Babylon (MND-CS/S)

Al Qadisiyah (b)(3), (b)(6)

FOB Echo: IPAs met with all the Multi Coalition Commanders to discuss their involvement in the VISTA training Center. The Vista program will consist of Americans, Ukrainian, Polish, Armenian, Romanian and Mongolian's Forces. After speaking with the 984th, it was understood, after they complete a security mission, they would resume PTT operations in the City of Diwaniyah.

Babil (b)(3), (b)(6)

FOB Kalsu: FOB Kalsu continues to suffer internet issues and was unable to submit reports on this date.

(NP9904) Iraqi Camp Charlie National Police Compound: (TRA Level 3) PTT-P met with the ERU (Emergency Response Team) in Al Hilla and did community service with the local residents by handing out medical supplies, cooking oil, water and toys for the children. The PTT-T Team instructed the ERU Team on doing Community Policing.

Wasit (b)(3), (b)(6)

FOB DELTA: Nine PTT missions were scheduled for this date. IPAs were assigned to the missions. All PTT missions were cancelled due to change in military tasking obligations. IPAs continued to conducted academy preparation for upcoming D-STaRC Academy scheduled to begin on (date withheld).

(BW0605) Wasit Iraqi Highway Patrol Station: (TRA Level 2): PTT members met with Major [redacted] (b)(6), (b)(7)c at Wasit IHP. Major [redacted] (b)(6), (b)(7)c advised that there have been no major incidents since the stations last visit. Due to the Ramada Holiday there were very few IPs on station and no training or mentoring was conducted.

(BW0054) Wasit Provincial Police HQ: (TRA Level 1) PTT met with General [redacted] (b)(6), (b)(7)c Colonel [redacted] (b)(6), (b)(7)c and Captain [redacted] (b)(6), (b)(7)c to advise them about our concerns with Wasit Highway Patrol HQ and Col. [redacted] (b)(6), (b)(7)c lack of commitment to ongoing training. General [redacted] (b)(6), (b)(7)c said he would look in to the matter. He emphasized how important training was and would not tolerate anything less. PTT also presented a proposal for a Joint Training Exercise to test and see how Provincial HQ could interact and communicate with its supporting units in the field. The proposal asked that the exercise be carried out sometime around the first of December. PTT explained the exercise could be based on any type of incident that would require a pooled response of available resources.

On the same day, a second team of PTT visited the station. PTT members met with Colonel [redacted] (b)(6), (b)(7)c at Wasit IHP DHQ Station as the Station Commander was off duty. Colonel [redacted] (b)(6), (b)(7)c advised that there have been no major incidents since the stations last visit. Due to the Ramada Holiday there were very few IPs on station so no training or mentoring was conducted.

(BW0601) Wasit Patrol Police Station: (TRA Level 2) PTT met with Major [redacted] (b)(6), (b)(7)c who reported Patrol arrested two suspects for kidnapping on Saturday the 13th. The suspects were brothers, one being in the Iraqi Military and the other an Iraqi Police Officer. He said

Compiled by [redacted] (b)(3), (b)(6), (b)(2), (b)(8), (b)(6)

10/18/2007

the kidnapping was the result of an argument between two families and the arrest was made after the incident occurred.

PTT also met with Colonel [redacted] regarding the budget for next year. He said he meets with Provincial HQ every two weeks, and he is working with General [redacted] in preparing next year's budget. Colonel [redacted] said he has two main concerns. One is his vehicle fleet. He has 42 vehicles and currently six of them are down. He said maintenance and repairs weren't so much the problem, it seemed to be getting the necessary parts to make the repairs. The other concern was Force Protection for his compound. He stated the station is in need of sand bags, Hesco Baskets and concertina wire to beef up security for the entrance to his compound. He also said he has no PKC machine guns to place in his guard-mounts at the opposite corners of the compound.

