Baghdad (MND-B) _____ (b)(6), (b)(3), (b)(3)

Baghdad _____ (b)(6), (b)(3), (b)(3)

(BC0003) Airport Police Local Police Station: (TRA Level NA) The 1st session of the Train the Trainer training program began this morning. The BIAP Team Leader and all available team IPAs continue to make preparations for upcoming classes. These additional classes will also be instructed on site at the BIAP Warehouse & Training Facility.

(BC0013) Al Dorah Traffic Police Station: (TRA Level 2) The team mentored W.O. Sabery on the importance of maintaining accurate records. This was requested to complete a radio inventory. Sabery provided a copy of the radio listing but the team was unable to perform an inventory based on his list.

(BC0017) Al Hurrya Local Police Station: (TRA Level 3) The team met with the Station Commander who advised, due to the start of Ramadan, all available IPs were out on either a check point or mobile patrol and he did not want to pull any of his force protection IPs from their posts for training. Colonel [ ] (b)(6), (b)(7)(c) said the increased number of check points and patrols will last through Ramadan. The team processed the remaining detainees into the HIIDE system.

(BC0019) Al Juaifer Local Police Station: (TRA Level 2) The military Company Commander traveled with the team to the station to meet with the precinct major. After meeting with the major the team conducted an inventory of the arms room. All weapons were accounted for, but the team will conduct a more thorough inspection. No training was conducted today due to the interpreter being used by the military.

(BC0020) Al Kadhimiya District Police HQ: (TRA Level 2) The team conducted training covering the Combat Life Saver's course. There were 7 officers present for this training from different stations within the district. Upon completion of the CLS course, the team conducted training covering Vehicle and Personnel Entry to Stations. Handouts were also made available showing various types of explosives being used in vehicles and on persons.

(BC0021) Al Kadhimaya Local Police Station: (TRA Level 2) The team conducted training covering how to properly collect evidence at a crime scene, store it and secure that evidence at the Local Police Headquarters.

(BC0028) Al Karkh Police Directorate HQ: (TRA Level 2) The team met with BG [ ] (b)(6), (b)(7)(c) who spoke about a problem he is having with Gen [ ] (b)(6), (b)(7)(c). The team also monitored a meeting with Col [ ] (b)(6), (b)(7)(c) from Karkh Directorate and Capt [ ] (b)(6), (b)(7)(c) from Yarmouk. The meeting was about the force protection around both stations.

(BC0033) Al Karkh Patrol Police Station (West): (TRA Level 2) The team met with Major [ ] (b)(6), (b)(7)(c). The Major informed the team the MOI told him they will not provide fuel to the station until they get the digital reader fixed on the fuel tanks. The team also talked to him regarding the upcoming IP recruitment push slated to begin sometime in November. The Major advised they are pushing for 13,000 new IPs for the Baghdad Region.

(BC0042) Al Meshahadah Local Police Station: (TRA Level NA) The Team found approximately 50 former Taramiya IPs at the front gate waiting to be vetted for re-hire. All had been fired after being listed as AWOL by MOI. Several IPs trained for Mishada, assigned to Baghdad, and subsequently fired, showed up at the Station in hopes of being assigned to Mishada or Taramiya LPS. The team asked them to return next week and it will be addressed at that time. The Team was notified an IA patrol had been struck by an IED south of the Station and had wounded soldiers at the gate. The Team assisted with the casualties. There was one KIA and two WIA. Another IED was found overnight south of the Station.

(BC0043) Al Muthana Local Police Station: (TRA Level 2) The team met with the station commander who said, since training began with the IPs covering vehicle searches, his IPs made several key arrests in his area. He expressed his appreciation for the training his IPs have received and could see the results. The team then conducted a joint foot patrol in the New Baghdad area with 4 IPs and 1 IP vehicle. The patrol participated in community policing. No significant events took place during the patrol

(BC0058) Al Saliyah Local Police Station: (TRA Level 2) During the station visit team members noted 2 inmates in the D-cell were having dental problems. There were also 2 inmates with some type of kidney problems. All medical issues were presented to Col. [redacted] who advised the doctor would be in on Sunday to check on all the inmates.

