(b)(6) MANQED Installation)

ALCON,  
below is the minor incident of the injury to a civ worker at the new CENTCOM building. The initial response was a CENTCOM member that fell off a ladder approx 12 feet high on Zemke Ave. The First Responder pager system was alerted at first with responders. Also the CENTCOM Security, BDOC patrols and EM services responding. The First Responder pager system worked outstanding and accolades to Mr. (b)(6) on this system. Thank you for your support/MSG
