CPATT IPA-OPERATIONS DAILY SITREP

L70

29 August 2007

Baghdad (MND-B)

Baghdad

(b)(3), (b)(6)

(BC0003) Airport Police Local Police Station: (TRA Level NA) The team monitored the morning Guard Mount to observe the inspection and briefing process. The team conducted a class today at the BIAP training center because of a special assignment for the IPs located at French Village Station. The training conducted was done at BIAP Station and was attended by 4 IPs. Today's lesson covered Contact and Cover Procedures. The Team inspected both Detention Facilities to insure professionalism is being maintained by attending IPs.

(BC0007) Al Adhamiya Patrol Police Station (East): (TRA Level 2) The team met with the Station Commander who expressed frustration that his request for supplies have not been met. The team documented the Commander's supply order that hadn't been filled and forwarded the information to their chain of command. Team continued to receive information that several of the IPs assigned to this station are members of JAM. The team continued entering IP personnel into the Police Badge System.

(BC0018) Al Jazaaer Local Police Station: (TRA Level 1) The team met the Station Commander who discussed recent construction improvements.

(BC0039) Al Mamum Local Police Station: (TRA Level 2) The Team met with the Station Commander concerning his frustration with the current system of obtaining badges. He also stated that personnel assigned to his station are paying money to be transferred to other stations. Team mentored the Station Training Officer as he conducted a lesson on Community Policing.

(BC0047) Al Quds Local Police Station: (TRA Level 2) The team met the Station Commander who discussed desired training and need help in requesting process for logistic support.

(BC0052) Al Rashidia Local Police Station: (TRA Level 3) The team conducted a joint patrol of the AOR with IPs from the station. While on joint patrol the team conducted an inspection of a vehicle checkpoint within the AOR. The team immediately conducted on the spot training for 15 IPs on proper positioning and command presence during public contacts.

The Command Staff is concerned about lack of vehicles and badges. The Team noted the station construction of the station.

(BC0059) Al Sha'ab Local Police Station: (TRA Level 2) While the team was meeting with the Station Commander several citizens came to the station and reported they had recently been kidnapped. The citizens were transported to the local hospital for treatment for there injuries.

(BC0064) Al Taji Local Police Station: (TRA Level 3) The team conducted an extended mission that involved four days at a nearby JSS. The Team conducted an accelerated training course for new IP at the Station. IP were given classes by their Station Training Officers. The lesson plan included Emergency Response Force Drill and operation of the AK 47. At the end of their training the team along with IP STOs had the recruits conduct a timed drill to see how fast the new IP's could get all of their gear on and be ready to respond

Email: (b)(6)

as an ERF. The team then had the recruits conduct a clearing search of the IHP building. An additional training course covering vehicles searches was conducted.

The station has not received fuel from MOI in over a week, although it has previously received fuel from MOI. Contractors provided the Command Staff with an estimate for paving to be done at the station. A joint patrol was conducted along with a vehicle checkpoint for approximately 5 hours.

(BC0065) Al Taji Patrol Police Station (West): (TRA Level 2) The team conducted an extended mission that involved four days at a JSS near the Taji LPS and IHP. The Team conducted an audit of the current staffing level and discovered the station is understaffed. The station has been authorized a staff of 150 IPs, but currently, only 48 have been assigned.

(BC0081) Bab al Sheikh Local Police Station: (TRA Level 2) The team continued entering IP personnel into the Police Badge System.

(BC0088) Baghdad Provincial Traffic Police HQ: (TRA Level 3) The team met with the Commander and notified him that today the team delivered 10 hand held metal detectors to the station's Logistic Officer. The Commander request the team assist him with obtaining vehicle search mirrors, which will be used at the station's ECPs. The team continues to monitor the construction of the Traffic Institute. The team continues to work with CPATT in and attempt to exchange the station's older ballistic vest for newer larger vest.

(BC0094) Hy Al Amil Patrol Police Station (West): (TRA Level 3) The Team met with the Station Commander and finalized the plans for training to be conducted at the JSS. The Commander advised that he would supply 6 IP's and one officer to attend the first course.

(BC0097) Latifiya Local Police Station: (TRA Level 4) The Team monitored the IP's patrol procedures while they conducted security for the 12th Imams March.

