CPATT IPA-OPERATIONS DAILY SITREP

02 October 2007

Baghdad (MND-B) [redacted]

Baghdad [redacted]

(b)(6), (b)(7)c, (b)(3)

(BC0003) Airport Police Local Police Station: (TRA Level NA) The team conducted training for 4 IP from the French Village sub-station covering Defensive Tactics.

(BC0017) Al Hurrya Local Police Station: (TRA Level 3) The Team met with Colonel [redacted], assisting him with the station's battle drill. A practical exercise was conducted. The team also made recommendations in response to a problem in the D-cell due to a recent discovery of detainees contracting scabies. Colonel [redacted] said he was grateful for the assistance provided. He told the team he is having problems getting requests filled at the district headquarters. He has placed requests for fuel for his generators and vehicles over the past several months with no response. He has been paying for these items himself and feels his requests are purposely ignored because he chooses not to take sides within the IP structure. The Colonel feels he is not getting the needed support.

(b)(6), (b)(7)c

(BC0018) Al Jazaaer Local Police Station: (TRA Level 1) The team met LT COL [redacted] and discussed the placement of training officers, schedules and materials. The team discussed the need to establish viable training topics for the overall success of the station.

(BC0019) Al Juaifer Local Police Station: (TRA Level 2) The team met with the Station Commander who provided updated information regarding a murdered IP. Captain [redacted] had been assigned to the Juaifer Station until his disappearance in June. Lt Col [redacted] received information the Captain was receiving death threats from local Al Qeida operatives prior to being reported AWOL. On 20 September 2007, Captain [redacted] returned to Juaifer and requested reinstatement. Lt. Col. [redacted] allowed him to return to work, but he was later kidnapped on 22 September in front of the Adhamiyah courthouse. His family received a phone call from the kidnappers advising he was going to be killed for returning to duty as an IP. His body was found a short time later by CF in the Salek neighborhood. He was found blindfolded and bound with 3 gunshot wounds to the back of the head.

(b)(6), (b)(7)c

(BC0020) Al Kadhimiya District Police HQ: (TRA Level 2) The team met with Colonel [redacted] who told the team they had a payday on the 30th and it was conducted smoothly. He said he planned to conduct a mock fire protection drill for the station in the next two weeks and provided a copy of his plan for review.

(BC0028) Al Karkh Police Directorate HQ: (TRA Level 2) PTT met with military counter-parts at the 92nd reference daily meeting. The Team attended a shift change brief and a TOC brief. The Iraqi's changed the evening brief to 1700 hrs due to the time change.

(b)(6), (b)(7)c

(BC0033) Al Karkh Patrol Police Station (West): (TRA Level 2) The team spoke to Col. [redacted] about the number of IP listed on the station roster. The roster shows 432 IP are assigned, but the daily report shows a total of 373.

(BC0042) Al Meshahadah Local Police Station: (TRA Level NA) The team conducted a joint patrol and established a hasty check point. The IP did an excellent job checking vehicles and securing occupants during their searches. The team then sat in on the daily briefing by the command staff. 1st. Lt. [redacted] the station's training officer, conducted training covering Democratic Policing. The IP received small arms fire from insurgents near

(b)(6), (b)(7)c

the station last evening. CF returned fire. A group of National Police on Rt. Tampa thought CF were shooting at them and returned fire on the IP with 50 Cal. weapons. This left several divots on the south wall of the station and rendered a CF weapon inoperable.

(BC0046) Al Quanat Local Police Station: (TRA Level 2) The team conducted a joint mounted patrol with 4 IP with no significant incidents. The team supplied 80 liters of fuel for patrol vehicles. They then examined the station's payroll documents and discussed intelligence issues with the OIC.

(BC0051) Al Rasheed Local Police Station: (TRA Level 3) The team began Operation Pay Day, taking photographs, names, job positions, badge numbers and weapon serial numbers for all IP at the station. The team looked into the generator problems and found repairs were needed. Electrical repairs were made by the team to run the fuel pumps.

