CPATT IPA-OPERATIONS DAILY SITREP

21 September 2007

Baghdad (MND-B) **Unassigned**

Baghdad [redacted] (b)(6), (b)(3)

(BC0003) Airport Police Local Police Station: (TRA Level NA) The team leader met with Global Security personnel and the IP command staff to exchange current security concerns. An inspection of the IP stations and detention facilities were completed with no irregularities reported. The French Village sub-station training classes have been combined with the BIAP station classes. The team conducted training for both station classes covering "First Aid". There were 6 IP students in attendance for this class.

(BC0007) Al Adhamiya Patrol Police Station (East): (TRA Level 2) After the team supplied CAPT [redacted] with 20-liters of fuel for generators, he advised of an incident involving 3 IP kidnapping a civilian. He said the 3 were arrested and the civilian set free. CAPT [redacted] said the IP were being held at the MOI jail. The team met with COL [redacted] to discuss the issuing of new Baghdad identification badges for the IP. After the meeting, the team issued badges to 140 IP. (b)(6), (b)(7)c

(BC0009) Al Alawiyah Local Police Station: (TRA Level 2) Training was conducted for the armor and another IP. The team entered data into the HIIDE system. There was another drive by shooting reported in the last 24 hours. Drive-by shootings have increased in the area in the past weeks. These incidents have caused several deaths. The Station commander is urgently requesting additional IP and IP Officers to meet the needs of the community. A check of the jail was performed and no human rights violations were observed.

(BC0020) Al Kadhimiya District Police HQ: (TRA Level 2) The team conducted training covering the proper method to clear a room for suspects. The team also instructed IP regarding the proper technique of searching a suspect for weapons. The Station Commander advised the team he is still having difficulty procuring supplies from the MOI. The team told the Commander to provide the team with copies of the request. The team will assist the Commander by following up on the request.

(BC0021) Al Kadhimaya Local Police Station: (TRA Level 2) The team conducted training covering Weapons Safety, Building Searches, and Room Clearances. The IP were instructed how to properly utilize their weapons and how to properly search buildings and individual rooms for suspected terrorists.

(BC0025) Al Karada Patrol Police Station (East): (TRA Level 1) Shortly after the team's arrival at the station, an IED or VBIED exploded approximately 200 meters from the Station. A combined IP/NP convoy was targeted. Preliminary reports indicated the results were one vehicle destroyed, one KIA and one WIA. The team began the HIIDE process and issued new badges. Training was conducted for 19 IP covering combat grip and sighting for the pistol.

(BC0026) Al Karamah Local Police Station: (TRA Level 2) The team met with MAJ [redacted] and accompanied him to the parade ground to mentor LT [redacted] while he conducted a Guard mount. After the Guard mount, the team used the assembly to pass out 46 new Baghdad identification badges. 22 of the badges were correct, but the others contained mismatched names and pictures. The team and IP admin spent 2 hours repairing (b)(6), (b)(7)c

and correcting the badges. During this time, the medic was counseling and treating IP, as well as checking on the welfare of the detainees in the D-cell.

(BC0028) Al Karkh Police Directorate HQ: (TRA Level 2) The team went to Karkh Directorate to pick up BG [redacted], who traveled with them and observed the Baghdad Police College Graduation.

(BC0033) Al Karkh Patrol Police Station (West): (TRA Level 2) The team spoke with Captain [redacted] about each of his personnel's assignments. The Commander identified the IP responsible for each section.

(BC0042) Al Meshahadah Local Police Station: (TRA Level NA) As the team arrived at the station, it discovered 25 new IP waiting at the station gate. The team spoke to the IP who said they had been hired for Mishada LPS and did not want to work anywhere else. Upon questioning the recruits further, it was learned they were part of a group of IP who received orders for the MOI's National Police, but refused to work in Baghdad. Lt. Col. [redacted] did not think the MOI would reconsider the recruits request to work at Mishada. The team conducted a joint patrol with 8 IP. They conducted several vehicle stops and searches in the area. After the last vehicle was searched, a sniper fired at the IP as they were returning to their vehicles. The patrol searched for the shooter with negative results. The team conducted an arms room and vehicle inspection and found no new problems. The team also conducted training covering building entry with 13 IP in attendance.

