B24

CPATT IPA-OPERATIONS DAILY SITREP

24 September 2007

Tikrit (MND-CW) [redacted] (b)(6), (b)(3)

Diyala [redacted] (b)(6), (b)(3)

(TD0016) Mufrek Local Police Station: (TRA Non Active Station) PTT-D conducted a night mission to Khatoon LPS (Mufrek Substation) and spoke with CPT [redacted] (b)(6), (b)(7)c. The CPT advised the IP and IA are working well together. CPT [redacted] (b)(6), (b)(7)c advised a known insurgent was captured by the IP. The individual had information as to who was setting IED's in the area. This information was turned over to CF. Training was conducted for 2 officers on community policing and force protection for the station. The training lasted 45 minutes.

PTT-D conducted a night mission to Mufrek LPS and spoke with LT [redacted] (b)(6), (b)(7)c who stated that the IA is preventing them from doing their jobs. He advised the IP are being detained by IA if they leave the IP compound. LT [redacted] (b)(6), (b)(7)c stated supplies are still not being given to them and requests are going unanswered. Training was conducted with 8 IP on community policing techniques. The training lasted 1 hour.

(TD0024) Diyala Provincial Police HQ: (TRA Level 3) PTT-P traveled to IPS HQ and met with LTC [redacted] (b)(6), (b)(7)c, Chief of Logistics, to obtain the weekly logistics reports. LTC [redacted] (b)(6), (b)(7)c advised that Mansuriyah has not yet picked up their allocation of SA-58 rifles. One armor's tool kit was issued to logistics to use to repair weapons held at IPS HQ. LTC [redacted] (b)(6), (b)(7)c was advised by MOI that there are 4,000 AK-47 rifles and 400 PKM at MOI in Baghdad for the Diyala province. Once a written order is received, they will pick up the arms. LTC [redacted] (b)(6), (b)(7)c has not yet received any requests from Balad Ruz QRF for the repair of their building.

PTT-P met with MAJ [redacted] (b)(6), (b)(7)c, Chief of Communications who advised that he is awaiting the orders from COL [redacted] (b)(6), (b)(7)c at the Baqubah JCC for the turnover of all the internet systems in the province from CPATT to Diyala ownership. The equipment is already in place, but this order will officially transfer the equipment into his inventory. The base station for Baqubah has not been reprogrammed and MAJ [redacted] (b)(6), (b)(7)c is awaiting assistance from COL [redacted] (b)(6), (b)(7)c for this issue as well.

PTT-P met with COL [redacted] (b)(6), (b)(7)c, Chief of Vehicles, and learned that he has not yet received the written order from MOI to pick up the Ford parts from Baghdad. COL [redacted] (b)(6), (b)(7)c advised that Khalis has picked up 4 up-armored vehicles form Warhorse. Khan Bani Sa'ad is ready to drop off their 5 vehicles for the same work as soon as they receive word that Warhorse is ready.

PTT-P also visited IPS HQ and attended the weekly staff meeting. After the meeting PTT-P spoke with COL [redacted] (b)(6), (b)(7)c, Head of Training, and received the updated training numbers and the monthly training schedule for October.

(TD0032) Kanan Local Police Station: (TRA Level 2) PTT-D met with CPT [redacted] (b)(6), (b)(7)c and arranged for a staff meeting with all the officers at the station as well as the officers at the satellite stations. The purpose of the meeting was to assign certain job functions to each of the officers, as well as train and advise the officers how to complete these job functions. Several issues were addressed and the Chain of Command for the station and HQ was established. PTT-D also passed out log books so each of the officers could start their assignments and record keeping.

Compiled by [redacted] (b)(6), (b)(3), (b)(2)

[redacted] (b)(6), (b)(3), (b)(6), (b)(3)

(TD0035) Khalis District HQ: (TRA Level 3) PTT-D conducted a night mission to Khalis LPS and met up with the MOI badgers. PTT-D then escorted the badgers back to FOB Warhorse. PTT-D did not speak to any IP due to the escort and other missions.

(TD0104) Diyala Provincial QRF (Neshda): (TRA Level 3) PTT-D conducted a midnight mission to QRF IP station and spoke with CPT [redacted] PTT was advised that, due to the Ramadan holiday, no IP would be available for training at this hour.
PTT conducted a force protection assessment while at the station and noted the IP had all proper equipment, but did not use the gear due to the hot weather. Upon departure of the station, the Team visited two check points and found the IP were not wearing their protective equipment and appeared to have been sleeping prior to the Team's arrival.

Salah Al Din

MCC: On this date, the first terrorist case was heard in front of the MCC. The case was on Saleh Mayah Ahmed charged with crimes against the people of Iraq. The defendant was found not guilty of the crime of terrorism. PTT spoke with Chief Judge [redacted] who stated that the case was too weak and the arresting IP was not present to give his sworn testimony on the terrorism case. Chief Judge [redacted] stated that he spoke to the IJ's about the cases not being ready when they come to him. He said that the case files are missing important documents and the witnesses need to be ready to come before him on the day of court. Judge [redacted] asked to met with all the IP investigators from High Crimes to explain the problems with the case files. PTT told the judge that they will arrange for these meetings as soon as possible. The Judge then spoke about the security in and around the court house, Chief Judge [redacted] stated that the security team was the best he has seen in the area. Judge [redacted] then asked if the PTT would train up the FPS security as well. PTT recommended that the IP security team do the training.

(TA0050) As Sanyiah DHQ: (TRA Level 3) The Team noted 15 IP on duty including the Station Commander, Colonel [redacted]. PTT conducted a block of instruction on reaction to an ambush while on patrol. Personnel numbers at the station was low today due to the Ramadan holiday, with most were being utilized for force protection

(TA0042) Al Salam LPS: (TRA Level 3) Chief [redacted] assisted PTT with identifying IP that may not have been entered into the HIDE System. PTT assisted CPT [redacted] with training 4 IP in contact/cover and weapons handling when confronting armed subjects. PTT also covered the proper care and use of the issued helmet at the request of CPT [redacted].

