B16

CPATT IPA-OPERATIONS DAILY SITREP

17 September 2007

Ramadi (MND-W) [redacted] (b)(6), (b)(3)

Al Anbar [redacted] (b)(6), (b)(3)

(RA0002) IP Headquarters PHQ: (TRA level 3) The Provincial Headquarters continued to pay the Iraqi Police (IP) assigned here. The Provincial Police Transition Team (P-PTT) assisted with pay operations. Due to recent intelligence concerning the possibility of an attack against the Provincial Chief of Police (PCOP), security was tightened. The Headquarters Protection Company Section Chief was mentored concerning organizational structure and discipline. The Training Section began the process of securing range time for the provincial IP who have not qualified with their issued weapons. A training plan was developed for the Criminal Detention Section. Senior P-PTT members accompanied the PCOP to the home of [redacted] (b)(6), (c)(a) to pay respects to his family and met with local and national leaders.

(RA0007) Al Qaim Local Police Station: (TRA level 4) Delayed reporting from an extended visit.

13 September 2007 The Police Transition Team (PTT) met with the Station Chief to discuss the new patrol schedule. The Iraqi Police (IP) Administration Officer presented a new patrol and training schedule that he had prepared as a result of previous requests by PTT personnel. PTT members observed an IP interview of a citizen who had information for the police. The PTT inspected IP assigned to guard duty as they stood their posts.

14 September 2007 The Police Transition Team (PTT) instructed 1 Iraqi Police (IP) Officer and 16 IP personnel in close quarter weapons techniques. The class consisted of one hour of classroom instruction and one hour of practical exercises. IP detained 5 males. One of the detainees was brought to the Coalition Forces medic for evaluation. All detainees were transported to the Al Qaim District Headquarters. The PTT conducted a foot patrol with IP to inspect observation posts manned by IP.

15 September 2007 The Police Transition Team (PTT) instructed 1 Iraqi Police (IP) Officer and 14 IP in close quarters weapons techniques. The focus was practical application exercises from the previous class. The PTT provided additional training on field interview stance, officer safety and weapons retention. The PTT also met with the Station Chief to discuss personnel scheduled and jail construction issues.

16 September 2007 The Police Transition Team (PTT) met with the Station Chief. He advised a new patrol shift schedule had been implemented. He further advised that the District Chief directed that the number of Iraqi Police patrols were to be increased. The PTT met with local school officials to discuss community relations with IP. The PTT will prepare ideas to mentor the command staff in community relations.

(RA0010) Tameem: (TRA level 3) Five Tameem Station vehicles are down for unknown mechanical reasons. Tameem Station vehicles have been worked on by a local mechanic. The mechanic does not have the proper tools and equipment to run computer checks and diagnostic readings. The patrol vehicles are rapidly deteriorating and becoming non-operational due to many hours of patrol and lack of proper repairs. Without properly trained mechanics, tools, and equipment, the vehicles will not be repaired or returned to operation status. The Police Transition Team inspected the detention facility and checked the welfare of detainees; no issues were noted. The detention cell had been cleaned by the detainees

prior to the PTT arrival. The detainees work several times a day cleaning and picking up trash within the station compound.

(RA0032) Karmah Station: (TRA level 3) An extended visit is in progress. No daily station report was obtained due to limited communications. A comprehensive report will be submitted upon return.

(RA0052) IHP-6: (TRA level 2) The Police Transition Team (PTT) traveled to the Ramadi Government Center for supplies and a meeting in reference to a new Iraqi Patrol Police Station. Following the meeting, the PTT traveled to Command Out Post Golden to drop of supplies and personnel. The PTT continued to Camp Ramadi to obtain a new interpreter and met with the Military Transition Team in support for upcoming classes.

(RA0060) Saqlawiyah Station: (TRA level 3) Due to operational commitments and meetings involving the Police Transition Team (PTT), no training or mentoring was provided. Coalition Forces are issuing identification cards to Neighborhood Watch Officers at the station. Currently, two projects are being implemented at the station. The first project involves total accountability of all assets. The second project involves the development of a new training room/classroom for the station.

(RA0070) Civil Camp Police Station (Habbaniyah): (TRA level 3) A station visit was conducted. The Police Transition Team (PTT) provided Iraqi Police (IP) with training on community policing. The PTT participated in an IP foot patrol. The IP were monitored as they applied their community policing skills. The IP made several contacts with Iraqi citizens and business owners in order to build the trust and confidence of the local community. The PTT monitored an IP shift change.

(RA0081) Hit Dist HQ: (TRA level 4) Delayed reporting due to limited communications.
15 September 2007 The Police Transition Team (PTT) met with the Station Chief to discuss administrative duties. The PTT departed the station and traveled to Ramadi in order to pick up Iraqi Police pay vouchers.

16 September 2007 The Police Transition Team (PTT) met with the District Chief about providing a list of vehicle parts that can be fixed at the station level. The PTT would like to reduce the number of vehicles being sent to Al Asad for repair. These vehicles are gone for extended periods of time and their absence affects operational planning. The group also discussed personnel cuts needed at the station. The District Chief stated he must have orders from Provincial Headquarters and Ministry of Interior authorizing the firing of the Iraqi Police from Hit.

(RA0084) Baghdadi Local Police Station: (TRA level 4) The Police Transition Team (PTT) traveled to the Jubah Bridge to ensure proper staffing. PTT traveled from Jubah Bridge to Baghdadi District Headquarters to assist with fuel operations.

(RA0086) Anah District Police HQ: (TRA level 3) Delayed reporting due to limited communications.
14 September 2007 The Police Transition Team (PTT) met with the Iraqi Police (IP) Command Staff in reference to Glock handgun training. IP personnel refused to attend 2 previously scheduled classes and will not be issued handguns until they attend the class. The PTT mentored the command staff on proper shift management in order to address personnel issues. Some shifts are conducting foot patrols while others do not. The PTT is assisting with shift assignments and patrol rotation schedules. During the meeting, it was determined that more mentoring of administrative officers is needed. Training will include attendance records, leave requests, accountability, AWOL records, and training records

maintenance. The PTT informed the staff that Iraqi command directed that IP not wear masks during their tour of duty. It sets a poor example for community relations.