(BC0101) Mahmoudya District Police HQ: (TRA Level 3) The Team monitored the IPs patrol procedures while they conducted security for the 12th Imams March.

(BC0102) Mahmoudya Local Police Station: (TRA Level 3) The Team monitored the IPs patrol procedures while they conducted security for the 12th Imams March.

(BC0117) Risalah Local Police Station: (TRA Level 3) The team conducted a mission to evaluate how well the station operates at night. The team observed IPs utilizing their flashlights that had been supplied by the Team. Team delivered supplies to the station to include, a floodlight to be used at the front gate, a computer printer, t-shirts and some soccer balls that can be passed out to the community.

(BC0119) Al Rusafa Patrol Station (East): (TRA Level 2) The team continued entering IP personnel into the Police Badge System.

(BC0120) Rusafa Police Directorate HQ: (TRA Level 1) The team observed the station's Emergency Reaction Force conduct a practice drill. The drill consisted of a mock attack on the station's perimeter defenses. The ERF Commander debriefed the drill and discussed proper tactics during nighttime operations. The team delivered fuel to meet the stations immediate needs.

(BC0616) Camp Fiji BIAP Training Center: (TRA Level UNK) The team instructed the IP in a comprehensive exercise to demonstrate the material they had learned during the

course. The IP supervisors participated in a leadership course that was taught by team members.

(BC0625) Mahmoudiyah Patrol Police Station: (TRA Level 3) The Team monitored the IPs patrol procedures while they conducted security for the 12th Imams March.

Babylon (MND-CS/S)

Al Qadisiyah (b)(3), (b)(6)

FOB Echo: The V.I.S.T.A program resumed today with 19 IP for the Swat course. The Ukrainians assisted the IPA with the training.

Babil (b)(3), (b)(6)

FOB Kalsu: The PTT conducted orientation on FOB Kalsu for 199 Iraqi Police Officers that will make up the North Babil ERU. IP's went to Reflective fire range, and received classroom instruction and practical application of room clearing procedures.

(NP9904) Iraqi Camp Charlie National Police Compound: (TRA Level 3) The PTT met with Lieutenant Colonel (b)(6), (b)(7)c and discussed how many ballistic vests were needed for ERU so that the paperwork could be submitted to MOI. Also discussed were intelligence issues around the local area. The contractor for the septic system was brought into the meeting and asked about what they intended to do to correct the standing water near South Gate. The Colonel advised that the electrical contractor had not finished the job and had not been seen for several days without notification.

Wasit (b)(3), (b)(6)

(BW0054) Wasit Provincial Police HQ: (TRA Level 1) PTT team met with General (b)(6), (b)(7)c stated that he had met with Provincial Sheiks, Provincial Counsel members and some Militia leaders and they were about to come to an understanding to make it more peaceful in Al Kut. PTT team spoke with (b)(6), (b)(7)c about the possibility of doing joint operations between IP, Iraqi Army and the Coalition Forces.

(BW0624) Al Balda District Police HQ: (TRA Level 2) PTT members met with Deputy Commander Major (b)(6), (b)(7)c of the Al Killodi Station. He advised that he and his IPs were attacked by small arms fire after taking wounded civilians to the hospital. Minor injuries were reported by the IPs. He believes that the mortar rounds that hit civilians were intended for PHQ/Investigations. Major (b)(6), (b)(7)c then discussed the current problems with calling for assistance from PHQ. Major (b)(6), (b)(7)c then discussed the current structure of his investigators and their operations.

(BW0630) Wasit River Patrol: TRA Level Unk)
PTT members met with Deputy Commander Captain (b)(6), (b)(7)c to assess the station. PTT discussed current staffing, supply needs and current supplies and equipment on hand.

FOB DELTA: PTT conducted a course of instruction that included a field exercise in weapon retention, Ak47 maintenance, and Dismounted Patrol Formations.

Dhi Qar / Al Muthanna (PIC) (b)(3), (b)(6)

Compiled by (b)(3), (b)(6)
Email: (b)(6)

PIC met with Military counterparts, MTT members, Dhi Qar Finance officer and Dhi Qar provincial trainers who passed on intelligence information to team members and discussed daily operations to the team.