(No FFID#) Al Killodi LPS: (No TRA Level) PTT asked Lieutenant [redacted] on the status of the fuel tanker truck and its driver that had been detained for suspected ID and paperwork problems. This fuel shipment had been dispatched to the Iraqi Police Academy on Camp Delta. He said everything was out of their hands as the case had been forwarded to the presiding judge for adjudication. Lieutenant [redacted] did say, if the driver and truck were released, he would have his men provide an escort to Camp Delta to insure the vehicle and its load a safe arrival.

(BW0045) Wasit Maintenance Facility: (TRA Level 2) PTT met with Lieutenant [redacted] and inspected the facility. The vehicle maintenance area was noted to be clean and orderly. Lieutenant [redacted] expresses concern of retaining some of his better mechanics. A mission scheduled later the same date was cancelled due to the PTT being assigned non-PTT mission duties.

Dhi Qar / Al Muthanna (PIC) [redacted]

PIC members and the Australian Military held a Key Leadership Engagement meeting with the Dhi Qar IPS PDOP, Major General [redacted]. Topics of discussion covered Provincial Security, Recent Military Operations in the province, IPS Training, Finance and the MOI IPS Badging Process. PIC members also met with the Australian MITT to discuss a training proposal for the Dhi Qar PDOP. A training proposal is being drafted by MITT and PIC members. Once all parties agree to the letter, it will be forwarded to the Dhi Qar PDOP for approval.

Logistical PIC Member met with the Australian MITT and discussed issue documents for the Al Muthanna & Dhi Qar IPS over the last six weeks. Copies of these documents have been made and will be forwarded to the Logistics Cell in Baghdad. PIC members continued to prepare and review related lesson plans in anticipation of the Senior IPS training this coming week.

Team Members continued to finalize the training plans for the up coming Al-Muthanna IPS Senior Officer Course and the TSU Course. Additionally, team members inspected the training facility for the up coming Senior Officer Course. The purpose of the inspection was to determine any logistical needs or issues that could arise prior to or during the training. The course was originally scheduled for Camp Mittica, but Camp Terendak provided a more compatible training site for the IPS and PIC members. PIC members also attended a SSR meeting with Australian Military officials who passed on intelligence information and daily operations to the team.

PTT discussed the upcoming Instructor Development Training, which will be held in Sinjar starting on (date withheld). The armory was locked and the Commander, who was on patrol, had the only key. PTT conveyed extreme disappointment with this situation. Because of this problem, IP did not have the Kevlar helmets needed for a joint mounted patrol. PTT provided First Aid training and Vehicle Maintenance training, prior to the joint mounted patrol.

(MN0009) Al Hadba DHQ: (TRA Level 2) PTT spoke with BG [redacted] (b)(6), (b)(7)c in regards to training at the station. He expressed his frustration with NPHQ because they continue sending him IP with no training. He advised that he has put his new IP through a ten day training course when they first arrive. PTT informed him that it is PTT's intention to send IP to the Al Hadba station for training at least twice one week. The training would be conducted by the training officer and the IPA would assist. BG [redacted] (b)(6), (b)(7)c stated that he would attempt to get his stations to start sending the IP to the headquarters. PTT also suggested the implementation of a FTO program.

(MN0018) Al Nasir DHQ: (TRA Level 2) PTT met with LTC [redacted] (b)(6), (b)(7)c about setting up a gun range day for (date withheld). LTC [redacted] (b)(6), (b)(7)c said he would talk to COL [redacted] (b)(6), (b)(7)c about sending a request into NPHQ to use their gun range. The LTC advised he did not have sufficient numbers of available IP to perform training on this date. PTT also inspected the jail. The facility was clean and the inmates advised they were being treated well.