15 September 2007 The Police Transition Team (PTT) delivered 3 Iraqi Police (IP) trucks, an electronic vehicle barricade, and more vehicle fuel to COP Ocotal in Anah. During a meeting with the command staff, the PTT advised the progress on filling hescoe barriers around the station with dirt was unsatisfactory. The Iraqi Police immediately began the project.

(RA0089) Barwanah Local Police Station: (TRA level 3) The Police Transition Team convoyed to the new Barwanah bridge to survey force protection and security operations. The new over watch tower is in place and things appear to be operational. The bridge is scheduled to be opened soon.

(RA0095) Baghdadi DHQ: (TRA level 2) The Police Transition Team (PTT) traveled to the Jubah Bridge to ensure proper staffing. PTT traveled from Jubah Bridge to Baghdadi District Headquarters to assist with fuel operations. The District Chief requested additional human rights training for his personnel due to recent allegations of detainee abuse.

(RA0096) Dulab Local Police Station: (TRA level 4) Delayed reporting from an extended visit.

14 September 2007 The Police Transition Team (PTT) convoyed to Forward Operating Base Hit today for a staff meeting. While at the base, the PTT picked up fuel for the station generator and for the trucks.

15 September 2007 The Police Transition Team conducted a patrol with 3 Iraqi Police (IP). The purpose of this patrol was to search an area where earlier in the day the IP had found a fake road side bomb. Nothing out of the ordinary was discovered during the patrol. The Police Transition Team monitored the IP during the patrol and while they searched a vehicle. The Iraqi Police acted in a professional manner and conducted their job well.

(RA0097) Kubaisa Local Police Station: (TRA level 3) The Police Transition Team (PTT) met with the station's Executive Officer (XO). The XO was asked to serve as a guest instructor for the First Line Supervisors Course held at Al Asad. He agreed to take on those duties in addition to his duties at the station. The PTT inspected construction completed at the station. The construction was satisfactory and the contractor was paid.

(RA0104) Al Furat (Zawaya) Local Police Station: (TRA level 3) The Police Transition Team (PTT) inspected the detention facility and armory. This is a new station and the holding cell is much smaller than the old station's holding cell. The armory weapons and ammunition storage containers need to be upgraded. The PTT identified an Iraqi Police Officer to attend the First Line Supervisor's Course in Al Asad.

(RA0106) Tal Aswad Local Police Station: (TRA level 2) The Police Transition Team (PTT) met with the Station Chief. The PTT inspected the detention facility and checked the welfare detainees. Iraqi Police (IP) did not seem to know why some detainees were being held. Apparently, Coalition Forces (CF) in the area detained several people and dropped them off at the station without notifying the IP why they were detained. The PTT mentored IP on the importance of maintaining a log to document who is detained, when they were detained, and for what they were detained. The IP do have a system where they log information on a chalk board outside the detainee room but it was not utilized in this case.

(RA0133) Habbaniyah District HQ: (TRA level 4) The Police Transition Team (PTT) sat in on the District Station Chiefs' meeting. The group made plans to implement a new training program for all stations. The PTT created new forms to track all Iraqi Police training.

(RA0134) Khaladiyah Police Station (Habbaniyah): (TRA level 2) The Police Transition Team inspected the detention facility and checked the welfare of detainees; no issues were noted. Limited communication with the Iraqi Police was possible due to the poor quality of the interpreter assigned to the PTT.

(RA0252) Fallujah JCC: (TRA level 4) The Police Transition Team (PTT) continued working on the new structure plan established as the result of a work shop by the military. Work is being done to implement the plan by creating training schedules and other materials necessary for implementation. The PTT gave a presentation to the Region Command Staff explaining the new structure plan.

(RA0910) Zangora: (TRA level 4) International Police Advisers assisted with training at the Ramadi Training Center.

(RA0917) Al Wallah: (TRA level 3) No station visit was conducted. Military members of the Police Transition Team (PTT) were attached to operations not related to the PTT mission.

Ramadi Training Center: The Police Transition Team went to the Ramadi Training Center. Day 5 of the Detective Course was presented. The Iraqi Police students participated in a practical application exercise.

Hammurabi Training Center (Al Asad): International Police Advisors met with military counterparts at Camp Ripper. The group met to discuss the First Line Supervision Course set to start on (date withheld). A major from Hit District is scheduled to arrive at Al Asad to review the course material. The interpreter continues to work to create Arabic only slides. Plans for an In-Service Firearms Course and follow up investigations were also planned.

Iraqi Police Professional Leadership Development Course (IPPLDC): The cadre worked on lessons plans for the upcoming class session. The cadre also assisted with repairs to the facility. One International Police Adviser is currently traveling with military PTT members and Iraqi Police Administrative personnel. The group will meet with Provincial counterparts in order to establish contacts, obtain reports and documentation of procedures for improving logistics and budget issues in the district, establishing an MOI approved FTO program and obtaining detention administration forms.

PSF-4 (Camp Fallujah): The Police Transition Team provided training to 50 Provincial Security Force (PSF) recruits in the areas of vehicle stops, patrol procedures and building entry. The PSF participated in practical application exercises.

Baghdad (MND-B) — **Unassigned**

Baghdad — (b)(6), (b)(3), (b)(2)

(BC0003) Airport Police Local Police Station: (TRA Level NA) The team met with the Global Security personnel and the IP command staff to exchange any current security concerns. The inspection of the IP stations and detention facilities took place with no significant irregularities. The team conducted training to 4 IP covering "First Aid".

(BC0017) Al Hurrya Local Police Station: (TRA Level 3) The team met with CPT. [redacted] about establishing a training course at the station for potential FTOs. He advised he has so many duties assigned to him, that getting FTOs would allow him to be more efficient at completing his tasks. He also said he believes it would boost morale for the IP selected. CPT. [redacted] was also interested in the SWAT program training that is to be held at the BIAP, and would like to have some of his best IP participate in the course.