Tikrit (MND-CW)

Diyala

(TD0024) Diyala Provincial Police HQ: (TRA Level 3) PTT-P met with CPT [redacted] of the Provincial MCU, during the meeting the CPT advised that he met with members of the NIIA and IA intelligence to discuss detainee procedures and criteria to house detainees. A Judicial Order must accompany the detainee, the Judicial Order must be signed on or before the date the detainee was presented to the MCU, evidence should be brought with the detainee, a medical report, if appropriate, should accompany the detainee and detail injures and a report of offense giving the judges name and signature attesting to the facts of the incident. [redacted] advised of detainee judicial reviews, medical reviews and transfers. Hisham is awaiting notification from the PRT as to when the MOJ facility in Baghdad is ready to receive the detainees.

PTT-P met with COL [redacted] head of the Training Department for the Diyala Province, he reported that the BG [redacted] Academy would be held in a building at the District HQ in Balad Ruz. COL [redacted] was also asked about the training ammo requested from MOI. COL [redacted] advised the memo had been sent to the Logistics Department and it was in the PDOP's office waiting for his approval.

PTT-P traveled to IPS HQ today and met with LTC [redacted] Chief of Logistics for the province. A report was received detailing the latest equipment received from MOI and its distribution to the districts.

(TD0104) Neshda Local Police Station (QRF): (TRA Level 3) PTT-D traveled to QRF on a night mission and met with CPT [redacted] Chief of the Communication Department. CPT [redacted] discussed staffing and force protection. PTT-D conducted training with the 5 IP that were on duty in the Communication Center. PTT-D instructed the IP on proper handling of Emergency Calls and Dispatching. The practicum covered the principal issues of assessing, evaluating and responding to emergency situations and making decisions as to what type of response to dispatch.

(TD0103) Diyala ERF 1 Facility: (TRA Level 3) PTT-D conducted a night time check and spoke with BG [redacted] about the current training progam which included a new literacy program. During the meeting LT [redacted] provided intelligence on an incident where a group known as Basqubah Guardians kidnapped an IP. The IP was later released and returned to the station. Several complain have been received against this group from the community. Details of this incident were forwarded to the proper chain of command for further investigation.

After the meeting the PTT-D observed 4 of the checkpoints on Route Victory being operated by the station.

Tahrir Local Police Station: (TRA Non Active Station) PTT-D conducted a visit to the Tahrir IP Station, PTT met there with the Station Chief to deliver TIFF funds for work that had been done to the station. PTT also discussed the need for continued training.

(TD0110) Diyala ERF 2 Facility: (TRA Level 3) PTT-D went on a night mission to the ERF-2 station to do a station review in preparation to move the station level up to a TRA level 2. PTT met with Station Chief, COL [redacted] and reviewed station security, supply and training.

(TD0016) Mufrek Local Police Station: (TRA Non Active Station) PTT-D traveled to Mufrek LPS and met with Station Shift Commander, LT [redacted] and Training Officer/Logistics Officer, SGT [redacted] PTT discussed current staffing, logistic problems and lack of radios and ammunition. A one-hour class in first aid was conducted by the PTT-D. LT [redacted] also stated that they have been paying for fuel out of their own pockets.

Khatoon Local Police Station: (TRA Non Active Station) PTT-D traveled to Khatoon LPS and met with station commander LTC [redacted] He advises that he is having difficulties obtaining supplies from DHQ. Both stations under his command are in dire need of supplies and fuel. PTT-D went to DHQ and met with GEN [redacted] he summoned the LTC to DHQ and informed him that he was not happy with his job performance and gave him five days to resolve problems at both of his stations.

(TD0607) New Ba'qubah Local Police Station: (TRA Level 4) PTT-D conducted a night time operation at the station and spoke with LTC [redacted] about his current training program and advised on improvements that can be made. While PTT-D was there 10 IP were gathered and given training on weapons manipulations, movement drills and proper shooting stances. After the training PTT-D went to the checkpoint operated by the station on Route Pacific and observed the IP. The checkpoint is in cooperation with the IA.

(TD0003) Al Hurryaih Local Police Station: (TRA Level 2) PPT-D visited the Al Hurryaih LPS and conducted a force protection assessment of the station. The team then joined COL [redacted] and approx 25 IP on a joint search of a village in Balad Ruz. The IP were mentored and advised on search techniques. Three males fled the area as the search began and were spotted by air support hiding in a canal overgrown with reeds. The IP were instructed on the proper procedure for searching the area and began their search. All three males were apprehended and returned to the station.

