B5

CPATT IPA-OPERATIONS DAILY SITREP

05 September 2007

Baghdad (MND-B)

Baghdad

(b)(3), (b)(6)

(BC0003) Airport Police Local Police Station: (TRA Level NA) The team monitored the Guard Mount to observe the inspection and briefing process. The team met Colonel [redacted] and discussed operations. Training was conducted for 6 IPs at the BIAP Station covering First Aid. Training was conducted for 5 IPs at the French Village Sub-Station was also First Aid. All the IPs performed well during the practical exercises. Team members monitored IPs performance at the terminal and provided mentoring when necessary. Special emphasis is placed on IPs practicing good officer survival and weapons retention techniques during the course of duty.

(b)(3), (b)(6)

(BC0013) Al Dorah Traffic Police Station: (TRA Level 2) The Station Commander informed the team that four IPs assigned to the station were injured during a traffic stop. According to the Commander during the traffic stop several occupants exited the suspect vehicle and began beating one of the IPs. The suspects then began shooting into the ground, which caused debris to strike all four of the IPs. The IPs wounds were not life threatening and the team will conduct additional follow up during future station visits.

(BC0017) Al Hurrya Local Police Station: (TRA Level 3) The team observed the Station Training Officer conduct a class concerning situational awareness while conducting vehicle inspections at a checkpoint. The team conducted a health and welfare inspection of the D cell and provided medical attention to the detainees that required it.

(BC0020) Al Kadhimiya District Police HQ: (TRA Level 2) The team continued to in-process IP's into the HIIDE system. Team met with the Station Commander who briefly spoke to them about the VBIED that detonated in the area on September 2nd. The Commander informed them that four civilians were killed and several more were injured during this explosion.

(BC0028) Al Karkh Police Directorate HQ: (TRA Level 2) The team visited Hurriyah LPS. While at the station the team spoke with the Station Commander concerning the operation of the station.

(BC0042) Al Meshahadah Local Police Station: (TRA Level NA) The team presented the Station Commander with the course outline relating to Human Rights. The Commander was very interested in the subject matter and asked for a copy so he could give a presentation to the IPs at the Station.

(BC0047) Al Quds Local Police Station: (TRA Level 2) The team met with the Station Commander who advised he is having difficulty getting his vehicles returned from the Jihad service facility. The team will monitor the situation and provide further assistance if necessary.

(BC0074) Al Yarmouk Traffic Police Station: (TRA Level 2) The team visited the Station during the hours of darkness to observe the IPs assigned to force protection. The team observed the station's utilities had been shut off; the team advised the Command Staff the team would provide funding to have the station connected to the emergency power grid.

Compiled by [redacted]
Email: [redacted]
(b)(3),(b)(6)

(BC0088) Baghdad Provincial Traffic Police HQ: (TRA Level 3) The Traffic HQ is conducting a one month Motorcycle training course. There are 25 Officers that are in training at this time. HQ has deployed 24 IP's from the last class back to there provinces, and there are 77 still awaiting orders.

The team met 1st Lieutenant [redacted] who stated that MOI is still not sending new badges for IP's. The Team is in the process of trying to make contact with personnel in the MOI-TT section to see if there is any way to speed up this process.

(b)(6), (b)(7)c

The station has an ongoing mechanical problem with its generator. A request for additional funds be allocated was submitted. The team will track the progress of the request.

(BC0094) Hy Al Amil Patrol Police Station (West): (TRA Level 3) The purpose of today's visit was to be present while a contractor delivered a generator that was ordered for the station. Once the generator arrived it was determined that he was over charging for it and refused negotiate with the price. The contractor eventually took the generator and left the station.

(BC0101) Mahmoudya District Police HQ: (TRA Level 3) The team conducted an introductory training course on class instruction and student learning. The team also conducted an introductory course regarding the Glock pistol.

(BC0102) Mahmoudya Local Police Station: (TRA Level 3) The team conducted a introductory course regarding the AK-47 rifle.

(BC0103) Major Crimes Unit HQ: (TRA Level 2) The team observed several of the new computers that were delivered on 08-21-2007 being installed and utilized by personnel.

The team met with the Criminal Records Office who is in charge of fingerprinting all prisoners that come into the jail. They said they are fingerprinting all prisoners, but have not sent any prints to AFIS because the person who was doing this was threatened by Terrorists. They said they will resume sending the prints to AFIS when another IP returns from training. The team observed they do have the necessary equipment to fingerprint the prisoners, including the "Jump Kit" that is used to electronically submit to the Iraqi Police AFIS.