(BC0020) Al Kadhimiya District Police HQ: (TRA Level 2) The team met with Lt. [redacted] and informed him the Team may be starting a SWAT team with the training for this team conducted at the BIAP. He agreed to be in charge of it. He was also asked to pick a FTO for the Station Field training officer program could be started.

(BC0021) Al Kadhimaya Local Police Station: (TRA Level 2) The team worked with Capt. [redacted] reviewing the power point presentation on Officer Survival & Defensive Training Tactics. This instruction and presentation will be given on a future visit to the IP.

(BC0025) Al Karada Patrol Police Station (East): (TRA Level 1) The team began the HIIDE process and issuing new badges. During this time the team conducted training covering Combat Grip and Sighting for the Pistol. 32 IP were in attendance. The team met with Major [redacted], who said the station's AOR had been quiet the last 24 hours. The Major did, however, mention communication and cooperation between the IA and IP has dwindled. The team observed this problem first hand while en route to the Station. The team came upon an IA unit who was in the process of apprehending two adult males. While the team conducted a security stop and observed this incident, a local IP patrol arrived and offered assistance. The IA Colonel in charge ordered the IP to leave the area without any explanation.

(BC0039) Al Mamum Local Police Station: (TRA Level 2) The team, assisted by NCO [redacted] conducted the officer survival course. The team instructed officers on the topic of IED awareness, glock safety, and front gate safety. The team asked Major [redacted] about being able to train more IP at a time. The Major advised he is limited in the number of IP he can send to training because of his shortage of personnel.

(BC0042) Al Meshahadah Local Police Station: (TRA Level NA) The team observed SgtMaj [redacted] conducting roll call of the 15 on duty IP, with Col [redacted] also present. The team arranged a joint patrol with 12 IP and 2 IP vehicles. The joint patrol went to Kadamiyah to get fuel. The patrol was conducted without incident.

(BC0046) Al Quanat Local Police Station: (TRA Level 2) The team met with LT COL [redacted] who said he would like to receive training for his IP on vehicle searches and pat down searches of persons. The D-cell was inspected and all detainees were given an opportunity to voice medical concerns. The team identified approximately 20 detainees needing medical care. Medication was given to several of them. Several had multiple unexplained bruises on the abdomen and legs. These medical concerns were brought to the station commander's attention.

(BC0058) Al Saliyah Local Police Station: (TRA Level 2) The team conducted follow up with health issues that have been discovered in the detention cell. Other inmates are waiting to see the doctor, who should be in sometime later today.

(BC0069) Al Thawra Local Police Station (Baghdad): (TRA Level 1) The team met with COL [redacted] who gave the team a tour of the Station and introduced all available personnel. The team and COL [redacted] discussed how the team and his leadership would be able to

accomplish the goals of assisting the IP to be more independent. The team will assist with fuel issues and supplies.

(BC0073) Al Yarmouk Patrol Police Station (West): (TRA Level 2) The team stopped at one of the JSS for a scheduled meeting prior to the scheduled station visit. Prior to the team's departure, there was a reported VIBED explosion on the planned route to Yarmouk. The team's arrival at the station was delayed due to the response teams and the traffic backup. Due to the delay, training was not conducted.

(BC0079) Bab al Muadam Patrol Station: (TRA Level 2) The Captain [redacted] a hand grenade had been thrown over the T-wall, causing damage to one of the IP patrol vehicles. During the station visit, an IP patrol brought in a suspect (blindfolded and hands tied behind his back). When the IP removed the blindfold, the suspect had bloody facial bruising. The IP said the detainee was a suspect in the September 14th shooting of an IP. At the time of the arrest, the suspect was unarmed and did not resist. The IP said that the FPS from the Ministry of Labor caught the suspect and beat him. CAPT [redacted] advised he would followup and report back to the team at a later date.

The team conducted training with 10 IP covering weapons safety and muzzle awareness; hand-and-arm signals, and Community Policing principles. At the conclusion of the training, a joint patrol was conducted with the IP from the training class along with 6 members of the team. During the patrol, the IP were observed utilizing the material presented. A D-cell visit was conducted and discovered a 14 year old LN male subject being detained with the adult prisoners. The team explained to CAPT [redacted] the juvenile should not be held in the same area as the other males. The Captain agreed to rectify the matter.

(BC0089) Belat al Shuhadaa Local Police Station: (TRA Level 3) The team met with LTC [redacted] who advised his transfer was temporarily on hold. The team then met with Captain [redacted] the station's investigator. He said they found 3 beheaded men recently and are working on identifying possible suspects and motives.

(BC0095) Jisr Diyala Local Police Station: (TRA Level 3) The team discussed with the station commander the recruiting drive the station was supposed to have. The MOI told them to hold off on the drive. He said they have 700 applicants for 157 positions. The new recruiting drive is scheduled for next month. The team conducted training for 3 IP and a commissioner. They then conducted a joint patrol. The patrol conducted several hasty checkpoints and searched several vehicles. A joint foot patrol was then conducted without incident. The team finished entering the IP into the HIDE system. The next day the team distributed the new IP badges.

(BC0101) Mahmoudya District Police HQ: (TRA Level 3) The team conducted training for 10 officers covering AK-47 safety and maintenance. The team then conducted 1 joint mounted patrol with no incidents reported. The next day, the team conducted training for 10 officers covering Mind Set and the Effect of Imminent Danger, including the mental color codes.

(BC0108) Middle Baghdad Traffic Police Station: (TRA Level 2) The team met with CAPT [redacted] who expressed concern about obtaining the new Baghdad identification badges for his officers and IP. He requested diesel fuel for the generators. The team advised these issues would be addressed the next day.

(BC0109) Nahrawan Local Police Station: (TRA Level 3) The team distributed badges to IP. The team was informed COI. [redacted] has been transferred to a different station. The

new station commander has not arrived and the officers did not know when he would be coming.

