# CPATT IPA-OPERATIONS DAILY SITREP

**10 September 2007**

Baghdad (MND-B) _____ (b)(6), (b)(3)

Baghdad _____ (b)(6), (b)(3)

**(BC0003) Airport Police Local Police Station:** (TRA Level NA) The IPAs continued to monitor the usual morning IP Guard Mount. The briefing and personnel inspection was conducted and the IPs was assigned to their post The Team also conducted a meeting with the BIAP IPAs and Warehouse Training staff. This meeting was to assign classroom schedules and discuss operations. The BIAP and French Village station classes were postponed today. The language assistants were unable to get to the BIAP due to road closures

**(BC0009) Al Alawiyah Local Police Station:** (TRA Level 2) The Team issued 35 Temporary badges to IPs. The language assistant was not available to conduct training. The military team will continue with this practice until all of the temporary badges are issued.

**(BC0025) Al Karada Patrol Police Station (East):** (TRA Level 1) The Team reviewed the badging process with Colonel (b)(6), (b)(7)(c) Approximately 60 IP's have not provided their information for the badges. Colonel (b)(6), (b)(7)(c) states that most of these are IP's assigned to other duties such as MOI. Colonel (b)(6), (b)(7)(c) fears that these same IP's are heavily involved in militia activities under the direction of officials at the MOI and this makes them very leery of giving Coalition Forces any biographical information.

**(BC0039) Al Mamum Local Police Station:** (TRA Level 2) The team spoke briefly with a IP Sergeant about the need for IP's to be available for training during our visits. The Sergeant advised that he will speak with the Station Commander on this issue.

**(BC0051) Al Rasheed Local Police Station:** (TRA Level 3) The Team continues to process IP's into HIIDE with the goal to complete this process by early September. The team conducted training pertaining to weapons safety, weapon retention, carrying of firearms and use of cover and target selection. Practical examples were used to demonstrate the vulnerability of Officers to weapon take away if suspects are allowed to get to close to them. The Station Commander was called back from vacation due to MOI stating records indicate approx 400 IP's are being paid at this station. In fact, station records reflect the actual working personnel at 135. The Station Commander drove to Baghdad MOI for a meeting to discuss the problem but was told the meeting was canceled. The team will continue to follow any developments.

**(BC0056) Al Sa'adoun Local Police Station:** (TRA Level 2) The team met with an Iraqi Judge while at the station. The team observed the Judge holding Criminal Hearings for inmates from the overcrowded Detention Cell.

**(BC0058) Al Saliyah Local Police Station:** (TRA Level 2) Team spoke with Major (b)(6), (b)(7)(c) and Training Officer Lieutenant (b)(6), (b)(7)(c) about the a discrepancy with the personnel numbers. The team assisted the Command staff with rectifying the discrepancies.

**(BC0061) Al Seilkh (Railway) Local Police Station:** (TRA Level UNK) The team learned that, in response to a recent theft of equipment from the train yard and ongoing security concerns, Lieutenant Colonel (b)(6), (b)(7)(c) has begun to send night security patrols through the area. He is also conducting random spot checks of FPS security posts and providing guidance and training as necessary. The Lieutenant Colonel advised that he has investigated the crime

scene and he was able to lift fingerprints from the location of the theft. These fingerprints are being compared to criminals with files at Major Crimes. During this visit, the Team conducted training on the use of the generation 1 night vision goggles that were provided to the station.

**(BC0064) Al Taji Local Police Station:** (TRA Level 3) Colonel [redacted] reported several of the IP's have not shown up to work recently due to a reported VBIED threat. About 65% of the IP's are new and have not received any training other than the training that as been conducted at the Station. Joint raids were conducted with IP's. The IP's did better on these raids however the IP's had to be told several times to maintain security while on the raid. As a result of the lapse in security by the IP's, training was given in security while conducting a raid to assist the IP's for the future.

**(BC0065) Al Taji Patrol Police Station (West):** (TRA Level 2) The Station is not receiving fuel from MOI nor from the Coalition Forces. Colonel [redacted] stated in the past that he gets the Station's fuel from a local gas station. The team is waiting for Colonel [redacted] to check with his Headquarters about the status of the request for vests. The limited number of IHP at the Station were given training in Vehicle Searches and Vehicle Care.

**(BC0073) Al Yarmouk Patrol Police Station (West):** (TRA Level 2) The team arrived at the station and noted that it was very active with IP's due to the conference for the Secretary of Foreign Affairs. This is a one day conference where leaders from various counties meet to discuss certain issues they are facing. The station was providing security for the conference and thus Warrant Officer [redacted] and IP Taleb were not available for training as they were assigned to the event. Also discussed were issues of force protection.