Diabah Local Police Station: (TRA Non Active Station) PTT-D traveled to Diabah LPS and met with MAJ [redacted] and discussed staffing levels and daily operations. MAJ [redacted] requested PPT-D look at his plans for a new Police Station. He was advised on the placement of force protection and how to request the funds for the new building. MAJ [redacted] discussed his need for fuel and weapons. PTT-D identified the staff of MAJ [redacted] and took photos of MAJ [redacted] and his investigator.

Salah Al Din [redacted]

(TA0013) Al Alam District HQ: (TRA Level 2) PTT-D convoyed to Al Alam District HQ Station and met COL [redacted] the District Police Chief. COL [redacted] related further Intel on the shooting death of the Qadassia Police Chief. PTT-D observed payroll procedures. The Al-Alam Finance Officers performed very well and the system they use to collect, distribute and annotate IP pay is very efficient. PTT then collected BIO's on several command staff IP officers.

(TA0077) Salah Al Din IHP HQ: (TRA Level 3) PTT met with LTC [redacted] in reference to the continuing problems of the IHP. Tariq advised since GEN [redacted] has not appointed him the official chief of IHP, other stations he is responsible for are not working with him until they receive the official word from GEN [redacted] Tariq told the team his officers will graduate from the TIPS academy in September.

PTT-MCC: PTT met with the MCC guard force. PTT held a class on detainee movement in the court house along with removing a detainee from the holding cell with other detainees in the cell. PTT met with COL [redacted] (b)(6), (b)(7)c to discuss the possibility of the courthouse being operational next week.

(TA0605) Tuz DHQ: (TRA Level 2) PTT and IPT presented a block of instruction on the care and use of the AK-47. The class consisted of lecture over weapons maintenance, presentation, cover and pre-range instructions. The PTT have recently introduced verbal quizzes upon the conclusion of each class.

(TA0050) As Saniyah: (TRA Level 3) PTT went to the Saniyah Police Station today and provided corrective mentoring to IP who were guarding the detention facility. C-Wire has been placed outside the D-Cell to improve force protection.

Training was conducted in the areas of D-Cell Operations such as searching, movement, cover when searching and moving detainees. The next training was in the area of apprehension, searching and handcuffing. The CF and PTT then conducted a detainee search, D-Cell search and a detainee count.

(TA0069) Hai Al Nafit: (TRA Level 3) PTT observed payroll distribution. PTT sat in on a meeting, which covered staffing equipment and getting ID photos taken of several of the IP. Then the CF and the IP worked for about an hour collecting photos and ID information. PTT then monitored the checkpoint operations. Officers working there were checking vehicles and the occupants.

(TA0084) Samarra District HQ: (TRA Level 3) PTT met with Mayor [redacted] (b)(6), (b)(7)c who provided contractor contact information that was passed on to the LNOs of the local police agencies. PTT also discussed the lack of Internet for these agencies.

PTT met with COL [redacted] (b)(6), (b)(7)c who discussed payroll and current Internet problems.

(TA0042) Al Salam LPS: (TRA Level 4) PTT went to Al Salam and spoke with MAJ [redacted] (b)(6), (b)(7)c who was not receptive to discussion of training or daily operations.

(TA0056) Balad DHQ: (TRA Level 4) PTTD traveled to the Balad District HQ and met with GEN [redacted] (b)(6), (b)(7)c who discussed current mortar attacks inside the city. PTTD continued to gather information on payroll, personnel, supplies and equipment, and shift schedules from all divisions inside the DHQ. PTTD reviewed personnel files and training records and continued to gather information on the daily operations of each division and their subordinates. PTTD enrolled 5 IP into the HIIDE system.

(TA0103) Yethrib LPS: (TRA Level 4) Yethrib District received new equipment today from Tikrit HQ. PTT inventoried and secured the equipment until LTC [redacted] (b)(6), (b)(7)c arrived to decide how to distribute the items to the four stations within the district.