(BC0122) Sheikh Saad Local Police Station: (TRA Level 3) The team met with Major [redacted] and helped log and photograph the new IP, as well as the new detainees. He said the only personnel issue they have had recently was regarding an IP who stole about 20 liters of fuel. The IP returned the fuel and was being demoted. A joint patrol was conducted in Sheik Saad village without incident.

(BC0123) South Karkh Traffic Police Station: (TRA Level NA) The team met with Colonel [redacted] and had a conversation with him about 3 IP who were AWOL because they were afraid of CF in the area. He drew up the paperwork to have them fired. The team spent the rest of the day entering the IP into the HIDE system.

(BC0125) Yousifiya Local Police Station: (TRA Level 4) The team conducted training for 4 IP covering Recruiting Techniques, Community Relations and Chain of Command.

Babylon (MND-CS/S) [redacted]

Al Qadisiyah [redacted]

FOB Echo: The V.I.S.T.A program resumed with 15 IP's present for the SWAT course. The IPA's are trying to have 55 IP's come on base for training, but with the Ramadan Holiday, General [redacted] will need all special units on full alert to insure the safety of the city. The IPA's met with Colonel [redacted] and discussed expanding the training and the amount of personnel needed for this task. Col. [redacted] will try to increase the IPA manpower to 21 IPA's. IPA's also met with the Romanians to discuss their roll in the VISTA program. It was agreed that they will assist in the Biometrics portion of the training. Their participation in the Biometrics will start on (date withheld).

Babil [redacted]

FOB Kalsu: PTT conducted training on FOB Kalsu for 199 Iraqi Police Officers that will make up the North Babil ERU (emergency response unit). IP's were instructed in troop leading procedures and taught how to conduct Raids, Ambushes and other military battle drills.

FOB REO: PTT met with Colonel [redacted] Director of the Al Hillah Regional Police Training Center. Colonel [redacted] briefed the PTT on the academy graduation process and stated the next academy class is over filled and some applicants will be delayed until the following class. The scope of work assessment will be provided to the PTT in approximately 4 days for evaluation and application.

(BB0500) Al Hillah Regional Police Training Center: (TRA Level 1) The PTT proceeded to the Regional RTC to meet with Col [redacted] and Iraqi Civil Engineer, [redacted] regarding an assessment of the "scope of work" to restore the proposed temporary Crime Lab. Colonel [redacted] expressed his desire to move the academy offices to the building when the actual crime lab is completed and the refurbished building is returned to the academy. PTT concurred with the Colonel as that will ensure that the work is continually utilized in the progress of the Babil Policing effort.

(NP9904) Iraqi Camp Charlie National Police Compound: (TRA Level 3) PTT team conducted Emergency Response Unit (ERU) training in the areas of Community Policing Practices, Basic First Aid, Tactical Approach and Building Search. Practical application

indicated a basic knowledge of the subjects was attained. While training was being conducted, an additional 12 IP's were registered into the BATT system. Repairs to the electrical utilities are on-going. While some progress is being made, Camp Charlie struggles to operate under current conditions with generators. The most apparent obstacle is the MOI funding.

Wasit (b)(3), (b)(6)

FOB DELTA: All IPA's attended weekly camp meeting to discuss any issues that need to be addressed. Four IPA's were scheduled for a total of 8 PTT Missions.

(BW0043) Wasit Department of Investigations: (TRA Level 2) PTT meet with Captain (b)(6), (b)(7)c at the Wasit Investigation section. Due to the local Ramadan holiday, there were very few IP's at the station. Captain (b)(6), (b)(7)c advised that the commander would return after 2000 hours. PTT conducted a visit with Captain (b)(6), (b)(7)c who advised that he currently has 64 open cases that he is actively working. He further advised that in the past two months he has cleared/closed approximately 35 cases. Captain (b)(6), (b)(7)c cases range from serious crimes to very minor crimes.

(BW0601) Wasit Patrol Police Station: (TRA Level 2) PTT convoyed to the Wasit Province Vehicle Patrol Police Station and met with shift Officer Lieutenant (b)(6), (b)(7)c. PTT learned from Lieutenant (b)(6), (b)(7)c that there is presently no curfew in Wasit Province, but mentioned that all vehicles out past midnight in the province are to be thoroughly checked until daylight. Assistant station commander Major (b)(6), (b)(7)c arrived and spoke with PTT. Major (b)(6), (b)(7)c was asked about the male being held in the detention cell at the facility. Major (b)(6), (b)(7)c explained that the person being held is an IP that lost his AK-47 rifle. At this time, the weapon has not been located. The matter is still being investigated. Major (b)(6), (b)(7)c stated the total personnel assigned Wasit Vehicle Patrol Police Station is presently 534, of which 32 of those are officers. PTT then went on joint patrol through the Tamuq neighborhood with a squad of IP's for approximately 1 hour and 10 minutes. There were no incidents to report during this patrol. PTT was also present at the station for shift change. PTT observed all IP's in uniform and in formation in an orderly manner.

(BW0605) Wasit IHP: (TRA Level 2) PTT members met with an Iraqi Lieutenant Colonel who was the officer on duty at Al Balda DHQ Station. The Lieutenant Colonel advised that there have been no major incidents since the stations last meeting. The Lieutenant Colonel was advised that a copy should be provided to the PTT of any request sent to PHQ for supplies and equipment so that the request could be tracked.

(BW0607) Wasit Supply Warehouse: (TRA Level 2) PTT meet with Major (b)(6), (b)(7)c at the Wasit Supply Facility. Major (b)(6), (b)(7)c advised he was primarily responsible for issuing furniture type equipment to local IP stations. PTT discussed and mentored Major (b)(6), (b)(7)c on issuing, storing equipment and warehouse inventory. PTT conducted a walk through of Major (b)(6), (b)(7)c warehouse. The warehouse that Major (b)(6), (b)(7)c is responsible for has a lot of different type items that could be issued to local stations instead of sitting in the warehouse not being used. The items in the warehouse range from furniture, cameras, traffic cones, desks, water coolers, to fire extinguishers.