(BC0052) Al Rashidia Local Police Station: (TRA Level 3) The team assisted with the payroll disbursement. During this process the team was able to locate several subjects on the payroll who work outside the station, including guards and court workers. There are also 21 IP who are AWOL and not being paid. Some guards assigned to a local sheikh will be meeting with the team at Boob Al Sham LPS to get paid. They claim it is unsafe for them at the station. The team will investigate this matter.

(BC0058) Al Saliyah Local Police Station: (TRA Level 2) Major [redacted] (b)(6), (b)(7)c told the team he was being punished by his chain of command for taking the initiative to have a severely ill detainee transported to a local hospital. He said this happened because General [redacted] (b)(6), (b)(7)c of the Karkh Directorate refused to give his permission to do so. He then attempted unsuccessfully to make contact with a judge. Major [redacted] (b)(6), (b)(7)c also said fuel continues to be an issue, with him paying for it out of his pocket. He said the General told him he does not want to hear about fuel problems.

(BC0062) Al Suleikh Local Police Station: (TRA Level 2) The team met with COL [redacted] (b)(6), (b)(7)c who reported no significant acts this date. The team sent a repair for the existing generator until a new generator can be purchased. The team conducted training for 3 IP covering Weapon Retention. The team also conducted a joint mounted patrol with 4 IP. Two checkpoints in high crime neighborhoods were observed without incident.

(BC0069) Al Thawra Local Police Station (Baghdad): (TRA Level 1) The team delivered 10 gallons of fuel for the IP patrol vehicles and 10 gallons for the generator. In addition, 5 gallons of motor oil was delivered for the patrol vehicles. The team conducted training covering Weapon Retention and Officer Safety for 24 IP. A check of the detention facility was completed and the cell appeared to have been cleaned recently. Medication was given to a detainee for pneumonia and he will be monitored closely.

(BC0079) Bab al Muadam Patrol Station: (TRA Level 2) The team met with Lt. Col. [redacted] (b)(6), (b)(7)c and discussed several station issues including the 14 year old mentally handicapped detainee. The station has had a problem over the past weeks with housing the juvenile separate from the adult detainee population. The juvenile was again secluded from the adult population during the team's visit. Lt. Col. [redacted] (b)(6), (b)(7)c assured the team the juvenile was going to be transferred to a juvenile center tomorrow.

(BC0080) Bab Al Sheikh District Police HQ: (TRA Level 2) The team met with GEN [redacted] (b)(6), (b)(7)c who reported on the security situation in the Fahdel area. He said the conflict is between 3 main community leaders who are fighting with each other. The team met with the Intel Officer about tracking the different factions in his A/O. The team asked for a complete flow chart showing all the individuals of interest and what faction they belong to.

CPATT IPA-OPERATIONS DAILY SITREP

(BC0081) Bab al Sheikh Local Police Station: (TRA Level 2) The team conducted training covering Person and Vehicle Searches. The IPs were informed about low-level threats through high-level threats and the different techniques to deal with these situations.

(BC0085) Baghdad Provincial Patrol Police HQ: (TRA Level NA) The team met with the logistics officer and discussed the memo the Colonel received from the MOI regarding picking up the ammo for training. He told the team he would call this week to make an appointment to pick it up. When asked about the furniture for the new training building, he said he put in a request about a month ago. The team will obtain a copy of the memo for follow up. The team inspected the operation center to see if they were using the Falcon View. The team was informed the driver of the computer was disabled. The team then traveled to Rusafa and transport a detainee to FOB Justice.

(BC0086) Baghdad Main Provincial Police HQ: (TRA Level NA) The Team met with Captain [redacted] of CMF and asked him about the length of time it takes to have equipment distributed to local stations and directorates. He gave several conflicting answers. He said Districts and Directorates get equipment on a daily basis. The team asked to see a daily or monthly list to see what stations were receiving equipment. The Captain said the team would need to go to each area of the storage compound to get a list of which station the equipment was issued to and the quantity issued. He said there is a report sent to Colonel [redacted] office each month, but he could not produce it. He said there is no plan or time frame to get supplies to the stations after receiving an approved request. He indicated the local and district stations will not send their personnel to pick up the requested equipment because the IP are afraid of the neighborhood where the CMF is located, and said they have had numerous attacks on convoys in the past.

