The PTT team trained five IP on Handcuffing and Searching a Combative Detainee. Thirty badges were issued today and several more were redone.

(BC0051) Al Rasheed Local Police Station: (TRA Level 3) All checkpoints were checked during the mounted patrol and all IP were doing their job properly. The team checked detainees to ensure proper care. The team conducted IP training on search tactics and how to be a hard target.

(BC0052) Al Rashidia Local Police Station: (TRA Level 3) Cpt. provided the team with the daily report and his staffing numbers. Cpt. advised that he had 1 IP that was absent and 12 IP on vacation. There were 9 IP on force protection that appeared to be paying attention. All the other numbers for staffing, armory, fuel and vehicles remained the same. Cpt advised that there were no significant events that had occurred. The team requested to do a joint patrol, at which time the Captain provided 4 IP and 1 IP vehicle. The joint patrol was completed which led to a set up of a TCP at W2 checkpoint. The IP stopped several vehicles and conducted good vehicle searches and verified identifications on the occupants. The team remained at this TCP for 1 hour and no illegal items were found. The team also stopped at CP 23 and talked with the IP. The team remained at check point 23 for 1 1/2 hours.

(BC0059) Al Sha'ab Local Police Station: (TRA Level 2) The PTT Team met with CAPT and collected the daily station report information. CAPT reported no significant acts during the past twenty-four hours. The PTT team conducted training with CAPT and two IP on the significance of proper police identification. The class entailed the basis of authority via knowledge and the seal of authenticity. The Deputy Commander and the IP seemed to understand the premise of the bearer of the law and the significance of enforcing it. The PTT Team suggested possible substation sites via map and grid coordinates within the area.

(BC0061) Al Seilkh (Railway) Local Police Station: (TRA Level UNK) The team met with the assistant commander, Captain , and discussed the ongoing pay issue. He provided a copy of the latest memorandum dated 19 September 2007 from the Ministry of Transportation to the Ministry of Finance. In the latest denial to raise the wages at Seikh to the standard IP level, the finance minister had requested further documentation that the IP were conducting police duties. The memo from MOT cited information from MOI stating that Seikh has been recognized as an official IP station and they are being utilized for the Baghdad Security Plan while also conducting police duties and training security. The

Captain advised this should satisfy the request from the Ministry of Finance. However, he and his IP remain skeptical and the situation has begun to affect morale.

During the meeting with Captain [redacted], he brought up the topic of disciplinary action. The team mentored him on the use progressive discipline and how to properly document it in personnel files. The team also discussed station training and mentorship by senior IP. [redacted] advised that once Ramadan is complete he will have IP available for training at every shift.

(BC0063) Al Saliyah District Police HQ: (TRA Level 2) The team advised Colonel [redacted] that contracts had been approved for items and or repair through US funding QRF and TIFF. Colonel [redacted] advised the team, that MOI has yet to respond to those request submitted in previous months requesting those same items. During a visit to D-cell, it was observed that stations within the Saliyah District are dropping off detainees without providing D-cell with proper documentation, identification of detainee, or proper detention charges or codes. The team will assist the OIC of D-cell on next visit in establishing a procedure and required documents prior to accepting detainees and required documents.

(BC0074) Al Yarmouk Traffic Police Station: (TRA Level 2) The team spoke with Captain [redacted] who stated he is having difficulty getting repair parts for the station's generator. The team provided direction and encouraged the Captain to continue working on the problem. The team received information that 8 IP assigned to North Karkh Traffic Station were attacked by IA soldiers from a nearby JSS. During the attack, the IP were beaten and two vehicles destroyed.

(BC0090) Boob Al Sham Local Police Station: (TRA Level 3) The Team met with Col. [redacted] and received the station numbers. The Col advised he had more patrols out to include walking patrols because of the religious holiday. Extra patrols are visiting the mosque in the station's AO, and Col. [redacted] himself is making visits to each one. Col. [redacted] also named 2 training officers, Capt. [redacted] and Commissioner [redacted]. The team conducted a joint patrol with the IP. The IP vehicle appeared interactive in their communities.

(BC0097) Latifiya Local Police Station: (TRA Level 4) The Team was reassigned to a non PTT mission shortly after arriving on station after assisting the arms room officer repair an AK-47. The team was advised, even though the station is short on manpower; two IP had been reassigned to the Rusafa IP station.

(BC0105) Major Crimes Unit (East): (TRA Level 3) The PTT team was unable to meet with any command staff and no daily station report information was collected. The PTT team checked the detention cells and found ninety inmates being housed in a fifty detainee cell, but the overall living conditions appear to be good. The PTT team continued to issue new Baghdad identification badges. The PTT team performed vehicle maintenance reporting with staff. The team found thirteen assigned vehicles, five operable, five vehicles needed minor repair and three vehicles beyond repair.