(BC0061) Al Seilkh (Railway) Local Police Station: (TRA Level UNK) The Station Commander has taken on most of the security responsibility for the Baghdad Central Train Station. He is requesting assistance in establishing watch towers outside the perimeter of the station and along the rail yard. Military counterparts will be making a request for materials to assist in this project. It was noted the station has a defense plan in place and drills are routinely conducted. Juiafer LPS has been identified as the primary QRF.

(BC0073) Al Yarmouk Patrol Police Station (West): (TRA Level 2) The team conducted training on traffic stops.

(BC0074) Al Yarmouk Traffic Police Station: (TRA Level 2) The team met with General [redacted] who explained the Rasha construction crew has a bid meeting in the near future for the contract to install barriers around the stations. Once the bid for contract is finalized, they will start the construction of the wall. He told his IPs to be more alert to their surroundings since today is the start of Ramadan. He has assigned Cpt. [redacted] the duty of attending the bi-weekly civil disturbance meeting.

(BC0085) Baghdad Provincial Patrol Police HQ: (TRA Level NA) The team conducted training for 4 IP officers on the Falcon View analysis program. The team met with the training department and advised 12 IPs would graduate from the Tactical firearms course.

(BC0088) Baghdad Provincial Traffic Police HQ: (TRA Level 3) The Traffic HQ is conducting a one month Motorcycle training course. There are 25 Officers in training at this time. The Third Basic training course is in progress.

(BC0089) Belat al Shuhadaa Local Police Station: (TRA Level 3) The team spoke with Major [redacted], the Station Commander. He advised a sniper continues to be a problem in the area and is responsible for several deaths. The Major informed the team the community has donated 220 liters of fuel to be used during Ramadan to assist patrols.

CPATT IPA-OPERATIONS DAILY SITREP

(BC0090) Boob Al Sham Local Police Station: (TRA Level 3) The team spoke with Col. [redacted] and he advised his new IPs from both shifts are being rotated out every 3 days to go to the Baghdad Academy for extra training. Col. [redacted] showed the Team temporary badges made up for 16 of his new IPs. The badges are to be used around the Boob Al Sham area until MOI sends the permanent badges. Col. [redacted] had the badges made up in triplicate so one exact replica of the IP's badge can be given to the JSS to be put on file. He said he would be going to MOI soon and would be checking on the status of the radio request forms himself. The Team conducted 1 Joint patrol with the no significant incidents.

(BC0103) Major Crimes Unit HQ: (TRA Level 2) The team met with vehicle maintenance personnel and identified 22 vehicles to be driven to FIAFE for repair.

(BC0109) Nahrawan Local Police Station: (TRA Level 3) The team conducted trianing at the range covering reactive shooting and shooting on the move. While the IPs waited for their turn on the range CF went over movement drills with them. The station has erected two gun towers and all of the new Hescos are in place. A new guard house is being built. They also have started construction on the new bunk house.

(BC0111) New Baghdad District Police HQ: (TRA Level 2) The Team conducted a training class with three IPs covering person searches. They were then given the opportunity to practice these searches at one of their checkpoints. Col. [redacted] stated his IPs have started searching more civilians at check points

(BC0112) New Baghdad Local Police Station: (TRA Level 2) The team conducted a review of all new construction at the station. They met with Col. [redacted] and conducted more introduction time with the new military personnel. The team then met with Lt. [redacted] and other command staff, talking with them regarding their function within the IP station. Training was conducted for 3 IPs covering Person Searches, Vehicle Searches, Weapon Safety and Officer Safety. Joint mounted patrols were then conducted through the neighborhood surrounding New Baghdad LPS to familiarize the new unit with the area. The team also conducted vehicle stops with the IPs.

(BC0114) New Baghdad Traffic Police Station: (TRA Level 1) The team met with General [redacted], Major [redacted] and Capt. [redacted] The General stated the station receives about 240 liters of vehicle fuel every 2 days and should be receiving approximately 1500 liters a week. The General stated they are down 1 vehicle due to an IED strike resulting in 4 IPs injured.