The team met with Colonel of Training, and confirmed that he is sending 20 IPs to Patrol HQ for weapons training. The team located 6,000 rounds of AK 47 ammunition for the class but has not been able to acquire any 9mm ammunition. The team picked up copies of requests for ammunition, plus a follow up request, that CID HQ logistics has sent to the MOI and still has not received any reply on.

(BC0122) Sheikh Saad Local Police Station: (TRA Level 3) The Station Commander requested the team's assistance with presenting an explanation to the local Sheiks and City Council members concerning why he can't supply IPs as body guards to the civic leaders. The team agreed to send a delegate to speak to the civic leaders and explain that due to a shortage in personnel the IPs can only conduct extra patrol in the area of the government buildings and the civic leader's residences.

Babylon (MND-CS/S)

Al Qadisiyah

(b)(3),(b)(6)

FOB Echo: The V.I.S.T.A program resumed today Tuesday 9/4/07 with 18 IPs for the SWAT course. The Ukrainians assisted the IPAs with the training. IPA Galarza instructed the Ukrainians in the proper use of the Biometrics system. They will assist in Biometrics once they receive their equipment. The IPAs will arrange a meeting with all the Contingent Commanders here Echo to discuss their role in FOB training. Biometrics for this group is complete.

Babil (b)(3),(b)(6)

FOB Kalsu: PTT conducted orientation on FOB Kalsu for 199 Iraqi Police Officers that will make up the North Babil ERU. IP's had a course review to prepare for tomorrows exam and conducted weapons and camp maintenance

FOB REO: A meeting was held with PTT, Lieutenant Colonel [redacted] (b)(7)c and Lieutenant General [redacted] (b)(7)c Issues discussed included the need to have all IPs assigned to ERU present at Camp Charlie for training and not used for other duties. Lieutenant General [redacted] (b)(7)c was responsive to this and the problem will be resolved. The issue of having Camp Charlie hooked into the local power grid was also discussed. According to Lieutenant General [redacted] (b)(7)c the engineer has received the funding for this and the contractors should be completing the work in the near future.

(NP9904) Babil ERU Compound (Camp Charlie): (TRA Level 3) PTT Team conducted Emergency Response Unit training on Combat Life Support, AK 47 nomenclature and maintenance and room entry. The military also continued with the BATTS, (fingerprinting, photos, eye scans) process on the IPs. The PTT conducted a check of the arms room to determine the status of the weapons issued to the ERU. A spot check of the weapons, still in crates, showed the weapons to be in new condition.

Wasit (b)(3),(b)(6)

FOB DELTA: Crucible Session #11 continues with the training of 25 IPs from Wasit Province. Instruction this date included marksmanship, Weapon Maintenance and Arrest procedures.

(BW0624) Al Killodi Local Police Station: (TRA Level 3) PTT members met with Commander Lieutenant Colonel [redacted] (b)(7)c and provided him with 100 liters of fuel. PTT started Bio-Metrics (scan eyes/index fingerprints, picture, personal data) for station IPs and Officers. Bio-Metric information is to be sent to the central data base in Baghdad.

Dhi Qar / Al Muthanna (PIC) (b)(3),(b)(6)

PIC members met with military counterparts and MTT members who passed on intelligence information to team members and discussed daily operations to the team.

Tikrit (MND-CW) (b)(3),(b)(6)

Diyala

(TD0002) Al Abarra Local Police Station: (TRA Level 3) PTT-D made an afternoon visit and inspection of the Al Abarra checkpoints. Check point 4 was the only station out of six inspected that were properly manned and equipped. PTT-D later met CPT [redacted] (b)(6), (b)(7)c and

discussed long term training plans and coordinating command and staff meetings for station administration.

(TD0024) Diyala Provincial Police HQ: (TRA Level 3) PTT-P went to IPS HQ and observed the two training classes they had in progress. The first course was the 2 week basic course. There were 25 students in the class and they were getting training on weapon handling and movement. PTT-P then went to the TIPS Academy and observed 22 students in the TIPS course. PTT-P spoke briefly with the instructor, CPT [redacted] CPT [redacted] advised the class was being well received and going as scheduled. After observing the two courses PTT-P spoke with COL [redacted] the head of the Training Department. COL [redacted] advised that the TIPS course in Khalis graduated 32 IP on the 1 Sep 07.