(TA0810) IHP Hay al Askari Station: (TRA Level 3) PTT visited the AD Dujayl IHP Station and discussed with LT [redacted] (b)(6), (b)(7)c about the following topics: staffing levels, needed training, establishment of an FTO program, and possible ways to allocate additional O & M funds for the Highway Patrol Station.

Five IP conducted pro-active patrols along Tampa. LT [redacted] (b)(6), (b)(7)c feels that his patrolman would benefit greatly by receiving the following training: check point survival, building search & entry, and firearms training. While at the station PTT had to advise several IP about

unsatisfactory muzzle discipline. In the near future PTT would like to identify and train qualified veteran officers to serve as Field Training Officers. PTT believe that the FTO program would provide the additional ongoing training needed to ensure constant professionalism.

Mosul (MND-N)

Ninewah (b)(3), (b)(6)

(NO FFID) 5th Emergency Response Battalion: (TRA Level UNK) PTT traveled to the 5th Emergency Response Battalion and continued training the IP. Training consisted of team movements across open terrain and in an urban environment. Other training consisted of lecture and live exercises on suspect control and detention methods. Preservation of evidence and proper evidence handling were emphasized.

(MN0056) Ninewah Provincial Headquarters: (TRA Level 2) PTT met with BG (b)(6), (b)(7)c NPHQ TOC OIC, and discussed the significant events occurring in Ninewah Province during the past 24 hours. BG (b)(6), (b)(7)c discussed IED activity, civilian deaths, IP and IA killed, IP patrols attacked and SAF activity.

The PTT met with LT (b)(6), (b)(7)c, Detention Center OIC. LT (b)(6), (b)(7)c discussed inmate population levels, transfers, releases, current sentences and problems getting inmates through the judicial system.

IP from the 5th ERB continued to receive instruction today on the range with AK-47 and 9mm training. Other IP received instruction on Check Point Training, while others trained in Person and Vehicle Searches. The IP were instructed in the final practical test to graduate from the class.

PTT was advised of student attendance at MPSA and Q-west. PTT is still investigating some students not attending class.

PTT met with BG (b)(6), (b)(7)c and staff members of Finance Department and discussed meeting the security challenges of the distribution of payroll.

PTT informed COL (b)(6), (b)(7)c and COL (b)(6), (b)(7)c the food vender would no longer provide meals for the Academy students. PTT was informed they would look into the problem and resolve it and the Academy students would not go without food.

(MN0099) MCU / MTU: (TRA Level UNK) PTT met with COL (b)(6), (b)(7)c of MTU and discussed current cases, judicial process and the installation of a security camera that was received.

PTT inquired how COL (b)(6), (b)(7)c processes request for information from IP station for evidence and other case sensitive information is received. PTT also discussed his methods of operation to accomplish gathering this information.

PTT met with COL (b)(6), (b)(7)c of NPHQ Intelligence. PTT looked over the type of filing system that COL (b)(6), (b)(7)c is using to keep track of information given to Intel. PTT will make suggestions to COL (b)(6), (b)(7)c on different was to file this type of information in the future.

At Tamim (b)(3), (b)(6)

Compiled by (b)(6)
Email: (b)(3), (b)(6)

(NO FFID) Highway Patrol Station: (TRA Level 3) The PTT met with COL [redacted] and discussed current staffing, daily operations and checkpoints that are manned in the area.

COL [redacted] advised the PTT of requests for additional fuel, station equipment, vehicles, and generators. He provided the PTT with copies of all requests and the team advised him the documents would be sent up the chain of command.

The PTT observed and noted that the station has no generator and that the power is only on around four hours per day. There is also no running water in the station and Col [redacted] advised that the IA has been supplying the station with water when then can.

The PTT noted that fuel is a major concern at each of the station and currently the Highway Patrol Station is receiving 1000 liters of fuel each month. The COL advised that this is not enough to conduct patrols, checkpoints, and the numerous missions that the IP conduct each month.

The PTT observed and noted that force protection at the station is very minimal and upgrades are needed. The COL was advised to provide the team with the force protection items that he would like to implement at the station. The COL also asked the team to investigate his not being paid for 2 months.

