Tikrit (MND-CW)

Diyala

(b)(3), (b)(6)

(TD0016) Mufrek Local Police Station: (TRA Non Active Station) PTT-D conducted a visit to Mufrek LPS and met with LT [redacted] and provided training on Handcuffing and Interviewing Techniques with 8 IP in attendance. PTT-D also conducted a visit to Mufrek DHQ, Katoon substation, and met with CPT [redacted] who reported a presence of extra personnel today due to a threat on the station and town. No training was conducted because of the holiday.

(TD0024) Diyala Provincial Police HQ: (TRA Level 3) The PTT-P traveled to IPS HQ and met with COL [redacted], Chief of Personnel. COL [redacted] advised that packets were sent Baghdad for the 3,000 IP in the Diyala province that do not have hiring orders from MOI. COL [redacted] expects to have these hiring orders sometime in the next 2 weeks. The province has a current total of 15,848 IP.

The PTT-P met with LTC [redacted], Chief of Logistics. LTC [redacted] advised that there was not a distribution plan for the new PKM received this week. The distribution of this weapon has been approved by the PDoP, but until the distribution plan is in effect all weapons are still in the storage room. Of the equipment picked up this week, only the PKM ammunition belts have been approved for distribution to the stations.

The team met with MAJ [redacted] of the MCU. The team discussed the arrestees from the Shifta raid and noted all three [redacted] suspects have confessed to the crimes of illegal sales of weapons and terrorism. [redacted] admitted to being a member of AQI and Judge [redacted] will be overseeing the case. An inspection of all 28 detainees of the MCU was also conducted. There were no signs of abuse. However, two inmates had pre-existing medical conditions. One had burns which appeared to be fairly old with no signs of complications, and the second had back pain but no wounds or visible injures.

(TD0052) Baqubah Twin Bridges Checkpoint HQ: (TRA Non Active Station) PTT-D met with CPT [redacted] who stated that he had 31 IP on duty with two new check points on the IA bridges. The two new check points have five IP on each end. CPT [redacted] also stated that members of the Baqubah Guardians went to MAJ [redacted] home this week, and told him he must leave his residence in Tahrir or he will be killed. No training was conducted due to Eid.

(TD0104) Diyala Provincial QRF (Neshda): (TRA Level 3) PTT-D met with LTC [redacted] who stated that 159 IP were on duty, but due to the holiday, no IP were available for training.

(TD0110) Diyala ERF 2: (TRA Level 3) PTT-D met with LTC [redacted] who reported that Ramadan had just ended and, due to intelligence about possible attacks, he increased patrols and the number of IP at checkpoints.

Scorpion Academy: No training was conducted due to the end of Ramadan feast.

(TD0015) Wajehyia Local Police Station: (TRA Level 3) PTT-D spoke to LT [redacted] who reported the manning of 1 checkpoint and 5 ambush positions on this date. The IP station has 3 vehicles that are currently inoperative. No training was conducted today due to time constraints of the military counterpart.

CPATT IPA-OPERATIONS DAILY SITREP

Salah Al Din [redacted] (b)(3), (b)(6)

(TA0017) Al Aswar LPS: (TRA Level 3) PTT met with MAJ [redacted] (b)(6), (b)(7)c t discuss PSMR data and conducted an inventory of the arms room. PTT then conducted a joint dismounted patrol around the Al Aswar village.

(TA0077) Salah Al Din IHP HQ: (TRA Level 3) PTT met with Deputy Chief LTC [redacted] (b)(6), (b)(7)c PTT learned that 3 IP were arrested by CF approximately 2 years ago, one IP was arrested by CF approximately 6 months ago and all 4 of these IP have been held in custody since their arrest by CF. PTT learned that all 4 of these IP have been getting paid since they were taken into custody and the families of these IP have been collecting their pay. PTT obtained an arabic hand written list of these IP and this list will be turned over to the Provincial PTT for disposition. PTT learned that the IHP HQ is claiming to have a subordinate Emergency Company that is located next to the temporary IHP HQ. It is PTT's understanding that this Emergency Company is not recognized by the Provincial Headquarters, and PHQ list the personnel in this Emergncy Company as personnel assigned to the IHP HQ.

PTT traveled to the Emergency Company and counted weapons and ammunition for this station. PTT learned that the Emergency Company was co-located with IHP HQ before the VBIED attack. Since the VBIED attack, this Emergency Company was re-located to the Ad Dwar area with one of the Local Ad Dwar IP stations until two months ago. The Emergency Company has been located in this building for the past two months. PTT learned that when the new IHP HQ is built, this Emergency Company will move in with the IHP HQ. This station describes it's area of responsibilty as Route Dover that runs between Abu-Ajeel and Ad Dwar. Niether of these stations patrol and all of their on duty personnel are always located on FOB Danger when PTT visits. IHP HQ is greatly lacking in the leadership area which is trickling down to the lower stations in it's command.