The team observed a large number of water coolers, televisions, air conditioner units, chairs, ceiling fans, spot lights, hand washing basins, helmets, and collapsible canteens stored outside of the facility. The team inspected the arms room and found over 1 million rounds of 9mm stored there. The Officer in charge of the store room advised this ammo would last approximately 6 months. The team checked on the issue of uniforms for the cadets at the Karkh Directorate. The Captain advised Colonel [redacted] will not issue the uniforms until the students graduate from their class.

(BC0101) Mahmoudya District Police HQ: (TRA Level 3) Pay operations continued at the station for both Mahmudiyah LPS and Mahmudiyah District H.Q. The team conducted training for the head clerk covering Computer Basics. At this time he has no computer skills and everything is recorded by hand. This training will continue as time permits.

(BC0102) Mahmoudya Local Police Station: (TRA Level 3) The team conducted training for 3 Warrant Officers covering Force Protection. Contact was also made with the Operations Officer and the log book for Operations was reviewed in order to gain an understanding of how CF can track the location and types of complaints within the District.

(BC0119) Al Rusafa Patrol Station (East): (TRA Level 2) The team was re-tasked to Rusafa Motorcycle PS and Middle Baghdad TPS to issue identification badges prior to arrival at Al Rusafa LPS. The team met CAPT [redacted] who said the only significant incident occurring involved MAJ [redacted]'s removal as the station commander. CAPT [redacted] also advised the number of the station's operational vehicles is depleted due to a slow turnaround on vehicles repairs. The team advised him to keep copies of the repair requests and track the turnaround time. If the problem continues, the team will follow up on the issue. The team also spoke with him about assigning a station training officer.

(BC0120) Rusafa Police Directorate HQ: (TRA Level 1) The team visited the logistics office to inspect the JUMP kit which was delivered to the station a few months ago. The team took photos of the area where the new arms storage room will be built.

(BC0125) Yousifiya Local Police Station: (TRA Level 4) The team conducted a joint patrol, traveling to Yousifiyah. The team dismounted, conducting a foot patrol in the village center. The team observed good community relations between the IP and LN. The team conducted training covering weapons safety, as well as proper shooting stances while firing from the standing, kneeling and prone positions. The IP displayed good participation.

(BC0401) Baghdad Taji IHP Station: (TRA Level 2) The team asked the station commander about the 3 IP who left their weapons in their vehicle unattended as reported in an earlier DSR. He said he put them in jail for about 6 to 8 hours as punishment.

(BC0625) Mahmoudiyah Patrol Police Station: (TRA Level 3) The team conducted training covering personal searches, check point procedures and vehicle search techniques.

Babylon (MND-CS/S) [redacted] (b)(6), (b)(3)

Al Qadisiyah [redacted] (b)(6), (b)(3)

FOB Echo: The VISTA program resumed training activities with 18 IPs for the Basic SWAT course. The IPAs assisted and completed the Biometrics for this training group. Communication with Diwaniyah Police Academy continues to be and is still limited to cell phone usage only.

Babil [redacted] (b)(6), (b)(3)

(BB0032) Babil Provincial Police HQ: PTT met with General [redacted] (b)(6), (b)(7)c regarding planned security for a Pilgrimage to Karbal. PHQ has established designated routes and contingency plans to ensure the pilgrimage is as safe as possible. The newly formed ERU unit will be used to secure part of the rout. The 127th indicated that they would start using the ERU instead of IPs to do raids in the Babil Province. The IPs will be utilized for traffic control and mobile road blocks only. PTT also meet with Colonel [redacted] (b)(6), (b)(7)c, commander of the Forensic Lab, to discuss training for his Lab Techs. Training has been scheduled in Saudi Arabia during the month of October.

(BW0500) Al Hilla Regional Police Training Center: (TRA Level 2) met with the Regional Training Center Commander regarding the need to resubmit the past class ammo request from MOI for ammo for training purposes. The Commander was given the requirements of the memo received and will resubmit for the missed ammo. A CPATT letter indicated the ammo is on hand and ready for delivery. The Commander was instructed to make the request for the present ammo requirements. This will hopefully result in the RTC obtaining the missed ammo due in for the last training class along with the new requirements for the new recruits. There was discussion on the amount of ammo that the recruit was allocated to shoot during the training classes, which MOI memo states 30 rounds for 9mm and 30 rounds for AK-47. CPATT memo states that the allocations should be 120 rounds of 9mm and 240 rounds of AK-47 for each student.