(MN0024) Al Sheak Fathi: (TRA Level 2) PTT met with COL [redacted] (b)(6), (b)(7)c who stated there have been no recent attacks on the station or checkpoints. COL [redacted] (b)(6), (b)(7)c requested continued training on firearms for his IP. PTT advised COL [redacted] (b)(6), (b)(7)c that efforts woulf be made to hold qualification every six to twelve months. COL [redacted] (b)(6), (b)(7)c stated between Al Sheak Fathi LPS and Al Rabeain DHQ, they are constantly receiving threats that they will be hit with another suicide tanker truck bomb and need to have a crane retrieve the T-walls from the old Al Rabeain DHQ. The cost was estimated at $400 US, but the crane operator would require CF protection. COL [redacted] (b)(6), (b)(7)c was advised that PTT would provide force protection. COL [redacted] (b)(6), (b)(7)c was advised to met with COL [redacted] (b)(6), (b)(7)c and draw up a new force protection plan. PTT then conducted hands on AK-47 and Glock cleaning session with five IP.

(MN0045) Al Kazrag LPS: (TRA Level 2) LTC [redacted] (b)(6), (b)(7)c advised PTT that he sent PKCs to NPHQ three weeks ago to be repaired, but was advised that they had no spare parts. PTT advised LTC [redacted] (b)(6), (b)(7)c that NPHQ has an armorer who can repair any weapon. LTC [redacted] (b)(6), (b)(7)c was asked to make copies of all requests for supplies that are submitted to NPHQ and provide the copies to the PTT.

(MN0056) Ninewah Provincial Headquarters: (TRA Level 2) PTT spoke with MG [redacted] (b)(6), (b)(7)c PDOP and discussed the ERB Training facility at Blickenstaff. MG [redacted] (b)(6), (b)(7)c then endorsed a memorandum which requested several items necessary for the operation of the

facility. The memorandum was presented to the Logistics officer for action. MG [redacted] (b)(6), (b)(7)c introduced PTT to Mr. MAJ [redacted] (b)(6), (b)(7)c the Director of the Al Hurria satellite channel located in Baghdad. PTT discussed the need for a more positive presentation of IP pro-activity within the community in the print media and TV/radio media. PTT discussed a pay problem concerning seven IP Officers working at the Bi'aj LPS. MG [redacted] (b)(6), (b)(7)c explained that he had already submitted a request to hire these officers to the MOI Baghdad, but that it had been returned and rejected. He asked for CF assistance in explaining the necessity for the employment of the Officers at the Bi'aj LPS, as they had already been working there for three months. He further explained that the Bi'aj area was extremely dangerous because of AIF activity and the aforementioned officers had done an excellent job in thwarting much of the AIF activity. PTT advised him that CF would be made aware of his request for assistance.

PTT spoke with BG [redacted] (b)(6), (b)(7)c, OIC TOC, and discussed the significant events occurring in Ninewah Province during the past 24 hours. BG [redacted] (b)(6), (b)(7)c advised that an Al Karama DHQ patrol was engaged by AIF using small arms fire near the Al Tameam intersection. An Al Nasir DHQ patrol located and safely detonated an IED consisting of a cement block filled with TNT and an attached cell phone in the Al Hashimia neighborhood. An Al Somer LPS patrol was engaged by AIF using small arms fire in the Al Hasood neighborhood. A 2nd ERB patrol was engaged by AIF using sniper fire in the Al Wahda neighborhood. AIF using small arms fire engaged an Al Hadba DHQ patrol and wounded one IP in the Al Borsa neighborhood. AIF killed a former IP in the Al Mansoor neighborhood. IP discovered the bodies of two murdered local national males at the Al Barawe intersection. AIF detonated explosives at the residence of BG [redacted] (b)(6), (b)(7)c, the Tall Afar Mayor, and completely destroyed the residence.

PTT spoke with BG [redacted] (b)(6), (b)(7)c Logistics Officer, who provide the daily ammunition and weapons count. PTT notified BG [redacted] (b)(6), (b)(7)c that a LogPac containing various vehicle parts and tires had arrived at the IP Warehouse and would be ready for distribution within 72 hours. PTT also spoke with MAJ [redacted] (b)(6), (b)(7)c EOD and delivered the remaining HESCO baskets needed to properly secure and render safe the EOD explosive storage site at Blickenstaff.

