Tikrit (MND-CW)

Diyala

(TD0024) Diyala Provincial Police HQ: (TRA Level 3) PTT-P met with GEN [redacted] Chief of Administration, and received the weekly IP personnel reports. GEN [redacted] was asked to require the IP in Khalis working with the MOI badging team to report daily the progress of their work as it has been reported recently that they are not making adequate progress in the processing of the files. GEN [redacted] advised that he would order this and that GEN [redacted] had this order in effect when the MOI badging team was in Baqubah.

PTT-P met with LTC [redacted], Chief of Logistics, and learned that his team picked up the 1,000 SA-58 rifles from Baghdad yesterday. Most of these rifles were already given to the districts approved by the PDOP in the distribution plan. PTT-P obtained a copy of the plan which showed that the only districts still needing to pick up their rifles were Khalis ERF, Khan Bani Saad ERF and the Mansuriah District. It was suggested to LTC [redacted] that the SA-58 magazines have a large red stripe painted on the lower end so they can easily be distinguished from the AK-47 magazines. LTC [redacted] advised that he sent a team to Baghdad this morning to pick up equipment from MOI including shirts, pants, boots and helmets. No IBA have been picked up and there is still no answer as to when IBA will be available for Diyala. In addition, Mansuriah District has finally shown up in a proper vehicle

and picked up their issue of ammunition. PTT-P also met with COL [redacted], Chief of the Vehicle Department, and learned that he sent a team of IP to Baghdad this morning to pick up the Ford F-350 spare parts held there for the Diyala province.

Mosul (MND-N) [redacted]

Ninewah [redacted]

(NO FFID) 5th Emergency Response Battalion: (TRA Unknown) PTT conducted firearms training for new instructors. Training consisted of live fire exercises with the Glock pistol and range safety. Instructors were taught how to run drills with students on weapons presentation (draw and fire), with emphasis on basic marksmanship principles and coach/shooter techniques. The class included instruction on multiple targets and double taps.

(MN0048) Makmoor DHQ: (TRA Level 3) The PTT met with the station commander who advised the station is in very poor condition. He advised the station still has neither electricity nor running water. He also advised the team that IP are unable to conduct vehicles patrols due to the fuel shortages. The station commander advised he has been purchasing fuel in order to conducted limited patrols in the local area. He advised he has no logistical support from NPHQ and he has submitted several requests for supplies and have received no responses. He advised the team he will provide us with the requests on the next visit. The PTT also asked about the six vehicles being transported to Mosul and he advised the team that Mosul had responded and advised in was too dangerous to pick up the damaged vehicles. The team advised they would check on the situation.

(MN0056) Ninewah Provincial Headquarters: (TRA Level 2) The PTT met with BG [redacted], NPHQ TOC OIC, and discussed the significant events occurring in Ninewah Province during the past 24 hours. BG [redacted] advised that one IP was killed and two were wounded when an ERU unit came under fire from insurgents in the Al Masaref area. Three IA soldiers were wounded as their patrol with CF was fired upon by insurgents near Baghdad Street. One IP was wounded as he and other IP fired on a suicide vest bomber that was approaching the Governor's Building in the Al Jawsiq neighborhood. The explosive device detonated killing the bomber and wounding the IP, but no one else was injured. The bodies of two traffic IP from Tikrit were found in the 17 Tammooz district. No other information was available regarding this incident. Five civilians were killed, including two small children, and three wounded in separate suspected insurgent attacks in various parts of the city; and numerous SAF attacks were orchestrated by AIF against IP and IA patrols with no injury or damage reported.