(TD0025) Khalis Local Police Station: (TRA Level 2) PTT-D conducted a night mission to Khalis LPS and spoke with the MOI badging team; they have completed 80 badges in the past 48 hours. They informed PTT-D that their goal was to complete 125. PTT-D was informed that power was an issue at the station and that it caused their scanner to break down.

(TD0046) Zaganiya Local Police Station: (TRA Non Active Station) PTT-D traveled to Zaganiya IP station and spoke with CPT Naser. PTT-D gathered Bio information on the CPT and Officers in charge.

(TD0104) Diyala Provincial QRF (Neshda): (TRA Level 3) PTT-D traveled to QRF IP station. PTT-D met station Chief, COL [redacted] we discussed the supply of ammo to some of the outer checkpoint zones controlled by this station and the fuel situation.

(TD0109) Al Hawaidir Local Police Station: (TRA Level 2) PTT-D conducted a night mission to Al Hawaidir and spoke with LT [redacted] PTT-D looked over the training schedule which is current and up to date. LT [redacted] advised that he sent 5 IP per month to IPS HQ for training and also trained the IP at the station for two hours a day at shift change. PTT-D also spoke to MAJ [redacted] who advised that there is still no phone service in the station. MAJ [redacted] advised that he had sent a request to IPS HQ but received no response.

(TD0111) Tahrir Local Police Station: (TRA Non Active Station) PTT-D traveled to Tahrir IP station to conduct training. PTT-D conducted first aid and force protection training for 5 IP. PTT-D also issued the station sandbags, sleeping cots and camouflage netting.

(TD0607) New Baqubah Local Police Station: (TRA Level 4) PTT-D conducted a night mission to New Baqubah LPS. PTT-D spoke with CPT [redacted] he advised PTT-D that he had a problem with obtaining fuel. The CPT advised he only receives forty liters at a time. PTT-D then traveled to the checkpoint and found all IP present and in uniform.

(TD0018) Balad Ruz District Police HQ: (TRA Level 2) PTT-D visited the Balad Ruz DHQ and spoke with COL [redacted] who advised that he was ordered by GEN [redacted] to return the academy to KMTB. The team also met with CID to identify prisoners being held in the jail. The team then conducted a dismounted patrol with 8 IP through the Dur Mandali area.

Scorpion Academy: PTT trained 37 IP at the Scorpion Academy today on combat life saver and emergency evacuation of the injured.

Salah Al Din [redacted]

(TA0005) Ad Dwar DHQ: (TRA Level 3) PTT reviewed the roster and personnel files of each IP. Included in these files should be a BIO and all training that the IP has had. If the IP was a member of the IA, that training will also be included.

COL [redacted] said that he has signed documents from GEN [redacted] to get supplies from the warehouse, but when he goes to the warehouse to get the items he is refused these items.

PTT also met with LTC [redacted], the District's Training Officer and discussed future plans of the PTT and the training that will be conducted. He said that he will have each of the stations Training Officers forward him a list of all training that has been conducted for our review.

(TA0079) Check PT HQ: (TRA Level 3): PTT met with LTC [redacted] in reference to ongoing training and [redacted] advised the team 40 officers are currently being trained at the TIPS academy and they will graduate in September. He also informed the team he had fired 8 officers since our last meeting. All training records are current.

(TA0099) Tikrit District HQ: (TRA Level 2) PTT-D traveled to the Tikrit District HQ and met with GEN [redacted]. PTT advised him that we had received reports of IP not wearing the plates for their IBA as well as other safety equipment while on checkpoints and other duties. The GEN said that it was unacceptable for the IP to not be wearing this equipment because it was hot. He said that he would contact the Station Chiefs and tell them that this practice must stop.

(TA 0140) ERU 2: (TRA Level 2) PTT met with the OIC, MAJ [redacted] PTT observed that MAJ [redacted] information and attitude toward the PTT were not consistent to the normal reception and cooperativeness that is received. PTT call the station commander and advised him of his OIC's demeanor.

(TA0500) Salah Al Din Training Academy: (TRA Level 2) PTT was advised of classes and attendance of IP in the classes. PTT was also advised about logistic problems.