FOB Kalsu: Due to internet problems at Camp Kalsu, no reports were submitted on this date.

Wasit [redacted] (b)(6), (b)(3)

(BW0030) An Numaniyah DHQ: (TRA Level 2) IPA did not attend the Mission due to CF's failure to place IPA on trip ticker.

(BW0624) Al Balda District Police HQ: (TRA Level 2) PTT members met with Captain [redacted] (b)(6), (b)(3)c The Captain advised that there had been no major incidents since the stations last visit. Shortly after the Team's arrival, an IP driving his personal car backed into one of the PTT vehicles, causing damage it. Due to the damage to the vehicle, the PTT was instructed to return to the FOB. No training or mentoring was conducted due to the above listed incident.

FOB DELTA: IPAs not on mission attended and supported CLS training conducted by PTT, with twenty one local IP's in attendance from Al Kut.

Dhi Qar / Al Muthanna (PIC) [redacted] (b)(6), (b)(3)

Vehicle Check Point Training was conducted by the DTC and PIC members at Camp Mittica this morning. 29 Dhi Qar IPS Officers arrived for training. Topics centered upon First Aid and IED Recognition. PIC members also attended the Al Muthanna Joint Provincial Meeting with the key leaders from the Al Muthanna Province. Issues centered upon Provincial Security, IPS/Iraqi Army Training, and Operational procedures for both the US and Australian military. Synopsis Report to follow in the next few days regarding the meeting in both provinces. PIC members then met with the Australian MITT regarding future scheduling of activities. The Al Muthanna PDoP has requested the Senior Level IPS Officer Training that was scheduled the second week of October be pushed back two weeks for security reasons within his province. PIC members will reschedule the training agenda. PIC members also attended SSR meeting with Australian Military officials who passed on intelligence information and a daily operations to the team.

Baghdad River Patrol **Unassigned**

(BC0147) River Police Training Center: (TRA Level 2) The team reported that inadequate power is an ongoing problem at the station. A complete list of IP that work at the river patrol was given to Lt. [redacted] (b)(6), (b)(3)c and Captain [redacted] (b)(6), (b)(3)c and they inspected the entire list with the IPA's. Several changes and corrections were made to the list. The Navy advised and mentored the engineers on one of the boat motors that was being repaired. Also discussed was a maintenance tracking system for daily, weekly, monthly procedures.

Tikrit (MND-CW) [redacted] (b)(6), (b)(3)

Diyala [redacted] (b)(6), (b)(3)

(TD0016) Mufrek Local Police Station: (TRA Non Active Station) PTT-D conducted a night mission to Mufrek LPS, which is a Mujamma substation, and spoke with LT [redacted] (b)(6), (b)(3)c He stated that CLN, IA and IP are not getting along. However, he also stated a new check point at the junction of route Pamela and route Coyote would be manned by both IA and IP. He further stated the station has no ammunition and the IP are purchasing it with their personal funds. LT [redacted] (b)(6), (b)(3)c said AIF posing as Khalis QRF at fake checkpoints are kidnapping and murdering Baqubah residents. PTT-D conducted training with 6 IP on community policing techniques.

PTT-D conducted a night mission to Mufrek LPS, a Khatoon substation, and spoke with COL [redacted] (b)(6), (b)(3)c who he stated that equipment is still a problem for the station. He advised PTT-D that

Compiled by [redacted] (b)(6), (b)(3), (b)(2), (b)(6), (b)(3)

10/2/2007

another request for 200 vests, 70 Ak-47 rifles, 500 liters of fuel and doors for the station was submitted on yesterday's date. PTT-D asked COL [redacted] if he had a force protection plan for the new station when construction is completed. COL [redacted] stated he would worry about that then. When asked what training PTT-D could assist in giving his IP, he stated his IP do not need training due to their only mission being interrogation. No training conducted due to COL [redacted] refusal.

