MEMORANDUM THRU Rear Detachment Commander, 4<sup>th</sup> Brigade, 4<sup>th</sup> Infantry Division

MEMORANDUM FOR (b)(6), AR 15-6 Investigating Officer

MEMORANDUM FOR Major General Guy C. Swan III, Investigating Officer

SUBJECT: AR 15-6 Investigation Questionnaire for October 3<sup>rd</sup>, 2009

1. Questions and Answers are based on guidance questions from MG Swan dated 21 October 2009, received on 26 October 2009 and presented to (b)(6) on the evening of 26 October 2009.
2. I had (b)(6) type her answers on the questionnaire provided and had her sign it for its validity and labeled A1 – A2.
3. All emails have been attached numbered 1-14 in chronological order.
4. (b)(6)'s main concern was the posting of sensitive information on the location and number of troops assigned to each COP by unit under the **Black Knight Face Book** site which was posted publically the week prior to October 3<sup>rd</sup>, 2009. The face book page remained open to the public for 3 ½ weeks and is now viewable by permission only. (b)(6) had gotten into an argument with the **FRG Leader** who had published it because she felt that it was inappropriate and that it was open to the public, even to the enemy.
5. I tried searching for the Black Knight Face Book page and it is no longer online.
6. (b)(6)'s secondary concerns were the lack of security and manpower during the unit's transition from COP Keating as noted from SGT Kirk on email pages 12 thru 14.