S.W.A.T: IP students continued CQB training and tape room clearing drills. A stronger emphasis has been placed on sectors of fire and movement as one cohesive unit.

PTT – MCC: PTT met with the MCC guard force. Out of the 15 IP we had 7 new IP for the force protection team that will be brought up to speed and will act as a fill in for team members that are absent for work.

PTT worked in the court house going over movement of detainees in and out of the cell and to and from the court room.

(TA0605) Tuz DHQ: (TRA Level 2) IP instructors gave block of instruction on TCP's and vehicle searches plus person searches to 20 IP students. Instructors explained each subject in the class room and then conducted hands on practical.

(TA0084) Samarra District HQ: (TRA Level 3) PTT went to the Samarra HQ and talked to COL [redacted] the COL stated that the NP and IP were doing more joint missions in the city but fuel was running low. PTT advised he would have to contact GEN [redacted] to see if they could get some more fuel.

(TA0042) Al Salam LPS: (TRA Level 4) PTT visited the Al Salam Station on a night mission and spoke to COL [redacted] the Commanding Officer. PTT observed night procedures at the Station and the Checkpoint.

(TA0056) Balad DHQ: (TRA Level 4) PTT went to Balad District HQ and finished up getting IP personnel information recorded. An inspection was made of the jail.

(TA 0071) Hatamiya: (TRA Level 4): PTT arrived and talked with COL [redacted] PTT took pictures for the HIDE database, started gathering personal information and work information from all IP on station. PTT took inventory of all supplies in the arms room.

(TA 0103) Yethrib: (TRA Level 4): PTT arrived and met with CPT [redacted] PTT performed a walking patrol with the IP throughout the city. PTT observed the IP performing force protection for the station at night. PTT was able to update the HIDE system with the IP on shift.

Mosul (MND-N)

Ninewah

(NO FFID) 4th Emergency Response Battalion: (TRA Unknown) PTT traveled to the 4th Emergency Response Battalion to conduct a Station Visit. Upon arrival PTT made contact with COL [redacted] PTT spoke with COL [redacted] regarding insurgent activity in his area.

PTT also discussed issues of electricity and fuel for the generator with COL [redacted]

PTT requested COL [redacted] prepare a Duty Roster of all IP and Officers assigned to his station and the responsibilities of the Officers to be available during the next Station Visit.

(NO FFID) 5th Emergency Response Battalion: (TRA Unknown) PTT traveled to the 5th Emergency Response Battalion and conducted graduation for approximately 88 IP from the 5th ERB that completed the tactical training course over the past month. Coordination regarding when the next class will begin was discussed.

(MN0008) Al Gizlani LPS: (TRA Level 3) PTT met with CPT [redacted] who discussed recent loss of an IP to an IED attack. PTT also advised of the proper procedure for getting more IP to recover the number of staff and the ordering of more vehicles and weapons..

(MN0036) Al Dawasa LPS: (TRA Level 2) PTT traveled to the Al Dawasa LPS to receive information for the IPFSR and meet LTC [redacted]. LTT [redacted] advised of vehicle and radio problems. LTC [redacted] stated that they have sent up numerous requests to get the radios repaired. PTT then inspected the detention facility and reviewed staffing levels.

LTC [redacted] also gave the PTT a copy of a lost BKC report. He advised that he has sent the report up to get the BKC replaced. The PTT informed him that the report would be followed up on. The PTT informed LTC [redacted] to get copies of the repair request and the PTT would follow it up the chain of command.

(MN0045) Al Kazraq LPS: (TRA 2) the PTT traveled to the Kazraq LPS. Upon arrival the PTT spoke with the station commander, LTC [redacted] who advised of two incidents that resulted in one IP being killed and one being injured. PTT discussed with LTC [redacted] force protection for the station and informed LTC [redacted] that Hesco barriers and dirt will be brought

for the front of the building. LTC [redacted] advised of his current supply needs and discussed his staffing levels.

LTC [redacted] informed the PTT that LT [redacted] is their training officer and LT [redacted] has regular classes. LTC [redacted] showed the class files to the PTT. The PTT advised LTC [redacted] to have a class on officer safety and the importance for his men to wear their protective gear.

(MN0076) Tal Afar DHQ: (TRA Level 2) PTT traveled to Abu Maria LPS with BG [redacted] to meet with station commander LTC [redacted], four local sheiks and the imam for the Abu Maria area. The purpose of the meeting was to discuss security in the area and the role that the local community leaders play in providing a safe area.