**(BC0074) Al Yarmouk Traffic Police Station:** (TRA Level 2) The team escorted a General from the Traffic Station to the local Power Grid Station so that he could attend a meeting. Upon return to the station, the team mentored officers on the need to have a working relationship with the other agencies and the benefits that could come of it.

**(BC0079) Bab al Muadam Patrol Station:** (TRA Level 2) The Team inspected the Detention Facility and found 10 detainees incarcerated with no problems reported. The team conducted training on weapon safety with 8 IPs. The Deputy Station Commander reported that his IP's had responded to a fire fight between IA, IP and Coalition forces in the area of Kuhlaini Mosque. He stated there were 3 KIA and 5 wounded. The KIA included a member of the FPS.

**(BC0081) Bab al Sheikh Local Police Station:** (TRA Level 2) The team met with Colonel [redacted] to discuss increasing manpower for better force protection in their area of responsible. The team was able to get Colonel [redacted] to commit two officers to training with the initial goal of training fifteen (15) new Commissioners.

**(BC0085) Baghdad Provincial Patrol Police HQ:** (TRA Level NA) The team met with the training department and rescheduled training for the following day due to lack of students. The team scheduled more training on Falcon View crime analysis with the operations room.

**(BC0094) Hy Al Amil Patrol Police Station (West):** (TRA Level 3) During this visit the team concentrated on personnel issues. The team is working with the station to determine the correct number of personnel assigned, AWOL, missing or KIA. Once the numbers are corrected, the station will be able to better justify the need for more personnel to be assigned.

**(BC0097) Latifiya Local Police Station:** (TRA Level 4) The team discussed with IPs the safety features of the AK-47 including the proper methods to clear the weapon. Also addressed was proper shooting stance, sight alignment, proper trigger pull and how to clean the weapon. Each IP had to disassemble clean and reassemble one weapon.

**(BC0103) Major Crimes Unit HQ:** (TRA Level 2) The team gathered information for PSMR. The team assisted CID HQ with the transfer of 25 prisoners to Rusafa jail. The team was advised that there are 125 IPs without proper ID cards

**(BC0109) Nahrawan Local Police Station:** (TRA Level 3) The Team met with Colonel (b)(6), (b)(3), (b)(2) and discussed upcoming training. The rest of the visit was spent on badging and entering information into the "HIDE" system.

**(BC0120) Rusafa Police Directorate HQ:** (TRA Level 1) The Team met with the Rusafa Operations OIC and we discussed security preparations for the upcoming holy month of Ramadan. Additional patrols are to be utilized and special security emphasis will be placed on mosques, churches, schools and other institutions and main streets throughout the directorate especially during the evening hours after sundown. The Team observed the Rusafa ERF trainers as they continued marching and close order drill instruction for 300 new IP recruits. This is the 4th day of training which is scheduled to last four weeks. The new recruits will then be assigned to various stations within the Rusafa Directorate. T Team also spoke with the Station Combat Medic Instructor which works in the Logistics Office and had him draw up a list of needed medical supplies that can be used in first aid training for the new recruits.

**(BC0122) Sheikh Saad Local Police Station:** (TRA Level 3) The Team met with Colonel (b)(6), (b)(3), (b)(2) who reported that the main gate was broken at the check point at the entrance to the Antesar Village. Colonel (b)(6), (b)(3), (b)(2) reported it was struck by a Striker unit about two weeks ago. They were advised to report the issue to the JSS and request assistance with the repair. Capt. (b)(6), (b)(3), (b)(2) stated that he teaches the IP's three to four times per week with materials the team has provided. Tests are given and training is going good.

**(BC0125) Yousifiya Local Police Station:** The Team discussed with IPs the safety features of the AK-47 including the proper methods to clear the weapon, proper shooting stance, sight alignment, proper trigger pull and how to clean the weapon.

**(BC0625) Mahmoudiyah Patrol Police Station:** (TRA Level 3) The Team provided training which consisted of a review of the last class. Fuel remains an issue and is being supplied by CF.

**Babylon (MND-CS/S)** (b)(6)

**Al Qadisiyah** (b)(6)

**FOB Echo:** Today The V.I.S.T.A program was put on hold due to Force Protection Issues with the Ukrainians. Training will resume on (date withheld) with 20 IPs for the SWAT and 15 IPs for the CLS course. The IPAs and the Ukrainians will prepare their lesson plan for the new group. The Ukrainians will assist in Biometrics once they receive their equipment.

**Babil** (b)(6)

**FOB Kalsu:** PTT conducted training on FOB Kalsu for 199 Iraqi Police Officers that will make up the North Babil ERU (Emergency Response Unit).