(TA0605) Tuz District HQ: (TRA Level 2) PTT met with COL [redacted] and he advised there was a hoax IED in the city this morning which was described as a bag with wires protruding. This device was used as a scare tactic at the education building. PTT asked about the progress of the checkpoint buildings and the COL advised that construction was nearly complete. COL [redacted] advised he currently has 8 trucks in need of repair and he is in need of parts. He was told to request parts from Tikrit.

COL [redacted] advised PTT he was requested by MOI to come to Baghdad, but he has declined to go due to the fact there have been several attempts on his life in the past month. The COL believes this request is an excuse to have him travel to Baghdad for another assassination attempt.

(NO FFID) Sulyman Bak: (TRA Level 3) PTT met with LTC [redacted] and asked for information about a reported IED explosion. LTC [redacted] stated that the IED was at the house of an IP in which ten people were injured. It was further reported that after the initial

explosion at the front gate of the victim's house, two subsequent explosions occurred at approximately fifteen minute intervals in close proximity at the front of the victim's house.

Mosul (MND-N) [redacted] (b)(6), (b)(3)

Ninewah [redacted] (b)(6), (b)(3)

(NO FFID) 5th Emergency Response Battalion: (TRA Unknown) ERB/ERU PTT traveled to the 5th Emergency Response Battalion (ERB) to conduct a station visit and training. PTT met with LTC [redacted], Battalion Commander. LTC [redacted] agreed to support the training tentatively scheduled for late October. LTC [redacted] will request necessary beds and bedding for the 60 students. LTC [redacted] advised that he would like for the students to receive training on firearms with the primary emphasis being on the AK47 rifle and traffic check points during the one week class. PTT agreed to work with LTC [redacted] and training was conducted on basic Firearms Safety, Glock pistol and Fundamentals of Marksmanship.

(NO FFID) FOB Q-West: (TRA Level UNK) PTT conducted training for thirteen IP at the Advanced Training Center located on FOB Q-West. The training consisted of AK47 fundamentals, AK47 PMI and range operations. No other station visits were conducted due to combined military operations in the AO.

(MN0016) Al Kisik LPS: (TRA Level 3) PTT collected current information for station reports. PTT conducted training on the topic of the use of force pertaining to crowd control. PTT conducted this training with LT [redacted] so he could train the station IP's as this LPS continues to be without a training officer. PTT suggested that the station commander forward a request to DHQ to send an officer to the training officer school. PTT also inspected the administrative area of the station where all records seemed to be in order. However, the administrative offices as well as all other offices are extremely lacking in the area of furniture necessary to facilitate tasks effectively.

(MN0027) Al Tahadi LPS: (TRA Level 3) PTT spoke to LT [redacted] who reported the AO was quiet. LT [redacted] said they arrested the brother ([redacted]) of the person who was blown up while attempting to put together an IED. LT [redacted] said they checked [redacted] cell phone and, as a result, arrested another person [redacted]. PTT spoke to the Armorer and requested he conduct an exact count of ammunition. PTT and the IP conducted a joint mounted patrol in the AO.

(MN0056) Ninewah Provincial Headquarters: (TRA Level 2) PTT met with General [redacted] of Operations. BG [redacted] provided PTT an overview of police related activities over the past 24 hours. 434 Detainees were noted to be present in a facility that is made for only 200 inmate personnel. PTT visited the Personnel director who reported 397 Total Recruits for the month of September

PTT made a check of vehicles and it was reported that the Ninewah provincial team has 1675 total vehicles, of which 1588 are usable. Logistics commander reports that they only receive seven liters of fuel per day per vehicle when 45 liters per day per vehicle is needed. The station generator provides electricity for the entire building.

PTT met with COL [redacted] and LTC [redacted] who reported plans were laid for additional training for the month of October. The training staff wants specialized training for IP's who patrol. The staff stated the Patrol IP's are in need of small unit tactics. In addition, they wish the training to occur at the facility on Marez. PTT advised the staff that the request would need to be forwarded to the different personnel who are charged with the different operations involved.

In MPSA class 24, there are 151 students, from the Mosul area. MPSA Class 25 continues with 236 students from Tall Afar and 53 from Mosul. The Police Station Training Officer Course began on this date. The class has 21 officers from the Mosul area.

(MN0099) Major Crimes Unit/ Major Terrorist Unit: (TRA Level 2) PTT met with COL [redacted] commander of MCU, to gather additional information needed to replace the vehicle damaged by CF. PTT also met with LTC [redacted] to obtain copies of the IJ/MTU request from the 20Sep07 Investigative Judge (IJ) meeting. PTT reviewed these request with LTC [redacted] and will begin distributing them to the appropriate stations. PTT then put together an additional list of criminal cases where PTT is still waiting for copies of request from MTU. PTT will present this list to COL [redacted] upon his return to MTU.

(MN0131) Bughah LPS: (TRA Level 4) PTT mission this date was to carry out a joint patrol with IP from Avgani LPS, Bughah LPS and Al Salaam LPS. After meeting with MAJ [redacted] at Bughah LPS, PTT requested to conduct a patrol at the "Karhorte Village". A joint patrol with six IP and one IP vehicle was carried out without incident. PTT departed Bughah AO to Al Salaam LPS to continue with mission objective.

(MN0209) Avgani LPS: (TRA Level 3) PTT mission this date was to conduct a night mission to Avgani LPS and carry out a joint patrol with IP. PTT was met by OIC. There was no new information gathered regarding ACF activity. Ten IP with two trucks joined PTT on a mounted patrol of the city. The IP were prepared displaying their helmets and vests and showing more discipline than the evening before. After an inspection of the IP weapons for cleanliness and worthiness, PTT departed the LPS for begin the mounted patrol. The IP patrol was carried out without incident.

