CPATT IPLO DAILY SITREP

13 July 2007

Baghdad (MND-B) [redacted]

Baghdad [redacted]

(b)(3), (b)(6), (b)(6)

(BC0003) Airport Police Local Police Station: The Team met representatives of Global Security and the IP Command Staff to discuss operations and security issues. Team members met and received their daily duty assignments from the Team Leader. The Team conducted 2 make-up/refresher classes for 10 IPs covering Basic Glock Pistol and Weapons Maintenance. 1 class was conducted at French Village Sub-Station and the other at the BIAP Station. The Team continues to monitor IPs daily performance and provide mentoring when needed. The Team places special emphasis on monitoring the arrival and departure areas at the Terminal so as to provide assistance to travelers.

(BC0007) Al Adhamiya Patrol Police Station: The Team met the Station Lieutenant Colonel to discuss operations. There were no issues to discuss and reported as he reported everything was good at the Station. No Training was conducted due to the FTO being on vacation. The Team inspected Force Protection and the Arms Room during the visit.

(BC0008) Al Adhamiya Traffic Police Station: The Team met the Station FTO and conducted Training for IPs covering Force Continuum, Domestic Violence and Police Ethics.

(BC0010) Al Bayaa Local Police Station: The Team observed the Station Commander overseeing operations involving repairs for Station vehicles. IPs were observed engaged in clean-up operations at the Station. IPs were also observed laying razor wire around the parking area so as to prevent fuel theft and vandalism to Station vehicles. Information revealed Station vehicles were being pilfered and used for sleeping compartments. The Team feels the Station Commander is being proactive towards improving the Station.

(BC0016) Habibya Local Police Station: Station not currently being visited by PTT teams, 282 Directive.

(BC0020) Al Kadhimiya District Police HQ: The Team conducted Training for IPs covering Vehicle Searches, Handcuff Techniques and VBIED Recognition. IPs were attentive to the material presented and participated in practical exercises to demonstrate proficiency. The Station Commander reported IPs recovered 1 dead body floating in the Tigris River on 11 July 2007. Details revealed the unidentified male victim had been shot in the head.

(BC0026) Al Karamah Local Police Station: The Team met the Station Captain to discuss Station operations. The Team conducted Training for IPs covering Crime Scene Management. The Team conducted 1 Joint Patrol with IPs and no incidents were experienced.

(BC0030) Al Karkh Highway Traffic Police Station: The Team found the Station requires logistical assistance in obtaining fuel, vehicle repairs, uniforms, badges, Police identifications, ammunition, fuel tank and a fuel measurement meter. The Team will be submitting requests for some of the materials in an attempt to assist with improving the Station. The Team observed the logistical shortfall is having an obvious negative impact on daily operations at the Station to include morale. MOI has failed to respond to the Stations request (through the Chain of Command) for a needed fuel storage tank and fuel

measurement meter. Information revealed the vehicle fuel being delivered is of poor quality and causing patrol vehicles to become inoperable.

(BC0045) Al Nasir Local Police Station: Station not currently being visited by PTT teams, 282 Directive.

(BC0048) Al Rafadan Local Police Station: Station not currently being visited by PTT teams, 282 Directive.

(BC0052) Al Rashidia Local Police Station: The Team found Force Protection IPs sleeping on duty. The Team conducted Force Protection Training for 6 IPs which included practical exercises while students were on assigned posts. Students did a good job of demonstrating the procedures covered and special emphasis was placed on officer safety. The Team conducted 2 Joint Patrols with IPs and no incidents were experienced.

(BC0067) Al Tarmiya Local Police Station: Station not being visited by PTT Teams.

(BC0068) Al Thahtheeb Local Police Station: Station not currently being visited by PTT teams, 282 Directive.

(BC0069) Al Thawra Local Police Station: The Team met the Station Colonel who advised there were no significant incidents to report in the AOR. He reported the Station is currently receiving fuel on a regular basis. The Team talked to the Colonel about having someone moving the electrical power line (supplying power to the Station) off the ground and onto a service pole. The Team also requested he institute a cleanup of garbage on the Stations' grounds so as to present a professional image. The Colonel was receptive to the suggestions offered by the Team.

