Claim Number: **08-2SCR-0123**

Dear Claimant:

You have submitted a claim seeking compensation for your loss. I have thoroughly reviewed your claim pursuant to the Foreign Claims Act (FCA), Title 10, United States Code §2734, Army Regulation 27-20, and Department of the Army Pamphlet 27-162 Claims Procedures.

Allow me to express my sympathy for your loss, however, in accordance with the cited references and the investigation into your claims, I find that your claim is **not compensable**. After an exhaustive search of records of the date in question, your claim was **denied** for the following reason: **your wife being killed was the result of combat operations**.

If you are dissatisfied by this action, you may request reconsideration of the decision in accordance with AR 27-20. Any such request must be forwarded to this office for Foreign Claims Commission consideration. While there is no prescribed format for such a request, it must describe the legal and/or factual basis for relief. Any request for reconsideration should be made in writing within 30 days of your receipt of this letter.

Sincerely,

(b)(3)(b)(6)