(TD0020) Buhriz Local Police Station: (TRA Level 3) PTT-D met with LT [redacted] Training was offered for the on duty IP. Once again, the training was refused due to the Ramadan holiday. The Buhriz station feels that they are not getting the needed support from the District station in the form of equipment and ammo. PTT was advised that this station is short on ammo due to AIF engagements in which they have claimed to have killed many insurgents. The station command was advised to maintain better records of such events via a camera and file documentation which will make the request for replacing the needed ammo easier to justify. The station command also complained that they need more shoes, body armor and have no side arms. These matters wer also addressed to the command via continued supply request and record keeping.

(TD0024) Diyala Provincial Police HQ: (TRA Level 3) PTT-P met with CPT [redacted] head of the MCU. CPT [redacted] reported that the MCU had 55 detainees, 18 were waiting to be transferred to the main jail for trail. There are 9 who have not seen the judge and another 28 still under investigation. The MCU at Baqubah has 107 open cases. PTT-P also spoke with CPT [redacted] in regards with the problem in the Muqdadiyah District. The district still has no judge to hear the cases that the MCU in that area have. CPT [redacted] advised he had spoken with the Chief Judge of Diyala Province Judge [redacted] and he reported that there was a course for judges this month in Baghdad. He would make sure one of the judges from this course would be assigned to the Muqdadiyah District. PTT-P walked through the detainee holding area and spoke with several detainees and found no sign of abuse or mistreatment. Also, it was noted that the MCU had a detainee brought in by the

MOI Investigation Team in reference to the recent vest bomber attack in Baqubah. CPT [redacted] advised he had the case file on this detainee but was advised by the Investigation Team that no one was to speak to this detainee without their knowledge or approval.

(TD0052) Baqubah Twin Bridges Checkpoint HQ: (TRA Non Active Station) PTT-D met with CPT [redacted] who stated that the station has 58 IP assigned with 30 IP on duty today and 20 IP assigned to check points. PTT-D gave the station much needed medical supplies which contained Bandages, Ibuprofen and Naproxen.

(TD0111) Tahrir Local Police Station: (TRA Non Active Station) PTT-D reported that the station is still having a problem with obtaining support for station improvements and fuel for the generator. PTT was also advised that a bigger generator is needed to meet the growing needs of the station. The supply issue was addressed and the suggestion made for the Chief to continue to send request up the supply chain and to maintain copies for himself. After the supply issue was addressed, PTT offered training time for the IP on duty. The Chief requested the training be postponed due to the Ramadan holiday.

(TD0038) Mandeli District HQ: (TRA Level 3) PTT-D met with COL [redacted] reported that there are currently 890 total IP, 190 of those being support IP. There were currently 16 IP working force protection at the station rotating at four hour intervals. The station is still in need of 25 Hescos and more concertina wire for the station to secure the perimeter. PTT-D requested a joint patrol and found there were not enough IP available to properly conduct a patrol.

Scorpion Academy: 35 IP received training at the Scorpion Academy on First Aid and CPR.

Salah Al Din (b)(6), (b)(3)

(TA0037) Al Owja: (TRA Level 2) PTT spoke with MAJ [redacted] (b)(6), (b)(7)c who reported 15 IP on duty. PTT spoke with the Chief about the stations current training level, and the beginning of the validation process for his station. PTT discussed and reviewed personnel records, training records, pay records and the station's incident report filing system. PTT also explained what further documents and files the team would require during future visits.

(TA0077) Salah Al Din IHP HQ: (TRA Level 3) PTT spoke with LTC [redacted] (b)(6), (b)(7)c who reported that PHQ was not supporting his station regarding vehicles nor and fuel. LTC [redacted] (b)(6), (b)(7)c stated that there are two patrols a day currently being conducted on Route Clemson in the Abu-Ajeel area. LTC [redacted] (b)(6), (b)(7)c stated that this should be the responsibility of the Abu-Ajeel LPS, the IHP station. PTT had a long discussion with LTC [redacted] (b)(6), (b)(7)c about the limited resources of the Abu-Ajeel LPS and that PHQ has made Route Clemson in the Abu-Jeel area the responsibility of the IHP. LTC [redacted] (b)(6), (b)(7)c advised that if his station was to re-establish the check point in Abu-Jeel, his men would need a small building. PTT stated that the check point would have to be re-established and manned on a regular basis before these resources could be justified.