(BC0047) Al Quds Local Police Station: (TRA Level 2) The team met with MAJ [redacted] and the daily station report data was collected. No training was conducted the due to the Ramadan holiday and issuing of new Baghdad identification badges.

(BC0052) Al Rashidia Local Police Station: (TRA Level 3) The team worked on the arms room inventory for the second day. The team conducted a joint patrol through Rashidia. The IP were told what to look for, such as suspicious vehicles and suspicious circumstances.

(BC0057) Al Salaam Local Police Station (Baghdad): (TRA Level 2) The team conducted an inventory of the arms room. The team then went to the station's check points and found no IP manning those areas. The team will take up the issue on the next station visit.

(BC0059) Al Sha'ab Local Police Station: (TRA Level 2) The team met with MAJ [redacted] who reported no significant incidents since the last visit. He reported the IP recovered an IED in their patrol area over night. The team photographed the IED and then called EOD to dispose of it. The new Baghdad identification badges were issued to approximately 70 IP. While the team was processing badges, an IP patrol came in to the station with an unexploded mortar round. The team had the IP take the round outside and wait for EOD to return. The team conducted training for 10 IP covering how to identify counterfeit badges and the purpose for keeping their badges on them at all times.

(BC0062) Al Suleikh Local Police Station: (TRA Level 2) The team met with COL. [redacted] and talked about handing out the new Baghdad identification badges. He reported no significant incidents since the last visit. The team issued 50 badges to the IP. The team conducted training for 4 IP covering weapon maintenance and hand cuffing techniques.

(BC0074) Al Yarmouk Traffic Police Station: (TRA Level 2) The team met with Warrant Officer [redacted] who was under the impression only IP assigned to Force Protection needed to be on duty because it was night time. The team also noted there was a lack of electricity, resulting in the station being completely dark. As a result, the station only

operates effectively during daylight hours.

(BC0077) Al Zohour Local Police Station: (TRA Level 3) The team met with Major [redacted] and was updated on current events. He indicated the community appears to be safer as a direct result of recent actions taken by CF and IP in the area. 1 joint patrol was conducted, visiting one of the station's checkpoints. There were no incidents reported during the patrol and citizens in the area appeared to treat the IP with respect.

(BC0079) Bab al Muadam Patrol Station: (TRA Level 2) CAPT [redacted] told the team the only significant event from the previous 24 hours was an IED detonating in the intersection of Route Wild and Route Yengling. There were no injuries or deaths reported as a result. After meeting with CAPT [redacted], the team began issuing the new Baghdad identification badges. The team did not conduct any training due to being tasked with the new badges.

(BC0089) Belat al Shuhadaa Local Police Station: (TRA Level 3) The Station Commander reported a mentally ill subject was found on the street and taken into custody for his own safety. The Commander is planning to place the subject in an Iraqi mental facility.

(BC0101) Mahmoudya District Police HQ: (TRA Level 3) The team worked with 10 members of BG Abed's PSD unit. They were observed during a convoy to a local school to meet an MOE official. The team watched the PSD unit and made suggestions regarding their procedures. Photographs were taken during the convoy to be used during subsequent briefing. 1 joint patrol was conducted with no significant incidents reported. Fuel supply problems continue to effect the station's operations. Fuel is currently supplied by CF.

(BC0109) Nahrawan Local Police Station: (TRA Level 3) The team completed distribution of ID badges to IP. The team then worked with 10 members of the ERT team and worked on CQB drills. The team conducted a joint patrol through Narhawan with no significant events being reported.

(BC0117) Risalah Local Police Station: (TRA Level 3) The team conducted training covering weapons safety and familiarization. The team continues to provide enough fuel to meet the Station's immediate needs. The team has recently received approval for the station to receive additional generator fuel.

(BC0119) Al Rusafa Patrol Station (East): (TRA Level 2) The team met with MAJ [redacted] who advised there were 10 officers and 140 IP working this date with no one AWOL. No training was conducted due to new Baghdad identification badges being issued. Concerns about lack of fuel were mentioned by the commander, as well as a need for printer paper and a computer for the arms room. The team is currently working to resolve these issues and determine the status of prior requests to the MOI.