Compiled by (b)(6), (b)(3), (b)(2)

**(No FFID #) Tunis Local Police Station:** (TRA Level 2) PTT arrived at Tunis LP Station and made contact with Major [redacted]. The manning levels were obtained and Major [redacted] advised the PTT that he had recently learned that an AWOL IP had been detained by Iraqi Army Forces near Diyarh for an unknown reason. Major [redacted] advised that he would investigate this incident further and provide PTT more information on the detainment issue as he receives it. The military component of the PTT made arrangements with Major [redacted] for the future acquisition and delivery of shade tarps and blast barriers to a checkpoint within the Tunis jurisdiction. Major [redacted] relayed that he has been unable to obtain fuel from the retail vendor in nearby Mahawil that the Tunis Station normally utilizes due to fuel shortages. Major [redacted] stated that he now has to dispatch teams of IPs and vehicles to Iskandariyah to obtain fuel. Major [redacted] complained that these excursions to Iskandariyah are hazardous, time consuming and further deplete his insufficient manpower. Major [redacted] inquired as to whether there was anything PTT might be able to do to assist him in this matter, if even on a temporary basis. The military component of PTT advised Major [redacted] that they would approach their superiors with the issue and report back to him if any sort of assistance could be rendered.

Captain [redacted], the assigned Training Officer for Tunis Local Police Station, was recently transferred and Major [redacted] has yet to replace him. Major [redacted] agreed with PTT assessment that it was essential that he assign an officer to provide continuing in-house training to his IPs and stated he would review candidate officers under his command and assign a new training officer as soon as possible. Major [redacted] reported that IPs under his command had not been involved in any significant actions since the last PTT visit and had made no arrests since the last PTT visit.

**(BB0043) Babil Iskandariyah IHP Station:** (TRA Level 2) PTT arrived at the IHP Station as Captain [redacted] was conducting shift change outside the station. PTT observed as Captain [redacted] briefed the assembled IPs of the oncoming shift to positively identify suspected hostile targets before firing, to utilize only enough ammunition necessary to neutralize a threat and to wear assigned body armor at all times when conducting checkpoint duties. Immediately after this shift change was concluded, PTT was summoned to assist with an incident that had just occurred on MSR Tampa near FOB Kalsu. A U.S. Army convoy security element had fired upon an Iraqi Army convoy, injuring the Iraqi Army driver of one of the trucks in the Iraqi Army convoy. Iraqi Army soldier was treated and evacuated before our arrival. PTT departed the IHP Station and proceeded to the scene of this incident before manning levels or other pertinent issues could be discussed.

**(NP9904) Iraqi Camp Charlie National Police Compound:** (TRA Level 3) The PTT Team conducted Emergency Response Unit (ERU) training in the areas of Compliant/non-compliant subjects, escorting prisoners, basic first aid and general cordon/scene assessment techniques (SWAT).

**Wasit** [redacted]

**FOB DELTA:** PTT commenced Session #12 of the Crucible Training Center. 21 students arrived for training. The training on this date consisted of Weapon Take-Aways, a presentation on Ethics by Major Fadel Wadi, and classes in Check Point Operations and Crime Scene Management. There were two Missions scheduled on this date. LNO (name withheld) went with an IPA on one Mission. Major (name withheld) of the US Army replaced the IPA on the second Mission.

**(No FFID#) Wasit 1st SRT:** (No TRA Level) PTT members met with Colonel Radhy of Station SRT Local Police Station. The Colonel advised that there had been no major incidents since the station's last visit. PTT members assessed the perimeter towers to

determine the number of sand bags that needed to be provided by PTT. On the next station visit, the IPs will be trained on building searches by PTT.

**(No FFID#) Wasit EOD Unit:** (No TRA Level) PTT attended EOD Provincial Headquarters station and met with a Sergeant from EOD after waking him up. When asked if the EOD team acted on a intelligence report of 2 IEDs being planted in the area yesterday the Sergeant advised he was not aware of anyone searching the area. The Sergeant, at the Team's request, checked the station log which showed no activity on yesterdays date. While en route back to Camp Delta at approx 1630 hrs, an IED was detonated in between the 3rd and 4th Humvee of our PTT Patrol.