PTT also attended the graduation of the basic police skills course taught by IP trainers at the Najda LPS.

(MN0131) Al Bughah LPS: (TRA Level 3) PTT conducted a night mission to Bughah LPS and met with MAJ [redacted] about station readiness for upcoming Ramadan season, follow up on logistic requests and obtain intelligence on reported terrorists working in the region and to carry out a night mounted patrol with IP.

PTT departed the LPS and conducted a joint mounted patrol with IP before returning to FOB Sykes.

(MN0201) Ninewah SWAT: (TRA Unknown) PTT met IP SWAT on FOB Marez. SF conducted a mission brief on the target package. IP SWAT and PTT convoyed to the target location, dismounted, and approached two separate targets. PTT mentored SWAT on entry stack, order of movement, and observed during the operation. IP SWAT then conducted simultaneous entries into both targets. IP SWAT then secured both locations and all occupants.

(MN0224) Tal Uwaynat LPS: (TRA Level 3) PTT traveled to Tal Uwaynat to conduct a joint mounted patrol with the IP. PTT informed the IP about the train the trainer class scheduled and that they need to get the names of the attendees to COL [redacted] PTT briefly toured the new train station. IP told PTT that the station is very good and the power is expected in two weeks. PTT observed the IP during a mounted patrol. IP made one traffic stop, with a vehicle search, and two pedestrian stops to enforce the curfew.

At Tamim [redacted]

(TT0005) Kirkuk Provincial HQ: (TRA Level UNK) PTT met with MG [redacted] and COL [redacted] at the Police Academy to discuss current issues. MG [redacted] listened to the Academy problems about water, electricity, ammunition, TIPPS training and the STO program. COL [redacted] explained the problem about how the generator was inadequate to handle the academy and that they were not connected to the city grid. MG [redacted] informed COL [redacted] that he thought that he had already approved the purchase of a generator for the Academy. The training difficulties for ESU were discussed. Coordination for this training was made between COL [redacted] and COL [redacted] during the meeting. PTT also sat in during the regular Tuesday staff meeting.

(TT0024) Qarah Anir Patrol Police Station: (TRA Level 1) PTT traveled to the Qarah Anir area for a presence patrol, stopping several times to meet and greet villagers. Locals were advised of our continuing presence and encouraged to speak with their local IP if they had problems or concerns.

(TT0026) Rahemawa Patrol Police Station: (TRA Level 3) PTT met with SGT [redacted] and discussed logistical issues. PTT then met with COL [redacted] and went over current events in his area and plans to improve investigations. PTT then went to investigations and monitored investigators as they received complaints.

(TT0032) Taza Karhmatu Patrol Police Station: (TRA Level 2) PTT inspected the remodeled community room and the new training/operations room. The team also toured and made recommendations for a proposed logistics storage room.

(TT0034) Kirkuk Training Center: (TRA Level 1) PTT met with COL [redacted] about the improvements made to the academy ECP and parking lot area. PTT gave COL [redacted] a dorm size refrigerator for the triage room for the medication that needs to be kept cool. Per COL [redacted] an officer course is beginning soon and will contain criminal investigations, EOD, evidence handling, computer skills and general police information. COL [redacted] said he will supply course information and trainers to the ESU division to complete the basic IP course.

(TT0099) Kirkuk Major Crimes Unit: (TRA Level 2) PTT met with COL [redacted] and discussed the layout of the new MCU building and the progress of construction on the facility. PTT helped in assigning rooms of suspect interview and commander's rooms. PTT reviewed case files and discussed current investigations.

(TT0910) Aydallah Patrol Police Station: (TRA Level 1) PTT observed the role call for the station. The IP were present and in uniform. PTT also spoke with the Chief about the completed construction. PTT also visited the detention facility and found it overcrowded. PTT talked with the Chief about this and he advised that he was going to transport them to HQ today.

Irbil [redacted]

(MI0275) Irbil Provincial JCC: (TRA Level 3) PTT met with the PJCC and a representative of Ideal Innovations to discuss the implementation of the crime statistics module of the new database system. The prototype module for recording crime statistics should be made available within the next few days.