(BC0120) Rusafa Police Directorate HQ: (TRA Level 1) The team continued to issue new temporary badges to the HQ IP. The team will complete the process on the next station visit.

(BC0122) Sheikh Saad Local Police Station: (TRA Level 3) The team attended the weekly ISF meeting where coalition officers and station commanders meet for their weekly report and problem solving session. During the meeting, participants reviewed topics from construction planning to force protection with an open invitation for new ideas.

(BC0125) Yousifiya Local Police Station: (TRA Level 4) The team conducted training for 6 IP covering the proper way to wear the IP uniform and guard tower procedures. During the training, an IP became ill and collapsed. The unconscious IP was transported to an IA

medical facility. The IA denied the IP entry. He was then taken to a medical clinic in town. He was treated at that location and returned to the JSS where he is recovering.

(BC0140) Al Ma'amill Local Police Station: (TRA Level 4) While en route to the station, the team received intelligence regarding IP and JAM members extorting money from brick factory owners. The team stopped two vehicles exiting the brick factory matching the description given in the intelligence report. The team had IP from the station respond and assist with the stop. The IP arrested 7 people. 4 of the arrestees claimed to be IP. One was Captain [redacted] from the Sha'ab district. They were in possession of 300 AK rounds, one rifle and 3 pistols. The IDs the IP had were fake IP badges. 19 million Iraqi Dinar were found in the 2 vehicles. All suspects were transported to Al Mammil Police station. They were then transported to the holding facility on FOB Hammer.

(b)(6), (b)(3)

(BC0625) Mahmoudiyah Patrol Police Station: (TRA Level 3) The team conducted training for 6 IP covering Weapons Handling and Room Clearing. The next day the team conducted training for 8 IP covering the same subject. Joint mounted patrols were conducted on both days, traveling to the station's check points. No significant incidents were reported on either day.

(No FFID) Camp India : The team reported this week's training went very well, considering the number of recruits to be trained and the amount of time allotted. The week began with weapons qualification for the recruits on Sunday and Monday. Following the weapons qualification, preparations were made for graduation. The number of recruits graduating is expected to be over 90% of the original starting number.

Schedule changes for the recruit's meal times were made to accommodate the holy month. The recruits wishing to observe the rituals associated with this month were able to eat at the completion of the day. The recruits not wishing to participant have also been accommodated. The IP instructors are starting to take ownership of the program and have started to solve minor problems without coalition help. The IP instructors have been working with both the IA and Sandi group personnel to find a solution to their problems. 2 medics were brought to the site to monitor the shooting ranges and conduct sick-call for the recruits.

Babylon (MND-CS/S) [redacted]

Al Qadisiyah [redacted]

(b)(6), (b)(3)

high with the IPs as they approved of the new Provincial Chief. [redacted] also said that they presently working partial days for Ramadan. PTT Team gave a Mentoring exercise discussing the use of shadow boards and chit systems to track tool usage.

Dhi Qar / Al Muthanna (PIC) [redacted]

PIC members provided instruction to Dhi Qar Provincial Trainers in Crime Scene Investigation. After the training, graduation was held for the IPs. IPs were issued certificates of completion.

PIC members met with the Al Muthanna Provincial Logistical Quartermaster to issue MTOE equipment in Camp Terendak. The equipment issued was miscellaneous Office Supplies, Fire Extinguishers, and Water Canteens. This was not a key leadership engagement meeting. PIC members corresponded with the Australian DTC regarding upcoming training centering upon Vehicle Check Point Training for the Dhi Qar Provincial Trainers and IPs.

PIC members held an information sharing meeting this afternoon with CF Major (name withheld) of the US Army 82nd Airborne. The meeting discussed the Iraqi Highway Patrol. PIC members also attended a SSR meeting with Australian Military officials.