**Dhi Qar / Al Muthanna (PIC)** (b)(6), (b)(3)

PIC members met with MTT members concerning issuing of the Dhi Qar IPS equipment today in Camp Terendak. PIC and MTT were prepared to issue the equipment but the Dhi Qar IPS Provincial Quartermaster failed to arrive at Tallil. The meeting will be rescheduled. PIC members held a brief meeting with MTT members regarding future scheduling. PIC members met with the Australian Military regarding the arrival of IPS for CIU Training at Camp Mittica. A determination was being made as to whether the IPS from Al Muthanna were to show for training this week. PIC members continue to review and work on lesson plans for upcoming training for the CIU in Mittica. Team members prepared lesson plans for operations in Al Muthanna. PIC members attended a SSR meeting with Australian Military officials who passed on intelligence information to team members and discussed daily operations to the team.

**Tikrit (MND-CW)** (b)(6), (b)(3)

**Diyala** (b)(6), (b)(3)

No report filed due to internet failure.

**Salah Al Din** (b)(6), (b)(3)

**(TA0005) Ad Dwar DHQ:** (TRA Level 3) PTT met with the Ad Dwar Mayor, COL [redacted] (IP Chief), COL [redacted] (JCC Commander) and the local Sheiks. This meeting was mainly in reference to the upcoming Ramadan and the local curfew. The local curfew is currently set between the hours of 10 pm to 6 am. During Ramadan, the curfew will be set from the hours of 11 pm and 5 am. This curfew will go into effect on the 10th of September. Also during this meeting, information was gathered about the IED that had killed 2 local Tribal Security Elements. They were attempting to disarm a 155 round that was set up within the town limits. It was learned that these 2 individuals were also members of the Islamic Military and they were actually trying to move the IED in an attempt to do harm to CF members. The IED went off and killed them instantly. COL [redacted] also stated that LTC [redacted] (Logistics) went to Tikrit today in attempt to get the ammunition that was allocated for Ad Dwar. Upon his arrival, he was turned around by someone at the Provincial warehouse.

**(TA None) Tikrit Hospital Police:** (TRA Level 3) PTTS conducted a station visit to the Tikrit Hospital and met with MAJ [redacted] who informed PTT that Kalat Rayash Local IP Station was recently attacked by approximately 40-50 insurgents with PKCs, RPGs, grenades and AK-47's. As the insurgents gained entry into the IP station, CPT [redacted] was hit in the back with a grenade and suffered neck, chest and leg injuries. At the time of the attack, only 11 IP were present at the station. After the attack was completed the insurgents placed an IED inside the station and detonated it as they drove off, destroying the building and killing five inside.

Compiled by [redacted]

The five IP killed were LTC [redacted], MAJ [redacted], IP [redacted] IP [redacted] and IP [redacted] LTC [redacted] has a son who is an IP and is still missing in the rubble. Four IP were injured, LTC [redacted], LTC [redacted], MAJ [redacted] and IP [redacted], son of LTC [redacted]. MAJ [redacted] stated that he had 28 personnel assigned to the hospital with 9 working. One IP is in the TIP's Academy for 45 days of training. He also advised that his new IP were issued Ak-47's that are not working properly.

**PTT – MCC:** PTT arrived at the MCC and were met by COL [redacted] and his full staff. PTT walked the grounds with the COL and part of the security staff. Issues discussed included proper procedure at the ECP and the progression of construction projects. PTT also met with the judges and staff at the MCC. PTT, along with COL [redacted] and some of the security team for the MCC, went through the court security procedures. PTT demonstrated how the detainees would be brought in and out of the court room which met the approval of the staff, but noted that the detainees would need to have the handcuffs taken off once they where put in the pen in the court room. PTT took photos of all the MCC staff and judges for their badges to be made up.

**(TA0084) Samarra District HQ:** (TRA Level 3) PTT met with COL [redacted] who he stated GEN [redacted] came to the station and requested a pistol from the Samarra Armory. The COL gave him one. If the extra weapons are not turned in to Tikrit as GEN [redacted] requested, there will be no weapons available when Samarra is re-staffed with IP.

**(TA0605) Tuz DHQ:** (TRA Level 2) PTT conducted a basic first aid class for 17 students. The students pointed out the necessity of this training due to the fact that so many deaths are attributed to blood loss.

**(TA0034) Al Musafi:** (TRA Level 3) While enroute to the Al Musafi station, PTT encountered an IED on Route Tampa. PTT cordoned off the IED and waited for EOD who disposed of the IED. By the time the IED was cleared, the MEDIVAC status had turned red. The PTT mission was cancelled and the PTT returned to base.

**(TA0050) As Saniyah:** (TRA Level 3) PTT arrived and found there were 21 IP on duty. PTT gave a class on how to react to fire and how to provide better force protection for the station. No further classes were given. There was an early morning attack on the station with no CF or IP injuries. Two AIF were KIA

**(TA0042) Al Salam LPS:** (TRA Level 3) PTT went to the Al Salam Station on a night mission and met with the OIC to discuss the importance of having patrols out at night. After speaking with the OIC, PTT proceeded to the checkpoint and assisted IP with searching vehicles and checkpoint security.