(MN0222) Rabiyah DHQ: (TRA Level 2) PTT was informed that the IP have no information regarding insurgent activity. PTT conducted a joint dismounted patrol with the IP from the Rabiyah LPS. No suspicious activity occurred during the patrol. PTT traveled to the checkpoints in Rabiyah to check on the status of the IP. PTT found one checkpoint unmanned. The IP were on the roof of the building next to the roadway adjacent to the checkpoint. IP stated that they are not required to stand at the checkpoint at night because there is no traffic and they come down from the roof when they see a vehicle approaching. PTT advised the IP that this is unacceptable and the issue will be addressed with the station chief. PTT found the IP at a second checkpoint not wearing body armor or helmets. PTT advised the IP that they should wear the equipment for their own protection.

(MN0962) Al Salaam LPS: (TRA Level 2) LTC [redacted] reported that his IP had recently carried out an operation with Hassanqoi IP which led to the arrest of a target listed as wanted for ACF criminal acts. PTT encouraged [redacted] to continue working with Hassanqoi LPS IP in similar patrol operations. [redacted] had limited information about the suspect or the crime he committed, but said that the source came from a jailed suspect who gave the information to IP authorities. PTT encouraged [redacted] to continue rehearsing the LPS plan of action in the event of a police station attack. [redacted] agreed to a monthly rehearsal of the LPS plan of action with his IP. PTT departed the LPS after [redacted] provided twelve IP and two trucks to assist PTT in a joint patrol of the city. The mounted patrol was without incident.

At Tamim [redacted]

(NO FFID) ERU: (TRA Level 2) PTT observed the station training officer who was talking to the IP about future training. Station stats were obtained and the PTT team conducted a joint patrol with an ERU unit to gather information on the local fuel stations for the military.

Compiled by [redacted]

(TT0002) Alton Kupri Patrol Police Station: (TRA Level 2) PTT met with the chief, COL [redacted] (b)(6), (b)(7)c. Statistical information was obtained along with a review of recent activity within the station's area of responsibility. PTT obtained the number and locations of the fuel stations in the area, traveled to them all and obtained grid coordinates for their location. Additionally, PTT traveled to the fuel stations used by the Dibbis and Sagaran police station and obtained the grid coordinates.

(TT0005) Kirkuk Provincial HQ: (TRA Level UNK) PTT met with BG [redacted] (b)(6), (b)(7)c and discussed the Senior Management Course planned for January. BG [redacted] (b)(6), (b)(7)c was very enthusiastic about the course and stated that his chiefs are in need of such a course. BG [redacted] (b)(6), (b)(7)c provided PTT with the names of those who will attend the course.

PJCC: PTT met with COL [redacted] (b)(6), (b)(7)c and discussed the communication issues with new personnel. PTT advised of techniques to open channels between the two parties.

(TT0009) Domies Patrol Police Station: (TRA Level 1) PTT made contact with the station chief and shift commander. PTT checked fuel station ethnicities and reviewed for adequate security and enhancements. PTT made arrangements for a night joint patrol and planed routs including goals with objectives. PTT included the station FTO in the planning and requested his suggestions before the mission's execution.

(TT0099) Kirkuk Major Crimes Unit: (TRA Level 2) PTT met with LTC [redacted] (b)(6), (b)(7)c and discussed the Emergency Action Plan. A walk through will be done during the next visit and the validation of the plan to follow. An After Action Plan of the exercise will be done and any actionable items that are noted will be entered into the EAP by LTC [redacted] (b)(6), (b)(7)c PTT added IP members to the HIDDE system.

(TT0910) Aydallah Patrol Police Station: (TRA Level 1) PTT observed the guard mount. IP were present and a briefing of the last 24 hrs was conducted. PTT talked to the logistics officer about his logs. PTT checked the log and compared it to the number of vests the station had. The log was correct. PTT also visited the detention room. The detainees looked healthy and there appeared to be no human rights violations.

Irbil [redacted] (b)(6), (b)(3)

(MI0001) Irbil Provincial Police Directorate: (TRA Level 2) PTT met with CPT [redacted] (b)(6), (b)(7)c to discuss the changes in districting in the Irbil Province. PTT learned that there have been numerous changes of commanding officers at stations and assignments of stations to districts. PTT discussed the stations that no longer exist and the stations that have been recently created, or were not on the MFL. CPT [redacted] (b)(6), (b)(7)c informed PTT that Crime Combat had a new station that he called Intermediate Station and that there was a United Nations Police Station at the UN Compound. PTT will attempt to obtain Grid and other information on these additional stations.

(MI0275) Irbil Provincial JCC: (TRA Level 3) PTT discussed with PJCC staff the recent request for approval of the Emergency Response Plan developed jointly between PTT and PJCC. PJCC staff advised they were having the document translated into Kurdish so the commander could approve or disapprove, then it would be submitted to the Governor for his approval. PTT also spoke briefly about a proposal made by PTT in reference to having an emergency line put in that is for the general public to call in an emergency situation, similar to a 911 system in the US. PJCC advised they were still considering such an option, but advised that without a budget of their own it would be almost impossible to pay for this extra

line. PTT advised that the budget issue was going to be proposed to the office of the MOI in the very near future.

(MI0606) Irbil National Crime Lab: (TRA Level 3) PTT obtained information regarding the established Explosive Ordnance Detachment (EOD) assigned to the Irbil area of operations. BG [redacted] of the Irbil National Crime Lab informed PTT that the EOD was split between the Assayish and the Irbil Civil Defense Police. A request for assistance had been received for the purpose of assembly of the Andros Bomb Robots. PTT attempted to make contact today with the Provincial Chief of Police (PCOP) BG [redacted] with negative results. PTT will continue to try and contact him in order to set an appointment for a meeting. This could occur as early as (date withheld). BG [redacted] is of the opinion that a good working relationship between the Irbil National Crime Lab and the EOD Unit will be beneficial to both parties.

