b(6); b(7)(c) b(6); b(7)(c) 1/207th b(6); b(7)(c)

TT, make the following Statements for record about Events

at took Place on the Early Morning of March 29th 2006.

T approx 0145 I was helping to manning a UAH w/ a .50 Cal Machine.

/ 2 other 1/207th Personnell. Our Sector of fire was an

sterly direction. To our right rear was the b(6); b(7)(c) compound

our left rear was the North gate. I heard 2 mortar rounds

y overhead to our Southeast. AT Approx 0215 I heard A 3rd

rtar Round that fell Much shorter than the first 2. AT that

me a Major Small Arms fire fight Began. Approx 2-3 min after

e Small Arms Battle Began I observed Approx 10 Canadian Military

mounted personnell Move In a Coloumn From our Rear Crossing

m South to the NorthEast Corner, The Canadian then Began

gaging The Enemy In a North Westerly Direction. I then observed.

achine fire Coming from My Right Rear Crossing South to North Directly

nto the Canadian Firing Position. The Angle of the fire left ~~[illegible]~~ no

ubt that It was Coming From A Tower In the b(6); b(7)(c) compound In

ier NE Corner. Instantly we realized that the Canadian position

s taking fire from a friendly force, I heard the Canadians on our

adio Say "We're taking friendly fire" they Repeated this again, the

achine gun Maintained Its fire for another few Seconds until 1SG b(6); b(7)(c)

egan yelling at the gunner In the Tower, that he was shooting at

riendlys. The Gun then Moved off the Canadians and Moved In

Northerly Direction. We then got a Call on the Radio to help w/ Evac

f Wounded Canadians, we then Moved to thier position and

elped Load the Wounded onto our UAH and proceeded to the

AA Compound for further Medical Attention. I have no Idea what

b(6);b(7)(c)