(TA0099) Tikrit District HQ: (TRA Level 2) PTT met with LT [redacted] (b)(6), (b)(7)c regarding the response to the VBIED on the 10th of the month. The PTT noted the response went well, with all the different agencies working well together.

(TA0005) Ad Dwar DHQ: (TRA Level 3) PTT met with LTC [redacted] (b)(6), (b)(7)c and his training officer regarding needs of the station to include training, equipment and repairs. Breakdowns of these needs are being compiled by the station commander and should be ready for review by the next visit. The majority of the visit was consumed by gathering PSMR data for the monthly report.

(TA0050) As Sanyiah DHQ: (TRA Level 3) PTT coordinated 2 dismounted patrols consisting of 6 IP. Overall the IP did a good job on their station security and dismounted patrols.

(TA0084) Samarra DHQ: (TRA Level 3) PTT spoke to COL [redacted] (b)(6), (b)(7)c who stated that MG [redacted] (b)(6), (b)(7)c wants all the extra weapons from Samarra to be brought to Tikrit. PTT notes CF advises not to do this, because those weapons are intended for Samarra. PTT advised COL [redacted] that he should send all the weapons that had been damaged in the VBIED and other incidents for use as parts for functional weapons.

(TA0087) Thar Thar Station: (TRA Level 3) PTT conducted a training class for 7 Thar Thar IP on the proper vehicle searches.

(TA0006) Ad Dujayl District JCC and ERF: (TRA Level 3) PTT observed a large meeting between the City Council and area Sheiks. PTT also observed that security for this meeting

was severely lacking. PTT met with ERF shift supervisors and oversaw the necessary corrections. After the meeting, PTT conducted a debriefing with ERF shift supervisors in order to improve security for future meetings. PTT observed the changing of shifts and that many personnel were arriving late. Effective immediately, ERF personnel were advised that no one would be allowed to leave until all replacements had arrived. In regards to those that arrive late, PTT will attempt to have their pay docked.

(TA0042) Al Salam LPS: (TRA Level 3) PTT advised the shift leader to finish filling sand bag efforts to protect strategic locations at the station. PTT addressed the stations assistant Chief COL [redacted], about the unnecessary delays when completing small tasks. The Chief was absent again, due to the end of Ramadan celebrations. (b)(6), (b)(7)c

(TA 0055) Balad Checkpoint Headquarters: (TRA Level 4) PTT observed and mentored checkpoint #9 Officers searching vehicles while the vehicles were inside the checkpoint.

(TA 0103) Yethrib LPS: (TRA Level 4) PTT met with MAJ [redacted] and provided training on weapons and weapons safety. (b)(6), (b)(7)c

Mosul (MND-N)

Ninewah

(b)(3), (b)(6)

(NOTFFID) 3rd Emergency Response Battalion: (TRA Level UNK) PTT met with LT [redacted] who advised two checkpoints had recently been attacked with small arms fire. The attacks occurred at 1000 hrs: and 1700 hrs. The IP expended 500 rounds of PKC, but had no known enemy wounded or killed in either engagement. The LT complained of not having enough PKC ammunition and the requests that had been sent to higher had no results. PTT told the LT that we would send the request up through our channels to try and help to get them additional ammunition, but it must be sent through his chain of command also. PTT then made a suggestion of the 3rd ERB starting a "Daily Log" for the Officers and IP to pass on information to incoming shifts. PTT then gave the LT a notebook for just such a purpose. The LT said that the station would start a "Daily Log". (b)(6), (b)(7)c

(MN0004) Bi'aj DHQ: (TRA Level 4) PTT met with LTC [redacted] who reported a source told him that, possibly, something serious is about to happen in the Bi'aj area. LTC said, in the past, the information that had been given has lead them to weapons and explosives cash. LTC has informed Sinjar of this information. PTT discussed the possibility of weekly meetings with all commanders and the Mayor to plans from Bi'aj area of operation. PTT also provided logistics and arms room training to DHQ personnel and LPS personnel. (b)(6), (b)(7)c

(MN0009) Al Hadba DHQ: (TRA Level 2) PTT a met with the logistics officer and obtained a list of all the weapons in each station and their serial numbers.

(MN0066) Sinjar DHQ: (TRA Level 4) PTT made station visits to Sinjar DHQ and Sinjar LPS to address supply requests.

(MN0134) Abu Maria LPS: (TRA Level 3) PTT spoke with the officer-in-charge (OIC) about the plans for the upcoming weapons range that the station will be conducting. PTT trained the OIC of the range in the proper safety guidelines, shooting fundamentals and range operations that need to be carried out prior to the range day as well as on the day of the range. PTT also inspected the station's range plan and advised the IP that, due to the amount of ammunition required, they may have to reduce the number of personnel participating in the range. PTT inspected the arms room and found the weapons clean and

in order. PTT also observed that the weapons and ammunition were being properly tracked. PTT then conducted a joint mounted patrol in the AOR.

