WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

Afghan Employees were not at work today because of gate closure. We took advantage of this opportunity to conduct a Health and Welfare Check of the site. Contraband is frequently collected and stored in Break areas from the waste stream. I had do this task. at the start of the Health and Welfare came into my office with a burned Koran that was found inside of a microwave. Books were found as well, some hidden in the cooking areas, and other miscellaneous areas. Three Books were brought into my office. I used a rubber glove and put them in a clear plastic bag. Fluor Security was already on the scene and contacted the PMO office for us. From this point CID came to photograph everything and the MP's are handling the situation.