(BC0072) Al Thawra Traffic Police Station: Station not currently being visited by PTT teams, 282 Directive.

(BC0074) Al Yarmouk Traffic Police Station: The Team suggested both the Stations Training and Administrative sections work together to organize official training record files for Station personnel. The Team explained the effort would insure accountability and accurate Training records for all assigned personnel. The Training section was informed to contact the local academy to assist with cross-referencing Training certificates for purposes of maintaining accuracy. The Team was advised that prior to 2003, no training certificates were issued to IPs completing formal Training at Baghdad Police Academy or JIPTC. This information indicates senior officers and IPs may not have certificates to verify their academy completion. Current Training information indicates that since 2003 to date, 71 IPs attended Baghdad Police Academy and 20 IPs have completed JIPTC.

(BC0079) Bab Al Muadam Patrol Station: The Team met the Station Colonel who advised the IA delivered 4 dead bodies to the Station. He stated 3 of the dead were brothers and the 4th victim remained unidentified. He further advised all four victims were members of JAM and had been fighting with each other over a difference in views. The Colonel provided the Team with current logistical and personnel numbers for the day. As previously reported, the Colonel does not seem to have any idea about how many IP's are under his supervision or where they are assigned. Past Team observations show that every time he is questioned about staffing assignments, he gives different numbers and states that he was confused earlier. During the visit, the Team was able to account for most of the current assignment, however; his numbers changed every time we asked about his personnel count. The Team conducted Training for 17 IP's and 1 officer. The Team conducted a Joint Patrol and no incidents were experienced.

(BC0086) Baghdad Main Provincial Police HQ: The Team observed the Badge processing for 146 IPs at Baghdad Main Police Station. The Team observed graduation exercises for 543 IPs at Headquarters. The Team learned MOI has issued an order for BKC and PKM weapons to be returned to MOI. Previous experience has shown that weapons submitted for repairs resulted in same not being returned to the Headquarters Unit. The Team will continue monitoring this situation concerning weapons issued to the Station.

(BC0118) Rusafa Motorcycle Traffic Station: The Team arrived at the Station and found no Officers available to confirm statistical data. The Team met 2 IPs who advised Patrols were engaged and the numbers were approximately the same as previously reported. The generator was not operating apparently due to the lack of fuel. The Military counterpart was unable to inspect all interior rooms at the Station due to all being locked. Information revealed the Station's Officers were away from the building and were in possession of the keys. The Military counterpart elected to return at a later date rather than damage property.

(BC0120) Rusafa Directorate Police HQ: 1 of the Teams interpreters stated death threats were made against him and his family. The Team provided 30 gallons of diesel fuel for trucks assigned to the ERF Department. The Team met with another civilian air-conditioning contractor concerning repair for units at the Station. Information revealed the Logistics Section continues expecting a large shipment of office supplies for the Station.

(BC0628) Rusafa Checkpoint Directorate: The Team visited all Checkpoints in the Station AOR. The Checkpoint located at Main and Brewers was fired on by an RPG and SAF during the Teams visit. The incident resulted with 3 offenders being taken into custody by IPs. The suspects were found in possession of 3 AK-47 rifles and 2 Glock pistols. No injuries were sustained from the attack. The ECP received SAF at 1745 and no injuries were sustained. The Team conducted 1 Joint Patrol with 4 IPs occupying 1 vehicle and no incidents were experienced. The Team conducted Training for IPs covering Combat First Aid.

Babylon (MND-CS/S) (b)(6), (b)(3), (b)(6)

No missions where conducted due to a CC mandated stand down as a result of threat level.

FOB Echo: Training will resume 15 July 2007.

