

Sir-

Talked with Lt [redacted] (b)(6) from the IHP today about the incident on the 13th. The only real info he had to offer was that he confirmed that there was a non-military vehicle in the middle of the convoy that engaged the LN vehicle. He described it as being a white trailer, and he was about 400m away from the convoy at the time of the shooting. He said he wasn't positive about the color, but he was positive that the non-military vehicle was being escorted by the HMMWV's in the convoy. He also said that he saw american weapons on the HMMWV's. Statements from the IP involved should be forthcoming in the next few days.

- Lt [redacted] (b)(3), (b)(6).

9. I, (b)(3), (b)(6), WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

At 1315 on Dec 13 07 we received a report of a (b)(2)High convoy that fired a (b)(2)High on a red SUV around J... I work on the BFT so I began to look for convoys heading south from J... (b)(2)High only found one convoy heading south on (b)(2)High The role name was (b)(2)High and they were moving at a high rate of speed as reported by J... (b)(2)High tried sending them a text msg on the BFT and they did not respond so I informed my Battle Ept. of the current situation. Then I proceed to inform other convoys that were in the area. Also informed the patrols to try to help us stop them and find out who they are. We got in contact with a convoy with the role name of (b)(2)High who reported to us that they were going to assist us with the (b)(2)High convoy that was on the MSR ahead of them they reported turning around to help. While in process of turning around the (b)(2)High convoy we were tracking turned off heading to FOB Echo. We received one more msg from the convoy that was helping us reported seeing the (b)(2)High convoy. I sent them a notice msg 5-10 mins later asking for sitrep and I never received any msg back. Approximately at 1510 the leads from the (b)(2)High convoy went stale along with the assisting convoy. It was reported later by the 52 rep that they arrived at FOB Echo from that point on I received no further information.

9. I, CPT (b)(3), (b)(6), WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:
On the 13th day of December 2007 at 1300 I received a report from JSS (b)(2)High through A Co 2-69 CP, that an EOF incident had occurred near JSS (b)(2)High by an Unknown Convoy heading South on MSR (b)(2)High. QRF was notified and SP at 1320 to assist in any way. The LN who were stopped at grid (b)(2)High. When the QRF arrived at the site they discovered that 2 LN had been killed and 3 others wounded by (b)(2)High fire. The observation made by JSS (b)(2)High was that the Unknown Convoy consisted of (b)(2)High and had (b)(2)High. The convoy was traveling South on (b)(2)High in the South bound lane while the LN vehical, a red GMC SUV, was traveling South in the NB lane parallel to the CF Convoy. The CF Convoy then opened fire on the vehical with out firing a warning shot. At which time the CF Convoy proceeded South on (b)(2)High. Upon receiving this report, PV2 (b)(3), (b)(6) searched for icons that matched the unknown CF Convoy for the timeframe in question. We located a single Convoy traveling South on (b)(2)High at a high rate of speed, approx. (b)(2)High MPH until they reached Camp Echo. Still unable to confirm who was in the convoy or element other than the BFT role name of (b)(2)High.