(MI0606) Irbil National Crime Lab: (TRA Level 3) PTT met with BG [redacted], the Deputy Commander of the Lab. BG [redacted] was briefed on the requests for training on the Nikon camera systems and expressed a high degree of interest in the projects that were discussed. As with all requests for training and/or information, BG [redacted] referred PTT to MG [redacted] for any decisions that need to be made. BG [redacted] also expressed an interest in advanced technical training upon completion of the new Lab facility. It is generally understood that the new facility could be ready for occupancy in as few as two months. A more realistic evaluation would be closer to four months for completion. BG [redacted] was briefed on the installation of the Agilent Technologies Mass Spectrometer and agreed with the decision to install it once in the new facility. This will eliminate the need to disassemble a sensitive analyzer and subject it to possible damage. PTT was invited to return to finalize the course curriculum and dates with MG [redacted].

Sulaymaniyah [redacted]

A convoy arrived with computers for the region and IPA spent the day unloading and counting equip. IPA was assisted by IPA from Irbil and IPA from the Sulay academy. IPA met with the Assaish and the Military from PB Andria with civilians who had information concerning criminal activities in the area.

Dahuk [redacted]

(MD0002) Dahuk Provincial HQ: (TRA Level UNK) PTT met with MG [redacted] and spoke to him about several issues. PTT discussed the items located at the warehouse in Mosul. The PDOP stated would like to send a convoy to retrieve the items. PTT will attempt to coordinate this with Mosul to make the trip as easy as possible. PTT also spoke about a new district called Badaresh which was recently opened. PTT obtained data on this new district to pass on to CF. The PDOP was also notified of the possible arrival of some computers in the next week. PTT explained to the PDOP that the delivery had been delayed several times and was scheduled to arrive in Sulaymaniyah (date withheld). PTT will advise the MG as more information is available.

(MD0009) Sarhildan LPS: (TRA Level UNK) PTT reported to Sarhildan LPS for the scheduled class in Community Policing. MAJ [redacted] advised that due to a schedule change, the students for the class would not be available on this date. In accordance with his wishes, the class was rescheduled to begin on (date withheld).

(MD0099) Major Crimes Unit: (TRA Level 3) PTT met with CPT [redacted] of MCU and discussed the case of a suspect arrested for growing Marijuana on his property. Information on the suspect indicates the suspect lived in the Netherlands for approximately ten years then returned to Kurdistan area in the past eight months. All of his plants were collected,

seized, and tagged as evidence. The suspect admitted to the ownership of the plants, and at this time no others possible suspect have been identified. PTT spoke with some of the investigators about their evidence collection kits and what they take with them to a crime scene. PTT also spoke to them about picking two investigators for a Crime Scene PTT would like to conduct in the near future. The PTT would like to have two investigators who can train the first responders on how to secure a crime scene and prepare it for their arrival.

Ramadi (MND-W)

Al Anbar

(b)(6), (b)(3), (b)(6), (b)(3)

(RA0002) IP Headquarters PHQ: (TRA level 3) The Provincial Police Transition Team (P-PTT) met with the Provincial Chief of Investigations who recently returned from Al Qaim where he and two others are investigating the double hanging allegedly conducted by a tribal chief and not the judicial system.

P-PTT is in the process of issuing martyrs pay. The 2 recently hired female Iraqi Police (IP) are conducting searches of women entering the compound to receive pay. P-PTT assisted jail personnel receive supplies from the Provincial Logistics Officer. The items received were approximately one third of the total requested. P-PTT and the Chief of Administration finalized their organizational chart for presentation to the Provincial Chief of Police. P-PTT assisted jail officers as they trained 22 IP assigned to the jail in the searching of detainees.

P-PTT noted a continuing problem with the Internal Affairs (IA) Section. The Colonel in charge of the IA has stated to PTT in the past that he works directly for the Ministry of the Interior and not the Provincial Chief of Police. A secondary internal affairs unit has a Major in charge. He is apparently afraid of the IA Colonel and refuses to cooperate with P-PTT, even though he allegedly reports to the Provincial Chief. P-PTT will visit the Ministry of the Interior in the near future to try and determine the correct command relationship of these IA sections.

(RA0005) Amariyah Patrol Police: (TRA level 3) An extended visit is in progress. No daily station report was obtained due to limited communications. A comprehensive report will be submitted upon return.

(RA0010) Tameem: (TRA level 3) The Police Transition Team (PTT) was assigned to over watch for Coalition Forces engineers constructing barracks for Iraqi Police at Tameem Station. PTT members met with the Station Chief to discuss force protection and other improvements to the facility.

(RA0016) Ferris Station: (TRA level 3) An extended visit is in progress. No daily station report was obtained due to limited communications. A comprehensive report will be submitted upon return.

(RA0022) IHP-7: (TRA level 2) No station visit was conducted. Military members of the Police Transition Team (PTT) were tasked with operations not related to the PTT mission.

(RA0025) Al-Hurvia: (TRA level 3) No station visit was conducted. Military members of the Police Transition Team (PTT) were assigned to operations not related to the PTT mission. PTT members met to discuss issues involving detainees and our objectives for the next station visit.

(RA0029) Jazeera: (TRA level 3) The Police Transition Team (PTT) reviewed the packet for a homicide case which is scheduled for trial next month. PTT members reviewed the

detainee movement log, inspected cells, and checked all detainees for abuse; no adverse issues were noted.

(RA0052) IHP-6: (TRA level 2) The Police Transition Team traveled with IHP Command Staff and Coalition Forces Engineers for sight surveys of possible station locations.

