

# COP Keating (07 OCT 09)

The COP is completely destroyed, with no remaining intact buildings. One HMMWV failed to detonate, and remains intact, though rigged with a cratering charge. The only other remaining identifiable equipment/facilities are: a shower trailer, laundry trailer, conex, 2 x destroyed generators, a burnout latrine, a Spaware Dish, and 5 x damaged Class I milvans.

Shower Trailer

Conex

Destroyed Generator
