I, (b)(3), (b)(6) WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

At 0310 on September 8th we left Camp Joyce and linked up with the Afghan Border Police enroute to Gangigal. At or around 0400 I stayed the gun trucks while the rest of the ETT Marines dismounted and moved to their positions. At roughly 0520 I heard small arms fire and RPG fire but was unable to observe anything because of my position at the ORP. Right away Cpl (b)(3), (b)(6) and I requested permission to go into the valley, but did not get a response. I got off the gun I was manning and got into the gun truck that Cpl (b)(3), (b)(6) was in. Cpl (b)(3), (b)(6) again requested to go into the valley, again no response, while this is going on I heard Lt Johnson trying to get a hold of (b)(2)High Lt (b)(3), (b)(6) to call for fire and that they needed to get out of there. Lt Johnson also came over the net saying that they were receiving accurate small fire into the house they were at. I remember hearing SSgt Kenefick giving his grid on two different occasions. At this time Cpl (b)(3), (b)(6) and I decided to go into the valley on our own. The ANP and ANA would not follow us just yet. SSgt (b)(3), (b)(6) was the only one we could get comm with and was guiding us through the valley so that we could help out. We went in out of the valley three times pulling wounded ANA out of there. The fourth time we went into the valley an unknown Army unit would only follow us half way into the valley, so we continued down the road, coming around a bend we saw (b)(2)High and saw Capt (b)(3), (b)(6) Lt (b)(3), (b)(6) Major (b)(3), (b)(6) 1st Sgt (b)(3), (b)(6) and the terp from Monti making their way toward us. I pulled the gun truck around them to give them cover and Cpl (b)(3), (b)(6) laid down suppressive fire with the (b)(2)High until they made it to safety. We then went to the ORP and switched gun trucks, because the (b)(2)High had gone down. We came back to where the CCP, Lt (b)(3), (b)(6) and Capt (b)(3), (b)(6) jumped in with us to see if we could find the rest of our team, but we couldn't. We turned around and went back to the CCP at this time Cpl (b)(3), (b)(6) jumped out of the gun truck to help out with the wounded Major (b)(3), (b)(6) and 1st (b)(3), (b)(6) The rest of us went back to the ORP because the second weapon had gone down as well. On our return to the CCP I heard Cpl (b)(3), (b)(6) come over the net saying that he had to get 1st Sgt out of here, so he did. We picked Cpl (b)(3), (b)(6) up and his terp and headed toward the village looking for the missing four. Only until a helo (b)(2)High (b)(2)High were we able to locate the bodies. Cpl (b)(3), (b)(6) jumped out the gun truck with Capt (b)(3), (b)(6) following and Lt (b)(3), (b)(6) covered them with the M240. Cpl (b)(3), (b)(6) ANA, and ANP recovered the bodies and we made our way back to the ORP picking up Cpl (b)(3), (b)(6) on the way back.
