given a monthly allowance for Vehicle Maintenance and fuel. The allowance does not last the entire month, two weeks at best.

(BC0094) Hy Al Amil Patrol Police Station: Total personnel assigned to the current shift included 5 officers and 68 IPs, with 12 AWOL. No KIA/WIA. Station training was conducted with 5 IPs on vehicle searching. Station vehicles assigned is 69; 46 are operational, 20 are disabled, 3 are beyond repair. Team visited Communications section to observe operations. Patrol IP is assigned to monitor the HQ radio and the LPS frequencies along with a LPS IP.

(BC0095) Jisr Diyala Local Police Station: Total personnel assigned to the current shift included 3 officers and 69 IPs. No AWOL/KIA/WIA. The Team met with Colonel J[redacted] who agreed to have IPs report for training at FOB Rustamiyah. Training requested is IED, vehicle searches, AK-47 safety and maintenance, and the NCO's on leadership development. The station has 11 vehicles assigned to them; nine are operational, 2 are being repaired by CF. (b)(6), (b)(6)c

(BC0096) Karada Miriam Local Police Station: Total personnel assigned to the current shift included 2 officers and 20 IPs. No AWOL/KIA/WIA. 7 IPs were mentored on processing a dead body, after IPs were dispatched to the scene of an Iraqi national who died of a massive heart attack.

(BC0105) Criminal Investigation Directorate Unit 2: Total personnel assigned included 14 officers and 204 IPs. No AWOL/KIA/WIA. Station has 16 vehicles assigned to them, 7 are operational, 5 need repair, 4 are beyond repair. Station has 142 inmates housed in the detention facilities. Army Medical team conducts medical surveys every Tuesday. Custodians indicate the skin irritation is due to the lack of sunshine and fresh air. Custodians have one pair of handcuffs, they need about 20 more. The transfer of prisoners under the sentence of death cannot be transferred to the Central Jail Facility without their original ID. The card is either at the inmates home or in Court records. The inmates family will not bring the documents into the station and the custodians cannot get the ID from Court records.

(BC0111) New Baghdad District Police HQ: Total personnel assigned to the current shift included 12 officers and 30 IPs. No AWOL/KIA/WIA. Colonel [redacted] is frustrated because the IPs have nothing to sleep on. Coalition forces delivered approx. 75 mattresses to HQ several months ago, which then "disappeared". (b)(6), (b)(6)c

CPATT IPLO DAILY SITREP

(BC0120) Rusafa Directorate Police HQ: Total personnel assigned to the current shift included 80 officers and 611 IPS. No AWOL/KIA/WIA. PTT met with LTC [redacted] (EOD) to discuss training for more of the Directorate IPs in basic search, bomb detection and recognition techniques. EOD Unit provided a 3 day cycle for the Guard Force IPs. BG [redacted] requested the same training for the subordinate Directorate stations. LTC [redacted] showed the Team a new piece of equipment for vehicle and house searches. They want to issue some of the units to Rusafa stations and train the IPs on their use. Meeting will be held with BG [redacted] to discuss this training.

(b)(6), (b)(7)c

(BC0121) Saba Al Boor Local Police Station: The total personnel assigned to the current shift includes 3 officers and 46 IPs, with 4 AWOL. The Team delivered new uniforms, duty belts, holsters and asps with holders. Joint patrol was conducted with 14 IPs. All 16 station vehicles are operational. There are 14 inmates housed in the detention facility.

(BC0123) South Karkh Traffic Police Station: Total personnel assigned to the current shift included 1 officer and 11 IPs. No AWOL/KIA/WIA. A station commander has not yet been named, with the death of BG [redacted]

(BC0124) Al Wehda Local Police Station: Total personnel assigned to the current shift included 7 officers and 206 IPs. No AWOL/KIA/WIA. Ministry of Defense will be delivering a generator that will provide power to the station and the surrounding community. It is expected to be up and running next week.

(BC0147) Baghdad River Police Training Center: The IPs investigated a suspicious boat near CP 18 with negative results. A body was recovered from the 14th of July bridge. Construction continues at the training center.

(NO FFID) MCU 3 Substation: Total personnel assigned are 19 officers and 34 IPs. No AWOL/KIA/WIA. There are 5 vehicles assigned to the station, all are operational. This is a brand new renovated station that reports directly to MCU HQ. Primary responsibility will be investigations 2 years or older ("cold cases"). Presently they have 1420 investigations to be conducted. The station is not operational.