PTT spoke with LTC [redacted] (b)(6), (b)(7)c NPHQ Training Division, and provided him with a copy of the rescind order signed by MG [redacted] (b)(6), (b)(7)c on 16Oct07. PTT suggested that BG [redacted] (b)(6), (b)(7)c Training Director, disseminate the rescind order to the Commanders of the DHQ and LPS, so that the PSTO positions would again be viable at those police facilities. PTT spoke with COL [redacted] (b)(6), (b)(7)c Training Logistics officer and issued some equipment for use in the classrooms at the training division.

PTT reviewed the data base in the NPHQ Statistical Unit and garnered information concerning kidnapping statistics for the period Jan-Sep 2007. This information was provided to the MCU to be used by the newly authorized Kidnapping Task Force. PTT also reviewed the data base and garnered information concerning "line of duty deaths" for Officers and IP in Ninewah Province.

PTT inspected the NPHQ Jail and spoke with MAJ [redacted] who provided the current detainee count. PTT noted that the jail staff was engaged in cleaning the jail and visiting area. PTT delivered fly strips in an effort to assist the jail staff to abate the fly problem. The medic was present today and treated several detainees for skin rashes. PTT noted no signs of physical abuse among the jail population. PTT inspected the MTU detention cell and noted 55 adult males and seven juveniles. PTT spoke with COL [redacted] and noted the detainee population there to consist of 590 adult male.

PTT reviewed records within the Personnel Division and noted that 441 citizens had applied for IP positions within Ninewah Province. PTT further noted that 197 IP and six officers were reported as AWOL during the past 30 days.

(MN0066) Sinjar DHQ: (TRA Level UNK) PTT with acting Police Chief CPT [redacted] After training was completed PTT and IP conducted a joint mounted patrol of Bilaj. PTT then went to Sinjar DHQ and met with the XO, LTC [redacted]. PTT, LTC and the Training Officer, CPT [redacted] coordinated the "Train the trainer" course scheduled for (date withheld). While at Sinjar DHQ, PTT also met a group of five Arab sheiks from Bilaj. They are concerned that the mayor of Sinjar, who is Kurdish, is working against the Arabs. One of the complaints is that recently a large number of IA were hired, none of which were Arab. There is no new information in regards to the Kutusha Rocket that recently hit Sinjar.

(MN0076) Tal Afar DHQ: (TRA Level 2) PTT spoke to DHQ's Head Investigator about putting together an Advanced Investigations Class. PTT also talked about several open, ongoing investigations. PTT will meet with the Head Investigator at a later date to discuss the details of the class.

(MN0099) Major Crimes Unit/Major Terrorist Unit: (TRA Level 2) PTT met with COL [redacted] of MTU and discussed the new Kidnapping Task Force. COL [redacted] stated he hopes that when the citizens of Mosul see the IP are working to make the city safer they will begin making complaints about the other kidnappings. COL [redacted] further stated that he will do anything he can to assist this new unit. COL [redacted] stated that he received fourteen new investigations on 16Oct2007, and that no cases were transferred to the IJ.

PTT met with COL [redacted] Commander of MCU, to continue discussing the formation of the new Kidnapping Task Force. PTT suggested to COL [redacted] that he should ensure that task force investigators are experienced and not newly 'minted' investigators. He was advised the new investigators need to be prepared to travel and conduct surveillances, as well as work closely with all DHQ and LPS investigators. PTT is checking into acquiring a number of unmarked vehicles to be used while conducting surveillances during the investigations. PTT will provide training that will cover kidnapping and surveillance techniques. COL [redacted] advised the IJ recently transferred three new cases to MCU.

PTT met with COL [redacted] NPHQ Intelligence Commander, who provided details of the SVBIED attack against the Al Rimmah LPS. He suspects that two IP accepted bribes to allow the SVBIED passage through their check points. He advised the suspect IP are being investigated and held at the MTU.