(NO FFID) Irbil Training Center: (TRA Level N/A) PTT reviewed the lesson plans for stations that were in digital format in Kurdish and determined that they have all been meshed into several languages due to the lack of Kurdish font on the computer in use. PTT installed Kurdish fonts into the desktop computer.

(MI0100) Soran Crime Evidence Unit: (TRA Level 3) PTT traveled to Soran and met with LT S.N. Rassul of the Soran Crime Evidence Unit. LT [redacted] discussed his training and background with PTT. LT [redacted] also discussed his current logistic needs to supply the Crime Evidence Unit. LT [redacted] also advised of the current process to identify released detainees and improvements to the system he would like to make.

(MI0057) Qoshtapa Patrol Police Station: (TRA Level 3) PTT met with LT [redacted] and LT [redacted] at Qoshtapa Patrol Police Station. PTT reviewed current cases the investigators were investigating. PTT also discussed the logistic needs of the station and mentored the procedure for submitting request up the chain of command. PTT also reviewed the daily operations of the station.

Sulaymaniyah [redacted]

(NO FFID) Sulaymaniyah Assaish HQ: (No TRA Level) Today's instruction was on the different techniques of Interviewing, Interrogation, and identifying the differences of both. An hour-long block on Human Rights issues was discussed with emphasis on employing the above-taught skills over any degree of torture or threatening measures.

(NO FFID) Sulaymaniyah PJCC: (No TRA Level) PTT met with BG [redacted] and discussed PJCC operation. BG [redacted] stated that the PJCC had received information regarding a significant build up of troops and equipment along the Iraq/Iran border. He gave PTT a written report regarding this build up which will be forwarded after translation.

(b)(6), (b)(7)c

(TS0005) Sulaymaniyah Emergency Police: (TR level 2) The PTT conducted SWAT training at the Police Academy. Today's class lesson was on IED's, coded communication, containment clock and deadly force. PTT also did an overview of the important topic of the class course. They were informed to concentrate on the mindset of Criminal, Terrorist, and Emotionally Disturbed person when to assault a building. PTT used numerous situations to help illustrate the importance on today's topic

(TS0018) Barzinya LPS: (TR level 3) The PTT traveled to Barzinja LPS and conducted day three of a one week community policing training program. In today's session, the eighteen IP and the PTT met at the training center and decided on how to divide the city into two of the most densely populated areas to conduct the foot patrols scheduled for days four and five. Once the areas were established and identified, the PTT and the IP began their first day of foot patrolling. During the patrol, the PTT observed how the IP spoke and interacted with local members of the community. The PTT also assisted by answering any questions brought up by both the IP and the general public that could not be answered by the IP. The IP were unable to answer some of the questions asked simply due to their lack of experience with the Community Policing program.

(TS0020) Bazyan LPS: (TR level 3) PTT from camp Tow traveled to Bazyan local police station. The instructors met with the students to inform them on the classes that will be taught and what is expected of them for this course.

Dahuk **Unassigned**

(NO FFID) PJCC: Today, PTT accompanied COL [redacted] to the Akre District Civil Defense office. While there, PTT and the COL talked with the commander of the station about problems that he was having in regards to supplies and personnel.

(b)(6), (b)(7)c

PTT and the COL left the district office and visited one of the local fire stations to talk with the firemen. PTT and the COL went to a fire scene to assess the work and knowledge of the firemen.

PTT and the COL then went to the Civil Defense office in Badarash. PTT talked with the new station commander concerning how the station was functioning.

(MD0002) Dahuk PHQ: (TRA level 2) Today, PTT met with the members of the Provincial training team. PTT and the Kurdish instructors covered teaching techniques necessary to insure student information learning and information retention in a classroom environment. Afterwards, PTT and the Kurdish instructors practiced the escape techniques and takedown techniques taught during the defensive tactics course.

(MD0002) Dahuk PHQ: (TRA level 2) PTT began the second "Train the Trainer" course at Dahuk PHQ to train new instructors in Community Policing.

The curriculum for today began with the definition of Community Policing, discussed the principles of Community Policing and followed by the benefits of the program to both the police and the people of the community.