An Najaf [redacted]

No Station visits were conducted on today's date.

(b)(3), (b)(6) (b)(3), (b)(6)

Babil [redacted]

(BB0021) Al Mahawil Patrol Police Station: Police performance was poor. Four IPs were found sleeping on arrival. None of the IPs scheduled for training showed up. The IPLO team was unable to complete any type of conversation as all language assistants have been fired.

(BB0021) Al Mahawil Patrol Police Station: PTT delivered a file cabinet to Major [redacted] for his investigative files. Station training officer was advised the Team would conduct joint classes with him on his designated training days. The Team performed a foot patrol of the local market where the Mayor was performing a ribbon cutting ceremony for a new pedestrian bridge. (Report dated: 19Sep06)

(b)(6), (b)(7)c

(BB0039) Babil Iskandriyah IHP (Al Ameen): Major Freik expressed the need for his IPs to receive training in human rights and traffic stops. This will be arranged with future visits. (Report dated: 19Sep06)

(BB0041) Iskandariyah District Police HQ: The Team met with Colonel [redacted] and discussed how to set up a command structure, written job descriptions, accountability, and training.

(b)(6), (b)(7)c

Compiled by [redacted] 6/16/2008

(b)(3), (b)(6), (b)(2)

CPATT IPLO DAILY SITREP

There is no longer a training officer for this station. His training officer was sent to Tunis, which is outside of the district. The construction that was scheduled to be started has not progressed. The Team learned that all requests for equipment that were filed with Provincial, were left in a filing cabinet and were unanswered. The response was CF were to provide the equipment .

(BB0042) Eskan Local Police Station: The station needs basic office supplies as well as crime scene processing equipment. The Team reviewed an open homicide case and evidence collected at the scene, crime scene processing and case file organization. (Report dated: 13Sep06)

(BB0503) Haswah Local Police Station: Blocks of instruction on Criminal Investigations will be taught when there are interpreters available. Based on observations at the station, everything appears to be running smoothly.

Karbala (b)(3), (b)(6)

No Station visits were conducted on today's date.

Tikrit (MND-CW) (b)(3), (b)(6)

Diyala (b)(3), (b)(6)

CAMP DAWES - FOB WARHORSE Governate Center: Nothing to report.

FOB NORMANDY-PTT: Team members assisted in the CLS training for 11 IP from the Muqdadiyah Local IP Statoin.

Salah Al Din (b)(3), (b)(6)

Camp Brassfield Mora-(TA0087) Thar Thar Station (Samarra): PTT departed the FOB and went to Thar Thar Station. PTT stopped at TCP, BP2 to observe the IP at the checkpoint. The IP stopped and searched every vehicle. The searches were satisfactory and both shift officers were on scene. PTT continued and went to the Thar Thar Station.

PTT talked with LT (b)(6), (b)(7)c about personnel. LT (b)(6), (b)(7)c stated the station had completed 2 patrols in Al Qala. There were 2 IP vehicles and 18 IP were assigned at the Mosque for security.

PTT discussed the upcoming Ramadan with LT (b)(6), (b)(7)c. He stated the station was preparing a security plan for the weekend. LT (b)(6), (b)(7)c also stated there has been no recent IED's found in Al Qala, but 2 days ago a mortar landed in the field near the outskirts of town. LT (b)(6), (b)(7)c stated there were no injuries or property damage from the mortar.

PTT conducted a follow up from yesterday's inspection of equipment from HQ. PTT received information that the laptop and 2 A/C units were missing. The laptop was used yesterday by LT (b)(6), (b)(7)c, Investigations, and the supply officer was able to show a hand receipt for an A/C unit that was returned to SDI. The building was previously occupied by SDI and they asked for their old AC unit back.

PTT asked LT (b)(6), (b)(7)c if officers had any additional information on the murder of IP Ahmash. LT (b)(6), (b)(7)c stated there was no new information.

(TA0106) Dijhlay Station (AKA Mukayshifah) (Samarra): No report this date.

Compiled by (b)(3), (b)(6), (b)(2) 6/16/2008

CPATT IPLO DAILY SITREP

Camp Paliwoda (Balad): PTT went to the mosque in Balad where we monitored the mosque.

PTT met with an Iraqi Army informant. He advised us of 4 persons being detained in Balad for being suspected insurgents. He further advised that he believes these persons to be involved in the sniper activity in Hawija.