(BC0117) Risalah Local Police Station: (TRA Level 3) The team completed work on the station's generator. It has been non operational for the past few weeks. The team conducted a joint patrol with the IPs, obtaining oil for the generator.

(BC0120) Rusafa Police Directorate HQ: (TRA Level 1) The Rusafa HQ was visited by the Baghdad Regional Commander, PTT Deputy Chief and another IPA. The team and visitors toured the station and met briefly with the Station Commander, the Operations OIC and the Internal Affairs Department Head. The group also observed the ongoing training of 300 new IP recruits and spoke with the ERF training officer.

(BC0122) Sheikh Saad Local Police Station: (TRA Level 3) The team met with Col. [redacted] and Major [redacted] discussing vehicles in Baghdad and the new station. Theft of fuel from the Station by an IP was also discussed. Major [redacted] met with the contractor and was informed that work could start in 10 to 14 days. A list of needed parts and labor will be compiled and submitted. When the list is approved the work will start. This is a positive act

on the Station Command's part. A joint patrol was conducted with the IPs focusing on community policing. There was good interaction with the town's people.

(BC0125) Yousifiya Local Police Station: (TRA Level 4) Training was conducted for 5 IP covering the 9 fatal errors; 4 parts that make up survival mindset and the rules of weapon safety.

Babylon (MND-CS/S) (b)(6), (b)(3)

Al Qadisiyah (b)(6), (b)(3)

FOB Echo: The V.I.S.T.A program resumed. The Ukrainians assisted the IPAs with the training and Biometrics. Also the IPAs will meet with the Armenians and the Mongolians to try to schedule them into the training.

Babil (b)(6), (b)(3)

FOB Kalsu: PTT conducted orientation (training) on FOB Kalsu for 199 Iraqi Police Officers that will make up the North Babil ERU (Emergency Response Unit). IP's received a class on IEDs and went to an individual movement technique's range.

FOB REO: REO PTT conducted training with the Emergency Response Unit.

(NP9904) Iraqi Camp Charlie National Police Compound: (TRA Level 3) PTT team conducted Emergency Response Unit (ERU) training in the areas of basic first aid, low risk and high risk vehicle stops, the use of cover and concealment, and proper techniques to search a vehicle. Practical application indicated a basic knowledge of the subjects was attained.

Wasit (b)(6), (b)(3)

FOB DELTA: PTT continued with the final day of Session #12 of the Crucible Training Center. 21 students arrived for training. Transition drills with GLOCK and AK47 were instructed, and applied without incident. All IPs received a Certificate of Attendance for successfully participating in the program. Major (b)(6), (b)(7)c was also advised and concurred with the training

(BW0015) Al Kut Local Police Station: (TRA Level 3) PTT members met with Commander; Lieutenant Colonel (b)(6), (b)(7)c PTT discussed the Electrical Contract and problems he is having with the sub-contractor with completing the work in a satisfactory way. He has forwarded this problem to PHQ and currently a court hearing is scheduled in the near future. PTT also discussed, in great length, the security problems that PTT members see at the Al-Kut station. A more diligent and aggressive security is badly needed, but the Commander seems not willing to cooperate with implementing a better system. He is securing the station with only three (3) IP's on a hourly shift. The Team advised the Lieutenant Colonel of concern of an attack by a minimum number of men that would not only overtake the station with ease, but catch other IP's/Officers asleep and defenseless. Commander seems steadfast in his own security measures and unwilling to bend.

(BW0600) Wasit Internal Affairs: (TRA Level 2) PTT met with Lieutenant Colonel (b)(6), (b)(7)c. The Team was advised by Lieutenant Colonel (b)(6), (b)(7)c that his station has approximately

170 open cases at this time. The majority of these cases involve corruption by the IPs. Lieutenant Colonel [redacted] said they have been working with Provincial HQ helping train the IPs that man the checkpoints. Members of his team drive civilian vehicles through the checkpoints containing weapons. This is being done to help train the IPs in proper vehicle searches.