(NO FFID) PJCC: (TRA Level UNK) PTT met with COL [redacted] and discussed lessons exchanged with various leaders from other organizations and countries, experienced in civil conflict. PTT reviewed the number of daily calls received at the center, with the average being around 120 calls. Chief Administrator Abbas was given an application to be filled out for SGT Sherco to attend the computer class.

(MN0010) Al Shura LPS: (TRA Level 2) The PTT met with LTC [redacted] who discussed current staffing levels. The LTC advised the station did not have a training officer and the PTT noted that we needed to identify and ensure that one of the IP officers attends a train the trainer program. PTT then discussed fuel, vehicles and daily checkpoint operations.

PTT conducted an inspection of the detention facility and the force protection and reviewed the current cases with the investigators.

(MN0014) Al Hawd LPS: (TRA Level 3) The PTT met with LTC [redacted] and discussed the daily operations of the station to include staffing levels.

The LTC advised that the IP are currently manning two 24-hour checkpoints along with foot and mobile patrols in the local village. LTC [redacted] also discussed the lack of fuel and the current vehicle situation. PTT was also advised of the high IED activity in the area.

(MN0015) Al Hurlyah LPS: (TRA Level 3) The PTT met with CPT [redacted] who discussed the lack of logistic support especially with batteries for the vehicles. PTT also completed an IPSFR on the station.

(MN0051) Mishrag LPS: (TRA Level 2) The PTT met with LT [redacted] to conduct an assessment of the station. PTT discussed staffing, current responsibilities, area of operation, review of records and files, condition of equipment and life support services.

The training officer advised that he trains on a daily basis and has a disciplinary procedure in place. The investigator was identified as MAJ [redacted] The investigator has been to school and has many years experience as well. All IP have been to the basic academy. The PTT were advised that the IP conduct four to five patrols a day, both day and night.

(MN0078) Tulu An Nasir LPS: (TRA Level 3) The PTT met with LTC [redacted] Station Commander, who advised that the LPS is located in a temporary location while the permanent station is being built. PTT observed the staffing, daily patrols and life support systems. PTT discussed the current threats and investigations. PTT inspected the armory and noted the weapons and ammunition. PTT discussed the station current disciplinary policy.

(TT0005) Kirkuk Provincial HQ: (TRA Level UNK) PTT spoke with acting Logistics Chief CPT [redacted] and discussed the procedure for computerizing the logistics office, and information from Baghdad on a current ammunition issue. PTT also spoke with LTC [redacted] the maintenance supervisor, and received a printout of the amount of fuel he has left and the vehicles currently at his shop for repairs.

(TT0009) Domies Patrol Police Station: (TRA Level 1) PTT met with the station commander and reviewed station equipment issues and covered new ammunition shortages. PTT covered the proper methods of cleaning AK magazines and discouraged officers away from submerging magazines in diesel while still loaded. PTT mentored the station armorer in the ways of making sure the IP's return their weapons in a clean and serviceable condition.

(TT0015) Kalur Patrol Police Station: (TRA Level 3) PTT met with MAJ [redacted] and coordinated a joint patrol with IP. Prior to the patrol PTT gave instructions on patrol tactics, traffic stops, and building searches. PTT with IP patrolled from the station to Darman where IP demonstrated building clearing on abandoned buildings there. PTT and IP assessed a checkpoint and made contact with IP there and found some not to be wearing protective gear at all and others without the protective plates. PTT briefed these IP on the importance of wearing all their protective gear properly.

(TT0031) Shwan Local Police Station: (TRA Level 2) PTT and 21 Shwan personnel visited 3 outlying farming villages. IP contacted and conversed with the villagers.

(TT0910) Aydallah Patrol Police Station: (TRA Level 1) PTT observed the role call for the station. The IP were present and in uniform. PTT spoke with the Chief about the ongoing construction. The Chief also informed us that HQ had given them some money to fix the vehicles. They were able to fix two patrol vehicles with the money. PTT also visited the detention room.

Irbil

(No FFID) Camp Irbil: (TRA Level UNK) PTT completed a proposal for the ROKA ISF Liaison Officer. The proposal lists crime scene investigation equipment for the Irbil Regional Crime Lab and other Criminal Investigations Police Stations in the Province. The ROKA is prepared to spend $20,000 for non-military style equipment for the IP in the Irbil Province.