(RA0060) Saqlawiyah Station: (TRA level 3) An extended visit is in progress. No daily station report was obtained due to limited communications. A comprehensive report will be submitted upon return.

(RA0070) Civil Camp Police Station (Habbaniyah): (TRA level 3) The Police Transition Team is providing an 80 hour training course at Camp Habbaniyah.

(RA0071) Coolie Camp Police Station (Habbaniyah): (TRA level 3) The Police Transition Team is providing an 80 hour training course at Camp Habbaniyah.

(RA0072) Rutbah District Police HQ: (TRA level 3) The Police Transition Team (PTT) assisted Iraqi Police (IP) as they worked on force protection and made fortifications to station Hesco barriers. The PTT inspected the detention facility and checked the welfare of detainees; no issues were noted.

(RA0081) Hit Dist HQ: (TRA level 4) The Police Transition Team escorted Iraqi Police from Hit District Headquarters to Al-Asad for training. The PTT continues an attempt to obtain accurate hiring and training records for the district. PTT members met to discuss upcoming operations.

(RA0083) Hadithah District HQ: (TRA level 3) Police Transition Team (PTT) members escorted 3 Iraqi Police (IP) to Al Asad for a 5 day First Line Supervisor Course. PTT members, with the assistance of Coalition Forces, provided 10 IP with advanced police tactics training. This is the second day of a five day course.

The PTT and Coalition Forces participated in 3 IP patrols; no issues were reported. PTT members provided corrective guidance as needed through out the operations. IP Logistics Officer, with the assistance from the PTT, submitted a request through their chain of command for uniforms, radios, ammunition and other equipment. The IP are scheduled to become completely responsible for their own logistical requests through the Provincial Chief of Police in Ramadi. The PTT will no longer provide the IP with any logistical support. The PTT has mentored IP to prepare for this change.

(RA0095) Baghdadi DHQ: (TRA level 2) The Police Transition Team (PTT) conducted an inventory of ammunition. The PTT provided training for Iraqi Police on community policing. The training was well received and Iraqi Police have been observed implementing these skills during daily operations.

(RA0102) Husaybah LPS: (TRA Level 2) Delayed reporting due to limited communications.
22 September 2007 The Police Transition Team (PTT) carried out an end of week review of training and met to plan the upcoming training schedule. The PTT also convoyed to Camp Al Qaim to attend a weekly meeting with the Coalition Forces Command Staff.

23 September 2007 No station visit was conducted. The Police Transition Team (PTT) was tasked to assist the Hit District Headquarters PTT with duties related to a detainee release.

(RA0103) Sadah Local Police Station: (TRA level 3) The Police Transition Team (PTT) carried out an end of week review of training and met to plan the upcoming training schedule. The PTT also convoyed to Camp Al Qaim to attend a weekly meeting with the Coalition Forces Command Staff.

(RA0106) Tal Aswad Local Police Station: (TRA level 2) The Police Transition Team (PTT) made a station visit to IP2, a sub-station of Tal Aswad. The PTT participated in a 1 hour Iraqi Police foot patrol. The foot patrol travel through the market area and interacted with the local population.

The Station Chief voiced concerns about logistical support. The Station Chief was mentored on the proper method to request vehicle maintenance and logistical support through the District Headquarters. The PTT advised him to keep a copy of the requests in a file for follow-up as needed.

(RA0133) Habbaniyah District HQ: (TRA level 4) The Police Transition Team attended the District Station Chiefs meeting. The District Chief explained to the Station Chiefs the importance of activity logs. A pay schedule was disseminated to all Station Chiefs and issues concerning vehicles and fuel were discussed.

(RA0134) Khaladiyah Police Station (Habbaniyah): (TRA level 2) No station visit was conducted. The Police Transition Team was assigned to convoy operations.

(RA0252) Fallujah JCC: (TRA level 4) The Police Transition Team met to prepare for a 3 day Crime Scene Investigation Course that will be taught at the Iraqi Training Center. Approximately 20 mid-management level Iraqi Police are scheduled to attend.

(RA0807) Fallujah Local Police: (TRA level 3) This station is co-located with the Fallujah District Headquarters. The International Police Advisor is conducting in-service training for the Fallujah District.

Iraqi Police Professional Leadership Development Course (IPPLDC): The cadre continued to plan for an upcoming Logistics/Budget Course and prepared the next 90 day training schedule. An International Police Adviser (IPA) is traveling with military members of the Police Transition Team and 2 Iraqi Police (IP) Administrative Officers to collect IP pay. The group will also meet with Provincial counterparts in reference to logistics and budget procedures, the Field Training Officer program and detention administrative forms to be utilized throughout the district. An IPA alsotraveled to Al Asad to attend the 2 day AO Denver IP "way ahead" conference.

PSF-4 (Camp Fallujah): The Police Transition Team continued providing training for 50 Provincial Security Forces recruit at the Iraqi Training Center. Classes covered patrol tactics, vehicle stops, building entry and weapon safety.

Baghdad (MND-B) **Unassigned**

Baghdad [redacted] (b)(6), (b)(3)

(BC0002) Abu Ghraib Local Police Station: (TRA Level 3) The team delivered the new Kharkh Directorate supply forms to the station. Training issues were discussed with the station commander and the station training officer. PTT continued registration of IP into the HIIDE System. Force protection issues were also discussed.

The team spoke with both Colonel [redacted] and Lieutenant [redacted] about the scheduled training for the new group of IP graduating and being sent to this station. Lieutenant [redacted] would like to train the IP himself and put them on 2 hours daily training for the next month. The new IP will be divided between force protection and outside patrol/check point teams and trained more in their particular specialty.