(BW0601) Wasit Patrol Headquarters: (TRA Level 2) PTT Team visited the Wasit Patrol Station and spoke with Major [redacted]. Major [redacted] stated that morale was high with the IPs as they approved of the new Provincial Chief. Major [redacted] also said that they had conducted a secret training exercise with the checkpoint police where his IPs placed a weapon in a car, the checkpoints were then given a description of the vehicle and told that it may contain weapons. The vehicle was stopped and searched at the third checkpoint it entered and the checkpoint IPs found the weapon. During the exercise a total of 16 weapons were found and confiscated of which, 12 were found to be illegal and arrests were made. Miscellaneous other contraband was found in vehicles during this training exercise and they feel it was a success. PTT Team gave a training session to 25 IPs on proper patrol procedures and then these procedures were placed into action during a one hour joint patrol. After the joint patrol PTT Team and IPs returned to the Wasit Patrol station and debriefed.

(BW0605) Wasit Iraqi Highway Patrol: (TRA Level 1) PTT members met with Colonel [redacted] at Wasit IHP DHQ Station. The Colonel advised that there as been no major incidents since the stations last meeting. The Team then conducted a joint patrol with the IPS.

(BW0625) Al Killud Local Police Station: (TRA Level 3) PTT members met with Commander Lieutenant Colonel [redacted] PTT Conducted Bio-Metrics and gave fuel. PTT also discussed with Lieutenant Colonel [redacted] was the new PHQ Commander. At this time he seems to think that the new PHQ Commander will do a better job then the predecessor. The Team learned that MOI personnel will be in the Wasit Province shortly with equipment to produce ID cards for the IPs and officers. In addition, Commander stated his department is in need of 14 more vests for his IP's.

(No FFID#) Wasit 4th SRT (Special Response Team): (No TRA Level) A joint patrol was conducted. This patrol involved the use of one (1) vehicle containing 10 SRT members. IPA was unable to speak with the commander at SRT due to visiting Wasit Internal Affairs the entire time. The two (2) departments are stationed at the same location but require a military escort due to actually leaving a secured area.

Dhi Qar / Al Muthanna (PIC) [redacted]

PIC members attended a SSR meeting with Australian Military officials who passed on intelligence information to team members and discussed daily operations to the team. PIC members held a brief meeting with MTT members regarding future scheduling of training and possible future missions in the Al Muthanna Province. Team members and the Australian DTC members engaged in training at Camp Mittica with the Dhi Qar IPS at Camp Mittica. Basic Firearms was taught to the Dhi Qar IPS along with weapon clearing drills. The Dhi Qar IPS were given the opportunity to apply their skills on the firearms range with target engagement. PIC members also engaged in training at the Al Muthanna Police Academy. Basic Investigations Training centered upon Information Collection, Documentation, and different Types of Crimes. This is the first time that PIC members were able to engage the AL Muthanna IPS since the assassination of the Al Muthanna Governor last month.

CPATT IPA-OPERATIONS DAILY SITREP

Tikrit (MND-CW) [redacted]

Diyala [redacted]

No reports available due to internet issues.

Salah Al Din [redacted]

(TA0080) Salah Al Din Provincial HQ: (TRA Level 1) PTTP met with COL [redacted], Chief of Finance, who stated he would attempt to draw payroll again this month on (date withheld). The COL said he does not believe this will work this month because he overdrew the payroll account last month to meet payroll. He has asked repeatedly for assistance from MOI/MOF and CF on this issue. As of this date the issue has not been resolved. COL [redacted] stated he was asked by CF to make a list of Finance issues he is facing and to present that list to CF. Some of the issues are, the lack of land for IP buildings, the absence of sufficient funds for day to day operations, no funds for equipping new recruits, insufficient funds for fuel, lack orders being sent down from MOI for any assistance and shortage of IP within SAD Province.

PTTP questioned COL [redacted] about fuel money for Ad Dujayl District, he stated the fuel money was released by him to MAJ [redacted] last Sunday and while some of the Districts have picked up their allotment, some have not. The fuel money is there and they know they must come to PHQ to pick it up. COL [redacted] stated 1million IDN has been allocated for Ad Dujayl fuel.