(BW0624) Al Balda DHQ: (TRA Level 2) PTT members met with an Iraqi Captain who was the office on duty at Al Balda DHQ Station. The Captain advised that there as been no major incidents since the stations last meeting. The Captain was advised that a copy should be provided to PTT of any request sent to PHQ for supplies and equipment so that the request could be tracked. It was learned that the Sheiks from this province may all work together and assist in fighting Al Qaeda. No further details were available at this time.

Sergeant [redacted] said Colonel [redacted] might have further information on the next visit. IPA observed 3 detainees at the detention facility. All appeared to be in good health with no obvious signs of torture or human rights violations.

Dhi Qar / Al Muthanna (PIC) [redacted]

Al Muthanna PRT members requested to meet with the PIC Team regarding the Al Muthanna IPS. A future date has been set for a meeting. PIC team members finalized training plans for next weeks upcoming training. PIC members attended a SSR meeting with Australian Military officials who passed on intelligence information to team members and discussed daily operations to the team. PIC members met with the Australian DTC Commander in preparation for tomorrow's training at Camp Mittica. PIC members are awaiting word from the UN Official when he wants to meet with the PIC Team, as he has now made arrangements to meet with the Australian Military. PIC members will be attempting to host a key leadership engagement with the Al Muthanna IPS leaders next month to assist PIC members in preparing goals and objectives for OBGW(4)'s arrival at Camp Terendak. PIC members will be meeting with the Al Muthanna PDOP, IPS Police Academy Commander, the PJCC Commander, Logistical Commander, and the Finance Officer. Goals and Objectives will be developed from all these meetings.

Tikrit (MND-CW) [redacted]

Diyala [redacted]

Due to internet issues, no report was filed on this date.

Salah Al Din [redacted]

(TA0013) Al Alam District HQ: (TRA Level 2) PTT-D spoke with COL [redacted]. The COL advised PTT that a LTC with the Intelligence Police by the name of [redacted] was assassinated in Kirkuk. PTT conducted a Station Evacuation Battle Drill while at the station and the responding IP reacted in an adequate manner.

(TA0500) Salah Al Din Training Academy: (TRA Level 2) PTT met with COL [redacted] and learned that the number of students in basic #4 remains at 948. However, he has requested that 10 be fired for failure to show up for training. The number of students for Samara #1 is 396 and the number of students in Samara #2 is 218. The Team also spoke to COL [redacted] about implementing practical testing for the IP. He responded that he would do so as soon he was directed to from the MOI. He will not initiate testing on his own.

PTT-P met with MAJ [redacted] from the Provincial Warehouse. The MAJ informed PTT-P of equipment that had been issued to Bayji. His division had recently picked up orange traffic cones, barricades and speed bumps to be used for checkpoints. An inspection of the Warehouse was conducted and it was noted there are very few items presently stored there. The MAJ stated they have not recently received anything from MOI, and most of the items they have were purchased with Provincial funds. Arrangements were made for the MAJ to come to the COB later in the week to pick up supplies.

(TA0084) Samarra District HQ: (TRA Level 3) PTT met with W/O [redacted] who requested a copy of the receipt when PTT took 5600 rounds of AK ammo to the Dijhlay station. IPA obtained the receipt and provided it to Razaak.

PTT met with COL [redacted] about obtaining more IP for Samarra. This issue needs to be worked by [redacted] since Samarra has not seen any new IP. [redacted] stated he has

sent numerous requests to PHQ on this matter but keeps getting 'the run around'. PTT talked at length about recruiting new people and how to get them to stay in Samarra. [redacted] said that he has tried to get the Mosques to put up signs to join the IP. The problem is the Imams won't do this since the insurgents will attack them. PTT talked about getting the IP into the city to protect the people of Samarra. [redacted] stated that the NP should be doing this since they have so many personnel in the city.

PTT met with the Mayor and CCP at JCC, the Mayor stated he would have people working on the water lines into the city this week, and gave the locations and equipment that would be used. PTT informed CF personnel of this scheduled work so there would not be any problems if they are seen working in the city.

(TA NONE) Hamburai LPS: (TRA Level 3) PTT met with LTC [redacted] to discuss the on going force protection construction and any other issues he might have.

(TA NONE) Sulyman Bak: (TRA Level 3) PTT went to the station to assess the force protection construction. The new PTT met with LTC [redacted] and asked about any concerns. The station visit was cut short due to PTT having to respond to a BVIED explosion inside the city of Tuz. PTT arrived on the scene and, according to the IP, there was some sort of explosive device which was attached to a bicycle and exploded in front of several shops. There were 5 KIA and 22 WIA along with 2 IP injured in the blast as well.

(TA0605) Tuz DHQ: (TRA Level 2) PTT cleared the scene of the blast in downtown TUZ and traveled to TUZ DHQ. The new PTT checked out the station, but the Station Chief was not there. PTT then drove through the city to get familiar with the layout and other locations.

(TA0034) Al Musafi ESU: (TRA Level 3) PTT found there were 15 IP on duty including LT [redacted] the Station Commander. A training class was given on situational awareness and reaction to an ambush. PTT also conducted a block of instruction on vehicle searches.

(TA0050) As Saniyah DHQ: (TRA Level 3) There were 27 IP on duty. Training consisted of weapons familiarization and safety, breakdown and reassembly the PKC, AK47 and the Glock pistol. After completion of the weapons training, PTT accompanied several IP to a local test firing area with the PKC for more familiarization training.

Mosul (MND-N) [redacted]

Ninewah [redacted]

(NO FFID) 5th Emergency Response Battalion: (TRA Level UNK) PTT conducted training with 25 IP and two Iraqi ERB instructors. Training consisted of ERB instructor development with the class of new IP on the topics of Glock nomenclature, disassembly, assembly, maintenance and marksmanship fundamentals.