Tikrit (MND-CW) [redacted]

Diyala [redacted]

(TD0002) Al Abarra Local Police Station: (TRA Level 3) PTT-D traveled to Al Abarra for check point inspections. Contact was made with LT [redacted] of Al Abarra station. [redacted] was not wearing issued body armor or Kevlar and stated he was an officer and exempt from the rule. PTT-D later met with LTC [redacted], the Al Abarra Station Commander, and advised him of the officers' statement. When the LT was confronted it was learned that he provided a false name while at the checkpoint to avoid punishment. PTT-D issued first aid supplies to the station medic.

(TD0016) Mufrek Local Police Station: (TRA Non Active Station) PTT-D met with CPT [redacted] and LT [redacted]. CPT [redacted] advised that he has 40 IP on-duty with 18 IP working at checkpoints, 10 IP in training at FOB Gabe and 12 were on station. The station is having difficulties obtaining much need supplies from HQ. CPT [redacted] states the station received 100 liters of fuel yesterday. They have 3 patrol vehicles operational. He stated that 13 IP have completed training at FOB Gabe with 17 more scheduled to attend next week. One IED was found by Station IP on the roadway, which was reported to the EOD team.

(TD0024) Diyala Provincial Police HQ: (TRA Level 3) PTT-P traveled to IPS HQ today and met with BG [redacted], Chief of Personnel. The MOI badging team is now at Khalis ERF. BG [redacted] clarified that the monthly recruiting report recently received did not include the IP hired by the Diyala Security Council totaling 4,313.

PTT-P met with LTC [redacted], Chief of Logistics, and learned that Mansuriyah has not shown up to get their rifles. Khan Bani Saad arrived and received numerous items of equipment and supplies. LTC [redacted] advised that Abu Sayda arrived this morning and were issued numerous items they requested. LTC [redacted] was issued 1,472 helmets, 38 AK-47 rifles, and approximately 3,000 AK/PK rounds from the PTT-P. LTC [redacted] advised that he will develop a distribution plan for this equipment and have the PDOP sign it before any goes out.

PTT-P met with CPT [redacted] of Baqubah MCU and engaged about the lack of support for Abu Sayda MCU. CPT [redacted] advised that the Abu Sayda MCU should not be feeding their detainees out of their own pocket as reported from the PTT-D. CPT [redacted] advised that they needed to contact COL [redacted] in the Baqubah Jail located at IPS HQ and coordinate the food deliveries to Abu Sayda from his facility. [redacted] advised that he just met with MAJ [redacted] of Abu Sayda MCU and issuing to him one vehicle and several handheld radios in response to their requests. The other equipment will be issued as he gets it in at the Baqubah MCU department. This info will be relayed to the PTT-D in Abu Sayda.

PTT-P spoke with COL [redacted], head of Diyala Training Department. COL [redacted] advised that the trip to Sulaymaniyah was a great success. Diyala Province will start sending 100 IP to this Academy for the 8 week MOI approved Basic Course. 50 IP will be from Baqubah and 50 from outside Baqubah. COL [redacted] advised he was going to implement the new 2 week Basic POI starting later in October for all the training sites within the Province.

PTT-P met with CPT [redacted] of the Major Crimes Unit of the Provincial Headquarters. CPT [redacted] advised that there were 24 detainees in the MCU holding area, and that 166 detainees have been released since 9 Sep 07. CPT [redacted] also advised that MOI conducted a Jail inspection. MOI inspected both the MCU Holding facility and the MOJ facility at IPS HQ. CPT [redacted] stated that both facilities received an acceptable evaluation. CPT [redacted] further stated that Khalis now has 2 new Investigative Judges; however, Muqdadiyah still does not have an Investigative Judge. CPT [redacted] further advised that he was traveling to Khanaqin this date to check on the MCU at Khanaqin DHQ. PTT-P visited the MCU holding facility. There was no abuse noted. 3 Detainees were observed to be sick, The Team was advised that one of the 3 detainees had already been to the Baqubah Hospital. The PTT-P suggested that MCU should consider strongly about taking the other two to the Hospital.

(TD0032) Kanan Local Police Station: (TRA Level 2) PTT-D conducted a night mission and spoke with CPT [redacted]. The stations force protection was adequate, with IP on the roof, at the gate and manning the checkpoints. [redacted] advised that there continues to be attacks in small villages surrounding Kanan. PTT-D discussed several options on creating patrols in these areas and working more closely with the Baqubah Guardians as well as the IA.