PTTP met with COL [redacted] of the Provincial Logistics Office. Arrangements were made for him to come to the COB next week and pick up supplies. He advised he was not aware of the major increases in manpower that is being planned for the Province. He was advised that some stations were stating they had came to the warehouse with signed approvals for equipment and were turned away. He said that if a station had been turned away, it was only because they did not have the equipment that had been requested. He has not been made aware of any equipment to pick up at MOI.

(TA0099) Tikrit District HQ: (TRA Level 2) PTT talked with BG [redacted] who advised that the Muqasheefa station was attacked with small arms fire at 08:30 hrs this morning, but there were no leads as to who conducted the attack. BG Kanaan advised that his District will increase the amount of checkpoints and stay in contact with the local Sheiks for intelligence since there is an expected increase of attacks during the Ramadan Holidays.

BG [redacted] advised that the new permanent check point at Business 1 and the Bypass is a joint effort at this time between the stations within his District. PTT inquired about the recent tension between the National Police currently stationed in Samarra and the Tikrit area Local IP. BG [redacted] advised that the best thing they could do in Samarra is organize a meeting with the Local Sheiks and ask them what they need to make Samarra secure. PTT had the station perform an evacuation drill and noted the IP responded in an adequate manner. PTT critiqued the drill with BG [redacted] and mentored in areas that could be improved.

(TA0042) Al Salam LPS: (TRA Level 4) PTT found the IP had erected guard towers on the roof using the supplies CF had supplied. Training issues were discussed with Chief Talib and he agreed the training was needed. While PTT was there, Training Officer LT [redacted], gave a class to 8 IP on safety when searching vehicles.

(TA0103) Yethrib Local Police Station: (TRA Level 4) PTT went to the station on a night mission and talked to CPT [redacted] PTT identified all IP on hand and reviewed force protection drills with the IP. PTT assisted the IP with painting the station. At approximately 1900 hours, PTT encountered a rocket attack from the south side of the station. IP searched the area with negative results.

(TA0604) AD Dujayl District HQ: (TRA Level 3) PTT met with the LTC and discussed training issues. The LTC advised that there were two patrols out. Assistance was requested in releasing prisoners who have been deemed innocent. PTT left the station and checked on personnel at the check points.

(TA0084) Samarra District HQ: (TRA Level 3) PTT met with COL [redacted] and MAJ [redacted] to discuss the new IP that are scheduled to come to Samarra. The COL has not heard anything more about when they are supposed to arrive or how many are to come. COL [redacted] requested PTT talk to W/O Razaak about sending some of the extra weapons. PTT received a list of the suspects that the Samarra IP had detained and that the Tikrit IP had released. It is in Arabic and will need to be translated.

(TA0050) As Saniyah: (TRA Level 3) PTT found there were 26 IP on duty. There was heightened level of tension at the station due to the beginning of the Ramadan holiday. PTT advised the IP that more emphasis should be placed on force protection during this time. All on duty personnel were given specific assignments and duties related to force protection. All training was related to force protection for the station.

Mosul (MND-N) [redacted]

Ninewah [redacted]

(MN0004) Bi'aj DHQ: (TRA Level 3) PTT met with MAJ [redacted] at Al Qananiyah LPS. There was an Iraqi Army recruiting going on at the station. MAJ [redacted] stated there had not been any significant criminal activity in the last week, but he and his station IP are stepping up security for the Ramadan period. They are checking vehicles, especially large trucks and patrolling their area.

MAJ [redacted] is the Station's Investigator. He has 35 years experience as an IP and had investigative training earlier in his career. He meets with the Investigative Judge at the courthouse on a regular basis. The Investigative Judge comes to the station, but less often. They have a system for assembling case files, storing them and getting copies to the collateral agencies. They also have the ability to collect evidence, store it, transfer it as needed and maintain a chain of custody.

(MN0009) Al Hadba DHQ: (TRA Level 2) Prior to arriving at the Al Hadba DHQ, PTT conducted a check of the area TCP's. There were only two in operation at that time in the morning. PTT arrived at Al Hadba DHQ and talked to the LT in Operations who advised that there have been no serious incidents reported. He advised that BG [redacted] had taken IP from all the station for a district wide patrol. PTT conducted a force protection check of all the stations in the Al Hadba District. All stations were well manned and force protection had been increased at Al Gizlani LPS by adding more C-wire around the compound.

