MEMORANDUM OF OPINION

SUBJECT: Claim of [redacted] (b)(6)

1. **Identifying Data:** [redacted] (b)(6)

2. **Date and place the incident occurred giving rise to the claim:** The claim occurred on 10 January 2006 in Samarra, Iraq.

3. **Amount of claim and date it was filed:** Claimant filed a claim for \$15,000 on 25 March 2006.

4. **Jurisdiction:** This request is presented for consideration under the provisions of the Foreign Claims Act, 10 USC Section 2734, as implemented by Chapter 10, Army Regulation 27-20. This claim was properly filed in a timely manner.

5. **Facts:** The Claimant alleges that his vehicle, a [redacted] (b)(6) GMC Suburban, was destroyed by CF when his cousin was driving the vehicle from Tikrit to Samarra. CF were allegedly blocking the street and started shooting at the vehicle. The vehicle allegedly began to burn and was completely destroyed. Several persons inside the vehicle were killed and injured. A SIGACTS investigation revealed that a CF patrol had blocked traffic while a possible IED was being investigated. Traffic had stopped behind a tractor trailer when a SUV went around the front vehicle and began traveling on the median strip towards the halted patrol. The patrol fired warning/disabling shots, but the vehicle appeared to accelerate. The CF patrol, fearing that the vehicle was a VBIED opened fire. The vehicle quickly became engulfed with fire. The patrol noticed that several women and children were inside the vehicle and tried to exit the vehicle as it burned. The incident is confirmed by CPT [redacted] (b)(3),(b)(6), the CATA-22 team leader.

6. **Opinion:** "Under AR 27-20, paragraph 10-3, Claims arising "directly or indirectly" from combat activities of the U.S. Armed Forces are not payable. AR 27-20 defines combat activities as, "Activities resulting directly or indirectly from action by the enemy, or by the U.S. Armed Forces engaged in armed conflict, or in immediate preparation for impending armed conflict." Here, the claimant's damage was caused during an escalation of force. This constitutes combat activity because the troops in contact feared the vehicle was a VBIED and were acting in self defense.

7. **Recommendation:** The claim [redacted] (b)(3),(b)(6)