COL [redacted] advised PTT that there has been a curfew in effect in certain areas of the city which has helped reduce AIF activity. COL [redacted] advised that (specific operations deleted). He explained this action reduces the possibility of insurgents identifying his intelligence officers.

(MN0131) Bughah LPS: (TRA Level UNK) PTT spoke with MAJ [redacted] who said that LT [redacted] from DHQ continues to deny his request for diesel fuel for the generator and will give no reason for the denials.

(MN0201) Ninewah SWAT: (TRA Level UNK) PTT met with BG [redacted] concerning SWAT training and personnel. PTT advised the BG [redacted] that there is a changing of CF underway, and training will start as soon as the new CF is in place. PTT also advised him that when it is available, PTT would work with SWAT at the NPHQ range in addition to training on FOB Marez.

At Tamim [redacted]

(TT0003) Arafa Patrol Police Station: (TRA Level 1) PTT spoke with COL [redacted] regarding all station activities. PTT then went met with MAJ [redacted]. MAJ [redacted] of Investigations to review current cases.

(TT0005) Kirkuk Provincial HQ: (TRA Level UNK) PTT met with COL [redacted] at the Kirkuk Training Center. Present was the Chief IPT for the Training Center. The class of 1700 recruits started reporting to the Training Center. The MOI allows ten days for the recruits to report after the local media announces the start of the class. Any recruit that reports after the start of classes on (date withheld) will finish missed classroom instruction after the graduation. If a recruit reports after the ten day period, they will not be admitted into the class and must reapply for an appointment as an IP. The plan is still in place to train all 1700 recruits at the same time with a morning and afternoon shift. However, in order to fulfill the requirement of 400 hours training, the length of training at the center will be increased to fourteen weeks.

The need for a generator, sanitary facilities and living space at the academy are still issues that need to be addressed. PTT will inform the CF chain of command and see if a solution can be found. Chief IPT also said he would need some help during this class from the IPA, due to a temporary shortage of IPT personnel. Help will be provided on a part-time basis providing it does not interfere with their normal PTT mission.

(TT0024) Qarah Anir Patrol Police Station: (TRA Level 2) PTT reviewed vehicle search training and conducted room and building clearing classes. PTT was advised BG [redacted] was very satisfied with the IP solo contraband search near Hameside village. The operation was executed flawlessly and incorporated methods acquired during building clearing instruction. PTT conducted checks and methods surrounding investigations while processing crime scenes with CPT [redacted], Chief of Investigations. PTT conducted a follow up review concerning a recent homicide case with procedural suggestions and strategies.

(TT0025) Qoria Patrol Police Station: (TRA Level 1) PTT checked on the progress of the construction project. The project is complete, and the station will start using the new cafeteria and living quarters this weekend. The detention cell was inspected and was found to be in order. Station stats were collected. The arms room was also checked and sniper rifles inventoried.

(TT0032) Taza Karhmatu Patrol Police Station: (TRA Level 2) PTT met with WO [redacted] regarding several issues at the station. PTT later met with the Station Chief, CPT [redacted]

[redacted], to discuss several issues affecting the station and overall operations. Chief [redacted] stated that coalition forces planned to move a force into an adjacent area to stop the recent attacks on the station. In the most recent mortar attack, mortars struck a building over 100 meters from the station, but the IP fired into the area with PKC and the mortar fire ceased. The Chief provided a memo to PTT regarding the refusal of HQ to provide or budget cement towers to improve force protection at the station.

PTT conducted first aid training with twelve IP. PTT conducted firearms safety training with WO [redacted], so that he can conduct training with the IP on both shifts. PTT provided the Chief with training outlines for future training. PTT also found that Basheer substation has a total of 107 sets body armor and 100 plates for the body armor. PTT examined the body armor and plates and noted that they were worthless with no ballistic value. NCO Akeel stated that no one wears these vest and that all IP have purchased their own body armor and plates in the local market.