Ramadi (MND-W)

Al Anbar

(b)(3),(b)(6)

(RA0002) IP Headquarters PHQ: (TRA level 3) The Investigative and Training Sections completed organization tables for their sections. These were reviewed by Provincial Police Transition Team members. P-PTT members took a trip to a local bank and worked with the staff there, as well as their Iraqi Police counterparts, to insure that everything is in place for payroll and budget disbursement. PTT implemented this as SOP for payroll. The Provincial Chief of Police briefed P-PTT members on his meeting with President Bush, PM Maliki, and their staffs. He said that they backed his requests to free up budgetary funds and properly equip the IP in Al Anbar Province. Senior P-PTT staff met at length with the PCOP in an attempt to reconcile the allotted number of IP at various stations and districts with the actual numbers.. Further assignments were made relating to follow up needed in several on going investigations involving IP. Initial talks with the PCOP and Deputy PCOP began concerning the reorganization of the provincial Headquarters.

(RA0022) IHP-7: (TRA level 2) The Police Transition Team delivered 150 pair of donated boots to the Iraqi Police. The boots were much needed and much appreciated.

There was discussion with the Station Chief to establish a sister city relationship with a city in the United States. This idea will be explored for feasibility.

(RA0025) Al-Huryia: (TRA level 3) The Police Transition Team met with the Station Chief to discuss issues within the area. PTT conducted a class for Iraqi Police on detainee procedures.

(RA0048) West Ramadi Station: (TRA level 3) A The Police Transition Team trained Iraqi Police officers on intelligence gathering and intelligence sharing. Only a small number of IP were available for training due to the extra security established for meetings.

(RA0052) IHP-6: (TRA level 2) The Police Transition Team provided training for 14 Iraqi Police on the proper methods and techniques of searching people who are not in custody. A meeting took place in reference to manpower, equipment, and support for current and upcoming stations.

Patrols found the unidentified bodies of 12 males who had been beheaded in the last 24 hours. They were later transported to Ramadi City Hospital for further investigation.

(RA0070) Civil Camp Police Station (Habbaniyah): (TRA level 3) The Police Transition Team met with the Station Chief and discussed the training topic of civil disturbance. The PTT outlined the block of instruction and coordinated for its implementation.

(RA0071) Coolie Camp Police Station (Habbaniyah): (TRA level 3) The Police Transition Team met with the Station Chief to discuss concerns within his area; no issues were noted. The PTT provided training in civil disturbance and riot control. This included mob/crowd dynamics and identification of crowd leadership. Instruction was given in a classroom environment with 10 Iraqi Police present. The IP showed considerable enthusiasm during instruction and all participated by asking relevant question and note taking. Today was the first day in a 6 week training plan regarding civil disturbance.

(RA0072) Rutbah District Police HQ: (TRA level 3) The Police Transition Team instructed 50 new Iraqi Police in the administration of basic first aid. There was classroom instruction and practical application exercises.

(RA0081) Hit Dist HQ: (TRA level 4) The Police Transition Team met with the District Chief to discuss equipment requested for the Investigations Section. PTT stated that this equipment has to be requested through the Provincial Headquarters. PTT departed District Headquarters and traveled to Kubasa Station to introduce the new PTT members.

(RA0083) Hadithah District HQ: (TRA level 3) The Police Transition Team met with the Station Chief to discuss having Iraqi Police available for daily training. The PTT provided training to 8 IP on crime scene response and management.

(RA0086) Anah District Police HQ: (TRA level 3) The Police Transition Team attended 2nd Platoon roll call in the lobby of the Courthouse. The Shift Leader conducted the roll call without any PTT intervention.

PTT members traveled to Rianna Sub-Station for a site visit and delivery of supplies. The PTT conducted an inventory of station supplies and an inspection of Iraqi Police vehicles.

(RA0091) Al Ubaydi LPS: (TRA Level 2) Delayed reporting due to limited communications.

04 September 2007 The Police Transition Team traveled to Old Ubaydi, a sub-station of Al Ubaydi to meet with the Station Chief and his security team. The PTT then traveled to BP Tinian, and met with elements from the Military Transition Team, Iraqi Army Officers, and IP Officers from the Ramana area.

(RA0093) Rumana Local Police Station: (TRA level 2) Delayed reporting due to limited communications.

04 September 2007 An area staffing meeting was held at Rumana. The meeting was attended by various Police Transition Teams, the District Chief, and Rumana Iraqi Police Leadership. The District Chief, with the assistance of Rumana Officers, assigned manpower and shifts for additional checkpoints, a sub-station and 2 battle positions for which Rumana will be responsible.