**(TA0056) Balad DHQ:** (TRA Level 4) PTT went to the Balad District HQ and talked with CPT [redacted] who reported that he currently has only 3 IP that were trained at the academy and the rest were trained at Ashertee. An inspection was made of the jail and 40 prisoners were noted in the D-cell. The jail was clean and inmates were in good physical condition.

**Mosul (MND-N)** [redacted]

**Ninewah** [redacted]

**(MN0009) Al Hadba DHQ:** (TRA Level 2) PTT spoke with LTC [redacted] about training at the station. The PTT also spoke with training officer LTC [redacted] about the training he has

conducted since the last visit. He advised that he has been teaching officer safety to the different shifts. The PTT requested that he being teaching Police Ethics.

**(MN0061) Qayarrah DHQ:** (TRA Level 1) The PTT met with BG [redacted]. The PTT was also asked to secure the station prior to the arrival of CF Commander. The PTT were asked to collect pistols and cell phones from all IP in the station. The PTT was then asked to pull security at the front door to the DHQ by hand frisking all IP that entered the building. The PTT had limited use of their interpreter due to the fact that CF did not have one and CF used the PTT's interpreter.

The PTT was able to talk with the LTC [redacted] Chief Investigator, who was advised by PTT that the judges in Mosul had been asking for more information on detainees that had been sent to Mosul. LTC [redacted] advised that the judges were asking for their sources to appear in Mosul. LTC [redacted] advised their witnesses were confidential and would be killed if they went to Mosul. The PTT was able to review a case that was currently under investigation. LTC [redacted] presented the PTT with the case file and crime scene photos as well as photos of the two suspects. LTC [redacted] was very grateful for the camera PTT had obtained for him. LTC [redacted] advised he would like a DVD burner for his computer, so that he could copy discs to send to Mosul and share with other DHQ's and LPS's.

**(MN0134) Abu Maria LPS:** (TRA Level 3) PTT was responsible for teaching an investigators seminar for the Tal Afar IP investigators at FOB Sykes.

**(MN0142) Qadisiyah LPS:** (TRA Level 2) PTT traveled from FOB Sykes to Al Qadisiyah for the purpose of completing the monthly report. Upon arrival, PTT spoke with CPT [redacted] about training, payroll, logistics and the condition of the station and IP. While at the station, a report came across the radio of an explosion in the AL Saad area. PTT responded with the IP from Qadisiyah to observe the IP handle the situation. PTT noticed the IP had a cordon set up and that they were investigating the area looking for pieces of the device and speaking with a civilian that was on the scene. The IP were suspicious of this person and wanted to question him more. He refused to talk with the IP any longer, but wanted to talk to the PTT. PTT interviewed him for a short time and then COL [redacted] arrived on the scene. PTT advised COL [redacted] of the civilian. The Colonel talked with him for a few moments and then placed him under arrest for suspected terrorism. COL [redacted] based his grounds for arrest on items found on the suspect and statements made by him. COL [redacted] ordered a search of the suspect's residence which yielded another arrest and contraband material. Suspects were transported to Al Saad LPS by IP to be held and questioned later. PTT feels that both LPS worked extremely well together with representatives of both LPS participating in the cordon, arrests and raid. All IP conducted them selves in a professional manner while PTT were present.

**(MN0214) Al Waqaas LPS:** (TRA Level 3) MAJ [redacted] requested Hesco barriers for his force protection. He also asked for a concrete tower for an overlook position. PTT advised him that the Team would consult an engineer regarding the matter. MAJ [redacted] also stated that they have seven trucks, one is broken, and they only have enough gas for three of the other trucks. He advised that the phones for the station have been out for two days along with the phones in the neighborhood. NPHQ has been notified.

**(MN0222) Rabiyah DHQ:** (TRA Level 2) PTT traveled to Tal Uwaynat to conduct a station visit. PTT observed the poles are in place and a transformer is at the station, but power lines are not run. IP stated that the city is supposed to supply power in the next three days. PTT met with the IP to discuss placement of force protection materials. PTT provided the IP with a diagram of where to place the force protection materials. IP informed PTT that they had a shovel truck come to aid them in filling the Hesco barriers, but the operator refused to

help and stated that he is afraid that the insurgents will see him working with the IP. PTT informed the IP that the team will meet and coordinate with the CF to attempt to get a shovel truck to the station to assist with filling the barriers. IP asked about digging the well. IP advised PTT that they will pay for the well out of pocket, but need to know where to put it. PTT also observed the weapons storage at the station. The IP have built racks for the rifles and each individual weapon space is the name of the person assigned the weapon and the serial number of the weapon. A separate rack has been built for each shift. PTT asked for the name of the training officer for the train the trainer class. IP could not provide a name. PTT advised the IP again that this is the last opportunity to attend this class and stressed the importance of continued training. The IP stated when LT [redacted] returns the name will be designated.