(MN0140) Tal Afar CP1 LPS: (TRA Level 2) PTT mission this date included the delivery of supplies to Checkpoint Company LPS and Al Salaam LPS. PTT provided C-wire, handgun manuals, office stationary, AK47 and handgun magazines, four boxes containing ammunition for PKC and AK47 weapons and handcuffs.

(MN0142) Qadisiyah LPS: (TRA Level 2) PTT traveled to Al Qadisiyah LPS to deliver supplies and for a station visit. PTT inspected the jail and found all to be in order, noting there were no sign of abuse and all detainees had been to see the judge. PTT then spoke with LT [redacted] who received and receipted the supplies provided by PTT. LT [redacted] also stated there had been no training in the last week due to stepped up patrol and check point coverage for the last week of Ramadan.

(MN0215) Mosul Al Gadeda LPS: (TRA Level 2) PTT met with Station Commander MAJ [redacted] who reported four IED were recently detonated in the area of the station, with no injuries reported. PTT informed MAJ Ramadon of the updated date for the firing range. The firearms training has been changed to (date withheld). PTT informed MAJ [redacted] to have a list of IP to attend the firing range. MAJ [redacted] requested assistance in having COL [redacted] reinstated as the station commander. PTT informed MAJ [redacted] to forward his request to Al Rabeain District HQ. MAJ [redacted] stated the station is extremely low on PKC ammunition. PTT advised MAJ [redacted] there is a shortage of PKC ammunition at Provincial HQ.. PTT inspected the detention facility which appeared in order and all the detainees appeared to be properly treated.

(MN0222) Rabiyah DHQ: (TRA Level UNK) PTT reported the IP stated that they have no intelligence concerning attacks during the last days of Ramadan. PTT was given the names [redacted] as the training officers for [redacted] LPS, [redacted] DHQ and [redacted] PTT also traveled to the [redacted] LPS and conducted a joint mounted patrol.

(MN0928) Abi Tamaam DHQ: (TRA Level 2) PTT met with assistant station commander COL [redacted] who reported that eighteen checkpoints are being conducted and ammunition is needed at all of the stations in the Abi Tamaam district. Requests have been sent in from all stations without response from NPHQ. [redacted] as well as [redacted], needs tires for all of their trucks. Requests have been put in for tires as well without success. PTT viewed the tires and reported the tires are dangerous to operate on. [redacted] is in need of uniforms and winter jackets for all IP and IPO. Again requests have been sent in and PTT has viewed the requests. PTT will obtain a copy of the requests and try and assist with the items needed.

[redacted] is in need of repair in the parking area of the station. The rainy season is approaching and the station floods preventing the community from being able to park and enter the station. IP also have a difficult time parking their vehicles due to the mud and water. A bid has been submitted by a contractor of 2500.00 to put sand and rock in the parking lot to level it and raise it to help prevent the flooding. [redacted] has requested this for numerous months without success. PTT has viewed the flooding of the station parking lot. PTT then completed all information that was needed for the IPSFR and conducted training on "Police and the Community".

(MN0962) Al Salaam LPS: (TRA Level 2) PTT mission included transporting supplies to Checkpoint Company LPS and Al Salaam LPS. At Al Salaam PTT met OIC. LTC reported finding another embedded house IED in a vacant house near the new substation. The

HBIED and wires was taken to DHQ by IP. LTC was denied a request to call EOD to try and locate other HBIED's in vacant homes. PTT urged LTC to search all vacant homes and, if any HBEDS were found, EOD could be notified and would respond to neutralize it. PTT also delivered ammunition for the PKC and the AK47 weapons, handcuffs and c-wire.

At Tamim (b)(3), (b)(6)

(TT0018) Highway Patrol Tamin: (TRA Level 2) PTT met with the Shift Commander and the STO. A substantive discussion took place with the STO and the Station Chief on the proper vehicle patrol tactics needed to maximize the IP ability to spot IEDs before contact is made. A discussion was also initiated on the pros and cons of using NVG to assist in the detection of IEDs during nighttime patrols. PTT reviewed the stations supply rooms and its armory. PTT then conducted a mounted patrol with one IP vehicle and assisted at the scene of a reported IED.

Also discussed was a check-off sheet for the IP's when they are given a class to show that they know the procedures to follow. (Name withheld) and an IPA met with LTC [redacted] in his office to discuss the training schedule. LTC [redacted] guaranteed that he would supply eight IP instructors for the class on (date withheld). This would be their only duty and would not have to stand watches during this time. He also presented his requests for fuel to the Major General [redacted]. The main issue at this point is fuel and fuel accountability. (b)(6), (b)(7)c (b)(6), (b)(7)c (b)(6), (b)(7)c