(MN0020) Hassan Qoi LPS: (TRA Level UNK) PTT spoke to LTC [redacted] LTC [redacted] said he is one of the training officers and he conducts training each day. The AO has been quiet and uneventful. The station currently does foot patrols. PTT told the LT that night patrols should increase during Ramadan, as more people are out at night. PTT talked about Community Policing and the benefits. PTT spoke at length about gaining the trust of LN's and obtaining valuable intelligence, regarding terrorists in the AO. COL [redacted] arrived, for a station visit. COL [redacted] said he visits all the stations in the Tal Afar AO. PTT continued with a lengthily conversation about the importance of Community Policing. PTT inquired about the Detention Facility. There was no-one in jail, at this time. The LPS arrested one

suspected terrorist, approximately a few days ago. The intelligence received suggested the suspect was a terrorist. The LPS turned the prisoner over to DHQ. DHQ questioned the suspect, returned him to the LPS and suggested the suspect be released, due to a lack of evidence. The LPS released the prisoner. PTT then conduct a joint mounted patrol, in the AO.

(MN0056) Ninewah Provincial Headquarters: (TRA Level 2) PTT met with BG [redacted] (b)(6), (b)(7)(c), NPHQ TOC Commander, and discussed the significant events occurring in Ninewah Province during the past 24 hours. BG [redacted] (b)(6), (b)(7)(c) advised an IED detonation had occurred in the Al Arabia neighborhood killed one IP and wounding two others. In the Fifth Bridge Tunnel neighborhood an IED detonation, killing 1 IP. The Fourth ERB was attacked by insurgents, in which two civilians were killed from apparent cross fire between ERB and insurgents. In the 17 Badoosh Thalgi Village, terrorists attacked a home owner and blew part of his home up with unknown type explosives. At the Al Maleya intersection, an IED detonated killing one civilian In the Al Hasoo neighborhood, an IED detonated killing four Iraqi Soldiers that were on patrol, no other causalities reported. At the Al Babrawee intersection, Fifth ERB was attacked by small arms fire and an RPG. One IP was wounded. In the Al Dargazleya neighborhood, one male was attacked and killed by insurgents, and then his vehicle burned. In the Al Rashediya neighborhood, a male was killed by terrorists. It appears that they attacked his home, reason is unknown. In the neighborhood of Al Sumer, IP conducted a raid on a residence. There were unknown numbers of insurgents residing at that location. One IP was killed and two were wounded. No insurgents were killed or arrested from this incident. Several incidents of IEDs being disarmed or reduced by controlled detonation were also reported in various parts of the city, as well as several incidents of IP patrols being fired on by AIF.

PTT met with MAJ [redacted] (b)(6), (b)(7)(c), Detention Center Commander. MAJ [redacted] (b)(6), (b)(7)(c) advised that the inmate count was 437 total detainees, with 27 IP, two IA, five FPS, two in Al Jamouri Hospital and 25 juveniles. The detention center did not release any detainees during the past 24 hours, but did receive eleven additional detainees during that time.

PTT met with BG [redacted] (b)(6), (b)(7)(c). He wishes to tour several other police training centers to learn alternative training methods. Much of today's meeting concentrated on the CF support of Q-West. The discussion is to obtain support from MOI to continue the training center or not. MOI only recognizes MPSA as the sole training center in the Ninewah Province. In addition, many questions have been raised in the operation of the training center. At present, the command staff is not in support to continue the training center.

In MPSA class 24 there are 151 students, from the Mosul area. MPSA Class 25 continues with 236 students from Tall Afar and 53 from Mosul. The Police Station Training Officer Course began on this date. The class has 21 officers from the Mosul area.

(MN0099) Major Crimes Unit/ Major Terrorist Unit: (TRA Level 2) PTT sorted, organized and reviewed the IJ/MTU request from the 13Sep07 IJ meeting.

(MN0140) Checkpoint Company LPS: (TRA Level 4) PTT mission was to travel to Checkpoint Company LPS and meet with LTC about strategic security plans during Ramadan and gather intelligence occurring in LPS area of operations. LTC [redacted] (b)(6), (b)(7)(c) greeted PTT on arrival at LPS. LTC made requests previously submitted to DHQ, but had not had a response. He asked for C-wire for the checkpoints, a table, water containers, and inquiry with MOI about getting a promotion. LTC showed PTT all the written requests made to DHQ, which he had pinned on a pegboard where no action had been taken. There are six new IP hired three months ago that have not received compensation. LTC stated there were 146 total IP, rather than 160 reported two days ago. The high number included temporary IP

that transferred to help during Ramadan. LTC has completed the application process as requested from MOI that is necessary for his promotion. However, LTC states the holdup is with DHQ who reportedly does not like to promote IP in the region. PTT also visited the checkpoints on Sinjar road west.

(MN0142) Qadasiyah LPS: (TRA Level 3) PTT traveled from FOB Sykes to Al Qadisiyah LPS for a mounted patrol and check on the status of the LPS check points for any problems associated with Ramadan. There had been no dismounted patrols during the day due to Ramadan, PTT advised that the IP had a job to do and it was their responsibility to make sure the community was safe, regardless of the holiday or time of year. There have been three mounted patrols each day and PTT told SGT that this was good, but they still needed the dismounted patrols. PTT once again advised this was not acceptable and asked that SGT (b)(6), (b)(7)c do better since he is one of the training officers. The jail contained ten prisoners, all of which appeared in good condition and taken care of. PTT advised jailer that they would have to put prisoners in another cell or take them to DHQ because the cell was at capacity. PTT conducted a mounted patrol with six IP then returned to FOB Sykes without incident.

(MN0204) Al Tahadi LPS: (TRA Level 2) PTT spoke to CPT (b)(6), (b)(7)c about plans to tighten security during the Patrol LT's. PTT conducted a joint dismounted patrol in the AO. The patrol lasted approximately two hours. There were no incidents to report. PTT stressed the importance of Community Policing. PTT talked about stopping to talk to the LN about intelligence information.

