Sir,

The IO did not visit the site. The unit only mentioned property damage. They will have to substantiate the property damage to COL (b)(3)(b)(6) before he authorizes the payment.

I don't recall any mention of property damage in the 15-6. Am I missing something?

Sir,

CENTCOM 013809

UNCLASSIFIED

When the unit initially described the incident to me, they made it sound like they shot a non-combatant local national. When we got all the facts, it was a justified engagement with PID of a hostile act/hostile intent which would not require a 15-6. MAJ (b)(3)(b)(6) wanted the unit to go forward with the 15-6 to clarify everything so that he could justify the Condolence payment to COL (b)(3)(b)(6). Now that the 15-6 is complete we will send the condolence payment request to COL (b)(3)(b)(6). The unit intends to request the condolence payment but COL (b)(3)(b)(6) has not approved it.