PTT worked on a written proposal to obtain a building for the training center at NPHQ. In MPSA class 24 there are 163 students, from the Mosul area. MPSA Class 25 continues with 236 students from Tall Afar and 53 from Mosul. PTT will continue to investigate this. At Q-West, 15 students are attending the PSTO course. These students are from all over Ninewah, including two from Tall Afar

PTT met with BG [redacted] and staff members of Finance Department on this headquarters visit. PTT observed preparation being made and files reviewed for this month's payment for all IP & IA. The month of August 1048 death benefits were paid out and BG feels this month will be higher. PTT also met with COL [redacted] and informed him the internet system was still not working in the Personnel Department. The COL informed PTT that Major [redacted] would resolve any problem. PTT then met with LT [redacted] of the Personnel Department and informed him PTT had met with COL [redacted] on this day. COL [redacted] stated he would have Major [redacted] look at the internet system and make the necessary repairs.

PTT is maintaining communication with the other PTT involved obtaining feedback on the progress of these request in their perspective AO. PTT met with MAJ [redacted] of Intelligence to discuss how the operations are currently going with the Investigation of COL [redacted]. The MAJ advised the Intelligence unit is still unable to operate as it normally would due to this investigation. The case continues to be handed back and forth, from one Judge to another, as a decision is attempting to be made on who has the authority to investigate this case.

(MN0134) Abu Maria LPS: (TRA Level 3) PTT was responsible for teaching an investigators course for the Tal Afar IP investigators at FOB Sykes.

(MN0222) Rabiyah DHQ: (TRA Level 2) PTT traveled to Kahn As Sur to conduct a station visit. PTT met with MAJ [redacted] to discuss the plans for securing the village for the Ramadan. MAJ [redacted] informed PTT that more check points are being emplaced although most are temporary. PTT asked if the IP want to move back to the old station and MAJ [redacted] said yes. MAJ [redacted] advised PTT that repairs needed to make the old station fit for occupancy would be roughly $30,000. PTT informed MAJ [redacted] that the funds need to be requested from the MOI and from the mayor of Kahn As Sur. PTT went with MAJ [redacted] to the office of the mayor to inquire about the situation in the area. The mayor informed PTT that he has heard of a number of groups in Syria that are planning to attack inside Iraq during Ramadan but he does not know the details. PTT asked what the security situation looks like. The mayor informed PTT that there is a mixture of IP, IA and Peshmerga. The security in Khan As Sur seems sufficient to hold until CF could arrive. MAJ [redacted] inquired about the status of his equipment request. PTT informed him that the request must be routed through Sinjar and then to Mosul. PTT will contact the CF in Sinjar and have them check the status with Sinjar.

PTT traveled from Khan As Sur to Sununi. PTT asked IP what is being done to secure Sununi for Ramadan. The IP advised PTT that two temporary checkpoints are emplace and berms are being constructed in various places. In addition the IP do not allow anyone into the village after 1600 hours. The IP Also stated that there are several people that have moved into the area from Tall Afar and opened shops on the outskirts of the village. The IP is making these people move out of the area.

(MN0962) Al Salaam LPS: (TRA Level 3) PTT duties this date included being on 24 hour standby for emergency response duties and a night visit to Al Salaam LPS to complete a PSMR report, and obtain any intelligence available. PTT were met by OIC LT [redacted] who reported that LTC [redacted] remains in Mosul visiting his family following the death of his brother.

Total IP is 186, which includes four official officers and six honorary officers. LT [redacted] is the LPS new investigator. About fifteen days ago Hassanqoi IP made an arrest of a subject in possession of a CD containing numerous VBIED attacks of CF and IP. A copy was

obtained and forwarded to appropriate channels. During our stay at the station, PTT heard two explosions, later found to be reported as rocket attacks which hit Fort Tal Afar IA compound. There were no reported injuries.

At Tamim

(NO FFID) ERU: (TRA Level 3) PTT met with COL [redacted] and LTC [redacted] and discussed and IP disciplinary problem.

(TT0003) Arafa Patrol Police Station: (TRA Level 1) PTT met with COL [redacted] and monitored investigations as they processed three suspects. PTT observed dangerous detainee handling. PTT trained on safer habits with detainees. PTT also went on a short joint patrol to locate and photograph three possible AIF safe houses.