(MN0222) Rabiyah DHQ: (TRA Level 2) PTT met with MAJ (b)(6), (b)(7)c and MAJ (b)(6), (b)(7)c to discuss supply and logistics issues. PTT advised MAJ (b)(6), (b)(7)c and MAJ (b)(6), (b)(7)c that PTT has acquired one large storage tank and one small storage tank to store fuel. PTT advised that the large tank will be brought to the Sununi station to store fuel for Sununi and Khan As Sur, and the small tank will be brought to Al Andalus but the tank will be filled from the large tank. MAJ (b)(6), (b)(7)c stated that rumors of a group of ten to twenty people are planning to cross the border from Syria and attack the Arabic villages in the area during Ramadan. MAJ (b)(6), (b)(7)c and MAJ (b)(6), (b)(7)c stated that getting supplies from Sinjar when they request them is the only issue other than fuel. PTT then traveled to Al Andalus to conduct a station visit. LT (b)(6), (b)(7)c was not at the station. The IP informed PTT that LT (b)(6), (b)(7)c traveled to Sinjar to attempt to get supplies for the station. The LT at the station advised PTT that the only issue they are dealing with is the shortage of fuel. PTT advised LT (b)(6), (b)(7)c that the small tank will be stored at Al Andalus.

(MN0907) Al Sarai LPS: (TRA Level 2) PTT presented a course of instruction covering detainee intake procedures with the training officer, LT (b)(6), (b)(7)c and the Investigative Assistant, (b)(6), (b)(7)c. PTT then conducted a joint mounted patrol which included stops at several of Al Sarai's checkpoints.

At Tamim (b)(6), (b)(3)

(TT0009) Domies Patrol Police Station: (TRA Level 1) PTT delivered air conditioning units. PTT collected station statistics and visited with the chief. PTT conducted training in areas of community relations and trust building.

(TT0022) Meghdad Patrol Police Station: (TRA Level 2) PTT spoke with the logistics officer. The officer's books were in order and up to date. PTT asked the logistics officer to make a list of what equipment he needed to get the IP to 100%. PTT also visited the detention room. The detainees looked healthy and there appeared to be no human rights violations.

(TT0031) Shwan Police Station: (TRA Level 2) PTT met with BG [redacted] who stated he found three small generators for his station that could be used to provide electrical power for approximately $2500 USC. BG [redacted] also requested approximately twenty meters of medium HESCO Barriers for the TCP located at the halfway point on the Schwann Highway.

(TT0032) Taza Karhmatu Patrol Police Station: (TRA Level 2) PTT met with COL [redacted]. COL [redacted] told PTT the joint missions with CF have kept the station from its regular duties to the city. The STO has not been able to perform training because of the joint missions.

(TT0099) Kirkuk Major Crimes Unit: (TRA Level 2) PTT met with LTC [redacted] and discussed the emergency action plan for the MCU. LTC [redacted] had a plan prepared and PTT discussed how the plan would be implemented in the case of an emergency at the MCU. PTT was redirected to the scene of an IED detonation near the Kirkuk General Hospital in the business district. PTT left the MCU and drove to the scene without taking the opportunity to have MCU investigators follow in order to conduct an on-scene investigation. Due to military lead, PTT again missed an opportunity to conduct a hands on assessment of the abilities and skills of the MCU.

PTT stopped at the Kirkuk Police Academy to conduct another questionnaire for the military asking the same questions about COL [redacted] background, date of assuming command of the Academy, tribe information and previous employment. These questions have been asked a minimum of four times in the last ten months by the military counterparts of the PTT.

(TT0606) Mareay Local Police Station: (TRA Level 3) PTT spoke to MAJ [redacted] regarding continued training issues. Over the past week the training officer, CPT [redacted] trained his IP on vehicle and personnel searches. MAJ [redacted] is working with the Dibis LPS STO to formulate a new training schedule for Mareay LPS. PTT also trained six IP on defense and arrest tactics for approximately two hours.

Irbil [redacted]

(NO FFID) Koya District Traffic Police HQ: (TRA Level 3) PTT visited Koya District Traffic Police HQ and met with MAJ [redacted] to introduce the IPA working with Traffic Police in Irbil, and discuss training on collision investigation. PTT discussed the training in Sulaymaniyah on accident investigation and reconstruction, and discussed the desire of Koya District Traffic Police to have similar training. PTT discussed the importance of hands-on practical portions of the course and that the course is a very long one, but could possibly be broken up into sections to better serve the IP. PTT discussed the possibility of training the T3 graduates on basic response, including caring for injured and securing the scene for evidence. PTT would then train the officers and investigators that work the collisions on the advanced investigation and reconstruction. MAJ [redacted] advised the station would soon have 3 new officers, and the course should be held after their arrival. PTT followed up on the T3 training by delivering the station's group photograph and certificate for the station to display. PTT met with LT [redacted] and discussed his preparations for the vehicle search class.

(MI0004) Azady Local Police Station: (TRA Level 3) PTT met with CPT [redacted] Hassan at Azady Local Police Station. Assigned to Azady station are 24 IP, three commissioners, and four officers. PTT observed the station was very busy with many people standing in line, waiting to meet with the CPT and Investigators of the Station. PTT met with a Senior Commissioner due to the CPT being so busy. He advised the station needed more weapons training, a weapons qualification course and maintenance techniques on the Glock 9MM. The Commissioner was advised PTT would return to determine if the

new commander for the station would request the ammunition for a weapons qualification, and PTT would then present the training. PTT advised that a T3 course may be a possibility and then the Commissioner and other senior policemen could perform the training for subordinates.