(TD0103) Diyala ERF 1: (TRA Level 3) PTT-D conducted a night check of the station and checkpoints and spoke with LT [redacted]. Force protection issues were discussed. PTT-D found adequate staffing on the towers, roof and gate. LT [redacted] advised there have been no problems or issues in recent days. The checkpoints also had adequate number of IP.

(No FFID#) Al Durah Local Police Station: (TRA Non Active Station) PTT-D met with LT [redacted] and discussed operations and administration coordination. PTT-D then worked on First Aid equipment distribution and met with the station's CLS medic. Training was conducted on T3 and CLS.

(TD0006) Muqdadiya District Police HQ: (TRA Level 3) PTT-D made a visit to the Muqdadiyah DHQ to perform a Force Protection assessment. PTT-D spoke with BG [redacted] concerning the placement of a new IP Station in the Bellure area. No additional training was conducted on this date.

Compiled by [redacted]

(TA 0004) Ad Dawr Checkpoint HQ: (TRA Level 4) Upon arrival, PTT noticed this station is in great need of force protection items (extensive details of deficiencies and weaknesses deleted). For the protection of the PTT and CF it is not recommend visiting this station for longer than 15 minutes until the force protection issues can be addressed. LTC [redacted] (XO) stated there is need of continued training in the areas of vehicle searching, force protection and officer safety at this station. (b)(6), (b)(7)c

(TA0080) Salah Al Din Provincial HQ: (TRA Level 1) PTTP met with COL [redacted], Chief of Finance. The COL told PTTP he and CF representatives had a meeting with MOI in Baghdad on 09-19-09. During the meeting he was told SAD would receive 8.5 billion IDN each month for payroll. The COL said he was also promised 600 million IDN a month for fuel. COL [redacted] was not given this "guarantee" in writing. PTTP will monitor the issue. PTTP asked if Al Alam had submitted a budget request, COL [redacted] stated as of this date no such request had been submitted. COL [redacted] did state Al Alam had requested a checkpoint which was approved and built by PHQ. (b)(6), (b)(7)c

(TA none) Ad Dawr QRF: (TRA Level 4) PTT visited the Ad Dwar QRF station, which is co located with DHQ. When the DHQ was attacked by a VBIED, the front of the building was destroyed, but not the backside. The QRF is currently using this as their station. PTT spoke to MAJ [redacted] Shift Commander. This station is in need of regular IP. There are currently 75 IP assigned to the station with 51 of them being between the rank of Warrant Officer and LTC.

Many of the QRF IP are in need of SWAT training. The QRF conducts the searches, handles all insurgent activity and conducts all raids in the District of Ad Dawr. It is unknown how many of the IP have been to the basic academy at this time, but that information will be processed soon. In the opinion of the PTT, this station should be closed down due to the massive amount of damage to the front of the building. The station should be co-located with the 911, as they are both ready reactionary forces. They do not have running water, electricity 24/7 or adequate force protection.

PTT-MCC: PTT met with COL [redacted] to discuss security at the front gate into FOB Danger. He said that they have increased security at the gate, but it is run by the FPS who he is not in control of. COL [redacted] said that he has put more IP at the gate to help ensure that security measures are being done properly, but would like to see the security at the front gate turned over to the IP.

COL [redacted] said that he would be picking up the badges today from the PHQ and would get them handed out. He was also given a list of names with photos of people that are authorized to be in the court house unescorted. COL [redacted] asked about the lawyers that keep coming to the gate wanting to come in, but their name is not on the list. PTT told him that they would need to send the name to the judges for approval and when approved they will be checked and then allowed to enter.

