The Team met IP Command Staff personnel to discuss and exchange security information. The Team met Colonel [redacted] (b)(6), (b)(7)(c) and discussed operations. Training was conducted for 5 IPs at the BIAP Station covering First Aid. Training was conducted for 4 IPs at the French Village Sub-Station was also First Aid. The Station FTO attended the Training for reference and assigned duties. Team members monitored IPs performance at the Terminal and provided mentoring when necessary. Special emphasis is placed on IPs practicing good officer survival and weapons retention techniques during the course of duty.

(BC0007) Al Adhamiya Patrol Police Station (East): (TRA Level 2) The team discussed with the Commander the poor condition of the generator and water pump.

(BC0010) Al Bayaa Local Police Station: (TRA Level 3) The Team returned from Surge Ops and reported that during this operation they conducted a physical fitness and basic firearms assessment tests with the IP's. The team also instructed a course on Community Policing. A dismounted joint patrol was conducted in a nearby neighborhood. IP's conducted knock and talks with residents, which resulted in weapons seizure, several magazines, body armor, and the arrest of two subjects. A total of nine deceased bodies were recovered by IPs while the team was engaged in surge operations.

(BC0017) Al Hurrya Local Police Station: (TRA Level 3) The team met with Colonel [redacted] (b)(6), (b)(7)(c) who stated yesterday his officers arrested 3 individuals for suspicion of being members of a militia group that is know to carry out kidnappings. One of the men arrested is the brother of a 'High Value Target' that Coalition Forces are currently looking for. Colonel [redacted] said he was concerned for the safety of his personnel.

(BC0019) Al Juaifer Local Police Station: (TRA Level 2) The Team met with Major [redacted] (b)(6), (b)(7)(c) and learned that MOI plans to open a new station in the area in an attempt to divide Juaifer's area of responsibility. Recent events in the area have renewed MOI's interest in getting this accomplished. It was believed that insurgents occupied the structure wanted for this and the IP's and IA were requested to clear it out. However, a closer inspection found that the building had been converted to a Mosque. Word of the plans has spread to the populist, which has resulted in demonstrations.

(BC0020) Al Kadhimiya District Police HQ: (TRA Level 2) While in-processing IP's into the HIIDE system, the team was advised that payroll was en-route and that they were invited to watch how the pay was dispersed throughout the district. The team spoke with the commander about their training officer and the training program. The team was pleased to hear of his training that was conducted at DHQ at least once a week with the other training officers.

(BC0021) Al Kadhimaya Local Police Station: (TRA Level 2) The IP were tasked with providing security for the detainees that were let out for recreation. The team continues to gather information and photographs for of each of the detainees.

(BC0038) Al Khansa Local Police Station: (TRA Level 2) The team spoke with several IPs who expressed concern about working with the IPs that were transferred from Kahdra LPS. Coalition Forces recently closed Kahdra. The team observed that the IPs from Kahdra did not bring any weapons or vehicles from their previous station.

(BC0042) Al Meshahadah Local Police Station: (TRA Level NA) The team met the Command Staff concerning the transportation of payroll and communications personnel by IPs prior to the teams arrival. The Command staff communicated that the IPs that were conducting the transport were stopped on two different occasions and felt that they may have been trying to take the payroll away from the IP. The Station Commander mounted a joint patrol to search the area.

(BC0051) Al Rasheed Local Police Station: (TRA Level 3) The team continues to process IP's into HIIDE system this process should be completed in the near future.

The first Combat First Aid class was held and attended by seven IP. IP's were given training on the importance of controlling bleeding with tourniquet and pressure bandage, assessment of injuries, splinting for fractures as well as force protection during incidents involving injuries.

(BC0058) Al Saliyah Local Police Station: (TRA Level 2) The Major advised the team that he and the IPs are again purchasing fuel for the vehicles and the generator with their own money. The Major advised the team that although the station receives power from the grid, it is very limited.

(BC0061) Al Seilkh (Railway) Local Police Station: (TRA Level UNK) The team learned that Lieutenant Colonel [redacted] is still struggling with Baqr Juber Solaq at the Ministry of Finance regarding the salary issue with his IP's. The finance minister continues refusing to pay the additional wages even after receiving a memorandum from MOI advising him to do so. The Ministry of Finance still claims the IP's do not deserve the additional wages because they do not serve in the same role as other IP's. Lieutenant Colonel [redacted] expressed an interest in sending IP's to the training located at the BIAP due to positive feedback he has received. PTT informed him that the training has been suspended until further notice.

(BC0063) Al Saliyah District Police HQ: (TRA Level 2) The team learned that construction on a building to replace the current facility may be in the planning stages. The team is still observing a sewage leak at the station. The team along with the Station Commander has requested the leak to be repaired but currently all request have gone unanswered.

(BC0089) Belat al Shuhadaa Local Police Station: (TRA Level 3) While the team was conducting there mission Lieutenant Colonel [redacted] arrived at the station with information concerning the recent attack on the team. The Lieutenant Colonel stated he came to the station to warn the team that a militia group was specifically targeting the team. He also informed the team that the recent attack on the team was setup and intended specifically for them. The Lieutenant Colonel also stated he transferred to MOI because he had received numerous threats from the local militia because of his cooperation with Coalition Forces. Lieutenant Colonel also reported a group of armed me came to the station the day the team was attacked and demanded that the IPs gather up all the weapons assigned to the station and turn them over to them. When the IPs refused the group stated they would return later to take the weapons.

(BC0094) Hy Al Amil Patrol Police Station (West): (TRA Level 3) While surveying the perimeter of station the team discovered lying on the ground, numerous un-exploded mortar

rounds, hand grenades and RPG's. The UXO was placed in a pile on the ground and EOD was notified. The IP Officers indicated the UXO had been there for about three months. EOD detonated the UXO on site and we conducted an impromptu training regarding the UXO issue.