**(MN0914) Tal Afar Traffic Circle LPS:** (TRA Level 2) PTT traveled to Tall Afar Traffic Circle LPS from FOB Sykes without incident. PTT discussed making a schedule of daily training subjects and the need for spending at least a short amount of time every day on training. PTT spoke with COL [redacted] about plans for additional control points in his area and conducted a joint mounted patrol to visit and obtain the grid coordinates for these entry control points.

**At Tamim** [redacted]

**(NO FFID) ERU:** (TRA Level 3) PTT only had one interpreter today and collected data for the IPSFR.

**(NO FFID) PJCC:** PTT met with COL [redacted] Discussion consisted of the increasing problem from lack of funds to maintain the PJCC vehicles and computers. COL [redacted] also expressed his frustration with the lack of phone cards issued to his department.

**(TT0004) Aruba Patrol Police Station:** (TRA Level 1) PTT gathered statistics and check equipment inventories. PTT checked the status at investigations and found everything in order. PTT conducted instruction in police ethics and abuse of powers issues.

**(TT0005) Kirkuk Provincial HQ:** PTT spoke with acting Logistics Chief CPT [redacted] who stated he had picked up 300,000 rounds of AK-47 ammunition from MOI in Baghdad. When asked why he had obtained only a fraction of the 6 million rounds allotted to them, CPT [redacted] stated that MOI claimed they did not have any more to give them. PTT and CPT [redacted] met with BG [redacted] about the issue. BG [redacted] called the MOI ammunition warehouse and spoke with BG [redacted] and MAJ [redacted]. BG [redacted] was informed that BG [redacted] would try and get approval from MOI to give him about another 100,000 rounds of ammunition and some weapons but that they could not fill the full order due to a shortage of ammunition and weapons in the country. BG [redacted] was advised that more ammunition and weapons will hopefully arrive in October and will be distributed if they arrive. BG [redacted] was asked about funds to fix AK-47's currently in the province. BG [redacted] stated that it would be a waste of time and money due to the decrepit conditions of most of the weapons. BG [redacted] was asked about the uniforms that were suppose to be ordered and he informed PTT that MOI has not authorized him to purchase the uniforms from anywhere other than Najafa and that he would rather purchase them from a factory in Sulaymaniyah. PTT then discussed the STO issue with BG [redacted]. He stated that he would not issue a memo that stated that the STO's sole purpose was training because the STOs only train for one hour per day and that would mean they only worked six hours a week. PTT spoke with the finance officer, LT [redacted], about HQ's delinquent electric bill. LT [redacted] stated the HQ owes 33 million dinar for 2006 and 27 million dinar to date for 2007. LT [redacted] stated that the budget for electricity is only 10 million dinar per year. This issue will be discussed with BG [redacted] at the next meeting.

Compiled by [redacted]

**(TT0007) Daquq Patrol Police Station:** (TRA Level 2) PTT, along with an IP Patrol, went to four different fuel stations and contacted the managers to obtain information for CF.

**(TT0009) Domies Patrol Police Station:** (TRA Level 1) PTT observed guard mount and IP where lectured on being absent from duty over the past nine days. The policy will be ten day docked in pay without a valid excuse for every shift change missed. PTT conducted instruction on police ethics and abuse of power encountered occasionally in law enforcement. PTT recorded station stats and checked the confinement facilities. The entire facility was clean and functional. PTT checked with investigation and noted a few cases under way.

**(TT0015) Kalur Patrol Police Station:** (TRA Level 3) PTT met with LT [redacted] and discussed the weapons that were seized on a joint patrol.

**(TT0613) Multaka Police Station:** (TRA Level 3)

08-Sep-07 PTT met with COL [redacted]. The IP from Multaka station challenged local villagers to a soccer game in an attempt to foster relationships between the police and villagers they serve. PTT supplied water, soda, candy and backpacks containing school supplies to hand out to the children. PTT, along with IP, handed out the above mentioned items and feel the event was a success. COL [redacted] informed PTT that the spotlights and flashlights that he recently received from PTT are not working properly. PTT advised COL [redacted] that the light would be replaced in the near future.