(TA0099) Tikrit District HQ: (TRA Level 2) PTT met with the XO, as BG [redacted] (b)(6), (b)(7)c was in a meeting. The XO was unable to speak on most of the topics that PTT wished to discuss, as he had not been advised on them. PTT did a meet and greet with the staff they will be working with.

(TA0050) As Saniyah DHQ: (TRA Level 3) There were 45 IP on duty including the Station Commander, COL [redacted] (b)(6), (b)(7)c. While the Tam was on station, two accidental discharges occurred within the station. The PTT posted IP at the door to make sure weapons were cleared at the clearing barrels before entering the station. PTT then presented a class on the care and custody of detainees.

(TA0084) Samarra DHQ: (TRA Level 3) IPA attended the HQ to discuss an incident that took place at the River Checkpoint in Al Qala. An IP observed a boat crossing the river from the Samarra side to Al Qala. One of the IP began to shoot at the boat. He killed the driver of the boat with three rounds in the chest. At this time, some of the by-standers became upset with his actions. The IP from Samarra went to the river checkpoint and arrested all 5 of the IP present at the time of the shooting. The IP involved in the shooting told the arresting IP that he was trying to scare away the driver of the boat, and accidentally hit him.

All IP from the checkpoint were placed in jail. All IP then gave statements regarding the incident. All of the statements supported the account given by IP involved in the shooting. MAJ [redacted] (b)(6), (b)(7)c and COL [redacted] (b)(6), (b)(7)c advised that a Tikrit judge will be presented with the mater. They also stated they are taking donations to give to the family of the deceased. COL [redacted] (b)(6), (b)(7)c desires to settle matter between the tribes with a cash payoff to avoid anymore conflict. PTT suggested a refresher course on shoot/don't shoot for all the IP.

(TA0028) Muhatta Iraqi Police Station: (TRA Level 4) PTT met with COL [redacted] (b)(6), (b)(7)c and observed the pay process.

(TA0042) Al Salam LPS: (TRA Level 3) PTT conducted training on operational readiness and emergency planning. PTT spoke with the Police Chief, COL [redacted] (b)(6), (b)(7)c and gave recommendations to improve a emergency response plan in conjunction with the District JCC.

(TA0056) Balad District HQ: (TRA Level 3) PTT oversaw the payroll. An inspection of the jail was made and there were 39 detainees. All of detainees appeared to be in good health.

(TA 0103) Yethrib: (TRA Level 4) PTT met with Chief [redacted] to discuss appropriate staffing for station security. The Team also delivered supplies to the administration. The Team obtained a training schedule for upcoming classes by the Training Officer. Chief [redacted] discussed plans to turn checkpoint Tango 38 over to Tribal security and move all the IP to the station.

(TA0604) AD DUJAYL HQ: (TRA Level 3) PTT spoke to COL [redacted] and the Assistant Commander. A digital camera was issued to Criminal Investigations along with cleaning equipment and supplies. In the next few days, PTT will be finishing the inventory of the IP station supplies, weapons and all other things needed on the station inventory. The armory is also scheduled to be built for the station.

(TA 0606) Balad Police Patrol Station: (TRA Level 3) PTT made contact with MAJ [redacted] and discussed various training needs for the officers assigned to his station. There were approximately one-hundred-twenty (120) IP present at the BPPS to receive their wages and the process went quite well. During the wage distribution process, PTT took photos of all present IP, verified IP identification cards and ensured that IP were in possession of their assigned weapon.

Mosul (MND-N) [redacted]

Ninewah [redacted]

(NO FFID) 4th Emergency Response Battalion: (TRA Level UNK) ERB/ERU PTT traveled to the 4th Emergency Response Battalion (ERB) to conduct a station visit and to introduce the new military unit to the Battalion Commander.

