OP Fritsche: SITEMP

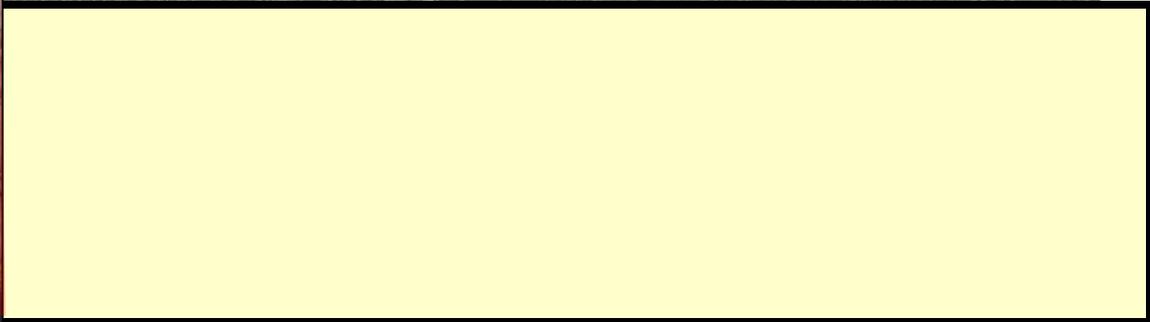

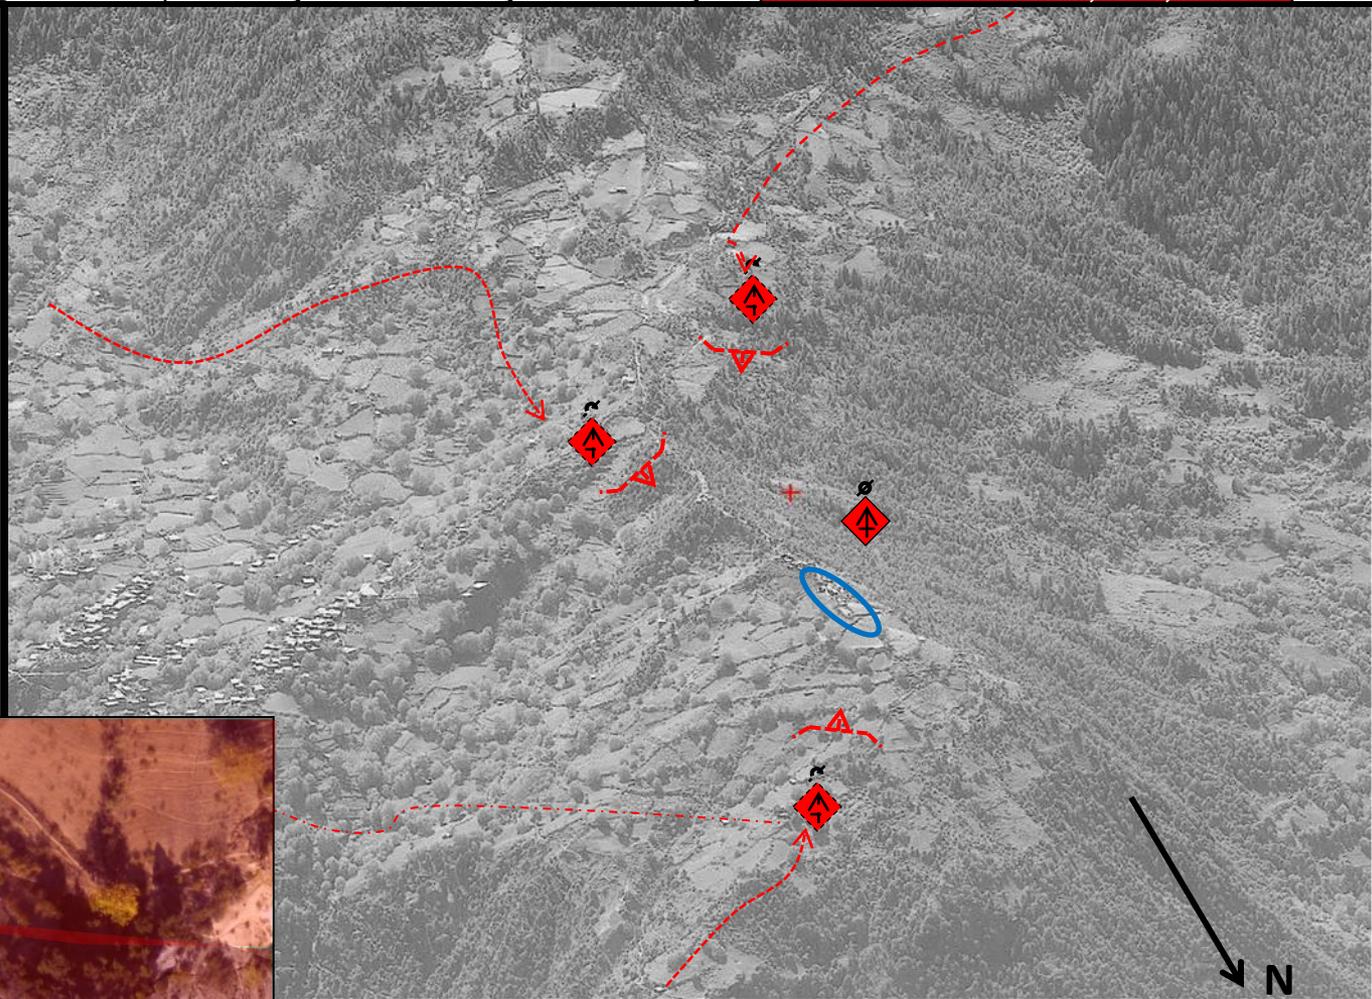

As of: 030830OCT09

TF DESTROYER

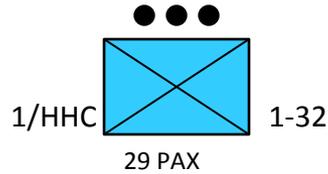

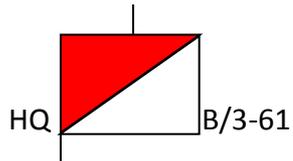

"Led by Love of Country" "All The Way"

SECRET / REL TO USA, ISAF, NATO

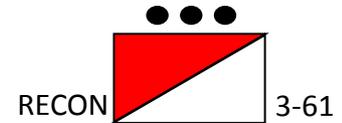

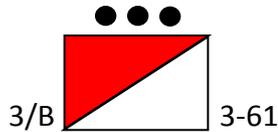

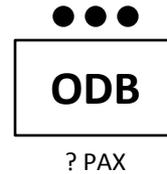

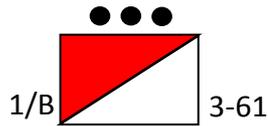

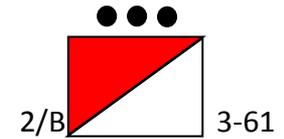

SITUATION:
 OP Fritsche reported HVY Machine Gun fire from all sides
 Last report blowing claymores as final defensive measures
 ASG Compound was over run.
 Upper and Lower Kamdesh may have as many as 2000 MAMs, UNK #armed
 Agro to the west is most likely the origin of ENY C2/Planning that primed the operation
 Reporting over the past week has indicated that AAF in the area have been trying to get LNs to evacuate the FOB for an upcoming attack