(MN0018) Al Nasir DHQ: (TRA Level UNK) PTT was tasked with Quick Response Force mission status posted at PHQ One West. PTT was stationed to assist IP from the PHQ area with any threat issue or police situation that affected the general area. While on location,

PTT was able to interact with several IP performing force protection duties to include the entry points and guard towers.

(MN0022) Al Rabaein DHQ: (TRA Level 4) PTT convoyed to NPHQ operations to find the location of the Al Rabeain DHQ team during their neighborhood coordination. Operations stated none of Al Rabeain would be out today. PTT then stood by ERB as QRF for any other Iraqi police or Army units in need of assistance. PTT cleared ERB without incident when they returned at 0900 hrs.

(MN0056) Ninewah Provincial Headquarters: (TRA Level 2) PTT met with MAJ [redacted], Detention Center Commander. MAJ [redacted] advised that the inmate count was 444 total detainees, with 27 IP, 1 IA, 5 FPS, 2 in Al Jamouri Hospital and 24 juveniles. The detention center did release eight detainees during the past 24 hours, but did receive one additional detainee during that time. PTT met with Finance Department, Personnel Department and Legal Department and collected data for the IPSFR on this visit. PTT did receive all information on this headquarters visit and the IPSFR is completed. In MPSA class 24, there were 151 students, from the Mosul area. MPSA Class 25 continues with 236 students from Tall Afar and 53 from Mosul. PTT assigned to the training department assisted NPHQ PTT in completion of the ISPFR.

PTT met with BG [redacted], NPHQ TOC Commander, and discussed the significant events occurring in Ninewah Province during the past 24 hours. BG [redacted] advised that an IED detonation had occurred in the Qayar neighborhood killing one civilian and wounding four others. In the Al Feaee neighborhood, an attack by insurgents killed 2 people. In the 17 Tammoz neighborhood, terrorists attacked 3rd ERB while on patrol, 1 IP was wounded. No other information at this time. Baghdad Mosul Road IED detonated killing two citizens and wounding four others. In the Al Warshan neighborhood, a small child was killed due to an IED detonation and 2 other civilians wounded when the vehicle passed by it. In the Al Masared neighborhood, a male was killed by terrorists when they attacked his home for reasons unknown. The Baaj Hospital was attacked again by small arms fire, no casualties reported. In the Al Muthana neighborhood, another male was killed by insurgents for reasons unknown at this time. In the Al Yabesat neighborhood, another male was shot and wounded and is hospitalized at this time. In the Al Tanak neighborhood, a male driver was removed from his vehicle, shot and killed, and then his vehicle was burned. In the Al Shohada neighborhood, terrorists attacked an IPs house and killed one male subject and then blew up his house by using a propane bottle. On Al Karamma Industry Road, 2 males were removed from their vehicle, shot and killed. The vehicle was burned afterwards. In the Al Thawra neighborhood, an IP patrol was attacked by terrorists and 1 IP was killed. At the Al Hamman check point, terrorists attacked it and wounded 2 IP. No deaths were reported from this attack. Several incidences of IEDs being disarmed or reduced by controlled detonation were also reported in various parts of the city, as well as several incidences of IP patrols being fired on by AIF.

(MN0066) Sinjar DHQ: (TRA Level 3) PTT traveled to Sinjar DHQ and met with BG [redacted] who stated supplies and maintenance on vehicles were a big issue. BG [redacted] stated a request for a maintenance compound had been submitted about a year ago. PTT advised BG [redacted] to submit another request and give a copy of the request to PTT to address issue at a later date. PTT also met with the Intelligence Officer [redacted] who said an IP from Tal Qasab LPS was detained by IA in reference to terrorist activity. INTEL Officer [redacted] also said the IP escaped and went to Mosul. No other information was provided.

PTT completed the meeting and went to Tal Qasab LPS for a station visit. PTT arrived and met with LT [redacted] and SGT MAJ [redacted], due to station chief not being available. LT

[redacted] stated there has not been any activity lately and does not know of any terrorist activity in the area. LT [redacted] did state that he needs T Walls and sand bags for force protection.

