CONF

- Tragically it transpires that a (b)(6) year relative of the (b)(6) Oscar was shot and subsequently DOW during a raid on the 25th Dec in (b)(6). The US troops came from O/2-12 ID part of 2/1 CD.
- It was listed as an event at the time. But is not a SIGACT.
- The house and the individual are not on any listed or restricted list.
- He was treated at the 28th CSH before being moved to Medical City where it is now known he died.
- There has been no investigation as it did not warrant it.
- While not routine or desirable in this the nature of the environment we are in.
- There is going to grow.

We got it. LTC (b)(3)(b)(6)'s POC for our office. We are drafting initial response to send to family and 2BCT is looking for details regarding the incident (or generating a 15-6 if one was not previously done – initial response was they were not aware of the incident so makes me wonder which unit was involved).

(b)(3)(b)(6) will keep you posted.

3)(b)(6) D- given what I know from the facts at the time, I would not have done one either.

However, if we have not done so, a solatia payment to the family, along with our formal apology and condolences, seems like an appropriate gesture. Probably need draft reply to Command Group tomorrow night so will have to run with what we can gather or accomplish in that time.

(b)(3)(b)(6) are in support on this one.

b)(3)(b)(6) we didn't do a 15-6 but we will now. The BN did an informal investigation and determined there wasn't any negligence on the Soldier's behalf and it didn't go any further. The round rechecked off the floor and hit the gentleman in the face. We took him to the CSH and unbeknown to us he died later from other complications. We will meet the suspense below for sure. BJ6

(b)(6) L FYI – inquiry from the W.H. that we are trying to answer. Got some data in already. We will draft a response. If you have any more info – sworn statements, video, camera, journal, et. all – need info please. Was there a 15-6? Would not expect one but need to find every historical record as we prep reply given the political sensitivities.

Thanks
