18 September 2007

Mosul (MND-N) [redacted] (b)(6), (b)(3)

Ninewah [redacted] (b)(6), (b)(3)

(NO FFID) 5th Emergency Response Battalion: (TRA Level UNK) ERB/ERU Team was scheduled to continue the Firearms Training of 25 IP assigned to the 5th Emergency Response Battalion (ERB). Once the SP Briefing was completed, the Civilian members of the PTT were held up in a Military Check Point while attempting to exit the FOB to meet with the Military members of the PTT at the designated rally location to travel to the 5th ERB. The Civilian members of the PTT learned the Military members of the PTT continued to Ninewah Provincial Headquarters leaving the Civilian members behind. The Mission failed as the Civilian members were not able to get to the Training Center to conduct training as scheduled. IPA provided recommendations for corrective measures which would require military cooperation and communication.

(NO FFID) NJDH Helpful Emergency Company: (TRA Level UNK) PTT escorted EOD to Tal Afar DHQ to retrieve UXO's and then back to FOB Sykes. PTT then traveled to Najda LPS. While at the station PTT observed a shift change which included training on subjects such as proper uniform, hygiene and weapons safety. PTT then conducted a joint mounted patrol. During the joint patrol PTT stopped at 2 substations to check their readiness and staffing. PTT then returned to FOB Sykes without incident.

(MN0009) Al Hadba DHQ: (TRA Level 2) PTT arrived and made contact with the only officer on duty, LTC [redacted] (b)(6), (b)(7)c One prisoner in jail was an IP from Wagaas LPS and was arrested for fighting with his brother. Another was an IA arrested for a domestic incident. The Training Officer was on vacation. BG [redacted] (b)(6), (b)(7)c was on vacation.

(MN0020) Hassan Qoi LPS: (TRA Level 3) PTT traveled to Hassan Qoi LPS, without incident. PTT spoke to LTC [redacted] (b)(6), (b)(7)c. LTC [redacted] (b)(6), (b)(7)c said he is one of the training officers and he conducts training every day, at 0800hrs. There is no training on Fridays. The AO has been quiet and uneventful. The station currently does foot patrols. PTT told the LT that night patrols should increase during Ramadan, as more people are out at night. PTT talked about Community Policing and the benefits. PTT spoke at length about gaining the trust of LN's and obtaining valuable intelligence, regarding terrorists in the AO. COL [redacted] (b)(6), (b)(7)c arrived, for a station visit. COL [redacted] (b)(6), (b)(7)c said he visits all the stations in the Tal Afar AO. PTT continued with a lengthily conversation about the importance of Community Policing.

PTT met with the LPS armor and checked the armory. The armor did not have an actual accounting of ammunition, so he was tasked by PTT to provide the information, upon our return. The armory was clean and well maintained.

The LPS arrested one suspected terrorist, approximately a few days ago. The intelligence received suggested the suspect was a terrorist. The LPS turned the prisoner over to DHQ. DHQ questioned the suspect, returned him to the LPS and suggested the suspect be released, due to a lack of evidence. The LPS released the prisoner.

(MN0027) Al Tahadi LPS: (TRA Level 2) PTT traveled to Al Tahadi, without incident. PTT spoke to LTC [redacted] (b)(6), (b)(7)c about conducting consistent training, on a regular basis. LTC [redacted] (b)(6), (b)(7)c said they did not have time during Ramadan, as they were busy patrol and securing their AO. PTT told LTC [redacted] (b)(6), (b)(7)c that the training could be a quick refresher, to get

the IP thinking about situations and produce mind mechanics. LTC [redacted] said his biggest obstacle as a Chief, is have too small of a LPS. The IA took over part of his LPS and now there is not enough space for his IP. LTC [redacted] is working on a proposal, to send to DHQ. PTT encouraged him to do the same. PTT conducted a dismounted patrol in the AO. There was no activity to report. PTT traveled back to FOB Sykes, without incident.

(MN0056) Ninewah Provincial Headquarters: (TRA Level 2) PTT did not travel to NPHQ on this date. PTT must exit the FOB from a different gate than the military units. On this date the PTT were not able to leave the FOB due to unknown delays at the gate. The military unit assigned with the PTT did not wait for the PTT and traveled to NPHQ without the PTT.

