USA SFC USA 3-61 CAV is the designated Squadron Force Protection Officer.

There is no record of a force protection assessment being completed by either 3-1 IBCT or our TF. SFC (b)(3), (b)(6) is the BDE FP, but he likewise has no record. I am not aware if the Division Force Protection Assessment Team ever conducted a visit to Keating.

Sir –

The COMISAF 15-6 team wants me to specifically ask to be clear whether anyone in the squadron acted as the Force Protection Officer when the unit reached Afghanistan?

In addition, was there ever a force protection assessment done on COP Keating?

Thank you Sir.