Babil (b)(6), (b)(3), (b)(6)

(BW0500) Al Hillah Regional Police Academy: The Team met with approximately 400 new incoming recruits to be added to the Iraqi Police Basic Recruit class that commenced on 08Jul2007. The total number of trainees is currently at 832, broken down as follows: 374 National Police, 362 new Sergeants and 96 raw recruits. An additional 200 basic recruits are expected to arrive within the next day bring the overall total to planned 1,032.

(NP9904) Camp Charley: Approximately 500 IP personnel attended training, which included close combat maneuvers. Approximately 300 Iraqi Police personnel were trained in the techniques and successfully demonstrated a basic knowledge. Thirty one Iraqi Police personnel were processed through Biometrics intake. This number was limited due to several power outages. In addition to the training, the Team noted that 10,000 liters of replacement fuel had been delivered.

FOB Kalsu: The PTT Team conducted training for 199 Iraqi Police that will make up the North Babil ERU (emergency response unit). IP's were taken to the range to combine team movement and live fire drills. IP's also received training in defensive tactics and self-defense. The Iraqi Officers assisted the instructors in conducting the classes for the IP's.

Wasit (b)(3), (b)(6)

Teams conducted late missions and reports will be on the following date's report.

FOB Delta: The team continued research on items needed for range operations during the Crucible training sessions. The team also continued discussion and development of additional courses to be offered to IP's in the region.

Dhi Qar / Al Muthanna (PIC) (b)(3), (b)(6)

The Team contacted the Al Muthanna PJCC Commander in regards to the upcoming meeting in Camp Terendak. Team members continued to work on the PowerPoint presentation for the upcoming training at the Al Muthanna IPS Academy. Requests for information concerning the designation of national academies for the Al Muthanna and Dhi Qar Province were emailed to CPATT contacts. Team members met with the Australian Mitt concerning logistical MTOE that is to be issued to the Dhi Qar IPS this upcoming week. The team continued to develop table top exercise drills this afternoon for the Dhi Qar PJCC Commander. PIC members met with the Australian Mitt concerning the scheduling and input of activities for the upcoming week as well as an upcoming meeting with Coalition Forces. Team members are planning follow up meetings with Al Muthanna PJCC Commander, Lt. Col. [redacted], to evaluate the security planning process in accordance with the NCC. They are also planning meetings with the Dhi Qar PJCC Commander, Lt. Col. [redacted], to evaluate the security planning process in accordance with the NCC. Further meetings are with the Dhi Qar financial officer are planned for the upcoming week in Camp Terendak.

Tikrit (MND-CW) (b)(3), (b)(6)

Diyala (b)(3), (b)(6)

(TD0024) Diyala Provincial Police HQ: PTT-P spoke with COL [redacted], Chief of Logistics who stated the Logistic Manual for the IP stations was nearly complete. The list of IP stations that have requested supplies and equipment but have failed to pick up their items should be completed Sunday. The Vehicle Department is on schedule for completing the requested comprehensive report on Vehicles assigned in the district and their condition. MOI, for the June inventory, issued IPS HQ 150,000 rounds of AK ammunition and 150,000 rounds of PKC ammunition.

PTT-P Training advisor met with COL [redacted] head of Diyala Training. The COL advised that 40 IP would graduate on this date from the Basic course at KMTB. COL [redacted] also requested a Basic Instructor's course be given at IPS HQ for 8 new instructors. COL [redacted] was given the information on the next Graywolf Leaders Course starting in July at Fob Gabe. Col [redacted] will have 15 IP ready to attend the course with another 15 standing.

(TD0035) Khalis District Police HQ: PTT-D traveled to Khalis IP station and met with COL [redacted]. The LT Stated that he has sent several requests for ammo up his chain of command and has copies of all requests made. He feels COL [redacted] is not doing enough to get ammo for his people due to the fact that they are of different religion. PTT-D advised him to keep sending requests and keep copies of all request.

Compiled by [redacted] (b)(6), (b)(3), (b)(6), (b)(2), (b)(3), (b)(6)

(TD0026) Hib Hib Local Police Station: PTT-D met with LTC [redacted] Isud who complained about needing fuel and ammo. The LTC advised PTT-D he has sent several requests with no results. He claims that COL [redacted] does not care and has not been to work in a month. He also stated that the feud is due to a Sunni and Shia issue. There are 160 total IP. There are 50 on duty split up between two check points and security at the station.