PTT conducted a mission to Al-Salam and Yethrib. The purpose of the mission was to provide information to IP command staff regarding the process by which equipment could be received through the TIFF and FOO programs and to assess the station security at both police stations.

(TA0042) Al Salam Station: PTT met with Lt. Colonel and discussed the needs of the IP at that location. A security assessment was conducted and it was noted that the station had taken adequate measures to ensure its security. It was noted that command staff are rarely present on Fridays due to the Muslim observance of the Sabbath.

(TA0103) Yethrib Station: PTT conducted a security assessment and noted that the station security did not conform to security guidelines. No one was on the roof to provide security. Furthermore, no covering had been placed on the roof to assist patrolmen assigned to security detail. Only 7 IP were present including one Lieutenant and one Captain. PTT spoke with the Captain regarding the lack of security. The Captain advised that the problem will be immediately corrected.

(TA0009) Ad Dujayl HQ: PTT met with General [redacted] (b)(6), (b)(7)c, Colonel [redacted] (b)(6), (b)(7)c and Captain [redacted] (b)(6), (b)(7)c and discussed the needs of the IP. Captain [redacted] (b)(6), (b)(7)c indicated that several IP patrolmen had requested gloves. PTT advised CPT [redacted] (b)(6), (b)(7)c that this equipment would be obtained through FOO.

PTT spoke with General [redacted] (b)(6), (b)(7)c and advised him of changes to the process by which equipment could be obtained. General [redacted] (b)(6), (b)(7)c advised PTT of the needs of the IP at Ad-Dujayl. He advised that vehicle and generator parts are still needed as well as ballistic vests.

At Tamim [redacted] (b)(3), (b)(6)

Camp Warrior: Nothing to report.

Mosul (MND-N) [redacted] (b)(3), (b)(6)

Ninewah [redacted] (b)(3), (b)(6)

(MN0044) IPA: While at the station, an IP turned in his pistol and ammunition and resigned. He stated that he has to work too many hours and he is afraid.

Three IP have been transferred to PHQ and another has been told that he will be transferred as soon as the paperwork has been completed.

The station received 100 pair of boots and 100 web belts.

Nineteen IP were trained on Crime Scene Preservation.

(MN0066) Sinjar DHQ: At present, operations are functioning, despite the lack of equipment and gasoline.

Compiled by [redacted] (b)(3), (b)(6), (b)(2) 6/16/2008

CPATT IPLO DAILY SITREP

Weapons and ammo are the main concern for Logistics.

The district has no known instructors within its ranks.

(MN0928) Abi Tamaam DHQ: PTT team went to Abi Tamaam District Police Headquarters. The station administration was advised of and agreed to future training dates. Areas of training scheduled to be covered are weapons safety, weapons retention, close quarters combat, and mounted engagements.

There were 16 inmates being detained, all suspected insurgents.

The station is requesting more ammo and c-wire.

(MN0070) Al Suweis LPS: PTT visited Al Suweis LPS today and talked with Maj. [redacted] (b)(6), (b)(7)c Maj. [redacted] reported that the Al Suweis IP had conducted several patrols and checkpoints today with no problems. PTT also observed the IP were now carrying the CLS bags that the PTT had given them, in the vehicles where the bags would be accessible in case of an emergency.

The PTT observed two individuals being held in the jail. According to MAJ [redacted] (b)(6), (b)(7)c one of the detainees was being held for fighting and the other one for theft. MAJ [redacted] (b)(6), (b)(7)c advised the PTT that case files had been started and that cases were being investigated by the Al Suweis station.

MAJ [redacted] (b)(6), (b)(7)c reported that the station requested 85 pair of boots and socks on more than one occasion, but had not received any to date. The PTT was shown a copy of the written request by MAJ [redacted] (b)(6), (b)(7)c The PTT advised the MAJ to follow up with AL Nasir District HQ about the request for the shoes and socks.

Only one interpreter with limited skills was available to the PTT again today. The PTT is concerned that the information is not being translated accurately.

(MN0130) Wanna LPS: The PTT met with 1st Lt. [redacted] (b)(6), (b)(7)c who is currently is running operations at the station, since the station commander Colonel [redacted] (b)(6), (b)(7)c was off today. The station currently has four IP and one Officer assigned to the Mosul area for patrols. 1st Lt. [redacted] (b)(6), (b)(7)c reports operations are running smoothly and they are experiencing no problems at this time.

