9. I, ILT (b)(3), (b)(6), WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

1. (j) When was COP Keating first occupied? Was COP Keating under construction at the time of the attack? Was the occupation and construction of COP Keating a planned operation? If so, who did the planning and what planning was done? Was there a current vulnerability assessment? If so, what was the result of the vulnerability assessment? How were identified vulnerabilities mitigated?

I do not possess any of this information as COP Keating was first occupied before TF Destroyer arrived in theater and no records of the occupation were left in TF Engineer channels.

2. (l) Was there a current threat assessment? What force protection enhancements, if any, were planned for COP Keating?

I am unaware if there was a current threat assessment. The Squadron had contracts in (although the contracts had been suspended when I became TF Engineer because of the imminent planned closure) for a brick and mortar perimeter wall and 3 x perimeter guard towers.