(TT0004) Aruba Patrol Police Station: (TRA Level 1) PTT prepared for the validation ceremony and moved unnecessary vehicles away from the court yard. PTT secured the area awaiting the arrival of dignitary from the military and surrounding community. PTT interviewed the station designated trainer and found him inadequate to perform the task assigned him. MAJ [redacted] wished to be transferred to another station instead of working here. He is dissatisfied with his position and feels it's below him to be assigned to training.

(TT0005) Kirkuk Provincial HQ: PTT accompanied MG [redacted] and CF command personnel to the Aruba IP Station for the validation ceremony. After which, there was a staff call at MG [redacted] office. Clarification for information from yesterday's DSR. Another PTT reported that PRT would be purchasing a generator for the Kirkuk Police Academy, while PTT reported that it would be purchased out of the Kirkuk Provincial Police budget. The correct information is that it will be purchased with IP funds.

(TT0018) Highway Patrol Tamin: (TRA Level 2) PTT met with LTC [redacted] who advised that there were forty two IP on duty, and that ten IP were absent without excuse. He was very frustrated and explained that many IP do not want to work at Highway LPS because they do not wish to participate in the patrol missions, inside or outside the city. Some request transfer to other stations. LTC [redacted] said that HQ should allow him to hire IP for Highway himself to avoid some of this problem. He said that when he hired IP himself in 2003 and 2004 he hired seventy IP with no problems as there was an understanding as to what would be expected of them. He also cited the continuing problem of HQ's unwillingness to fire IP who continually have unexcused absence. PTT then observed the STO conduct training for IP. The inmates were healthy with no sign of abuse.

(TT0023) Azadi Patrol Police Station: (TRA Level 1) PTT attended the Azadi validation ceremony

(TT0031) Shwan Local Police Station: (TRA Level 2) PTT met with Commander [redacted]. The station conducted an emergency incident/casualty evacuation drill around a scenario of an ambush on an IP vehicle. The local village ambulance was called as part of the drill and the local fire station was also called and both responded. IP then processed the scene taking photos and gathering evidence. Further, the STO conducted a training session with nearly three dozen IP in attendance on the subject of police ethics.

(TT0032) Taza Karhmatu Patrol Police Station: (TRA Level 2) PTT met with COL [redacted] and observed the STO give an Introduction to Terrorist Class.

(TT0099) Kirkuk Major Crimes Unit: (TRA Level 2) PTT met with LTC [redacted] and discussed the move to the new building and what plans LTC [redacted] has for the communications and internet equipment. LTC [redacted] advised that the equipment was assigned to the MCU by MOI and the equipment must be moved with the MCU. PTT advised LTC [redacted] that it would be much more productive to install new equipment at the new building and leave the old equipment for the CEU who is moving into the current MCU facility. LTC [redacted] stated that was not an option. PTT discussed the intelligence gathering form with LTC [redacted] and he will review the form and make any changes he feels are necessary. PTT met COL [redacted] at the new building and walked through the building to assess his proposed use of the building and offer suggestions on several issues regarding the Communications and Internet rooms and the bathroom facilities in the building.

Irbil [redacted]

(NO FFID) Irbil Training Center: (TRA Level N/A) PTT prepared the lesson plan schedule of training for the T3 (Train the Trainer) course that will be provided for the Koya Oil Police Directorate and outlying Oil Police Stations. PTT scheduled trip to Sulaymaniyah to visit with General [redacted], the supervisor of LTC [redacted] at Koya Oil Police Directorate, to deliver the lesson schedule for approval before beginning the T3 course with the Oil Police in Koya. PTT completed schedule for training and abstract describing in short the training that will be given.

(MI0007) Azady Local Police Station: (TRA Level 3) PTT met with CPT [redacted] at Azady Local Police Station. CPT [redacted] was recently assigned to this station one month ago. Assigned to Azady station are twenty-four IP, three commissioners, and four officers. CPT [redacted] said this station was working well and he only had a few problems. CPT said that the pay scale for the officers was not very good. LT through the rank of Major are paid the same salary. CPT [redacted] has eighteen years of experience, is a graduate of the Police collage and makes the same salary as a new LT.