PTT asked about the broke radios that had been reported on the last station visit. PTT was informed by 1st Lt. [redacted] (b)(6), (b)(7)c that they have not taken the radios to NPHQ for repair. 1st Lt. [redacted] (b)(6), (b)(7)c stated he has reported this issue to Colonel [redacted] (b)(6), (b)(7)c Tal Kaef's District Commander, and was told by Colonel [redacted] (b)(6), (b)(7)c that he would attempt to get the station new radios when available. Additionally, the station has only two vehicles and one of them does not work. The working vehicle is being used by the IP that have been temporarily assigned to the Mosul area for patrols. In addition, 1st Lt. [redacted] (b)(6), (b)(7)c reported that the 200 liters of fuel the station receives is not enough fuel for the month. He continued to state the fuel is being used for operations in the Mosul area and the station does not have enough fuel to conduct their own patrols when the vehicle returns.

No pay issues on this date.

(MN0136) Al Ahrar LPS: Colonel [redacted] (b)(6), (b)(7)c advised PTT that he had one AK-47 with a broken butt stock. He was given proper instructions on how to get the weapon fixed by 1 west.

Compiled by [redacted] (b)(3), (b)(6), (b)(2) **6/16/2008**

CPATT IPLO DAILY SITREP

Colonel [redacted] advised that he needs a vehicle battery for a Chevrolet Blazer. He also said he has requested a computer from 1 West again and has received no word on the progress of the request. Colonel [redacted] also advised all of the IP have a ballistics vest and all weapons are accounted for. [redacted] did say he is in need of PKC ammunition. The PTT inquired about the vehicle radios and the handheld radios for the station, Colonel [redacted] advised that all of the radios are working and serviceable.

PTT inquired about the pay received by each IP for the past pay cycle and were advised that all of the IP were paid and the pay amount was correct.

IP conducted patrols and checkpoints during the shifts.

(MN0214) Al Waqaas LPS: On the 21st of September, the IP responded to a nearby traffic circle where there was a report of an IED. They assisted the Iraqi EOD team while they reduced an IED.

One person is in jail. There appeared to be no human rights abuses.

IP Oday is no longer working with Internal Affairs. No reason was given to him for the change in assignment.

(MN0230) Sed Al Mosul Dam LPS: PTT moved to Mosul Dam and met with 2nd Lt. [redacted] 2nd Lt. [redacted] stated operations are running smoothly and no problems have occurred, since the PTT's last station visit. 2nd Lt. [redacted] informed PTT that he currently has four IP assisting in operations in the Mosul area and two IP are assigned to Courage. When asked if any IP have quit recently, 2nd Lt. [redacted] told the PTT that one IP quit two weeks for family problems. No other issues are pending at this time.

Currently, the station has one prisoner. This individual is being held for investigation purposes. 2nd Lt. [redacted] informed the PTT the individual had been questioning IP as to their work schedules and where they live. The station is going to hold this individual until it can be determined if he is affiliated with AIF. PTT examined the jail and found it to be clean. The prisoner was sleeping and the PTT observed food and water in the cell.

(MN0381) Al Zuhoor LPS: PTT went to the above location to conduct a station visit. PTT met with the commander and talked about preparations for Ramadan. The commander said there is a communication break down between his station and the district station. He said his area of responsibility has been extremely calm over the past few days and fears something may possibly happen soon.

The jail transferred one inmate today brings the total at the station down to 19 inmates.

Irbil

(No FFID) Irbil FOB: IPLO's met on 22 September 2006 to discuss financial affairs and other issues.

IPLO's are responsible for financial affairs of the FOB. These issues include the record keeping, accounts payable, and receivable. IPLO's conducted maintenance in and around the facility. IPLO's conducted maintenance on the vehicles. Training was conducted on PSD convoy procedure.

Sulaymaniyah

Nothing to report.

CPATT IPLO DAILY SITREP

Dahuk (b)(3), (b)(6)

(MD0002) Dahuk PHQ: PTT contacted Colonel [redacted] (b)(6), (b)(7)c regarding the current inventory of Dahuk's ammunition supply. This was in response to the possibility of obtaining more ammunition for provinces that are in need. The Colonel provided the requested information which was forwarded to the military.