PTT proceeded to the court house and spoke with Prosecutor Assistant [redacted]. He said that he was working on 5 cases and had sent 11 to the clerk to be presented to Chief Judge [redacted]. Assistant [redacted] asked that PTT look into adding one more assistant to help with the heavy case load. He said that with Assistant [redacted] working both court houses, the work load is heavy and will take time to get though. PTT walked the court yard checking on the force protection, all guards were working and in uniform with weapons. (b)(7)c

(TA0048) Amerili DPS: (TRA Level 4) PTT met with MAJ [redacted] to discuss his training plan for the IP who are not academy certified. MAJ [redacted] advised they will begin the second class soon. MAJ [redacted] advised that he was to receive 50 Million IDN from Tikrit to renovate an old Ba'ath party building to be the new HQ in Amerili. MAJ [redacted] advised this would only be enough money to complete the first floor of the building and will have to request additional money later to complete the project.

(TA0084) Samarra District HQ: (TRA Level 3) PTT met with LTC [redacted]. The main topic of discussion was the lack of IP in Samarra and what could be done to solve this problem. PTT agrees they need more IP in Samarra before they can start performing missions and have a safer city. The IP have the support of the NP. However, this is not a cure for Samarra since they will eventually exit the area. COL [redacted] will need to meet with GEN [redacted] and make an attempt to fix the staffing problem.

Mosul (MND-N)

Ninewah

(NO FFID) 3rd Emergency Response Battalion: (TRA Level UNK) LTC [redacted] advised PTT that, during the past month, he had three IP Killed in Action (KIA) and three Wounded in Action (WIA). LTC [redacted] also told PTT his Battalion had captured four insurgents in the process of hanging a banner with Anti Coalition Forces (ACF) Propaganda. PTT viewed and photographed the banner and the four detainees his battalion had captured. PTT advised LTC [redacted] the detainees should be taken to Ninewah Provincial Headquarters (NPHQ). The four detainees were identified as [redacted], [redacted], [redacted], and [redacted]. PTT also discussed IP Training with LTC [redacted], advising him of the upcoming training at the 5th ERB.

(NO FFID) 5th Emergency Response Battalion: (TRA Level UNK) ERB/ERU PTT traveled to the 5th Emergency Response Battalion (ERB) to conduct a Station Visit and training. PTT mentored training on Glock pistol and firearms safety.

(NO FFID) Emergency Response Unit: (TRA Level UNK) ERB/ERU PTT traveled to the Emergency Response Unit (ERU) to conduct a Station Visit. Upon arrival, PTT met with MAJ [redacted] and discussed upcoming training to be conducted at the 5th Emergency Response Battalion (ERB). MAJ [redacted] agreed the training was necessary and would help his IP perform their duties. MAJ [redacted] said he would do all he could to support this training by sending his IP as requested. MAJ [redacted] advised PTT he had ten IP who were currently Absent Without Leave (AWOL). MAJ [redacted] also advised PTT during the past month he had one IP Killed In Action (KIA), and five IP Wounded In Action (WIA). MAJ [redacted] told PTT he currently had nine IP at the Basic Academy.

(NO FFID) FOB Q-West: PTT conducted training for thirteen IP at the Advanced Training Center located on FOB Q-West. The training consisted of Personal and Vehicle Searches. Training was from 0830-1200 hours. All of the IP were very eager to train and had a good concept of the training. Training will be held again on 23OCT07 on PMI on the Glock and AK47. No other station visits were conducted due to combined military operations in the AO.

(MN0056) Ninewah Provincial Headquarters: (TRA Level 2) The problem concerning the sewage back-up and drainage problems was fixed and the afflicted areas were cleaned up for today's inspection. The Team met with BG [redacted] in Operations who gave an over view of police related activities over the past 24 hours.

Members of CPATT from Baghdad traveled to Mosul on this date. After meeting with PTT, the group traveled to NPHQ and met with MG [redacted], BG [redacted], and BG [redacted] The meeting covered the additional support for training within the Ninewah Province. The CPATT members will assist facilitating the needs of Ninewah to MOI. There is a need to increase the number of officers working in Ninewah. The team also toured two training classes being conducted at Ninewah Provincial Training.

In MPSA class 24 there are 151 students, from the Mosul area. MPSA Class 25 continues with 236 students from Tall Afar and 53 from Mosul. The Police Station Training Officer Course began on this date. The class has 21 officers from the Mosul area. Twelve students attended a Field Dressing- First Aid class. Ten students received training in the Operation of the Glock 19.