(TD0009) Al Udaim Local Police Station: PTT-D met with LTC [redacted] who advised PTT-D that he is not receiving enough money for fuel and is short on ammo. He was advised to send the proper request through his chain of command. The LTC stated he received 1250 rounds of PKC about a week ago but no AK ammo.

Brigadier Gen Subhi Academy: PTT assisted in graduation ceremonies where 40 IP received graduation certificates for completion of the basic academy.

Scorpion Academy: The students practiced for graduation and prepared the grounds, uniforms and weapons.

(TD0609) Dali Abbas Local Police Station: PTT met with COL [redacted] who advised there were 53 IP working at that time. There were fifteen IP working at the checkpoint and about twelve working at the station for security. The station is in need of more Hesco and concertina wire for security. PTT went on a joint patrol with the ten IP and the IA. During the joint patrol, the IP were advised on weapon safety skills and use of cover during the patrol. PTT also checked on the welfare of six prisoners housed at the police station. The IP were advised on the proper treatment of prisoners. There were no injuries to the detainees and they had plenty of food and water.

Salah Al Din [redacted]

(TA0038) Qadassia LPS/ 911: PTT team conducted their first routine PSMR questions. Three different contractors arrived to assess how much repair is needed to improve the station. Some minor renovations and rooms being added was discussed for inside the building. Hesco barriers are needed to surround the building, towers on top of the roof and the walls need to be raised higher as the station is often attacked by snipers.

(TA0077) Salah Al Din IHP HQ: In addition to regularly shceduled training classes, classes, information was given to MAJ [redacted] for future training purposes. That information included police report writing, role of the judiciary and searching, leadership and team building, communication skills for the radio.

PTT met with 5 of the 6 Sub Station Commanders. This meeting was arranged last week By LTC [redacted] on behalf of the IP and PTT. Covered issues included continuing education, supplies and Force Protection issues for each of the Stations. All of the Stations reported that they are in need of ammunition and Hesco barriers. They were advised that the Hesco barriers could be obtained at the Warehouse and the ammunition issue is already being addressed at the Provincial level.

FOB Wilson (AD Dwar): The 10 IP from the QRF were given a class in vehicle recovery. The team used a sand table and went over several scenarios. We showed them how we might handle the situation and they showed us how they would work through the scenarios. The QRF also showed us how the latest IED was used against them and they went over ways to prevent this from happening in the future.

CPATT IPLO DAILY SITREP

Camp Bernstein (Tuz): PTT conducted a meeting on the FOB with COL [redacted] from Tuz DHQ, LTC [redacted] from Sulyman Bak and MAJ [redacted] from Amirili. The mayor from Sulyman Bak and the Deputy Provincial Governor were also in attendance. During the meeting, the security situation was the main topic. MAJ [redacted] from Amerili advised that he now has 115 new IP working in his city and that this is part of the 270 IP slated to be hired for Amerili. PTT advised COL [redacted] that Tikrit has additional funds waiting for him for fuel. The chiefs discussed that the district boundaries will be changing and that the layout will be decided by GEN [redacted]. PTT advised that they were told by the Deputy Governor that the Iraqi parliament allotted $10,000,000 to Amerili for reconstruction and possibly rebuilding the police force by buying new vehicles and equipment for them.

(TA0084) Samarra District HQ: PTT spoke with MAJ [redacted] who explained that LTC [redacted] was now second in command under LTC [redacted] as [redacted] is currently on vacation. He stated that the Emergency Battalion (QRF) is in the process of trying to setup a time for the IP that are assigned to the Emergency Battalion to be sent to Tikrit for academy training. At this time, they are assigning EB IP to other stations to fill in until they can get back up to full force. The IP are assisting in manning BP3 and BP4 eastern side roof top. PTT was also informed that one of the Armory's back rooms has been taken over by the NP. When a meeting was held with GEN [redacted] he stated that they would not move into that area. PTT spoke with LT [redacted], and LT [redacted] in reference to this issue, LT [redacted] stated that he would have the three officers moved out by tomorrow and we could speak with GEN [redacted] once he comes back off of vacation.