Ramadi (MND-W) (b)(3), (b)(6)

Al Anbar **unassigned**

(RA0084) Baghdadi Local Police Station: PTT members conducted firearms training at the Baghdadi District Station. Three IP's were issued new ID badges, which correlate with the serial numbers of recently issued Glock pistols.

(RA0083) Haditha District Police HQ: PTT worked with military and IP Officers on a leave plan. Last night, there was a sniper attack at the police building and a Marine from the PTT was injured. Later in the evening, IPs went on a joint CF patrol and an IED suspect was detained. Statements were taken and translated into English.

(RA0086) Anah District HQ: PTT team is currently working with CF to identify City Council members. The team still has IP's from Anah that are currently working in Rawah. Station efforts are still continuing.

(RA0081)Hit Dist HQ: PTT conducted other missions not related to IP training. PTT prepared training materials for upcoming IP training. PTT conducted weapons and equipment maintenance and we worked on the PSMR's for all the listed stations.

(RA0101)Tripoli Local Police Station: The PTT met with General [redacted] (b)(6), (b)(7)c, the District Police Chief, Battalion Commander and the Station Chief. The General was given a tour of the Police facility and a meeting was held. The station is short of bunks or carts in the station for its rotating shifts. There is a base station on location; however, it does not reach all the other stations.

The PTT inspected the Holding cell and observed the Police make an arrest of a suspect on suspicion of assault. The Force protection of the police station is good. The post are alert and in uniform. The PTT checked the Armory and observed the Amory to be in good order.

(RA0072)Korean Village Rutbah: Akashat police chief and IPs came to KV on this date to meet with PTT. PTT facilitated the issue of weapons.

(RA0061) Shuhada Patrol Police Station: The station is still working on completing the force protection issues that were pointed out last week. Accountability is on going for some of the equipment. IP's are getting a count on IP uniforms. Absentees seem to be a steady problem. The PTT team also request all IP's be in complete inform during work hours.

(RA0060) Saqlawiha Patrol Police Station: Station is now conducting very basic daily patrols due to manpower shortages. Class conducted on firearms safety and Officer Presence. A continued manpower shortage exits. PTT continues to work with IP officers to address the problem.

CPATT IPLO DAILY SITREP

Babylon (MND-CS) (b)(3), (b)(6)

Al Qadisiyah **unassigned**

(BQ0022) Hay Rafat Patrol Police Station: Total personnel assigned to the station are 6 officers and 60 IPs. No AWOL/KIA/WIA. Station has 2 vehicles assigned to them, 1 is operational, 1 is inoperable due to a dirty fuel injector. A local mechanic has been hired to repair vehicle. Most IPs purchased their own equipment and/or received from their Provincial HQ over time. Station has 1 vehicle radio, no portable radios. They have the required number of weapons equal to their personnel. Ammunition is adequate. Only half of the personnel have IP ID cards. Fuel is insufficient to operate station. Station is approx. 3 years old and is in fairly good condition. Maximum number of detainees for size of cell is extreme (20). Station does not provide food or water while being detained. This is first visit by PTT.

(BQ0498) Al Hussein Local Police Station: Total personnel assigned to the station are 8 officers and 40 IPs. No AWOL/KIA/WIA. There is one vehicle assigned to the station, which is operational. There are 2 inmates housed in the detention facility. Generator is operational. No training officer has been assigned but the station commander and LTC actively training the IPs weekly for 2 hours per session.

On today's date, PTT Leadership met with Col [redacted] of the PHQ Operations Division and the commander of the 8th IA Division. The team met to discuss that the IP's and the IA need to start conducting joint patrols in Diwaniyah City. The team feels that this will greatly increase the safety of the citizens of Diwaniyah. The meeting was held at Camp Echo. (b)(6), (b)(7)c

Wasit Province (b)(3), (b)(6)

The PTT and PTT team met with the PTT Team Chief, Major [redacted] to discuss up coming operations. The PSMR for both the PTT and PTT teams were finished up today. There are plans to monitor the construction contracts that are being performed in the Province. There are also plans to return to IP main headquarters to monitor equipment that has been turned over to them. Also plans to meet with the intelligence officer and to monitor insurgence activities. (b)(6), (b)(7)c

Basrah (MND-S) (b)(3), (b)(6)

Al Muthanna

Nothing to Report.

Compiled by [redacted] (b)(3), (b)(6), (b)(2) **6/16/2008**