(RA0097) Kubaisa Local Police Station: (TRA level 3) The Police Transition Team met with the Station Chief to discuss issues within the area. The group discussed a current investigation into the possible poisoning of 3 individuals from Kubaysah. All three became ill after drinking a particular soda product, evidently coming from Jordan. PTT members advised the Chief on the investigation, evidence, and evidence collection procedures for the investigation. Upon the successful collection of the suspected product, it is to be sent to the hospital in Hit for analysis.

(RA0103) Sadah Local Police Station: (TRA level 3) Delayed reporting due to limited communications.

04 September 2007 The Police Transition Team met with the Iraqi Police Command Staff to discuss logistics concerns. The PTT has developed a plan to better track and hold Iraqi Police accountable for items issued. The plan is scheduled for implementation.

(RA0104) Al Furat (Zawaya) Local Police Station: (TRA level 3) The newly constructed station was turned over to the Iraqi Police by the construction company. A short ceremony was held with IP, Police Transition Team, Coalition Forces area commander, and the local sheik. Emphasis over the next few weeks will focus on getting furniture and equipment for the new station.

(RA0110) Rawah District Police HQ: (TRA level 3) The Police Transition Team observed the Iraqi Police Training Officer instruct 6 IP on terrorist tactics, interviewing suspects, and crime scene management.

(RA0115) SW Husaybah Local Police Station: (TRA level 3) The Police Transition Team visited Husaybah Station in response to allegations of an Iraqi citizen being arrested and thrown out of his home so that an Iraqi Police could live there. Further investigation revealed these accusations to be false.

(RA0133) Habbaniyah District HQ: (TRA level 4) The Police Transition Team met with the District Chief and Section Leaders to discuss supply, Judiciary Section, and overall running of the station. PTT processed 150 Emergency Response Battalion recruits with BATS. PTT began a 60 day plan which started with creating an organizational flow chart.

(RA0134) Khaladiyah Police Station (Habbaniyah): (TRA level 2) The Police Transition Team met with Investigators to discuss forms and computer tracking of case files. The 80 hour Iraqi Police Development Course at Camp Habbaniyah continued with 25 Iraqi Police from the Khalidiayh Station. The training covered IED awareness, detainee tracking, police ethics, and crimes scene investigation.

The PTT visited Husayba Watch Sub-Station, a Sub-Station of Khaladiyah Station. The Iraqi Police assigned to this station are academy certified.

(RA0252) Fallujah JCC: (TRA level 4) The Police Transition Team received approval to proceed with implementing the Fallujah District Police Department Organizational Plan. PTT continues working on establishing policies and procedures for each section of the departmental structure.

(RA0807) Fallujah Local Police: (TRA level 3) This station is co-located with the Fallujah District Headquarters. The International Police Advisor is conducting in-service training for the Fallujah District Iraqi Police.

(RA0905) Warrar: (TRA level 3) The Police Transition Team provided training for assigned investigators on line-up procedures. A witness arrived at the station with information on possible insurgents. A line-up was conducted by the detective unit. The PTT mentored and provided corrective guidance for investigators as they carried out the operation.

(RA0917) Al Wallah: (TRA level 3) Delayed reporting from an extended visit.

03 September 2007 Training officers from Salaam, Samoud and Wallah were all at the Wallah IP station. The Police Transition Team provided blocks of instruction on writing lesson plans and preparation for their training classes.

(RA0920) Tway: (TRA level 3) The Police Transition Team conducted an inspection of the detention facility and checked the welfare of detainees. Each detainee was individually screened for medical issues or mistreatment.

(RA0925) Al Salaam: (TRA level 3) The Police Transition Team observed Training Officers from Samoud, Wallah, and Salaam Stations. The Training Officers gave blocks of instruction to Iraqi Police on building searches.

Ramadi Training Center: The Police Transition Team went to the Ramadi Training Center. Day 5 of the Officers Basic Course was conducted. Classes in police station defense and officer survival were presented.

Iraqi Police Professional Leadership Development Course (IPPLDC): The IPPLDC cadre worked on administrative paperwork from the previous class. The cadre worked on rosters, reviewed critiques, and worked on the student evaluations.

PSF-4 (Camp Fallujah): Training started for a class of recruits at the newly opened Iraqi Training Center. Training is being performed in a variety of policing techniques including vehicle checks and building entry techniques.