(MI0100) Soran Directorate HQ: (TRA Level 3) PTT met with BG [redacted] who advised the that the facility where the new police were undergoing training, also serving as a vehicle maintenance facility, will no longer be available in the near future. BG [redacted] has requested the Soran Directorate and Kurdistan Regional Government to fund the construction of a new facility to be located on land owned by the Directorate, and located adjacent to the a local police station in the Dianna Community of Soran. PTT will follow up on the request with Provincial Leadership. The land is located adjacent to a United Nations housing area where displaced families are provided housing. PTT traveled to the facility and observed multiple training classes being presented by T3T Instructors who were previously trained by the PTT. All three Soran Directorate Police Districts now have qualified instructors in every station. Classes in human rights, the proper care and maintenance of weapons, and weapons safety were observed. Instructors are anxiously awaiting the lessons plans for future classes to be translated into the Kurdish Language, for use in the programs. PTT continues to formulate the lesson plans to be used by the new instructors. Minor on the spot corrections were made and provided the instructors during this visit. More formal evaluations and mentoring will be provided in the future. BG [redacted] again expressed his sincere appreciation for the Instructor Development Program being implemented in the Directorate.

(MI0275) Irbil Provincial JCC: (TRA Level 3) PTT, in conjunction with PJCC staff, worked on a list of suggestions for addition to the criminal statistics database. Ideal Innovations representative (name withheld) asked that these suggestions be compiled and forwarded to him via email. PTT and PJCC feel that there are several additions that could be made to the database to include traffic related offenses that actually result in criminal charges. PJCC staff also felt that some additions could be made relating to the Border Patrol personnel

when they apprehend subjects crossing the borders illegally, and when they apprehend smugglers. PTT will discuss this further with Ideal Innovations personnel, and have them share their own opinions on the addition of this particular aspect. PTT and PJCC also discussed the issue of the normal traffic offenses being entered and maintained by the Traffic Police General Directorate, since they are a separate Directorate. PTT advised that the PDOP and the General over the Traffic Police would have to make this decision, as they are of equal rank.

Sulaymaniyah [redacted] (b)(6), (b)(3)

(NO FFID) Sulaymaniyah Assaish HQ: (No TRA Level) Today's instruction was the first part of Dr. [redacted] (b)(6), (b)(7)(c) (Sulaymaniyah's Medical Examiner) 3 part lecture series on different causes of death and the effects of same on the body to include, extreme heat, cold, submersion in water, etc.

(NO FFID) Sulaymaniyah PJCC: (No TRA Level) PTT met with BG [redacted] (b)(6), (b)(7)(c) to discuss PJCC operation as well as pick up the information regarding PJCC staffing, equipment and operations. (TS0018) Barzinya LPS: (TRA level 3) The PTT conducted day four of a one week community policing training program. Eighteen IP and the PTT met at the training center with four prominent members of the local community. The guests at the meeting were all community leaders for the city of Barzinja. During the course of the meeting, the Community Policing program was explained in detail to the guests. The IP involved with the course informed the guests of both the civilian population's and the IP responsibilities that would ensure the programs success. The guests had only a few questions at the conclusion of the meeting due to the clarity in which the IP described the course. The guests all agreed that the program would be a great asset to the community and that they would spread the word among the population as to the concept of the new program. The guests also advised the IP and the PTT that they would guarantee their assistance to the IP in any possible to ensure that the program does not fade away. The PTT expressed his appreciation for the guests meeting with the class and for taking time out of their busy schedules to better understand what the local police in the city of Barzinja are trying to accomplish to better the communities in which they so proudly serve. At the conclusion of the meeting, the eighteen IP and the PTT conducted the second foot patrol of the class.