PTT discussed training issues with LT [redacted] and learned that he had attended the academy training and received CDs with training material for the station, but that the computer he has is broken and he cannot not use the provide CDs. LT [redacted] stated that he had given training to IP on human rights, ethics, and terrorists attacks over the past week. PTT gave LT [redacted] some basic firearms safety rules for future training and will follow up on additional training and training aids with the STO LT [redacted]. PTT found that LT [redacted] has a handheld metal detector for training and learned that the station has an additional nine hand held units stored in the armory; however, they were not being used since the IP would rather do a pat down search. PTT also spot checked the personnel records, which are stored in the Logistics Office with CPT [redacted].

Irbil **Unassigned**

(NO FFID) Camp Irbil: (TRA Level UNK) PTT met with the DOS RSO for the Kurdish Region to obtain information about the Blue Force Tracker (BFT) system for PTT vehicles. PTT gathered the information and will inquire up the chain of command about the BFT's for all PTT vehicles in the Kurdish Region. The BFT will be a beneficial tool for the PTT in the event of an emergency. PTT then met with KMOI LNO about 29 Toyota Land Cruiser Vehicles that were previously donated to the KRG from the Japanese Government. The CF has contacted the PTT about hand receipts for these vehicles that can not be located. PTT asked that an attempt be made to obtain new hand receipts that cover the delivery of these vehicles. The LNO will meet with the KMOI and then report back to the PTT on the progress.

(MI0606) Irbil National Crime Lab: (TRA Level 3) MG [redacted] has arranged for PTT to conduct another Forensic Photographers Course beginning (date withheld). MG [redacted] will provide approximately twelve students from the Lab, Traffic Police, Crime Combat and Irbil Police stations. This class will be held at the Irbil National Crime Lab classroom. During the discussion with MG [redacted], several areas of training and mentoring were addressed. PTT initialized and performed a diagnostics check on the QDX-630B Infrared Question Documents Machine at the Lab. The QDX-630 performed as per the manufacturers recommended specifications. PTT conducted a basic review of the capabilities of the machine with three Officers in the Crime lab section. PTT has scheduled a three day familiarization and utilization course to be conducted immediately following the completion of the Forensic Photographers Course.

Sulaymaniyah (b)(3), (b)(6)

PTT talked with the COL about the daily situation report and went over information that would finalize the budget to present to KMOI and MOI Baghdad. PTT advised the COL that the budget was projected to be finished by Thursday of next week. The COL advised he would go over the numbers on the budget example and get dollar figures that would sustain them each month. The COL also advised that, on the 13th of this month, several border villages received artillery shells and some type of rounds from jets flying over. The total number of rounds that hit the ground added up to 250. COL (b)(6), (b)(7)c gave PTT a list of the villages that were hit, along with what type of round and the map grid of the village.

(MD0002) Dahuk Provincial HQ: (TRA Level 2) PTT met with MG (b)(6), (b)(7)c The meeting was a meet and greet with the Regional Commander. One of the issues PTT discussed with the MG was the recent problems encountered while drawing badly needed supplies from CF, through Sulaymania. The shipment of supplies was mainly office equipment that will eventually be used in the creation of a nationwide data base. The MG informed PTT that training will be conducted before the issuance of the equipment throughout the province. He was very happy with the equipment and looked forward to the training on the Database Software for his province. PTT advised the MG that he still had about 30 computers in Erbil ready for pick-up. The MG plans on picking up the computers when he receives his budget money from KMOI, so he can rent a truck. MG (b)(6), (b)(7)c mentioned that his province is in need of winter coats, as some areas of the province are already receiving snow. PTT will check with CF to see if TTIFF money can be used to purchase the Jackets.

(MD0099) MCU: (TRA Level 3) PTT and the MAJ discussed the cases being assigned to the MCU Investigators. One case involved two suspects arrested for using false passports. The suspects paid $700.00 US dollars for each passport, and an additional $200.00 US dollars for smugglers to get them across the Iraqi border. The suspects remained in Turkey for approximately 1 month, and attempted to cross back into Iraq using the same false passports.