(MN0076) Tal Afar DHQ: (TRA Level 2) PTT traveled for an assessment of living conditions at COP Nimur and to visit stations in the Sinjar area. After the visit to COP Nimur, PTT travelled to the village of Qananiyah in the Biaj district and met with COL [redacted] the police chief of Biaj. COL [redacted] was asked about security in the village and stated that security is being provided by the Peshmerga. PTT commented on the fact that the Peshmerga seem to be providing the majority of the security in the villages around Sinjar and Biaj and asked if COL [redacted] has met with their leadership yet. He advised he had not and gave several excuses as to why. It appears as if the IP are reluctant to work with the Peshmerga. Since the Peshmerga provide security and patrols, this leaves the IP with very little to do. PTT is working on a course of action to solve this issue.

PTT then responded to Sinjar DHQ where we met with BG Abdulazarah and Sinjar OIC LTC [redacted]. BG [redacted] stated that he has been placed in the position of commander of Western Ninewah province by MG [redacted]. PTT asked him if this meant that he was able to secure logistics items, plan operations and devise security plans. BG [redacted] stated that he was unable to do any of the above and was given no powers by BG [redacted] PTT then asked for him to describe the exact duties given to him by the PDOP and he stated that he was there only as an observer with no powers.

LTC [redacted] of Sinjar discussed his Ramadan security plan with PTT and also expressed concerns with the Peshmerga presence in the Sinjar area. PTT asked if he had approached the Peshmerga in order to plan joint operations and security plans and he stated that he had not. PTT advised that this was something which should be done as ignoring the presence of the Peshmerga in Sinjar would not change the fact that they are there.

(MN0099) Major Crimes Unit/ Major Terrorist Unit: (TRA Level 2) PTT met with the Investigative Judges (IJ) for the scheduled weekly meeting to review the backlogged MTU cases. PTT was advised that no MTU Investigators were able to bring cases over due to 35 detainees needing to be brought before the IJ to give their statements. The IJ advised how pleased they were with how these meetings were going and looked forward to continuing the meetings next week.

(MN0131) Al Bughah LPS: (TRA Level 4) PTT mission to Al Bughah LPS was to gather intelligence, obtain proposals from contractor in digging a water well and review strategy plans for the Ramadan. PTT was asked by LTC to conduct a walk through of the Al Bughah Primary School. The well proposal has been obtained by the contractor and a copy forwarded to DHQ. The total cost of supplies and labor is $2220.00. The well will be excavated to 30 meters depth to insure quality water is obtained. There are 52 total IP including the upper level staff. There are 25 sets of armor and vests for the IP.

A walk through of the primary school was carried out by PTT. There were numerous broken windows, electrical wires exposed, very little office and furniture, interior and exterior painting needed to be done, and general cleanup of all the classrooms was suggested. PTT recommended that a contractor or person be employed to repair all the broken windows, painting the interior and exterior, and repair the exposed electrical wires. LTC said he would get an estimate for the school repairs. PTT advised that perhaps Civil Affairs could be contacted for support in this matter.

(MN0201) Ninewah SWAT: (TRA UNK) PTT met Ninewah SWAT on FOB Marez. A mission brief was conducted by ODA-071. PTT and IP SWAT then convoyed to the Al

Sanaa and Al Karama neighborhoods where SWAT conducted entries on four residences; resulting in the apprehension of 6 terrorists, one being a Tier One target and three were Tier Two targets. In addition to the arrests, a weapons cache consisting of RPG's, fragmentation grenades, small arms and ammunition along with IED making equipment were recovered. SWAT transported all detainees to Tiger Base and turned over to ODA-071 who transported said detainees to the DIF on FOB Diamondback. PTT mentored SWAT though out the entire mission.