In MPSA class 24 there are 151 students, from the Mosul area. MPSA Class 25 continues with 236 students from Tall Afar and 53 from Mosul. The Police Station Training Officer Course began on this date. The class has 21 officers from the Mosul area.

(MN0076) Tal Afar DHQ: (TRA Level 2) PTT traveled to DHQ to meet with BG [redacted] and gather information for the PSMR. PTT also conducted a survey of the detention facility. BG [redacted] stated that security in the city has been very good during Ramadan and there have been no reports of any insurgent activity. All IP and officers have had their leave cancelled which has effectively risen the staffing of the IP in the city. While inspecting the JCC, the PTT found the electricity to be off. BG [redacted] was advised of this and stated that one of the officers in the JCC misinterpreted his orders that the JCC have power 24 hours a day during Ramadan. The situation was corrected.

(MN0222) Rabiyah DHQ: (TRA Level 2) PTT traveled to the Tal Uwaynat to conduct a joint mounted patrol. PTT informed the IP to patrol the East area of jurisdictional responsibility. PTT patrolled with the IP for 45 minutes. There were no curfew violations or incidents.

Iraqi Police Professional Leadership Development Course (IPPLDC): The cadre worked on lesson plans for the upcoming class. The cadre also started working on the next 90 day training schedule for the IPPLDC.

An International Police Adviser is traveling with military members of the Police Transition Team (PTT), and 2 Iraqi Police (IP) Administrative Officers to collect IP pay. The group will also meet with Provincial counterparts to discuss logistics, budget procedures, a Field Training Officer program and detention administrative forms to be utilized throughout the district.

PSF-4 (Camp Fallujah): The Police Transition Team (PTT) participated in a graduation ceremony for 50 Provincial Security Force recruits after they successfully completed the 80 hours of training. All 50 trainees passed the course and will now be assigned to protect their respective neighborhoods.

Baghdad (MND-B) **Unassigned**

Baghdad [redacted] (b)(6), (b)(3)

(BC0003) Airport Police Local Police Station: (TRA Level NA) The team met with the Global Security personnel and IP command staff to exchange any current security concerns. The team inspected detention facilities and found no problems. The Team Leader met with the IP Chief, Col [redacted] (b)(6), (b)(3) to discuss the new firing range proposal. The chief has scheduled a meeting with the airport director to finalize the last proposal. The Chief also informed the team leader of a meeting he attended with his superior, General [redacted] (b)(6), (b)(3), to discuss increased IP responsibility at the BIAP. The chief asked the team leader to cut back training for both stations to 3 days per week. The team leader will discuss this issue with the IP Training Officer. The Chief expressed his desire to include many of his IP personnel in the BIAP Warehouse L.E. training program. The Chief asked the team leader to coordinate classes for 3 separate QRF teams. The team conducted training to both station classes covering "First Aid". There were 9 IP students in attendance for this class.

(BC0009) Al Alawiyah Local Police Station: (TRA Level 2) Training was not conducted due to the military team issuing coalition IP badges. The military unit was also entering data into the HIDE system. The station investigators have an ongoing investigation of a murder of a local national. The 5 IP in custody over the incident have been released on bail and will return to work within the next few days. The team met with Col. [redacted] (b)(6), (b)(3) from MOI. Topics discussed included vehicle and generator fuel, uniforms, office supplies and additional personnel. Col [redacted] (b)(6), (b)(3) said he would bring up needs and concerns during the next

MOI meeting. The Station commander is urgently requesting additional IP and IP Officers to meet the needs of the community.

(BC0013) Al Dorah Traffic Police Station: (TRA Level 2) The team met with Lieutenant [redacted] who is currently updating the personnel files of the IP assigned to the station. The Lieutenant provided the team with an overview of the checkpoints his IP are responsible for in their assigned AOR. The team conducted training for 2 IP covering the proper technique to search a suspect. The station continues to receive 40 liters of fuel each day, but it takes approximately two thirds of the fuel received by the IP to travel back and forth to the fuel point.

(BC0022) Al Kadhimaya Patrol Police Station (West): (TRA Level 2) The team noted there were no Officers on duty at the station. The personnel at the station said there were 8 Officers currently on duty, but they were out in the field monitoring checkpoints within the AOR.