CPT [redacted] has returned and will continue to serve as the leader of QRF (Emergency Battalion). CPT [redacted] advised PTT that he wants his IP to receive training in Tikrit. Currently all departments are short on IP (not to mention NP or IA) and with this possible move it could cause further separation between the security forces.

LTC [redacted] recently advised that he is attempting to make the IP more professional by setting basic standards for dress and appearance. With the recent arrests of several IP for minor infractions, it appears that LTC [redacted] was serious.

PTT obtained a copy of the vehicle inventory that are in need of repaired, along with the VIN numbers of all the vehicles and parts that are needed. The Team asked MAJ [redacted] if this list has been sent up to LTC [redacted], and he stated that they do have the copy, and in turn it has been sent up to GEN [redacted], who in turn is going to send it up to the Prime Minister.

(TA0050) As Sanyiah Police Station: PTT conducted a meeting to discuss upcoming training and new approaches to the training. One topic was to conduct levels of training from the ground up to proficiency, along with being able to track the training and the progress of the IP. The IP will be rewarded with certificates of training after completion of a two week lesson plan and passing a proficiency test. Training classes will be posted in advance and the IP will have adequate notice as to what training is coming up.

PTT held another meeting with the IP and Officers present. The topic of discussion was having a security protection plan in place. PTT wants to also have a tracking board for all IP assignments and duty days worked during a specific time frame.

Mosul (MND-N) [redacted]

Ninewah [redacted]

(MN0056) Ninewah Provincial Headquarters: PTT spoke with BG [redacted], Operations Officer, and received a briefing on the significant events that occurred within the past 24 hours in Ninewah Province. He related that a VBIED was reported by the Al Namrood DHQ near the Al Gaser LPS and that IA EOD responded to the scene. IA EOD conducted a controlled blast and inadvertently leveled the Al Gaser LPS and portions of a nearby school. A carjacking occurred near the Al Shodha Bridge resulting in the theft of the victim's vehicle and the death of the victim. The victim was with 7thERB out of Baghdad. In the Senaa Wady Okab neighborhood an IP, who was assigned to the Badoush Prison, was killed by person(s) unknown. In the Al Entissar neighborhood AIF placed an IED inside the body of a dead civilian near the Al Somer LPS. In the Al Baldyt neighborhood three Katuysha rockets impacted and exploded. In Tall Afar an IED was detonated as the Commander of the Al Qadisiyah LPS drove by and it killed a civilian female.

PTT spoke with BG [redacted], Logistics Officer, and he related that the weapons/ammunition count for NPHQ remains the same as yesterday's count. PTT met with LT [redacted], NPHQ Jail, and noted the population to be comprised of 439 adults and 20 IP. PTT will continue to work with the CF personnel in BATS, the Commander of IA and the Commander of MTU to attempt to reduce the overcrowding situation in the jail. PTT continued to work on translating the Subsistence Contract between NPHQ and the Gaswan Nazar Al-Gasso Company. The afore described contract was negotiated to supply 3 meals per day to IP at NPHQ, DHQ and LPS in Ninewah Province IAW an MOI directive.

PTT met with staff members of the Finance Department and reviewed files of IP that were killed in the line of duty. Payment will be made to the families of the officers killed while performing duties as IP. PTT met with LT [redacted] of the Personnel Department and he provided a breakdown of the police facilities to which the newly hired IP were assigned.

(MN0099) Major Crimes Unit/Major Terrorist Unit: PTT met with MAJ [redacted] of MCU. MAJ [redacted] advised PTT of further information received on the kidnapping of BG [redacted] from Mosul in Baghdad. PTT and MAJ [redacted] discussed sharing investigative information with other IP investigators in Baghdad. MG [redacted] was advised holding back information can stop or stall and ongoing investigation. MG [redacted] and PTT discussed proper channels for passing intelligence at NPHQ. MG [redacted] stated that if the intelligence is time sensitive it will be passed on the phone as quickly as possible then delivered on paper at a later time.

