9. I, (b)(3), (b)(6), WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

On the 24 January 2006, our Jumpmaster 43 element was heading to Fob Falcon, traveling down (b)(2)High. We came upon an unknown EOD element who had a cordon on the southbound lane of (b)(2)High. They asked if we could help with security and we complied. While holding the cordon for EOD, a white Prizm (b)(3), (b)(6) was traveling in our direction and did not stop. Our element took the necessary steps in EOF to stop the vehicle. Once the vehicle stopped on unknown vehicle started firing weapons at us. While the vehicle was firing at us, I noticed small arms fire coming at us from a rooftop on the right hand side of (b)(2)High about 100 meters north of our location. After the SAF had stopped and we were able to detain the individual, another vehicle approached us and did not appear that it was not going to stop. We used Go Lights, hand and arm signals, and a red laser from a PAQ-10 to try and stop the vehicle. I was behind the driver side door with the window down and my rifle on the platform of the window for a stable platform. Once the vehicle was within (b)(2)High of my location I (b)(3), (b)(6) of (b)(2)High

When the vehicle continued forward I shot another (b)(2)High rounds. Other individuals fired rounds into the vehicle as it approached. (b)(2)High

Once the vehicle stopped SPL (b)(3), (b)(6) and others ran up to the stopped vehicle and rendered first aid, while I helped pull security for them.

THE FOLLOWING QUESTIONS WERE ASKED BY IS-6 INVESTIGATOR LT (b)(3), (b)(6)
Q: DID YOU TRY TO, OR ANY OF THE OTHER PERSONNEL FROM YOUR SQUAD, ESTABLISH A PERIMETER TO THE SOUTH + NORTH OF EACH?
A: I AM NOT TOO SURE ON THE SOUTH SIDE, & WE HAD LASERS, GO LIGHTS, PAQ10'S, SPOT LIGHTS, HEADLIGHTS + THAT IS ALL I CAN RECALL
Q: DID YOU FIRE ANY SHOTS AT EITHER VEHICLE THAT WERE NOT (b)(2)High
A: NO I REMEMBER FIRING ONE TO THE GROUND + THEN THE GRILL 1 EACH.

Yes we did FI the passenger of the vehicle. At which time he stated that he was related to the driver, and had seen both the flow of traffic avoiding our direction of travel, and our spot lights. He stated that he did not know why the driver did not stop. He also stated that after the (b)(2)High he screamed at the driver to stop and he continued, after subsequent snots were fired he hid in the floor area of the vehicle sustaining minor injuries to the head and face from broken glass, which is exactly where we extracted him from.

If there is anything else let me know

My name is 1LT (b)(3), (b)(6) with the 463rd MP CO and am in Baghdad. I am conducting a 15-6 into a shooting that happened here back in January. I just need to ask SPC (b)(3), (b)(6) from the 21st MP CO 1 question, and you can actually pass it on to him. The question is this: in the second vehicle that was fired on, did he talk to the passenger? If so, what did the passenger say? Did the passenger relate anything as to having seen the cordon or the vehicles attempts to get them to stop? Those questions should do it. Thanks for your help on this.

V/r,
