| <p>On 19 June 2007, Coalition Forces (CF) were engaged in combat activities during Operation Arrowhead Ripper. Multiple buildings were targeted and destroyed on that date. There is a reasonable likelihood that the CF strikes caused significant collateral damage to (b)(6) house and two cars. Mr. (b)(6) two daughters were also killed, and one son was injured during these operations. Mr. (b)(6) has already received \$5,000 from 3-1 CAV for the death of his daughters (\$2,500 for each daughter). Colonel (b)(3), (b)(6), 3-1 CAV Commander, recommends that a \$10,000 CERP Battle Damage payment be paid to Mr. (b)(6) in recognition of the damage to his house and two cars. Considering all the relevant factors, a CERP Battle Damage payment of \$10,000 is warranted.</p> | | | | |
