Subject: New HQ update: No drywall replacement required

COL (b)(6) -

I just received a verbal from USACE that the industrial hygenist's final report will indicate that no drywall will need to be replaced as a result of the flooding (other than repairs at test patch locations.)

(b)(6)

(b)(6) -

he weekly has not gone up yet, recommend deleting the part about drywall results pending, otherwise we can put it up next week,

V/r