(NO FFID) Koya District Traffic Police HQ: (TRA Level 3) PTT visited Koya District Traffic Police HQ and met with MAJ [redacted]. PTT conducted day three of the T3 course with five IP.

(MI0012) Daratog Local Police Station: (TRA Level 3) PTT met with station commander, CPT [redacted] PTT gathered information on the station procedures for maintenance and inspection of the weapons. CPT [redacted] discussed current staffing and was mentored on the proper request procedures for equipment. PTT discussed the current juvenile detention policy.

Sulaymaniyah (b)(3), (b)

(NO FFID#) Sulaymaniyah Assaish HQ: (TRA Level UNK) Today's instruction block was on the importance of Protecting the Crime Scene so as to keep pertinent evidence uncontaminated until it can be recorded and collected. However the discussion turned to Human Rights issues and the importance of following the Rules of Law and Evidence in determining innocence or guilt. The second half of the day turned again to the original subject with emphasis on protecting the Crime Scene both from an inner and outer perimeter perspective.

(NO FFID #) Sulaymaniyah MOI: (TRA Level UNK) PTT met with MG Aso. He is now the head of the MOI legal department. PTT discussed the new laws and SOP that will be completed soon and put out to all Police in a booklet.

(TS0005) Sulaymaniyah Emergency Police: (TRA Level 2) PTT met with BG (b)(6), (b)(7)c to discussed the future SWAT training course, times and locations. PTT also discussed any logistic issues that may occur.

(TS0008) Sulaymaniyah PHQ: (TRA Level 2) PTT met with PDOP (b)(6), (b)(7)c and advised him of the large shipment of computers that will be coming for Sulaymaniyah in the near future. PTT also discussed the redistribution of ammunition in the Sulaymaniyah area.

(TS0018) Brazinja LPS: (TRA Level 3) PTT traveled to Barzinja LPS and conducted day three of a one-week community policing training program. PTT and the IP began their first day of foot patrolling. PTT observed how the IP spoke and interacted with local members of the community. The PTT also assisted by answering any questions brought up by both the IP and the general public that could not be answered by the IP.

(TS0024) Chamchamal DHQ: (TRA Level 3) PTT arrived at Chamchamal DHQ to continue the ongoing classes in Crime Scene / Investigations scenarios, and reviews of the class as a whole.

(TS0500) Sulaymaniyah Academy: (TRA Level 2) PTT conducted a review today of all lessons taught over the past five weeks. This was in preparation for the final examination that will be administered to the students tomorrow. The testing process has been concurred with by the PDOP GEN (b)(6), (b)(7)c, as a means to increase the level of professionalism within the IP.

Dahuk (b)(3), (b)(6)

(MD0631) Deraluk Local Police Station: (TRA Level 3) PTT, along with Kurdish instructors, traveled to the Deraluk LPS to conduct training on the topic of Defensive Tactics. The second day of training started with the Kurdish instructors working together to explain and demonstrate the proper techniques for applying handcuffs to a suspect in the kneeling position.

(MD0645) Derya Local Police Station: (TRA Level 3) PTT mentored LT (b)(6), (b)(7)c as he continued with the "Community Policing" course being taught to eight IP at this station. The class began with a review of the previous day's discussion of the principles, objectives, and benefits of community policing. Following that, examples were given that showed how this program can be applied in the Derya area and a question and answer period ensued.

Ramadi (MND-W)

Al Anbar (b)(3), (b)(6)

(RA0002) IP Headquarters PHQ: (TRA level 3) An Iraqi General returned to the Provincial Headquarters with a letter stating that they would be forming the Information and Initial Investigation Section. Twelve handheld radios were issued to the detention center section to assist in communications while on duty. The pay rosters were finalized and are ready to be taken to Baghdad. Twenty-one Iraqi Police and 3 IP Officers were given classes on the interviewing and interrogation of suspects.

(RA0010) Tameem: (TRA level 3) The Police Transition Team trained 6 Ramadi College Campus Iraqi Police, 4 of which were females, on the use of metal detectors and security of the campus entrance. The IP were instructed to search all persons entering campus using pat searches and a metal detector. Two metal detector wands were issued to Ramadi College Campus Station.