(NO FFID) 5th Emergency Response Battalion: (TRA Level UNK) PTT met with LTC [redacted], Battalion Commander of the 5th Emergency Response Battalion (ERB). LTC [redacted] informed PTT that MAJ [redacted], Platoon Leader of the 5th ERB, and one IP was wounded in the same incident. Al Numrood DHQ reported a VBIED detonated as an Al Numrood patrol passed. The blast killed three IP officers, four local national civilians, and severely wounded fourteen local national civilians. An IED detonated as an Al Hadba DHQ patrol passed resulting in severe injury to an IP.

PTT spoke with BG [redacted] Logistics Officer who provided the current ammunition and weapons count, inspected the detention facility and monitored and assisted members of the NPHQ Training Division during a pistol familiarization and firing course for IP assigned to the Logistics Division at the Blickenstaff Range.

PTT spoke with MAJ [redacted], Finance Office, and inquired about a possible disparity in pay between various IP. It was brought to the PTT's attention that some IP had reportedly received a pay raise while others had not. MAJ [redacted] advised that certain IP had been identified as excelling in their attention to and execution of their duties and were being recognized with incentive pay. He expressed hope that the other IP would begin to notice the pay increase and become more productive in an effort to earn the extra money for themselves.

PTT checked with the EOD detachment to determine when the Hesco barriers were to be emplaced around the explosives storage building in the Blickenstaff compound. PTT was assured that contact had been made with Mosul City Hall for fill dirt and that immediately following Ramadan that the work would be accomplished.

PTT traveled to MPSA and met with BG [redacted] who advised his main problem is providing life support for MPSA. PTT advised him to plan his next budget with his needs in mind and

do a study as to how much it cost to provide for each student on a daily basis. BG [redacted] will contact PTT at NPHQ Training and assist with his budget plan. (b)(6), (b)(7)(c)

MPSA Class 25 continues with 236 students from Tall Afar and 53 from Mosul. MPSA reports 322 students in Class 25. PTT uses the number of students who have reported to NPHQ and are then transported to MPSA. The Police Station Training Officer Course has 21 officers from the Mosul area.

(MN0099) Major Crimes Unit/Major Terrorist Unit: (TRA Level 2) PTT met with COL [redacted], MCU Commander, and learned that three recent detainees had been transferred to MTU for further investigation of their activities. Preliminary investigation by MCU identified the three men as having engaged in terrorist activities. The suspects were arrested in possession of false IP identification cards and Glock semi-automatic pistols. PTT will monitor the investigation. PTT spoke with COL [redacted] about a proposed Kidnapping Task Force. He related that, with the assignment of two additional investigators to his unit, he would be able to successfully pursue all kidnapping investigations in the city. He explained that should the kidnapping involve terrorist activity the IJ would have to refer the case from MTU to MCU for continued investigation. COL [redacted] commended the efforts of the PTT for working closely with his unit on a recent homicide investigation, which resulted in the conviction of a local national male for the murder of a local national female. (b)(6), (b)(7)(c)

PTT continues to monitor the MTU detainees to ensure the investigations against them are progressing in a timely manner. PTT noted that some detainees have been held in excess of 180 days. PTT will telephonically contact the newly assigned Chief IJ to determine if PTT/IJ meetings will continue on Thursday or be moved to Tuesdays.

At Tamim [redacted] (b)(6), (b)(3)

(TT0009) Domies Patrol Police Station: (TRA Level 1) PTT met with station chief and shift commander. Station information was obtained, the detention facility was inspected, and training was conducted. While at the station, PTT received information concerning the whereabouts of a possible weapons cache. The location was a few minutes from the station and a joint patrol was initiated. Upon arrival, PTT found Iraqi police on scene and assisted in locating a RPK, an AK assault rifle and 200 gallons of gasoline. The military element had to depart the area, but IP agreed to inform PTT if any additional contraband was seized. All items were secured at the Domies Police Station. A similar assortment of weapons and contraband was previously located at this residence. The IP's were observed conduced themselves during the house search in a positive and professional manner.