MG Ahmed informed PTT of threats made to an IP officer by a detainee. The detainee made threats to kill the IP officer investigating his case. MAJ [redacted] fears the Investigative Judge will release the detainee, who has stated he is an insurgent. The detainee's case was sent to MCU and not MTU. MAJ [redacted] stated the AIF detainee, is from the same village as the Investigative Judge. MAJ [redacted] was advised by PTT to see if CF would take the detainee into their system.

(MN0232) 1st Emergency Response Battalion: PTT traveled to the 1st Emergency Response Battalion to conduct a station visit. Upon arrival PTT spoke with COL [redacted] regarding upcoming training dates. PTT asked COL [redacted] to provide 25 IP for the Basic Academy. COL [redacted] advised PTT he could not provide 25 IP for the Basic Academy. COL [redacted], did however, state he could provide ten IP for the Basic Academy.

PTT asked COL [redacted] to provide two Officers for the upcoming Instructors course. PTT advised COL [redacted] these instructors would be trained by the PTT in Basic SWAT Tactics after they graduated the Instructors Course. PTT also advised COL [redacted] that the PTT would then expect those instructors to start conducting training of IP at his station with PTT mentoring

his instructors. COL [redacted] stated he would provide two Officers for this and looked forward to starting the training.

(NO FFID) 3rd Emergency Response Battalion: PTT traveled to the 3rd Emergency Response Battalion to conduct a station visit. Upon arrival PTT spoke with LTC [redacted] regarding upcoming training dates. PTT asked LTC [redacted] to provide a list of 25 IP for the Basic Academy starting on (date withheld). LTC [redacted] advised he would provide the 25 IP for the Basic Academy.

PTT also asked LTC [redacted] to provide two Officers for the upcoming Instructors course starting (date withheld). PTT also briefed LTC [redacted] these instructors would be trained by the PTT in Basic SWAT Tactics after they graduated the Instructors Course. PTT also advised LTC [redacted] PTT would then expect those instructors to start conducting training of IP at his station with PTT mentoring his instructors. LTC [redacted] advised he would provide two Officers for this and looked forward to starting the training.

(NO FFID) 4th Emergency Response Battalion: PTT traveled to the 4th Emergency Response Battalion to conduct a station visit. Upon arrival PTT spoke with LTC [redacted] about the fifteen IP he was going to send to the Basic Academy starting on (date withheld). LTC [redacted] provided PTT with a list of the fifteen IP he intended to send to the Basic Academy. PTT Also spoke to LTC Ali about sending two Officers to the Instructor Course. LTC [redacted] advised he could not afford to send two officers at this time but did agree to send one. LTC [redacted] advised, on 09JUL07, one of his IP was shot and killed by a sniper in the Al Tahreer neighborhood by a Mosque. LTC [redacted] also advised they were unable to locate the sniper.

(NO FFID) Emergency Response Unit: PTT spoke with MAJ [redacted] regarding upcoming training dates. PTT asked MAJ [redacted] to provide 25 IP for the Basic Academy starting on (date withheld). MAJ [redacted] advised he could not provide the 25 IP for the Basic Academy the ERU was very busy. MAJ [redacted] advised he could provide ten IP for the Basic Academy, and provided PTT with a list of the ten IP who would attend. PTT also asked MAJ [redacted] to provide two Officers for the upcoming Instructors course starting)date withheld). PTT also advised MAJ [redacted] these instructors would be trained by the PTT in Basic SWAT Tactics after they graduated the Instructors Course. PTT also advised MAJ [redacted] PTT would then expect those instructors to start conducting training of IP at his station with PTT mentoring his instructors. MAJ [redacted] advised he did not think he could provide Officers for this course and would speak to COL [redacted] about this.