(MN0222) Rabiyah DHQ: (TRA Level 2) PTT met with the IP to determine if the station was adequately manned. PTT observed that several vehicles are all over the parking lot, both civilian and police vehicles.

(MN0914) Tal Afar Traffic Circle LPS: (TRA Level 2) PTT conducted a class with the investigator, LT [redacted]. PTT then conducted a joint un-mounted patrol.

At Tamim

(TT0004) Aruba Patrol Police Station: (TRA Level 1) PTT made contact with COL [redacted] and shift commander, [redacted]. Discussed was the replacement of training officer [redacted] and his new replacement. PTT conducted a station operations check and found everything in order. The morning guard mount went well and the officers arriving late would be docked a days pay. Also covered was the necessity of wearing body armor on shift. PTT conducted weapons formularization and cleaning. Also covered was good sight pictures and trigger control.

(TT0009) Domies Patrol Police Station: (TRA Level 1) PTT made contact with the shift commander. Information was gathered concerning an attempt on a civilian railroad supervisor life. PTT gather pertinent information at the station and checked the holding facility and general condition of equipment.

19-Sep-07 PTT conducted foot patrol in Rashad village.

20-Sep-07 PTT attended the security meeting held at the Rashad station. Attendiees included the Rashad mayor, one city councilman, IP, CF and IA. CPT [redacted] is now out of jail and was at the Rashad station. He attended the security meeting.

(TT0613) Multaka Police Station: (TRA Level 3) PTT conducted a night mission to the Multaka Station. IP and detainees were entered into the HIID System by CF. PTT reviewed the Emergency Action Plan with the duty officer

(TT0614) Dibis District Police HQ/JCC: (TRA Level 1) PTT met with COL [redacted]. PTT spoke with the chief about his station's involvement in the multi agency task force

operation in the Hawija area two nights ago. PTT further arranged with the chief for a night patrol this evening. Additionally, PTT checked the detention cell and found it to be in order. The detainees appeared without obvious signs of mistreatment. The cell was ventilated, lit and had drinking water and available.

Irbil (b)(6), (b)(3)

(NO FFID) Taq Taq Assayish Station: (TRA Level 3) PTT traveled to Taq Taq Assayish Station and met with CPT (b)(6), (b)(7)c. CPT (b)(6), (b)(7)c stated that no CPATT or military team has ever visited the station. CPT (b)(6), (b)(7)c stated that he had recently sent two IP to Sulaymaniyah for investigation training. The training had been very beneficial, but the cost of sending IP to Sulaymaniyah was high so they can not send IP often. PTT discussed the possibility of training conducted at the station level and district level. The CPT was receptive to the idea. The CPT stated his IP could use training in Vehicle Search, Basic Investigation, Drug Recognition, Drug Interdiction, Check Point Training, Informant Development and advanced investigation. PTT agreed to look into some of these topics to provide training in the future. PTT also discussed the felony stop/felony take-down training to be used at checkpoints as a possible future subject. The CPT informed PTT that the IP had mirrors for searching for explosives, but the training and knowledge on drugs that might be entering the area from non-Kurdish Iraq and from Iran were lacking. PTT discussed the outlying station of Assayish, also located in Segrdkan. PTT learned that the station has more IP and another vehicle. PTT obtained the CPT's phone number and agreed to visit the Segrdkan Assayish Station in the near future. PTT discussed the strong relationship between PTT and Assayish in Sulaymaniyah and Irbil, and invited such a relationship to be built with Assayish in Koya District as well.

(MI0028) Discipline Center Local Police Station: (TRA Level 3) PTT met LT (b)(6), (b)(7)c at the Discipline Center Local Police Station to discuss the juveniles begging on the streets. The LT has numerous juveniles brought in for begging and selling goods without permission. The juveniles will be taken to Juvenile Station and parents will be contacted to meet with the police and then the juvenile will be released to the parents. PTT advised the LT that the downtown area is very busy this time of year, and that it is getting more dangerous for these juveniles to be on the streets. The LT advised they were working on the issue. PTT instructed the LT on proper weapon maintenance and safety for the Glock 17.
