MEMORANDUM FOR RECORD

SUBJECT: Action on Claim of (b)(6) 1424-05

1. Facts. Claimant's father was killed by a U.S. patrol when his vehicle failed to comply with verbal commands and warning shots. Claimant's family has already received a condolence payment for this incident.

Claimant has requested \$20,000.

2. Opinion. In order to form a basis for a claim under the FCA, it must be shown that the incident occurred outside the United States, and that it was caused by noncombatant activities of the United States Armed Forces or by the negligent or wrongful acts of military members or civilian employees of the Armed Forces. In this case, the damage was a result of combat activities and therefore is not compensable under the FCA.

4. Action. The claim is denied.