(BC0003) Airport Police Local Police Station: (TRA Level NA) The BIAP IPAs continue to monitor the morning IP Guard Mount. The briefing and personnel inspection was conducted and the IP was assigned to their post. The BIAP IPAs instructed the BIAP & French Village IP station class in basic first aid. The BIAP IPA instructors are also assigned to the terminal area when not attending to other duties. They continue to observe and mentor the IP as they patrol their assigned area of duty. The BIAP IPA assigned to the terminal area continues to maintain a presence in that area.

(BC0007) Al Adhamiya Patrol Police Station (East): (TRA Level 2) The PTT team met with CAPT [redacted] and began issuing the new Baghdad identification badges to the IP. The Team met with GEN [redacted] and was advised of no significant incidents.

(BC0022) Al Kadhimaya Patrol Police Station (West): (TRA Level 2) The team met with Major [redacted] who stated he does not have any new information about the IED that exploded a few days ago. He also stated that Lieutenant [redacted] has been arrested for taking bribes. Lieutenant [redacted] is the payroll Officer for Kadhimiyah Patrol station. The team will continue to investigate the matter.

(BC0023) Al Kadhimaya Traffic Police Station: (TRA Level 2) The team provided that station's personnel with at training scenario to test the IP ability.

(BC0025) Al Karada Patrol Police Station (East): (TRA Level 1) No Interpreter was available for this mission. IP were issued badges and processed with the HIIDE system. The Team met with Colonel [redacted] and advised of corruption that was occurring at various stations, but failed to provide specific information on locations and persons responsible.

(BC0026) Al Karamah Local Police Station: (TRA Level 2) The PTT team met with MAJ [redacted] who advised no significant events within the last 24 hours. Four new Baghdad identification badges were handed out and more IP were processed for badge information. The PTT team trained IP in Dynamic Takedowns, and conducted a series of interviews with IP to ascertain their needs for future classes.

(BC0042) Al Meshahadah Local Police Station: (TRA Level NA) The team was advised of an MOI bulletin that stated the correct procedure for the re-hiring of past IPs that have quit or have been fired. The team gathered the day's station numbers and spoke with Lt. Col. [redacted] about the days events. The team inspected current construction and found it was of the poorest quality with many problems remaining. It is unknown if the contractors were paid for the work of if they will return to correct the problems. The team was asked by the land holder to have the Meshahdah IP gather 30 bullet proof vests with plates to be delivered later to the Taramiya FPS. The vests were to be used by the CF security force being assembled to help stabilize Taramiya. The team assisted in the vest transfer. The team also conducted training in Criminal Intelligence with 12 IP and one officer in attendance. The Lt. used the day's events as examples for the class.

(BC0043) Al Muthana Local Police Station: (TRA Level 2) This visit was used to conduct interviews of the station commanders to complete the military BIO on station commanders. Training was discussed and a tentative schedule was put in place with input from Lt [redacted] on what training his IP's needed. IP's were given a short class on how to set up a hasty

checkpoint. They were instructed on searching cars on a random basis during hasty checkpoints.

Joint patrols were conducted with 1 Commissioner and 4 IP. During the patrol a hasty checkpoint was set up to search cars in the area of Restaurant Road. This location was chosen because of the high amount of IED / EFP strikes on coalition forces recently. The checkpoint was conducted for 20 minutes to avoid prolonged exposure to dismounted patrols.

(BC0047) Al Quds Local Police Station: (TRA Level 2) The PTT Team met with MAJ [redacted] who stated that a patrol found a dead body that was bound and shot in the head. The PTT Team mentored the IP in the investigation. The PTT team issued fifteen badges and conducted a joint mounted patrol with four IP.

(BC0049) Al Rashad Local Police Station: (TRA Level 2) The Team conducted training with 4 IP on hand gun retention and disarming techniques. A joint mounted and foot patrol was then conducted in the outer area of Muhalla number 733.

(BC0051) Al Rasheed Local Police Station: (TRA Level 3) Training consisted of demonstration and practical exercise of 5 different methods of quickly transporting an injured party out of the danger zone. IP were also trained on methods of ensuring proper care during the transport so as to not add to injuries. Electrical service is becoming more intermittent and impacting training. A memo was sent up to MMD HQ Requesting a mechanic repair the generator, but no repairs have been made as of this date. Gen. [redacted] gave IPs direct orders not to run generator until repairs are made. Al Raheed Station received approximately 3 hours of power during the teams visit off the local power grid.

(BC0056) Al Sa'adoun Local Police Station: (TRA Level 2) The Team continued the badge issue process. T-walls for force protection arrived the previous day and should be in place within the next few days.

(BC0059) Al Sha'ab Local Police Station: (TRA Level 2) The PTT team met with MAJ [redacted] who reported that there were no significant events over the last twenty-four hours. MAJ [redacted] advised the PTT Team of his manning level. MAJ [redacted] stated that six of his eighteen vehicles are fully operational and the lack of vehicles was making it extremely difficult to police in the community. MAJ [redacted] also advised he is reviewing his officers to fill the position of Training Officer. MAJ [redacted] advised the PTT team they are currently detaining nineteen. The PTT team compiled information from the IP and disseminated badges to those that were not in attendance on the last date and time.

(BC0062) Al Suleikh Local Police Station: (TRA Level 2) The PTT team met with COL [redacted] who stated that his IP found two dead bodies. The two males were bound and shot in the head. One male was identified as an Iraqi Captain from the Jearfer district. The PTT Team mentored the investigators on the investigation. The PTT Team took four IP on a joint mounted patrol and they were taught about the proper patrol techniques and community policing.

(BC0073) Al Yarmouk Patrol Police Station (West): (TRA Level 2) The team trained 6 IP and 2 civilians on first aid. The team also stopped at two checkpoints during a joint patrol. Each checkpoint had 3 IP and a vehicle. The IP stated they are checked on every two hours by their supervisor.