09-Sep-07 PTT met COL [redacted] and LT [redacted], the stations STO. LT [redacted] advised that the Multaka station have 58 IP who are conducting daily police activities who have not yet attended the basic academy class. PTT was given a list of the 58 IP who need the basic training and will verify with COL [redacted] at the academy that they have the same list of names. PTT worked with LT [redacted] to come up with a training log for the classes he teaches as well as a form that will be placed in each IP training file that will be updated after each training class the IP attend. PTT also worked with COL [redacted] on sensitive items accountability in regards to weapons tracking. PTT was satisfied with the tracking and accountability of the weapons stored in the weapons room.

**(TT0614) Dibis District Police HQ/JCC:** (TRA Level 1) PTT met with the staff at the JCC. While there, biometric information was obtained on all staff members. PTT next went to the police station to collect more biometric data.

**Irbil**

**(NO FFID) Kurdish Minister of Interior:** (TRA N/A) PTT met with the Kurdish Minister of Interior, [redacted], along with ROKA ISF LNO and other CF LNOs. PTT was asked to attend the meeting by the ROKA ISF LNO and to assist with difficulties ROKA were having with purchased equipment clearing customs at the Irbil Airport. ROKA LNO used a local contractor to secure the equipment and it had been held up in customs for three weeks. The equipment is on the prohibited import list because of the sensitive nature of it. PTT enlisted the help of the KMOI. KMOI instructed the ROKA to draft a letter that states the equipment belongs to the ROKA and not the local contractor. KMOI will see to it that the equipment is released immediately upon receipt of the letter. KMOI advised that if any future equipment was being flow into the Irbil Airport Cargo area, a letter would be needed and upon receipt, the equipment will be cleared immediately. This information is pertinent to the equipment recently ordered for the Irbil Crime Lab.

**(NO FFID) Shaqlawa Traffic Police Station:** (TRA Level 4) PTT met with LT [redacted] and discussed recent events. The LT advised he had received four hand held radios and several uniform hats for the IP from HQ. LT [redacted] explained that the IP needed accident investigation training. LT [redacted] also said that help with Basic English classes would be very helpful because of the many different nationalities that visit Shaqlawa.

**(MI0037) Irbil Vehicle Theft:** (TRA Level 3) PTT visited Vehicle Theft station in Irbil and spoke with 1LT [redacted]. The station commander, CPT [redacted], was not in. LT [redacted] mentioned equipment issues such as computers and a good copier. PTT mentored the method of requesting equipment and offered assistance with following up on the request if the it is denied. PTT explained that requests should be answered, and if no response to a request was made, PTT could inquire about that type of issue as well. PTT discussed the need for justifications for the requested items within the request, including IP that have trained on the items needed and the application of the items requested at the station. LT [redacted] mentioned a request for a generator that was placed approximately 20 days ago and stated that there has been no response. PTT explained that the requests are often reviewed monthly and that it is best to give at least 30 days for a response, but to notify PTT if there was no response after 30 days for further review. PTT discussed the possible needs for training at the station. LT [redacted] explained that vehicle theft investigation for advanced investigations would be helpful as they would like to know the best ways to work vehicle theft cases. LT [redacted] requested the training have a visual and/or practical portion to get the class involved and improve learning. CPT [redacted] arrived and PTT discussed the training needs of the station with CPT [redacted] who agreed that an advanced vehicle theft course with some practical would be very beneficial for the station. CPT [redacted] stated that MAJ [redacted] is his supervisor in the directorate and that MAJ [redacted] should discuss this possible training with PTT also and hopefully arrange some training in the future. CPT [redacted] stated that MAJ [redacted] was unavailable traveling for the next 2 weeks and that CPT [redacted] was handling the responsibilities of MAJ [redacted] in his absence, as well as continuing to run the Vehicle Theft station. CPT [redacted] requested that PTT visit with MAJ [redacted] after a few weeks has passed to discuss training.

**(MI0065) Shaqlawa Police HQ:** (TRA Level 3) PTT traveled to the Shaqlawa Police HQ and made contact with the newly assigned Commander, MAJ [redacted] MAJ [redacted] was assigned to the Shaqlawa HQ ten days ago after his previous assignment at Crime Combat East in Irbil. MAJ [redacted] stated that Crime Combat from Irbil has 30 Investigators assigned to the Shaqlawa Police DHQ. These Investigators work for COL [redacted] in Irbil, however they report to MAJ [redacted]. These 30 Investigators are assigned to follow up on all initial police investigations as well as "specialized" cases. The MAJ also stated that he has a good relationship with the Crime Lab in Irbil and that the Lab Technicians do respond as requested. The Shaqlawa Police also submit evidence concerning cases to the Irbil Crime Lab for analysis. MAJ [redacted] stated to PTT that the area had been "quite" for several weeks, according to the reports that he was aware of. There were no major crimes or incidents to report.