The patrol vehicles are rapidly deteriorating and becoming non-operational due to many hours of patrol and lack of proper tune-ups and repairs. Without properly trained mechanics, tools, and equipment, the vehicles will not be repaired or returned to operation status anytime in the near future.

PTT conducted a detention cell inspection. PTT conducted pre-academy screening on 10 IP recruits. The screening consisted of a literacy test, medical, physical agility, and background questioner.

(RA0025) Al-Huryia: (TRA level 3) The Police Transition Team met with the Station Chief and discussed several issues pertaining to the station. Detainees and vehicles were covered along with administrative issues. PTT conducted screening for five Iraqi Police today.

(RA0032) Karmah Station: (TRA level 3) The Police Transition Team provided badges to Iraqi Police with the BATS system. PTT began the application process for several prospective IP.

(RA0048) West Ramadi Station: (TRA level 3) The Police Transition Team traveled to the Joint Coordination Center. The PTT attended the weekly Iraqi Police Chief's Meeting and Intelligence Briefing at the West Ramadi Station.

(RA0052) IHP-6: (TRA level 2) The Police Transition Team convoyed to Camp Ramadi with 23 Iraqi Police vehicles to receive fuel. The PTT traveled to IHP-6 Station for a meeting with IHP commanders about current station issues.

(RA0072) Rutbah District Police HQ: (TRA level 3) The Police Transition Team continued training new Iraqi Police recruits. Sixty-one recruits were provided the following courses: Introduction to Terrorism, Situational Awareness, Hostage Survival, Surveillance and Security.

(RA0083) Hadithah District HQ: (TRA level 3) The Police Transition Team convoyed to K-3 Station to conduct an Iraqi Police recruit screening. The screening is an attempt to hire persons living in and around K-3.

PTT convoyed to Haqlinayiah and Boni Dihar Stations and introduced new PTT members. PTT then conducted an evening foot patrol with Iraqi Police around the city of Hadithah. This was a presence patrol and area familiarization for new PTT members.

(RA0089) Barwanah Local Police Station: (TRA level 3) The Police Transition Team provided training to 50 Provincial Security Forces members.

(RA0090) Haqlaniyah: (TRA level 4) The Police Transition Team introduced new members to the station's leaders. The Iraqi Police are conducting patrols in the area with Coalition Forces.

(RA0103) Sadah Local Police Station: (TRA level 3) PTT arrived on station and explained to a lieutenant the importance of having someone at the station, at all times, that is responsible for the welfare of the IP and the station. The PTT also spoke to the lieutenant about IP not wearing uniforms and many of his IP still wearing street clothes while on duty.

PTT investigated a complaint that the Sadah LPS has been requiring that the local taxi drivers pay three dollars, or the Iraqi equivalent, to operate their taxis in the Sadah area. The lieutenant has been directed to visit the Al Qaim District Headquarters to explain this unusual practice to the District Chief. The outcome is pending on this matter.

(RA0115) SW Husaybah Local Police Station: (TRA level 3) The Police Transition Team informed the Station Chief that he needed to attend the weekly Chief's Meeting at the Al Qaim District Headquarters. The PTT verified the number of Iraqi Police on duty and current police vehicle status.

(RA0927) Al Faraj: (TRA level 3) The Police Transition Team provided training to Iraqi Police on community oriented policing. The PTT met with the Station Chief to discuss current issues within the area.

(RA0933) Albu Aetha: (TRA level 4) The Police Transition Team carried out a patrol with the Iraqi Police. The patrol covered an area that borders several IP stations and has not previously received adequate police service.

The PTT mentored the Station Chief on conducting an investigation and gathering information from citizens. The PTT highlighted the importance of keeping citizens informed on what the IP are doing to reinforce the public's confidence in the IP.

Iraqi Police Professional Leadership Development Course (IPPLDC): PTT instructed a class on Crime Scene Investigations, which included a video and discussion on how to process a crime scene and what the Investigator and Investigative Judge's roles are during the investigation. The cadre then gave classes on Crime Scene Photography and Sketching the Crime Scene.

Bahariah Training Center (Camp Fallujah): The Police Transition Team provided in-service training to 122 Iraqi Police from the Fallujah District. The courses provided were: Use of Force, Pistol Marksmanship, Weapon Safety, Human Rights and Police Ethics. The training consisted of classroom instruction and practical application exercises.