(BC0075) Al Zaafaranyah Local Police Station: (TRA Level 3) Training was conducted on how to control bleeding. The team met with the station commander, COL [redacted] and

discussed seven suspects that were suspected of Bank robbery. The seven suspects were detained with 680 million Dinars in their possession. It is believed that the suspects robbed a convoy by setting up a fake checkpoint. Also discussed was the checkpoint north on route Wild past the overpass near Airport Rd. On two occasions the checkpoint has not been manned when inspected. COL [redacted] says that he is aware of the situation and has taken steps to discipline the IP's responsible.

(BC0079) Bab al Muadam Patrol Station: (TRA Level 2) CAPT [redacted] gave information about five arrested subjects. They were suspected of being insurgents, and were currently being held in the detention facility. The PTT followed up on the fourteen year-old juvenile male to check his welfare as a follow up about his nourishment, housing arrangements and incidents of assault. Along with inspection of his person for injuries and cleanliness, it appeared that the situation had been rectified. CAPT [redacted] stated that an order from a judge was pending regarding the juveniles placement.

The PTT conducted training with six IP regarding weapons safety, muzzle awareness and community policing prior to conducting a joint mounted and dismounted patrol. During the dismounted patrol, IP were observed utilizing covered material.

(BC0081) Bab al Sheikh Local Police Station: (TRA Level 2) The PTT team met with LT [redacted] to discuss damaged equipment, replacement of this equipment, identification badges, staffing numbers, vehicles and force protection improvements. The PTT team also conducted a mounted and foot patrol.

(BC0090) Boob Al Sham Local Police Station: (TRA Level 3) Tthe Team spoke with Capt. [redacted] and received the stats for the station. A joint patrol was conducted with both the IP and the IA. A dismounted patrol was also conducted in Boob Al Sham business district. Foot traffic was light due to the holiday as the IP conducted interactive communications with the citizens who were out on the street. The Team checked the armory and conducted a vehicle inventory.

(BC0097) Latifiya Local Police Station: (TRA Level 4) The new IPA was introduced to the IP at the station. Two hours were dedicated to weapon retention of the AK-47 as well as weapon takeaway.

(BC0100) Mada'in Patrol Police Station (East): (TRA Level 2) Training was conducted with the tower guard personnel covering fields of fire and 360 degree coverage of the station. The team then conducted a joint patrol with the IP.

(BC0111) New Baghdad District Police HQ: (TRA Level 2) The Team used this visit to acquire a 30 day training schedule for the IP at this station while working with Col. [redacted] to develop a training schedule that is relevant to IP duties and knowledge base.

(BC0112) New Baghdad Local Police Station: (TRA Level 2) The Team met with Col. [redacted] and discussed issues about the new security system at the station. The Colonel was instructed that they need another monitor and at least 4 more cameras. The team then discussed the construction that has been started on the 2nd floor of the station. Training was conducted for 8 IP and 1 Officer on the topics of Officer Safety, Person Searches, Vehicle Searches and Weapons Safety. The team then left the station and conducted mounted patrol with 1 IP vehicle and 3 IP through Mahala 702.

(BC0113) New Baghdad Patrol Police Station (East): (TRA Level 2) This visit was used to complete station commander's bio, as well as to develop a training schedule with his IP. Col. [redacted] showed produced a training schedule that has been completed, and regular

classes are taught between 0900 and 1400 by Commissioner [redacted]. Training was conducted with 12 IP on conducting nighttime checkpoint operations. The class was instructed primarily by Commissioner [redacted], and the IPAI assisted.

(BC0114) New Baghdad Traffic Police Station: (TRA Level 1) The Team met with General [redacted] who stated that the station has 261 IP total, including officers. Fuel is delivered at a rate f approximately 1000 liters every other day for the station. The General stated that they are down 1 vehicle due to a recent IED attack that injured 4 IP and disabled one vehicle. The team discussed repairs being needed at the station and the station receives approximately 2 hours of power in the morning and 2 hours of power in the evening. The military counterpart stated that when they submit their station report it will reflect all the deficiencies at this station.

(BC0117) Risalah Local Police Station: (TRA Level 3) The Team met with the new station commander to inquire if the commander had any current concerns. The commander advised that everything appears to be in good order. He would like to see more T-walls around the perimeter of the station and at certain key points. The Team spoke with the commander on the issue of establishing FTOs prior to the 150-200 IP expected to report for duty (date withheld). The Team also asked the commander to begin considering assigning a permanent training officer. The Team then continued to input additional IP into the HIIDE system.

(BC0119) Al Rusafa Patrol Station (East): (TRA Level 2) PTT team found inconsistency with the number of personnel that MAJ. [redacted] is reporting. There is an inconsistency of seventy IP between what MAJ [redacted] shows on his records and what the team is showing. PTT team is unable to get any staff or the station commander to verify the numbers.

(BC0120) Rusafa Police Directorate HQ: (TRA Level 1) The team continued to issue IP Badges. The total issued thus far is 307. The Team met with the Station Commander and the ERF Commander to discuss the erection of a protective shelter for the training area at the rear of the station. The Team also met with the Administration OIC to collect an updated Rusafa station section roster. The Team asked the Station Commander to check on a report we received about a 14 year old handicapped boy being held at one of the Rusafa IP stations.

(BC0122) Sheikh Saad Local Police Station: (TRA Level 3) The Team met with Major [redacted] and stats for the station were collected. There is no information as to when the generator will be worked on. The Major was advised to contact MOI or the contractor to get further information. A joint patrol was conducted in Antesar. The IP manned 1 truck occupied by 3 IP. Verbal communications were encouraged between neighborhood and the IP while on a dismounted patrol. The joint patrol inspected the construction on the new station and it appears building materials are good, but the workmanship appears to be questionable. There are still questions about the site location during the rainy season and the force protection issue.

