SUBJECT: Desknote – ISR Plan during 12 July 2008 attack on COP Wanat

(U) Sir, per your request, below are the operational conditions and resulting collection plan at the time of the 12 July 2008 attack on COP Wanat. During this timeframe, there were two high priority operations in RC-East consuming most of the ISR support in the region.

Issue:

(b)(1) 1.4 a, c, (b)(2)High

Summary:

- Events leading up to 12 July affected the theater collection planning and resulted in minimal theater ISR available in the area on the day of the attack on COP Wanat.