(TT0022) Meghdad Patrol Police Station: (TRA Level 2) PTT met with the Station Chief. Training was conducted today by IPA. A meeting was held with the Chief concerning the need for a special police unit to be trained in how to conduct searches of buildings, vehicles and high risk suspect arrest. The Station Chief agreed and the unit will be trained by IPA and CF. The training will be conducted at the Meghdad Station and the IP involved will be required to perform regular duties as well as training.

(MI0001) Deparment of Civil Defense: (TRA Level 3) PTT traveled to the Department of Civil Defense for continued follow up on EOD equipment maintenance. Upon arrival the team met with SGT [redacted] and SGT [redacted], EOD specialists, to return a repaired Robot charger. Mmost of the equipment was found to need some degree of maintenance before any training or testing could be conducted. The team talked to the Specialists on hand and was given permission to take control of the X-Ray Machine, from the Baghdad shipment, to charge and confirm that every component was functioning properly. Taking into consideration that some important pieces of the Baghdad Shipment never arrived, the training on the equipment they do have will continue to be conducted as planned.

(MI0275) Irbil Provincial JCC: (TRA Level 3) PTT discussed the recent decision of the PDOP not to attempt another convoy to Baghdad and pick up the awaiting load of radio equipment. PJCC staff, as well as the communication center staff, are under the impression that the equipment was in fact delivered to Irbil on 25 September. PTT advised the staff that the only equipment delivered the PTT was made aware of were some computer equipment for the region. Command staff at the communication center insisted, to the PJCC command staff, that the radios were in fact delivered along with some other type of equipment. PTT advised both agencies that inquiries would be made at the higher levels, but nothing was reported to PTT that this had occurred. PTT will attempt to follow up on this issue with the office of the PDOP. PTT also asked about the decision of the commander of the PJCC on the recently proposed Emergency Response Plan and was advised that the translation was still not complete. PTT proposed that one of the linguists contracted by PTT would also do a translation for their review.

(MI0606) Irbil National Crime Lab: (TRA Level 3) PTT traveled to the Irbil National Crime Lab for day two of a scheduled ten day Forensic Photographers Course.

(RA0083) Hadithah District HQ: (TRA level 3) The Police Transition Team (PTT) met to discuss the need for a weekly staff meeting with team members in order to discuss the week to week progress of Haditha District Headquarters. The PTT goal is to incorporate Iraqi Police (IP) officers into the meetings in an attempt to hold them more accountable for the daily operations of their stations. These weekly meetings will force the officers to interact more with the IP and allow the PTT more opportunity to track the progress of the station as a whole.

The PTT and IP convoyed to Bani Dahir, Haqlaniya, and K-3 Stations in order to account for all assigned station personnel, weapons, radios and trucks.

(RA0084) Baghdadi Local Police Station: (TRA level 4) The Police Transition Team (PTT) traveled to Baghdadi District Headquarters for pay operations.

(RA0086) Anah District Police HQ: (TRA level 3) The Police Transition Team (PTT) observed vehicle checkpoint procedures at TCP Alpha. Iraqi Police (IP) were observed carrying out their duties in a thorough and professional manner. PTT also discussed the chain of command with the command staff. It has been reported that IP are bypassing their shift commanders to obtain vacation time without notifying the shift commander. The Station Chief does not enforce the chain of command structure and consistently undermines the authority of the shift leaders. This tactic is causing a shortage of IP at the station.

(RA0088) Haqlaniyah (K3): (TRA level 4) The Police Transition Team (PTT) and Iraqi Police (IP) convoyed to K-3 Station to meet with the Station Chief. He expressed concerns regarding 27 IP that have not shown up to work the past 6 days. He also told the PTT he is documenting the incident with the intention of firing these IP. He informed the PTT of a rumor that the 27 IP are currently working as IP in Shurgat and he will continue to look into this matter. While at the station, the PTT obtained an accurate account of personnel, weapons, radios and trucks assigned to the station. The Station Chief would like to be issued one more hand held radio and expressed no other issues or areas of concern. This station would benefit greatly with the addition of another Police Transition Team.

(RA0090) Haqlaniyah: (TRA level 4) The PTT met with the Station Chief to gather an accurate account of the personnel, weapons, radios and trucks assigned to his station. This station appears to be operating very smoothly with fuel being the only future concern.