MAJ [redacted] advised he would like to send Officers to the Instructors Training but they were very short on Officers at this time. PTT asked MAJ [redacted] to speak to COL [redacted] about the matter and let PTT know on the next station visit.

(MN0061) Qayarrah District HQ: In Al Haad, a suicide bomber attempted to assassinate the Chief of Mosul Anti Terrorism. The assassination attempt failed when security for the Director shot the man and exploded one of eleven RPG. The attempted assassination was carried out by an unidentified man wearing an IA uniform. The cadaver was transported to Mosul for identification and forensic analysis. [redacted] was killed in Jamisah while attempting to set an IED along the roadway.

(MN0076) Tall Afar DHQ: PTT traveled to the Mayor's office to attend a meeting with several local Shia Sheiks, BG [redacted], BG [redacted] of the IA, Deputy Mayor [redacted] and other CF Units. The meeting was planned after the local security forces leaders persuaded the sheiks to disband a demonstration involving a large group of Tall Afar citizens, near the Mayor's complex. The meeting main focus was the treatment of the local Shia population. The sheiks feel as if the Sunni population of Tall Afar is receiving preferential treatment. For

each point brought up however, the local leaders as well as CF were able to demonstrate to them that the points were not valid and in most cases based on rumor.

PTT will continue to monitor the above situation and has future talks with those in attendance at today's meeting, planned. While at DHQ waiting to assist the IP with the transport of new IP recruits to western Ninewah province, PTT was advised of a suicide vest attack in the Al Saad LPS AO. PTT responded to the location and was met by station commander MAJ Fadil. MAJ (b)(6),(b)(7)(c) advised a local family was having a wedding celebration when the attacker entered the area and detonated the suicide vest. A total of five persons, including one off duty IP, were killed and four persons injured.

Immediately following the attack people at the party, learned the identity of the attacker and traveled to his home. One subject committed a drive by shooting into the dwelling which resulted in the death of a twenty year old female. IP continue to search for the suspects in this retaliatory killing. While at the Al Saad LPS, IP gave PTT approximately ten pounds of explosives and detonation cord which were found in a vacant home near the site of the suicide vest attack. The items were found while they were conducting a door to door search. The materials were turned over to EOD.

(MN0224) Tal Uwaynat LPS: PTT traveled to Tal Uwaynat LPS to continue the search for a suitable building to relocate the IP Station. The current IP station is housed in a dilapidated train station. The structure is slated to be destroyed once the new train station is completed. The PTT met with the manager of the new train station. He advised the PTT that the new building is under the control of the Ministry of Transportation. PTT discussed the possibility of the IP obtaining use of part of the new building for an IP station. The idea was received positively.

The new train station is being constructed for communication and maintenance of the railroad system between Mosul and Rabiyah. There are no plans to use this station for passenger service or freight. The presence of the IP would be viewed as security for the station and the workers that will be stationed there. A number of details remain to be worked out but the concept of the IP being housed in the building is viewed with favorably by the PTT and the IP.

At Tamim (b)(3), (b)(6)

(TT0005) Kirkuk Provincial HQ: PTT met with LTC (b)(6),(b)(7)(c), the Administrative Officer and discussed the IP from Abassi Police Station that resigned. He advised some have returned to work and the rest will remain terminated from employment. He was not sure of the exact numbers. It was brought LTC (b)(6),(b)(7)(c)'s attention that several stations were making their own ID cards because IP had expired cards and no replacements were available. LTC (b)(6),(b)(7)(c) will look into the problem.

(TT0004) Aruba Patrol Police Station: PTT observed roll call and CF during his training class on IED procedures. Four IP were resigning because they live too far from station. PTT advised the two resigning IP they might be able to relocate to a closer station.

(TT0023) Azadi Patrol Police Station: PTT paid the IRD workers and met with COL (b)(6),(b)(7)(c) to discuss the station operation, and intelligence information. PTT also inspected the jail.

