Yes Sir. I believe we have the final numbers – 53 at Keating, 19 at Fritsche.

With regard to FPO, then I assume there was no one specifically designated once we reached Afghanistan?

Thank you for all your help Sir.

Our school trained and certified Force Protection Officer is 1LT (b)(6), (b)(3). He is the last person on Appointment Orders as such, but following a Command Inspection Program (CIP) just prior to the deployment his responsibility was taken away due to the conflict with his duties as the Squadron Security Manager. You do already have a statement from LT (b)(3), (b)(6) as the Asst S2.

Did we get the PAX at Keating numbers and names fixed after my last email?

Sir –

Who is the force protection officer for your squadron?

I need to ensure we got a statement from him for the ISAF 15-6 team.