(BC0125) Yousifiya Local Police Station: (TRA Level 4) 5 IP were trained on first aid and pressure points. Chain of Command authority will be a topic for future training of all IP's.

(BC0401) Baghdad Taji IHP Station: (TRA Level 2) The team met with the Personnel Officer who explained how he kept track of payroll. The team inspected last month's payroll roster and gathered information concerning IP that are AWOL. The team also gathered information in regards to missing GLOCK handguns and the steps the Station Commander has taken to recover the weapons. The commander has issued warrant for IP who quit working without returning their handgun.

(BC0625) Mahmoudiyah Patrol Police Station: (TRA Level 3) 8 IP were trained on First Aid and Combat lifesaving. All check points manned by the patrol police were checked during a joint patrol. At one checkpoint an IP was found in possession of a cell phone. In pursuant to the MOI directive on no cell phones at check points, he was taken into custody by the Iraqi Police.

(BC0628) Rusafa Directorate Checkpoint Police HQ: (TRA Level UNK) The PTT team met with CAPT Rawnq who advised that eight officers and IP were working this date. PTT issued new Baghdad identification badges. The PTT team then visited BC0119 to issue badges but found MAJ. [redacted] very difficult to deal with.

Babylon (MND-CS/S) [redacted]

Al Qadisiyah [redacted]

FOB Echo: Training was placed on hold due to miscommunications. Captain [redacted] still is without internet and the communications are still limited. The VISTA program will resume (date withheld) with 20 IPs for the Basic SWAT course and 16 IPs for the Combat Life Support class.

Babil [redacted]

FOB Kalsu: PTT conducted training on FOB Kalsu for 147 Iraqi Police Officers that will make up the north Babil ERU. IPAs trained IP's on Traffic stops and Tactical Check Points.

(BB0032) Babil Provincial Police HQ: (TRA Level 3) PTT team met with Colonel [redacted] in regards to the 2007 budget to see if they were having any problems. The Colonel [redacted] stated that everything on the budget was good and that they did not have any problems. Colonel [redacted] was asked if he had any problem with MOI in getting money that he needed besides what was in his budget and he said that he had not.

(NP9904) Iraqi Camp Charlie National Police Compound: (TRA Level 3) PTT began preparations for training in Crime Scene Management, Evidence Collection and preservation and Weapons Familiarization. Instruction was well received with good participation from the IPs. The ERU Staff was eager to assist the instructors and, in fact, presented relevant material to the students.

Wasit [redacted]

(BW0601) Wasit Patrol Police Station: (TRA Level 2) PTT met with the Commander, Colonel [redacted], as well as the Deputy Commander, Major [redacted], who were both present for the entire meeting. Colonel [redacted] stated that there were no serious incidents to report since the PTT's last visit. The commanders both stated that they have not observed nor have they heard of any insurgent activity in the past few days. Colonel [redacted] went on to state that the new Wasit Province Police Commander, General [redacted], visited their station and spoke with the command staff. Colonel [redacted] stated that, although General [redacted] has made changes in staff at other stations within the Province, he has not made any changes to Vehicle Patrol as General [redacted] is happy with the performance of this station. IPA then discussed training with Colonel [redacted]. Colonel [redacted] stated that he wants much more training for his IPs. The IPA suggested that both the IPA and Colonel [redacted] discuss this matter with the in service training commander, Major [redacted] IPA advised Colonel [redacted] of the First Aid course presently going on for IPs and Colonel

[redacted] agreed that it would be a good start, since the class consists of field tactical care, as well as care under fire.

(No FFID#) Al Killodi LPS: (No TRA Level) PTT Members met with Commander Lieutenant Colonel [redacted]. PTT obtained Bio information from the Commander and discussed man-power issues. He has requested five 5 additional Investigators for total of twelve and twenty-five 25 more IP's. He briefed us on the current Investigative Unit and the reasons for more investigators and IP's. During the meeting, two of his investigators reported current up-date on an ambush that occurred outside the Al-Riead Hotel near PHQ in which two off-duty SWAT members were shot. Both IPs were wounded and currently in the hospital. Victim's vehicle was located in the Daimook Residential area which is in the Killodi AOR. Numerous investigation are on-going. PTT mentored Commander and Investigators on Investigation concerning ambush/shooting.

Dhi Qar / Al Muthanna (PIC)

PIC members attended a SSR meeting with Australian Military officials who passed on intelligence information and daily operations to the team. PIC members prepared lesson plans for Vehicle Check Point Training with the Dhi Qar IPS Provincial Instructors. PIC members prepared for training at the Al Muthanna Police Academy. PIC members will be conducting Crime Scene Investigation Class. PIC members made contact with CPATT in Baghdad regarding the CPATT MOI approved Training Curriculum. PIC members asked for the lesson plans, and have been informed the material will be mailed to Tallil Air Base. The MOI BADGING TEAM arrived in Al Muthanna Province this afternoon without any notification to PIC members or the Australian Military. Members from the Australian Military passed this information to the PIC Team. PIC members delivered combat boots that were donated to the Al Muthanna CIU by the USAF Provost Marshal.

Baghdad River Patrol

(BC0147) River Police Training Center: (TRA Level 2) The Team had a meeting with CPT [redacted], LT [redacted] And BG [redacted] concerning equipment and supply needs for the Academy Class. Lt [redacted] and CPT [redacted] then met with LTC [redacted] requesting these items from MOI. The class was not able to start until Lt [redacted] and CPT [redacted] returned from meeting with LTC [redacted]. The fuel gauge on boat #20 was repaired today. A jack was re-installed on one of the damaged boat trailers. Team members also went to MNSTC-I to obtain a tent for the academy since the facility upgrades have been put on hold. The tent will be for the first 16 students in the National River Police Training Academy class.