(MI0606) Irbil Crime Lab: (TRA Level 3) PTT traveled to the Crime Lab Station and met with LT [redacted] and 1LT [redacted]. PTT presented two basic introduction Power Point presentations to the Crime Scene Unit. The presentations were on the initial use of the CS 500 Alternate Light Source and Trace Evidence. LT [redacted] and LT [redacted] will utilize this information to acquaint themselves with the terminology prior to PTT conducting hands on training. Copies of the presentations were also provided for future reference. PTT has made contact with the TechnoLine Corporation that is contracted to provide the initial setup and training on the Agilent Mass Spectrometer. This training, which has already been paid for by the Rapid Equipping Force, involves a three (3) day set up program and a three (3) day familiarization program. All parties involved continue to support the plan that the system should be set up once the new Crime Lab facility is complete. The donated Compact Flash memory cards have been distributed and the Nikon D2x cameras are being integrated into the Crime Lab Units. PTT has been in contact with the Nikon Forensic School in New York City, NY. A donated reference guide and related materials are being sent to the Irbil Lab through the PTT. PTT confirmed the MGRS for the current Irbil Crime Lab Station as 38 S MF 09597 04657.

(MI0001) Irbil Provincial HQ: (TRA Level 2) PTT met with the PDOP and discussed current issues relating to an internal affairs investigation at the Khabat LPS. PDOP is aware of the investigation and has concluded that the allegations by the Khabat District Judge are not founded. PDOP plans to present the findings to the KMoI for briefing to the KMoJ. PTT also informed the PDOP that the CF has inquired if Irbil IPS would be willing to send a few mechanics to Mosul for training on the Chevrolet Police Trucks. PDOP advised the KMoI has a standing order that no Kurdish IP will be permitted to attend training in a hazardous area without the KMoI's express consent. PDOP requests that if the permission were granted, CF Air Travel would have to be provided. PDOP refused to send IP by ground to Mosul. PDOP referred to previous incident where Irbil IP were attacked in Mosul and were not supported by Mosul IPS. PTT passed these concerns on to the CF requesting party. PTT informed the PDOP of the land requirements of the new Vehicle Maintenance Facility. The old land requirements were 5000 square meters of land. The new requirements are 45,000 square meters of land. PTT advised the KMoI is currently working the land issue with the Minister of Agriculture and that inquiries have been made for land near the new Police Academy construction site.

Sulaymaniyah

(NO FFID) Persh Merga MOI: (TRA Level UNK) PTT met with BG [redacted] of the Ministry of Peshmerga to follow up on the bi weekly meeting at the MOJ. BG [redacted] stated that he was happy with the way the meetings were going and was looking forward to them continuing. BG [redacted] had advised PTT that he would like more training for his men. BG [redacted] said that after the booklet is compiled, he would like PTT to train his men on that as. In his opinion, his men would respect the training more coming from PTT.

(NO FFID) Sulay Police College: (TRA Level UNK) The purpose of today's class was to identify and by use of proper collection technique, bag, tag, record, and retain items that have a specific value in an investigation. The students were taught that the collection process usually starts with the collection of the most fragile or most easily lost evidence and then continue along the crime scene trail or in some other logical manner. Different types of trace evidence to include fingerprints, bite marks, broken fingernails, blood and body fluids,

hair, as well as firearms, tool marks, and edged weapons were identified and the class was taught how to process same.

(TS0010) Sulaymaniyah Traffic HQ: (TRA Level UNK) PTT met with COL [redacted] of Traffic HQ to follow up on the bi weekly meeting at the MOJ. COL [redacted] read PTT excerpts of the book he made reference to in the meeting, the excerpts that he wanted to include in the booklet. PTT received the name of the book as well as the author and will attempt to obtain a copy of the entire book for future reference. COL [redacted] also requested that the other PTT providing accident investigation training set up another class upon his return from leave. COL [redacted] is very pleased with that training.

(TS0015) Barda Qaraman LPS: (TRA Level 3) PTT met with CPT [redacted] took possession of the crime scene kit and was told LTC [redacted] would sign for the kit on a later date. PTT returned to Camp Tow where the entire kit was inventoried and photographed. Several items on the submitted equipment list from PTT were not in the kit. Some items not on the submitted list were in the kit. All of this was recorded and the kit will be used in the training of the present station and then turned over to LTC [redacted] at the end of the class.

(TS0020) Bazyan LPS: (TRA Level 3) PTT continued with the investigation class at this location. The period of instruction covered ballistics, including the 5 characteristics of a projectile, along with weapons identification. A total review was also conducted and each day as we proceed.

(TS0034) Dukan DHQ: (TRA Level 3) PTT traveled to Dukan DHQ and repeated day four of a one week community policing training program for the IP who had been off during the last scheduled day of training. The ten IP present and the PTT met at the DHQ with three prominent members of the local community. The guests at the meeting were all community leaders for the city of Dukan. During the course of the meeting, the Community Policing program was explained in detail to the guests. The IP involved with the course informed the guests of both the civilian population's and the IP's responsibilities that would ensure the programs success. The guests all agreed that the program would be a great asset to the community and that they would spread the word among the population as to the concept of the new program.

Dahuk

(MD0099) Major Crimes: (TRA Level 2) PTT delivered CPT Ismat one (1) HP photo smart printer "C3183," and four (4) ink cartridges. CPT [redacted] signed and gave a thumb print showing he received the printer. PTT met with LTC [redacted] and was informed PTT noticed his investigators were short on office supplies. PTT explained all of last week his investigators were going to each other borrowing either ink pens, paper for case reports, or any other office supply needed to complete a case file. PTT expressed each investigator needs to have his own set of office supplies to be able to work effectively. LTC [redacted] advised PTT he would look into the matter, and address it with either CPT [redacted] or MAJ [redacted] to correct the problem. PTT began training on Violent Crimes Investigations. PTT discussed the initial response by police to the scene, addressing topic of emergency care if needed to assist any victims' injuries, and securing and controlling persons at the scene. The transfer and control of the crime scene from dispatched officer to chief detective, and documenting their observations. The topic brought about a lot of discussion, and useful information for the investigator. PTT will continue the training for the next two (2) days.

(MD0005) Khabat LPS: (TRA Level 3) LT [redacted], a recently certified instructor for "Community Policing", began his first class teaching seven IP at the Khabat LPS. PTT was

present to monitor and assist him with this class. LT [redacted] explained the benefits of community policing for both the local population and the police, after which he covered the principles of community policing.