(TT0007) Daquq Patrol Police Station: PTT paid the IRD workers and met with the station-training officer, CPT (b)(6),(b)(7)(c). He stated he is eager to schedule and begin training but he is still scheduled as a shift supervisor working 24-hour shifts. CPT (b)(6),(b)(7)(c) feels he needs a designated training room and a computer. COL (b)(6),(b)(7)(c) initially stated he doesn't have

enough personnel to create a training position and there is no extra space at the station to train. CPT [redacted] was advised he would need to request a computer from HQ and work with COL [redacted] to implement the program. COL [redacted] asked CPT [redacted] to have a training schedule in place within several days.

(TT0009) Domies Patrol Police Station: PTT arrived at Domies Police Station to meet with COL [redacted] on any problems that they may be having in the station or area. There were no problems to report. PTT followed up with investigation on homemade rocket launchers and rockets. Investigations stated that they have gotten permission from the judge to arrest eight people in connection with it.

(TT0018) Highway Patrol Tamin: PTT paid the IRD workers. PTT met with LTC [redacted] and discussed additional problems with XO [redacted]. The station has not had power in two days because of generator and power grid problems. The situation is currently being worked on.

(TT0021) Laylan Patrol Police Station: PTT met with COL [redacted] and paid the IRD workers.

Irbil [redacted]

No station visits were conducted on this date.

Sulaymaniyah [redacted]

(No FFID) Assaish Check Point Dukon: PTT met with Assaish check point officers at the Dukon check point. PTT instructed three two hours classes for officer survival and awareness. This schedule is necessary due to the officers working two hour shifts. The check points have no back up lighting system if a loss of electricity were to occur. The check point is in severe need of a lighting system and flash lights.

(TS0010) Sulay Traffic PHQ: PTT met with COL [redacted] to discuss and coordinate the up coming class for the Basic Motorcycle Course. COL. [redacted] expressed, he would like to see the Basic course extended from one week to two. COL. [redacted] believes the additional week would greatly benefit his riders. COL. [redacted] also advised, he would coordinate the classes with all jurisdictions, i.e. Asayesh and Emergency IP. PTT also traveled to the Asayesh Police H.Q. and met with [redacted]. PTT discussed their participation in the up coming Basic Motor cycle Course. [redacted] advised he was willing to send at least three officers to a class as soon as possible. PTT also discussed up coming classes for the Asayesh which would include Narcotics and Investigations. [redacted] stated his priority would be a Security Course and the Motorcycle Course. The Security course would consist of information gathering and how to process the information.

(TS0034) Dukon DHQ: PTT conducted a PSMR check with above listed location. The following areas were covered: personnel, weapons, vehicles, uniforms and radios.

(No FFID) Sulaymaniyah House of Justice: PTT met with Chief Judge of the Sulaymaniyah Province to set up a Police Rights board for all law enforcement. Chief Judge [redacted] stated he would like to see this board and before a panel was selected to meet twice a month he would like to start by meeting with PTT, GEN [redacted], GEN [redacted], Col [redacted] and any head of Fermandy. This meeting will map out what the Judges want and what is expected from the IP. And in turn what the IP expect from the Judges. The Judge stated again how this panel would better the whole system between the Police, MOJ and the Sulaymaniyah Province. The first meeting of the Sulaymaniyah Law Enforcement and Judges Board will be on (date withheld).

(TS0008) Sulaymaniyah PHQ: PTT met with GEN [redacted], Provincial Director of Police regarding the upcoming advanced traffic accident investigations course. It will be comprised of fifteen students, of which five will be IP investigators and ten traffic police investigators. In addition, the two IP investigators previously identified by the team to be developed as instructors will be in attendance. GEN [redacted] then requested the team conduct a subsequent course in the Darbanikhan district after completion of this class. It would not be feasible to have IP investigators in that district to travel back and forth daily, due to it being over an hour drive one way. The PTT advised that a course could be conducted there, and that the PTT would work out the details with BG [redacted], the Darbanikhan District Police Commander there. The PTT confirmed the start date and times for the course with MAJ [redacted] of the Provincial Traffic Police. MAJ [redacted] stated his ten investigators would be in attendance.
