(BC0102) Mahmoudya Local Police Station: (TRA Level 3) The team inspected the D-cell with no irregularities found. It was reported 1 IP was hurt in an explosion while on duty and 1 shot himself with an accidental discharge.

(BC0103) Major Crimes Unit HQ: (TRA Level 2) The team met with the logistics officer in reference to the amount of ammunition on hand. The team was told they distributed all the ammunition on hand and there is no more to distribute. He added , due to the relocation of CID 3, 4, and 5, they are in need of ammunition. The team requested a list of ammunition on hand for each CID Unit.

The team met with the Chief of Investigations, Colonel [redacted] to discuss proper procedures for IP investigating major crimes. He said the local station will respond to a scene and call out their station's Investigator. In addition, the Crime Lab's Crime Scene Investigators should be called to the scene. The Investigating Officer will investigate and forward his findings to the judge. If it meets certain criteria, the case will be automatically forwarded to the CID Unit for further investigation. Acts of terrorism, kidnapping and narcotics violations fall under this law. Upon receipt of these cases at CID, they should have a local station Investigator's report, a Crime Lab report, a Morgue report and, if applicable, a report from the MOI's EOD Unit. The team requested Colonel [redacted] provide the team with a list of stations not following these guidelines.

(BC0112) New Baghdad Local Police Station: (TRA Level 2) The team met with Col. [redacted] who reported the station has not received fuel for 2 days. Letters and telephone calls have been made to MOI, but nothing is done. The team, Col. [redacted], General [redacted] from the IA, and local Sheiks attended a weekly meeting to discuss security issues. These meetings have been helpful and could be a useful tool with other regions in Iraq. The Sheiks started a neighborhood watch program and currently has 50 volunteers.

(BC0120) Rusafa Police Directorate HQ: (TRA Level 1) The team met with the logistics Colonel who said they have 4,375 rounds of ammo for the Glock 9mm; 25,560 rounds of ammo for the PKC; and 12,200 rounds of ammo for the AK47. He said they rarely have their requests filled. When they do get a response, they only receive a quarter of what they ask for. The team asked him to make a list of the items they need so the team can follow up.

(BC0401) Baghdad Taji IHP Station: (TRA Level 2) The team was informed of an IED strike on one of their patrols at Senators and Tampa, 3 to 4 miles from the station. 1st Lt. [redacted] his gunner and the driver were injured and taken to the hospital. Their vehicle was reportedly destroyed.

The suspect was captured and brought to the station for questioning.

(TT0027) Rashad Patrol Police Station: (TRA Level 3): PTT, MP and IP conducted a joint foot patrol of Rashad. The IP conducted the patrol in a very professional manner, while contacting and talking with the public who were out walking on or near the roadway. Once back at the station, a class on defensive tactics and personnel searches was conducted.

09 Oct 07: (TRA Level 3) PTT, MP and IP conducted a rolling traffic control check point. On the fourth set of vehicles contacted, twelve compact discs were located under the passenger's seat. These CDs had pictures of masked insurgents holding PKs and RPGs. The two subjects in the vehicle were questioned separately, and their accounts on how they came into possession of the CDs did not match. The subjects were transported to the IP station and turned over to the IA. The IA was already in the process of contacting their superiors in regards to searching the residences of the two subjects who stated that they lived in the village of Soos. The CDs were viewed and discovered to be training and propaganda videos for insurgents. Included in the videos were techniques on how to make IEDs and rocket tubes as well as videos on attacks on American convoys. The IA made copies of the videos and the originals were taken by the MP to headquarters.

10 Oct 07: (TRA Level 3) PTT and MP contacted the IP Station at Rashad. PTT was advised of the current lack of IP. PTT also learned that one of the IP Sergeants had not been formally promoted, but had been acting as a supervisor for some time. The LT was told to write up the promotion request and the PTT would forward it to the Station Commander. PTT taught defensive tactics to ten IP.

11 Oct 07: (TRA Level 3) PTT, MP, an IA CPT, CPT [redacted], the Mayor of Rashad, [redacted] and CF conducted a security meeting. The first of two major items of concern was electrical power to the IP and IA stations and town of Rashad. The second issue was the removal of the reed line along Route Clemson.

(TT0275) Kirkuk Provincial JCC: (TRA Level UNK) PTT arrived with a representative of the new unit to the P-JCC. PTT met with their assigned department chiefs, and discussed the type of information that they would need to collect on a regular basis. PTT also met with BG Turhan and discussed the Bayram Holiday. Until the end of the holiday, all IP Stations in the province will be on a 50/50 schedule with only half of the available police on duty at any one time. BG [redacted] stated that if any stations are not properly fulfilling their duties or if the need arises, stations will be put on a 100% duty status. This will continue until Tuesday when Bayram officially ends in Iraq.

BG [redacted] continued his discussion with PTT about the new Police Academy Class. The class will begin after the Bayram holiday. The assignments after graduation will be between two battalions. One will be a National Police Battalion and the names for assignment to this battalion were designated by MOI. The new National Police Battalion will be equipped and funded by the At Tamim Province. They will also count against the authorized number of IP assigned to the province.

At the Rashad Station, CPT [redacted] will be replaced during the next week as has been previously planned. It has not been decided if he will be moved to another location or simply demoted in his station. It was suggested to BG [redacted] that it would be best to remove CPT [redacted] from Rashad to avoid continued problems at the station.

Irbil **Unassigned**

(NO FFID) Department of Civil Defense: (TRA Level 4) PTT traveled to the Department of Civil Defense to continue the process of assessing the equipment and train specialists. The EOD Robot was returned to the DCD by the PTT, fully charged and functioning with the hardware that it was delivered with. The intent on this visit was to train the specialists on the system and become proficient. Due to Ramadan, PTT was asked to return the following week. Training will continue as planned on the return visit. A brief conversation with BG [redacted] found that he was pleased with the training and the attention to providing vital equipment for the EOD specialists in his rank. (b)(6), (b)(7)c

(MI0001) Irbil Provincial Police HQ: (TRA Level 3) PTT met with the PDOP, MG [redacted], and inquired as to how much ammunition is in storage at the IP warehouse. MG [redacted] advised the IP have 65,000 rounds of 7.62 x39mm, 11,000 rounds of 7.62 x 54mm, and 400,000 rounds of 9 x 19mm ammunition in storage. This count only reflects the ammunition in the warehouse and does not include basic load ammunition at the IP stations. PDOP has expressed concern that the IP have no training ammunition available. The ammo in the warehouse can not be used for training. PDOP wishes for PTT to conduct firearms training, but he is unable to supply the ammo. PDOP advised that the KMoI has tried to get ammunition supplied from MoI Baghdad, but the GoI requires payment from the KRG for the ammo. MG [redacted] said that the GoI's price for the ammo is more expensive than black market prices. PDOP continues to request ammunition be purchased from neighboring countries, but the KRG is unable or unwilling to pursue avenues to acquire the ammo. PTT will meet with the KMoI after the upcoming holiday and try to help with a solution to the ammunition problem. PTT continues to mentor the PHQ in areas of personnel, finance, and training. PTT was advised that the EID holiday will be observed beginning on 12 October 2007 until 16 October 2007. PDOP advised that the respective IP station commanders will not be at the IP stations until 08:00 hrs on Tuesday, 16 October. PTT will not be able to effectively conduct station visits during that time. (b)(6), (b)(7)c (b)(6), (b)(7)c