**(MI0275) Irbil Provincial JCC:** (TRA Level 3) PTT continued with the review of the criminal statistics database and noted some other information that could be added. PTT sent a request via email to Ideal Innovations personnel to ascertain the status of the prototype database at the request of the PJCC. PJCC staff is interested in getting started reviewing and attempting to enter some of the records they have. PTT advised them that more information needs to be gained on the prototype before records are entered permanently because this will help prevent duplicate database entries. PTT advised that as soon as a response is sent back about access, and that the information will only have to be entered once, then the data can be reviewed and a decision made as to whether it should be in the system.

**(MI0701) Hiran Patrol Police Station:** (TRA Level 3) PTT met with newly appointed station commander of Hiran Patrol Police Station at the Shaqlawa District Police Station. LT [redacted] was previously assigned to the Soran Directorate and a participant in the T3T Training the PTT conducted in Soran. LT [redacted] requested the PTT conduct the training for his station and the Shaqlawa District. LT [redacted] also specifically requested the PTT assist his station with Glock and AK weapons maintenance and safety classes that were presented in the Soran Directorate Stations. PTT advised LT [redacted] that the IPA who did the training for Soran would contact him and provide the training for his station on weapons safety and maintenance as requested. PTT informed LT [redacted] to make a request to the District Director to arrange for the T3T (Train the Trainer Qualification Program) to be scheduled for the District Station Training Policemen.

**(MI0935) Mirra Supply Station:** (TRA Level 2) PTT escorted IP to Camp Zaytun to pick up HESCO Barriers and sand bags. There were total six pallets of eight foot HESCO and one pallet of sand bags. The ROKA was supposed to assist with the pick up by supplying a fork lift to load the pallets into a large truck. The ROKA failed to supply the fork lift and the HESCO could not be loaded. The IP loaded the sand bags by hand. PTT escorted the IP back to the Mirra Station. PTT will contact the ROKA again to make arrangements for a fork lift later in the week.

**Sulaymaniyah**

**(NO FFID) Sulaymaniyah Assaish HQ:** (TRA Level N/A) The students demonstrated what they had learned throughout the last 2 weeks by investigating a "Mock" Crime Scene as their final Exam. Upon final completion, COL [redacted] arrived and addressed the students as well as PTT after which certificates of completion/certification were presented to the graduating students.

**(NO FFID) Sulaymaniyah PJCC:** (TRA Level N/A) PTT met with BG [redacted] and discussed PJCC operation. PTT spoke with [redacted] regarding the information needed for the new paperwork on the PJCC as well as the other JCC's. BG [redacted] advised PTT that he had obtained permission to purchase the equipment needed for Chamchamal JCC and that all he was waiting on was the funds.

**(TS0005) Sulaymaniyah Emergency Police:** (TR level 2) PTT and the camp medic conducted Swat training at the Police Academy. Class had a total of twenty officers. The class lessons were on Combat First Aid, which consisted of combat lifesavers, factures, casualty evacuation, chest & abdomen wounds, and four ways of control bleeding, pressure dressing, elevation, pressure points and tourniquet. PTT used numerous situations to help illustrate the importance on today's topic.

**(TS0020) Bazyan LPS:** (TR Level 3) PTT instructors from Camp Tow traveled to Bazyan local police station. The period of instruction covered entering a crime, identifying evidence and taking photos.

**(TS0034) Dukon DHQ:** (TR Level 3) The PTT traveled to Dukan DHQ and conducted day one of a one week community policing training program. The twenty-four IP present was instructed on the concept of the Community Policing program and Police Ethics. This block of instruction covered basic acceptable and unacceptable behavior as is expected from professional police officers.

**(TS0610) Badar Quraman LPS:** (TRA Level UNK) PTT arrived at Badar Quraman LPS and was greeted by LTC [redacted], the Station Commander. PTT conducted training on

Standard Operating Procedures. The class was attentive and asked many questions concerning this topic. Standard documentation of secured crime scenes took a large portion of this block of instruction. Proper documentation was on the priority list for the Commander and his Investigators. PTT also conducted a block of instruction on how to use and what was needed for a basic crime scene field kit.

**Dahuk** (b)(6), (b)(3)

**(MD0002) Dahuk Provincial Headquarters:** (TRA level 2) PTT responded to Dahuk Provincial Police HQ to conclude training the trainer course in community policing. Five IP from surrounding police departments in Dahuk District completed the course.PTT then conducted a small graduation ceremony and handed out certificates to the IP certifying them as instructors in community policing.