(MN0222) Rabiyah DHQ: (TRA Level 2) PTT traveled to Rabiyah DHQ to meet with COL [redacted]. PTT asked COL [redacted] about how many officers he has between the Rabiyah DHQ and LPS. COL [redacted] stated that he has fourteen. PTT asked COL [redacted] to send an officer to Al Mumi. COL [redacted] said that he assigned one officer and is sending one vehicle to Al Mumi. The officer will be going to Al Mumi but is on vacation now and MAJ [redacted] does not know that the assignment is made. PTT asked COL [redacted] when he goes to visit Al Mumi and Tal Uwaynat. COL [redacted] said that he visits once a week, but does not like to go because they ask for supplies and he has none to give them. PTT advised COL [redacted] that he still needs to visit to show support and that he is looking out for them. COL [redacted] said BG [redacted] comes to visit the Rabiyah DHQ and does nothing to help them. COL [redacted] said he thinks BG [redacted] does not care about the Rabiyah District. PTT suggested that COL [redacted] build the relationship with the Sheik to see if he will donate some money to provide the IP with necessary supplies. PTT advised COL [redacted] that they will also speak to the CF about speaking to the Sheik.

(MN0907) Al Sarai LPS: (TRA Level UNK) PTT traveled to Al Sarai LPS without incident. PTT discussed Ramadan security measures with MAJ [redacted] PTT observed an instructional class being conducted by the training officer, LT [redacted] The course of instruction covered the proper procedures to use when stopping and frisking an individual for possible weapons or personal explosive devices. PTT then joined the IP in a joint dismounted patrol in a roughly two block area near the police station. Several small groups of people were out and the IP and PTT stopped to speak to them in an effort to reinforce the concept of community policing. These groups of people seemed very pleased to see the IP patrolling in their neighborhood.

(NO FFID) Koya District Traffic Police HQ: (TRA Level 3) PTT met with MAJ [redacted] regarding the follow-up to the T3 training which will include courses taught by graduate IP trainers from the T3 course given and mentored by PTT. PTT delivered a vehicle search lesson plan and asked that MAJ [redacted] have the IP study the lesson plan so they will be ready to give the course. PTT requested that they be notified so PTT can attend the course and mentor the instructor. PTT met with an IP from the T3 course, while at the station as well, and the IP was anxious to instruct his first course. PTT discussed the vehicle search

lesson plan with MAJ [redacted] in detail and the importance of Traffic IP ability to properly search vehicles.

(NO FFID) Koya Oil Police General Directorate: (TRA Level 3) PTT visited Koya Oil Police General Directorate and discussed the proposed T3 (Train the Trainer) training. PTT discussed with LTC [redacted] the meetings with BG [redacted] from Sulaymaniyah Provincial Police HQ and LTC [redacted] from Sulaymaniyah Oil Police Directorate and the permission granted to conduct training. PTT described, in detail, the specifics of the T3 course and the need for the best IP from various locations to attend the course. LTC [redacted] stated that he would select from his top IP from the different locations and establish the ability to train at each station without the need for trainers to travel to other stations. PTT agreed this was a good strategy. PTT and LTC [redacted] discussed the ability of IP to focus during Ramadan and agreed the training would be better received after Ramadan because the IP would be less tired and hungry, therefore would be more open to learning. PTT agreed to set a new date with LTC [redacted] after Ramadan and then begin training.

(MI0051) Mergasor District Police HQ: (TRA Level 3) PTT met with LT [redacted] who advised that the station has not had any recent serious crimes. The LT stated the station radios work poorly. He asked if the PTT was aware of any plans for improvements to the radio system. PTT advised the LT that there was a company working on installing radio towers all around the area to improve communications through out the province. PTT will inquire about the company and their progress with the towers, and pass the information along to the LT. LT [redacted] said the station shares the building with the Mayor, and the station was not large enough to suit the needs. The building has limited bathrooms and the IP need room to perform the daily duties. LT [redacted] asked if arrangements could be made for a course in hand cuffing, self-defense, tactical response and initial response to crime scenes for the IP. PTT will evaluate the availability of these courses attempt to schedule them in the near future.

(MI0079) Mirra (Supply) Police Station: (TRA Level 3) PTT contacted LT [redacted] of the Mirra (Supply) Police Station to advise him that the transfer of the equipment including Hesco Barriers from CF to the Kurdish Police was cancelled due to unavailable fork lift. PTT will attempt to coordinate the equipment transfer at later date when CF has a forklift available.