(BC0025) Al Karada Patrol Police Station (East): (TRA Level 1) The team began the HIIDE process and issued new badges. The team also conducted training covering combat grip and sighting for the pistol. 42 IP were trained. Over the last 24 hours there were 2 murder cases in the station's AOR. 2 LN were killed in each incident. The suspects were 3 males armed with pistols and driving a 2006 white Toyota 4 door sedan referred as a "Pechaco". Major [redacted] has briefed his patrols on the suspect vehicle. Some of the IP were refused their new ID Badges. Because they left their duty pistols at home, their Glock serial number could not be entered into the HIIDES. Colonel [redacted] informed the team he would begin docking any IP who reported to work without his duty pistol 3 days pay.

(BC0028) Al Karkh Police Directorate HQ: (TRA Level 2) The PTT team spoke with Major [redacted] in Logistics about the Glock Policy. Other team member's are taking the T3 class.

(BC0030) Al Karkh Highway Traffic Police Station: (TRA Level 2) The team spoke with Sergeant [redacted] about the station's contingency plan if the station was attacked or had to respond to another significant threat. The Sergeant stated the station has not developed or practiced any response for this purpose. The team advised the Sergeant there was a need to make improvements to the force protection structures, such as placing a barrier at the front gate and moving the parking lot away from an area visible to snipers. The team will meet with the Station Commander to discuss these issues in the near future.

(BC0039) Al Mamum Local Police Station: (TRA Level 2) The team conducted the second day of a police survival course covering first aid and interacting with the public. The IP were also mentored on the proper demeanor when communicating with victims and witnesses of a crime. The team inspected the inmates at the station for a skin condition affecting 18 of the detainees. Their condition appears to be improving.

(BC0050) Al Rasheed District Police HQ: (TRA Level 4) The team delivered a computer and a printer for the district HQ. The team also supplied general office supplies and cleaning equipment to the station. The team discussed upcoming platform training that. The Commander was very interested in sending IP to this training.

(BC0057) Al Salaam Local Police Station (Baghdad): (TRA Level 2) The team met with Major [redacted] who said their biggest problem at the station was a lack of sleeping quarters. The room prepared for the IP was taken over by the City Council. The Team advised they would speak to the City Council on his behalf. He also indicated he had 23 IP without badges from MOI. The Team discussed with Major [redacted] the possibility of making badges for the IP himself. The Team told the Major the badges would only be good in the Al Zahour

District. The commander advised there is a plan for a new police station in the area and is waiting for approval from the MOI. A contractor was on hand giving an estimate for fixing the lights at the station.

(BC0070) Al Thawra District Police HQ: (TRA Level 2) COL. [redacted] expressed concerns about tools for his motor pool, as well as additional forensic equipment for his Criminal Investigations Department. He also requested fuel for his generators and patrol vehicles. The team advised the issues would be addressed.

(BC0074) Al Yarmouk Traffic Police Station: (TRA Level 2) General [redacted] notified the team an IED just detonated in his AOR and he received a report a civilian had been killed. The station is having difficulty receiving fuel deliveries due to the driver refusing to drive to the station. The team is in communication with HQ team to resolve the matter.

(BC0079) Bab al Muadam Patrol Station: (TRA Level 2) CAPT [redacted] said that, this morning, 3 of his IP were involved in a fire fight with a suspect. No IP were injured but the subject was wounded. The suspect is currently receiving attention at a medical facility. CAPT [redacted] advised the suspect was an insurgent. The detainee brought in the previous day, suspected of shooting an IP on 09/14/07, was cleared by the victim. CAPT [redacted] advised the subject will be detained until a judge signs the release. The team conducted a mounted patrol with 8 IP and conducted a hasty checkpoint at an intersection. During this patrol a 4 or 5 round burst of automatic gunfire was heard in the distance, possibly the next intersection up from the checkpoint. The team took cover and attempted to locate the source, but was unable to do so.

(BC0081) Bab al Sheikh Local Police Station: (TRA Level 2) The team distributed badges to the IP and officers at the station. A weapons check was also conducted. The team mentored IP in the cleaning and maintenance of their Glock. The team then met with LT [redacted] discussing IP checkpoints. 3 checkpoints were visited with no issues.

(BC0085) Baghdad Provincial Patrol Police HQ: (TRA Level NA) The team spoke to General [redacted] in reference to a new station called Salman Pak. The team discussed personnel, equipment and the possible site it will be on if the land can be acquired. The team gave General [redacted] a brief on Falcon View crime analysis and the progress being made at PHQ with his IP.
