(b)(6)

Dear Mr. (b)(6) you submitted a reconsideration for your claim on 1 August 2006 stating that the amount you were awarded for your claim was not enough; you originally claimed 2,500,000 Afghani for the death of your brother, (b)(6) On 25 July 2006, you were awarded 200,000 Afghani based on your claim filed under the Foreign Claims Act. In addition to the claim award of 200,000 Afghani, you were also given a condolence payment in the amount of 125,000 Afghani; in total you have received 325,000 Afghani for the death of your brother.

The basis for your reconsideration was that the amount awarded on 25 July 2006 would not cover the expenses of the funeral, 40-day celebration, year anniversary, and the support of your family, totaling approximately 2,300,000 Afghani.

The amount of the claim awarded on 25 July 2006 was based on meticulous research by the CJTF-76 Claims Office. An extraordinary amount of time and effort was put into the valuation of your claim. Additionally, the Afghan parties involved in the consultation voiced overwhelming support for the valuation methodology used by this office.

After thorough calculation, this commission has determined that the amount awarded to you on 22 July 2006 was both a fair and reasonable amount for your loss. The Foreign Claims Act, 10 U.S.C. § 2734, was established to compensate inhabitants of a foreign country who suffer a loss due to noncombat activities of U.S. Forces or the negligence of U.S. service members or civilian employees. To reiterate, the amount previously awarded to you has been determined by this commission to be both fair and reasonable.

This letter constitutes a denial of your reconsideration request under the Foreign Claims Act.

MEMORANDUM FOR RECORD

DATE: 04 Sept 06

On 25 Aug 06, Col (b)(3), b(6) came over to our office to discuss the reconsiderations of the Kabul Riot claims. He stated that to ensure they were doing the right thing, he requested assistance from the generals cultural advisor. She reviewed all the claims and made recommendations. There were three that they determined we might be able to award additional monies. It was then decided that they should be paid out of CERP and to begin coordination.

It was then determined that we would pay the claimants on 02 Sep 06 and it was coordinated that Chief (b)(3), b(6) would pull the funds and accompany us to the date for payment. All three were paid (b)(6), (b)(3), b(6) (b)(3), b(6) is the only who mentioned that he hopes this is not the last of the monies he is to see.

The reconsiderations that have gone to the board have not been signed at this time. As the indication is that they will deny them, as the additional amounts were paid out of CERP, the claimants will have to be called back in to be handed the responses in reference to their reconsiderations requests through the FCC board.
